Independent Non-Partizans Decide Not to Contest Victoria Seats in Election

VICTORIA, Nov. 10: (CP)—Charles Bishop, Walter Luney and George McGregor, Independent Non-Partizans candidates, last night announced their withdrawal from the deferred provincial election in Victoria City. While political observers give the Liberal candidates the best chance for election, some of the independent candidates are also expected to prove strong. There is little expectation of the C. C. F. candidates being successful. The withdrawal of Messrs. Bishop, Luney and McGregor leaves twentythree candidates in the field for the four seats. Voting will take place November 27.

Labor Council Asks That Men Who Refused to Go to Camps Be Put Back on Relief

The Prince Rupert Trades and Labor Council, at a meeting last night, decided, after hearing a delegation from the local Unemployed Councils consisting of Messrs. Hog, Murphy and Rose which requested support of the demand that single unemployed men who have refused to go to alleged semi-military relief camps on the southern coast be reinstated on the local relief roll of the provincial government, to communicate with Premier-elect T. D. Pattullo requesting that the men be reinstated on relief here until such time as the new government has had the opportunity of putting into effect its proposed "work and wages" program. The Trades and Labor Council expressed itself as being opposed to the general principle of putting the men in camps and took particular objection to moving men from Prince Rupert to camps in the south and paying them 20c per day. This system, it was contended, tended to lower the standard of living and was demoralizing to the men both from a physical and mental standpoint. Thomas Elliott was welcomed as a delegate from the Fish Packers' Union which is now being granted a charter under the Dominion Trades and Labor Congress after having operated for ten years under the One Big Union. Business at the meeting was otherwise of a routine nature. S. D. Macdonald, president, was in the chair.

FIRST ENTHUSIASM

The intense enthusiasm which accompanied the first movement of Canadian troops overseas when the call came to this part of the Empire nearly twenty years ago will be recalled tomorrow. It was a very real sacrifice. The general opinion was that the men went to their certain death. They sold or gave away all their belongings. There was to be no return.

Some of those men are with us today but many remained on the fields of France and Flanders. Happily their spirit is still with us. In spite of much of the sordidness of modern life, there is still a spirit of self-sacrifice abroad in the land inspired by the memory of those splendid men who went overseas. We can see them today marching to their ship to the music of the military bands, with spectators weeping and smiling through their tears in order to cheer the boys on. Women cheered as they wept. Others, dry-eyed, felt their hearts broken yet not one would have reversed the decision to go at the country's call.

It was a wonderful spirit that developed throughout the Empire in those days. It was a wonderful spirit that made everybody carry on, glad to deny themselves anything and everything in order that the men overseas might be kept supplied. This spiritual effect is the great reflex of the awfulness of the carnage which took place.

Tomorrow let us all join with the little remnant that is still left in keeping alive the memory of that wonderful time, those tremendous sacrifices, that joyous outburst that came on Armistice Day.

PLAY VERY ENJOYABLE

"Oh Susan" Provides Breezy Entertainment at St. Andrew's Cathedral Hall

Presented by a happily selected cast of young people under the capable direction of S. P. Woodside, the droll four-act comedy farce "Oh Susan" provided bright and breezy entertainment for a large and appreciative audience in St. Andrew's Anglican Cathedral Hall last evening. The play, staged under the auspices of the Amateur Dramatic Society of the Cathedral, will be repeated tonight and, in view of the favorable comment which the first presentation elicited, will, doubtless, be rewarded with another full house.

The plot is a novel one and is far from being burdensome as amateur theatricals sometimes are. Members of the cast each play their roles with credit to themselves and their director and everything went off very smoothly last night. The interest of the audience was kept well sustained until the final curtain. The acts are not long which is really an advantage.

Principal members of the cast in romantic roles are Miss Elizabeth McLeod, whose talent is well known and who is consistently popular; and Bill Tobey, whose style appears different at first but which is nevertheless very effective. Mrs. F. N. Good, Miss Helen McLeod and Miss Margaret McLeod have important parts which they portray in fine style while character roles are depicted by William Elkins, Miss Eileen Green, Johnny Comadina, Miss Eileen Gibson and Mr. Woodside each of whom are good.

The Junior Symphony Orchestra under direction of Bert Cameron played selections at opening and closing and between acts, the evening's program being distinctly enhanced thereby.

At the close of the program last evening, Dean Gibson spoke briefly, expressing appreciation of the large audience and of the work of Mr. Woodside, the director, and the cast.

Bob Tobey was in charge of properties and electrical effects were loaned by Gordon's Hardware. Stanley Dalby presided at the door, Misses E. Rivett and Joan Cross being in charge of seating arrangements.

To Canadian Youth Who Fell in France

Your dreams were sealed so long ago.
When the vibrant call of youth was stilled;
Your hopes, desires, and love preserved.
Await fulfillment of the years.

To Him that gave, your dream returns
Unmarred, that He may take again
And fashion with immutable design
His imprint of divinity.

For we that tread the desert years
Where all lays broken in the sands,
Have naught to guide us save the star
That gleams the brighter for your dream.

CANOE FOR HONEYMOON

Mrs. Robert Tomlinson Had Many and Varied Experiences in North

CEDARVALE, November 10—The death occurred here on Tuesday at the home of her daughter, Mrs. A. S. Tordiffe, Mrs. Alice Mary Tomlinson, widow of the late Rev. Robert Tomlinson, formerly of Meamskinish.

Mrs. Tomlinson was born at Parsonstown, Ireland, in 1851, coming to Victoria when ten years old with her parents, the late Richard and Anne Woods, Mr. Woods was for a time sheriff and also registrar at Victoria in the early days.

In 1886, Alice Mary was married to Rev. Robert Tomlinson, missionary to the Naas Indians for the Church, Missionary Society, London, England. Their honeymoon was spent in journeying in an open native canoe, manned by eight natives, from Victoria to Kincolith on the Naas river where at that time Mr. Tomlinson was stationed.

Mrs. Tomlinson had numerous and varied experiences in her missionary work, suffering many privations and even dangers but, on the whole, enjoyed good health up to the last few years, and while not seeming critically ill, has been ailing and the end was not unexpected.

Deceased is survived by two sons, Robert, at New Metlakatla, Alaska, and Thomas Richard of Cedarvale, and three daughters, Mrs. A. S. Tordiffe and Mrs. W. W. Moberly of Cedarvale, and Mrs. G. Douglas of Parksville, Vancouver Island.

The funeral was held at the village church at Meamskinish and burial was made beside deceased's husband, who passed away in 1913. Many friends were gathered to pay their respects to one who was more to many of them than just a friend and neighbor. She will be remembered especially by those who knew her in early days for her kind loving sympathy to all. She was the first pioneer missionary woman to take up permanent residence in Northern B.C. coming to Kincolith in 1868. Also she was one of the best of the real pioneer missionaries.

Quick Relief Now From Neuralgia

1 JACK, I'M TO SEE CLARK ABOUT THAT BIG ORDER IN 40 MINUTES AND I HAVE TERRIFIC NEURALGIA... WHAT CAN I DO?

2 LATER
WELL, JACK, I GOT THE ORDER! YES, FELT FIT AS A PIDDLE... YOU BET, I'LL ALWAYS GET ASPIRIN WHEN I WANT QUICK RELIEF FROM PAIN.

3 DON'T WORRY! GET SOME ASPIRIN. TWO TABLETS WILL STOP THAT PAIN IN A FEW MINUTES.

Real ASPIRIN Starts Taking Hold in Few Minutes

Now comes amazingly quick relief from headaches, rheumatism, neuritis, neuralgia... the fastest safe relief, it is said, yet discovered.

Those results are due to a scientific discovery by which an Aspirin Tablet begins to dissolve, or disintegrate, in the amazing space of two seconds after touching moisture. And hence to start "taking hold" of pain a few minutes after taking.

The illustration of the glass, here, tells the story. An Aspirin Tablet starts to disintegrate almost instantly you swallow it. And this is ready to go to work almost instantly.

When you buy, though, be on guard against substitutes. To be sure you get ASPIRIN'S quick relief, be sure the name Bayer in the form of a cross is on every tablet of Aspirin.

WHY ASPIRIN WORKS SO FAST

Drop an Aspirin Tablet in a glass of water. Note that BEFORE it touches bottom, it has started to disintegrate.

What it does in this glass it does in your stomach. Hence its fast action.

Simple Rules for LOSING FAT

Common sense will do far more for you than any so-called "pills" for taking off surplus pounds. Just live properly. You don't need to starve yourself. Eat enough to satisfy the demands of your body, but just be careful not to eat too many greasy, starchy foods, such as potatoes, sweet corn, fat meats, etc. And above all, be sure of complete elimination of body wastes.

Don't just take it for granted that there's nothing wrong with your eliminative system because your habits are regular. Regularly cleanse thousands who, if they only realized it, could enjoy perfect health and proper weight all the time.

Once or twice each week enjoy a bracing, sparkling glass of Andrew Liver Salt. Andrew will help Nature to effect complete elimination, and so will help your body to throw off unwanted and unhealthy weight.

The occasional sparkling glass of Andrew Liver Salt will purify and invigorate your whole system and ward off the "little ills." It will prevent those days of heavy body weariness and periodic attacks of headaches and indigestion. And it will help Nature bring you down to your proper weight.

Try this common-sense way to get rid of surplus body-wearing fat. Eat moderately and take Andrew occasionally. Ask your druggist for Andrew Liver Salt. In tin, 35c and 60c. New, large bottle, 75c. Sole Agents: John & Huston Co., Ltd., Toronto.

C.P.R. steamer Princess Adelaide, Capt. S. K. Gray, arrived in port at 2:45 this afternoon from Vancouver and way ports and will sail at 10 p.m. on her return south.

The sentries who will stand guard at the Cenotaph tomorrow in connection with the annual Remembrance Day service will be: Chief Petty Officer John Gibson, D.S.M., representing the Royal Navy; Private Alex Maclean, the Glasgow Highlanders, Imperial Private James Watt, Sixteenth Canadian Scottish, Canadian Expeditionary Force; Trooper L. HOW IS YOUR LIVER?**
Wake up your Liver Bile
—Without Calomel

Your liver is a very small organ, but it certainly can put your digestive and eliminative organs out of order, by refusing to pour out its daily two pounds of liquid bile into your bowels. You won't completely correct such a condition by taking salts, oil, mineral water, laxative candy or chewing gum, or roughage. When they're moved your bowels they're through—and you need a liver stimulant. Carter's Little Liver Pills will soon bring back the sunshine into your life. They're purely vegetable. Safe. Sure. Ask for them by name. Refuse substitutes. 25¢ at all druggists.

The Seattle halibut schooner Electra, after having been held here for several days pending investigation of allegation that some of the fish taken by the vessel on her final trip of the season to the banks was taken after the commencement of the close season on October 25, was granted a clearance for Seattle yesterday. Further proceedings against the vessel, if any, will be taken by the United States authorities.

Jimmy Hamilton, popular second officer of the steamer Princess Adelaide, is back on duty aboard the coast liner, which is in port this afternoon, after having been ashore in Vancouver for the past three weeks nursing an injured leg. He is being welcomed back by many friends at this port.
