WAR DEAD HONORED

Remembrance Day in Prince Rupert Observed With Parade and Service at Cenotaph

Many Attend

Impressive Ceremony on Saturday Morning Favored by Fine Weather Conditions

With fine weather conditions favoring the solemn proceedings and permitting of a large and representative gathering of citizens for the occasion, Prince Rupert on Saturday morning observed the fifteenth anniversary of the armistice which ended the Great War with a large parade and impressive service at the cenotaph in honor of the memory of the Glorious Dead of the world conflict.

The procession, which was marshaled by Lieut. Col. S. D. Johnston M.C., V.D., officer commanding the North B. C. Regiment, and the chairman for which was Major C. J. Eritt, was led by the Prince Rupert Boys' Band, under direction of Bandmaster Robert Greenfield, and proceeded from the corner of Third Avenue and Third Street, down Third Avenue, around Sixth Street to Second Avenue and thence to the cenotaph. The selections played during the march by the Boys' Band were the subject of general favorable comment. Following the Band marched a guard of honor of Royal Canadian Naval Volunteer Reserve, Sea Cadets, members of the Canadian Legion and other ex-service persons, members of the Canadian Legion Women's Auxiliary, Imperial Order, Daughters of the Empire, The H. Loyal Order of Moose, Fraternal Order of Eagles, Benevolent Order of Elks, Independent Order of Oddfellows, Boy Scouts, Girl Guides and Wolf Cubs.

Hundreds of citizens lined the streets as the procession passed. These and many more attended at the grounds for the service which followed the parade.

The service at the cenotaph was conducted by Rt. Rev. Lieut. Col. G. A. Rix, Bishop of Caledonia. "O Canada" was sung and "Cease Fire" sounded by Bugler William Rance after which two minutes of silence was observed in honor of the dead. "The Last Post" was then sounded by the bugler, and following prayer, the hymn "O God Our Help in Ages Past" was sung.

Address By Bishop

"We may not all agree," said Bishop Rix in his armistice address, "on the causes or reasons for the Great War but on one thing I believe we are all agreed and that is that, as a nation, Great Britain was innocent of starting the conflict and entered into it only as a last resort to protect the smaller and weaker nations after all other efforts to preserve peace had failed."

As far as the Canadians were concerned, their main inspirations for volunteering for overseas service, the Bishop felt, had been their spirit of adventure and courage but, more important, their loyalty to King and country. No matter what might have actuated them in volunteering for service, however, all had suffered and endured and those who had died had died like men. They had proven themselves worthy successors to a fine heredity.

The deeds of the Canadians in the Great War, continued Bishop Rix, would be a matter of lasting pride and glory. In spite of sorrow, (Continued on Page Four)

Were Endorsed In German Election

Chancellor Adolf Hitler (centre), and Minister of Propaganda Joseph Goebbels (left), receiving the cheers and Nazi salutes of their followers in the German election. The ballots for this election did not contain the names of candidates for this or that office. It merely asks the question of whether the voters are satisfied with the program mapped out by Hitler and his lieutenants for the restoration of the pre-war prosperity.

Heavy Rains Cause of Trouble Along Lower Skeena Valley Line

Today's Eastbound Train Not Going Out But May Get Away Tomorrow—Saturday's Arrived Last Night From East Almost Twenty-Four Hours Late

As a result of recent long-continued and heavy rainfall, several slides and washouts came down over the week-end along the line of the Canadian National Railways between Woodcock and Kwinita, causing a temporary interference with traffic in and out of Prince Rupert. There will be no train east from Prince Rupert as scheduled this afternoon although it is hoped to get one out tomorrow. The regular train due from the east at 10 o'clock Saturday night finally got through to arrive here at 9:45 last night, almost twenty-four hours late.

No casualties or serious damage to equipment is reported as a result of the slides. Four cars of Friday evening's eastbound train were derailed at the end of a bridge at Mile 36 (west of Pacific) but remained upright. A wrecking train which went out later had a derailment two miles west of the point where the other derailment took place. Both trains were soon put back on the tracks.

Wrecking crews are working from both ends repairing the line.

REMEMBRANCE AT SCHOOL

Miss E. A. Mercer is Speaker Before Booth Memorial Pupils

The annual observance of Remembrance Day took place in the Booth Memorial School last week when the principal, Miss E. A. Mercer, spoke to the assembled pupils of the day and what it commemorated. Of the memorials particularly associated with the Canadians two were specially noteworthy—the one at Ottawa and the Vimy Ridge Memorial that it is hoped to finish next year.

The main theme of the architect in the Memorial at Vimy Ridge, where the Canadian forces achieved one of their greatest successes of the war, was the idea of peace. Canada, bending over the main memorial, recognized that sacrifice was the foundation of progress in the world. Four graceful pylons tapering to the skies indicated that the hope of the world lay in justice, knowledge, peace and truth and people's aspirations should strive to reach these. The group with broken swords was the only indication of war in the memorial. If the present and future generations shaped their destinies along these lines, the threat of war would disappear and peace would be a permanent fact.

In addition to the most interesting talk there was singing of the hymn "O God Our Help in Ages Past," "O Canada," "Tread Softly" and the National Anthem. Two minutes' silence was observed in honor of the memory of the glorious dead.

Recommendations For Reform In Dominion Banking System Are Made By Investigatory Body

HITLER IS BACKED UP

Nazi Policies Given Expected Approval in German Election Yesterday

BERLIN, Nov. 13: (CP)—More than 43,500,000 German voters turned out yesterday to mark their ballots in Chancellor Adolf Hitler's "mock election," it being a high record of voters for a German election. As expected, Hitler policies were given almost unanimous approval the vote for the Nazi slate being 92% of the total ballots. The opposition received 4 1/2% while the balance of the votes were invalid.

The plebiscite was called to ratify Hitler's action in withdrawing Germany from the world disarmament conference and League of Nations in protest at the refusal of the important powers to permit Germany to exceed the provisions of the Treaty of Versailles in re-arming and the result is interpreted as approving the action.

With the overwhelming support of the German people, Hitler will now be able to drive forward to inaugurate a new deal for Germany. He has another Reichstag which will follow his orders willingly.

The aged President Paul von Hindenburg turned out early in the morning to vote. Chancellor Hitler cast his vote during the afternoon.

Majority of Three to Two in Favor of Establishment of Central Bank—Agricultural Credits Urged, Abolition of Service Charge and More Equal Directorate Representation

OTTAWA, Nov. 13: (CP)—A majority of the Royal Commission—Lord MacMillan, Sir Charles Addis and Hon. J. E. Brownlee—which investigated Canada's banking and currency system, recommends a central bank for Canada. Beaudry Leman and Sir Thomas White dissented from the majority recommendation. The report of the Commission was officially announced today.

The commission unanimously suggested a Dominion-provincial investigation to devise some organization for the extension of intermediate and short term agricultural credits.

The report advises the banks to meet where possible the demand for six to twelve month agricultural credits, to consider abolition of the charge for operating accounts and collecting checks, to deal only in the highest grade investments and that shareholders consider the advisability of providing a "generous proportion" of directors from eastern and western Canada in view of the alleged subordination of interests of those sections to those of central Canada.

Four of the commissioners agreed on the abolition of the statute fixing the maximum interest rate at seven percent. Premier Brownlee dissented. The others held that a small extra charge might permit the banks to make loans where the risk was somewhat greater and which otherwise might go to loan companies charging higher rates.

In several places high praise is accorded the present Canadian banking system.

The report observes that the world will never return to conditions similar to those prevailing before the depression.

Powers of Central Bank

The central bank, as proposed by the commission, would have a capital of \$5,000,000 open to subscription by all British subjects resident in Canada with dividend limited to five percent or six percent cumulative. It would have the sole right of note issue and would be the bank of the Dominion government and, by agreement, might also become the bank of provincial governments. The central bank should take over issue and management of the public debt of the Dominion and possibly also of provincial governments. Note issue of the commercial banks should be redeemed over a specified period of years.

Principal operations of the central bank would include buying

and selling of gold, silver and foreign exchange, short term domestic Dominion and provincial government securities and a limited amount of long term securities and granting advances on these securities. The central bank should be prohibited from advancing to the Dominion government in excess of say 33 1-3% of the income expected during any one year or to the provincial governments in excess of 25% of yearly income. In both cases repayment of the advances should be complete by the end of the first quarter after the close of the fiscal year.

Popular Bride-Elect Honored

Miss Thora Petersen, whose wedding is to take place shortly, was very pleasantly surprised at a shower given in her honor by Misses Yvonne Terrien and K. Petersen. Some twenty-five friends gathered at the home of the bride-elect's mother on Thursday evening and showered her with miscellaneous gifts. A toast to the bride-elect was proposed by Mrs. S. Smith. A very enjoyable evening was spent with games and dancing, the party coming to an end by singing "For She's a Jolly Good Fellow" and "Auld Lang Syne."

To the Electors of Atlin

I wish to express to you all my sincere appreciation of the honor you have done me by electing me as your representative in the Legislature.

It will be my aim to justify your confidence by serving you in the best way I know. Let me suggest that party differences be forgotten and that we work together as a unit for the advancement of the interests of the riding and the general good of the province of British Columbia.

DAILY EDITION Monday, Nov. 13, 1933

THIS SHOULD HELP
 The election of W. J. Asselstine to the Legislature should give a fillip to the movement already started to put men to work in developing small mining properties, not only in the Portland Canal district but throughout British Columbia.

Last year Mr. Asselstine read a paper before the Canadian Mining Institute which brought forth international comment. It had to do with the many novel features and new developments in meeting the metallurgical problems of the Premier Mine. It is his idea that the application of modern metallurgical science to many small properties in the province is one direct route to putting men to "work with wages" and the creation of new wealth and prosperity. Being a public speaker as well as an engineer and economist he will now have an opportunity of bringing before the Legislature problems that have to do with mining and the solution of which should be of great benefit to Northern B.C.

ALL CAPABLE MEN
 Northern British Columbia is fortunate in having elected to the Legislature a group of capable men, all good speakers, broad thinkers and excellent citizens, who will be in a position to make themselves felt. This group includes the member for the new constituency of Peace River who was elected as an independent and who probably will sit on the opposition benches. These men are above the average of provincial legislators. The northern section of the country is to be congratulated on having chosen well, not because the new members are mostly Liberals but because they are particularly capable men.

Cathedral Play Goes Off Well
 Following the entertainment, members of the cast and others taking part enjoyed a party at the home of Mr. and Mrs. F. N. Good, dancing being indulged in and refreshments served.

Another large audience gathered at St. Andrew's Cathedral Hall Friday night for the second presentation of the comedy farce "Oh Susan" by the Amateur Dramatic Society of the Cathedral and the entertainment went off, if anything, better than on the first night. At the conclusion, flowers were presented to the lady members of the cast.

FEED STOCK BROUGHT IN

Thirty-Five Head of Good Quality Cattle Arrive in Interior

PRINCE GEORGE, Nov. 13—A mixed carload of 35 head of good quality cattle for feeding and breeding purposes has arrived in the Prince George district.

This load was assembled by the Agricultural Department of the Canadian National Railways and distributed as follows: fifteen head of feeders to S. McNeil, Salmon Valley, ten head of feeders to L. C. Gunn, Prince George; eight head of well grown dual purpose Short-horn breeding heifers to R. Richards, Fort George and two head to Chris Geiger, Dewey.

The stock was purchased on the Edmonton stockyards and makes the third carload to be distributed in the central interior of B. C. this fall. Two previous loads were shipped to Terrace and Kitwanga.

Farmers throughout this area have abundance of feed on hand. Stocker and feeder prices are low and reduced freight rates from the yards to feed lot makes it possible to land the stock on the farm at a very low cost. It would appear that farmers taking advantage of this situation would have an opportunity to sell their surplus feed at a good profit through beef.

Stewart Board of Trade Wants Inspectional Tour to Visit Mining Camps

STEWART, Nov. 13 — A short business meeting of the Stewart Board of Trade was held on Tuesday evening. It was decided to make immediate representations to the Agent General for British Columbia at London, Eng., to have the proposed 1934 inspectional tour of British Columbia include visits to northern points on its itinerary. It was felt that operations of the size and importance of Anyox and Premier and the whole Portland Canal district should not be omitted from the itinerary of such a tour.

Correspondence with Radio Station KGBU, Ketchikan, Alaska regarding publicity for the Alaska Highway was submitted.

H. W. M. Rolston gave an interesting report of his impressions following a tour of the Atlin district.

SMOKER FOR REMEMBRANCE

Affair at Canadian Legion Hall Brings Armistice Day Observance to Close

The Canadian Legion Remembrance Day smoker Saturday evening brought a memorable Armistice Day activities to a very successful end. In opening the entertainment, the president, J. Preece, said that at the Cenotaph that day the memory of fallen comrades had been honored in a notable ceremony. Armistice had meant an end of war and the relief from its horrors.

The speakers of the evening were unanimous in complimenting the Legion on the most successful parade, the splendid turn-out and the exceptionally gratifying support by the organizations in town and the people generally. They also took occasion to compliment the local branch of the Legion on its courage in making the extension to their building at the present time. When a feeling of depression was in the air, it was doubly encouraging to find such progressive citizenship tackling an undertaking that provided men with work and the city with a building that would be a credit. The speakers included Ex-Mayor C. H. Orme, Lieut. W. Hume, Lieut.-Col. S. D. Johnston, Lieut.-Col. J. W. Nicholls, Lieut.-Col. S. P. McMordie, D.S.O., Major Evitt, Major Burbank, Mr. Cunningham, an ex-president of the British Empire Legion Branch, and S. D. Macdonald. A splendid program, arranged by C. L. Youngman, included songs by J. A. Teng, J. S. Wilson, G. P. Tinker and H. Astori with two particularly pleasing events in an exhibition of illuminated club-swinging by Ted Anslow and outlast swinging by Jack Anslow. Community singing under J. S. Wilson "went over with a bang." A. Smalle was a very capable accompanist. Refreshments were served and the old spirit of the trenches was very evident.

HOOP PLAY VERY FAST

Large Crowd on Saturday Night—Seniors Provide Feature Game

Saturday night a capacity crowd saw four fast games of basketball at the Moose Hall. The best game was between the Grotto and the Canadian National Recreation Association in the Senior League, the Grotto winning by three points after an overtime period. Play was even throughout the half time score being 17-17. In the early part of the second half the C. N. R. A. had a slight lead but, in the last four minutes, the Grotto overcame a five-point margin to tie the score at full time. In the extra period the C. N. R. A. scored the first basket to hold the lead for but a minute. The Grotto then made five points in quick time to win 39-36.

Ladies' Game

The Comets tied up the Ladies' League by beating the Cardinals 23-14. Lowe was very effective for the Cardinals while Smith and Irvine were the sharpshooters of the Comets.

Intermediate Game

The Warriors continued their winning streak at the expense of the High School in the Intermediate League, emerging victors by a comfortable margin of 30-23.

Junior League

In the Junior fixture the Flashes beat the Scouts 23-18. The Scouts all played well while Fulton served the Flashes best.

Individual scoring:

Blood Test Led Run-Down Girl to A Sure Remedy

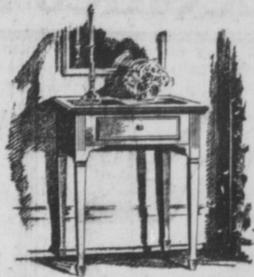

Saying that she lacked pep and didn't feel like working, a pale young office-worker recently had her blood tested by a reputable physician. This test indicated an anemic condition, as the haemoglobin content of the girl's blood was only 60%, instead of 90% to 95%, which is normal for a woman, and her red blood corpuscles count was only 3,700,000, instead of a normal count of 4,800,000. The physician explained that the red corpuscles carry throughout the blood stream the haemoglobin, which conveys the life-giving oxygen from the lungs and nutrients from the digestive organs to every cell in the body, thereby building tissues and clearing the system of poisons. Hence the health can be normal only if the haemoglobin and red corpuscles are. To increase the haemoglobin and red corpuscles, the physician prescribed Dr. Williams' Pink Pills. After a month's treatment the young woman returned for a second blood test. This test showed a remarkable improvement in her blood stream—she felt full of energy and vigor. Ten other run-down people, blood-tested at the same time, had similar experiences. The physician's records of these cases furnish absolute proof that Dr. Williams' Pink Pills are remarkably efficient in revitalizing impoverished blood streams. They will do that for you. Try them. 50 cents at drug stores.

BIG DANCE AT TERRACE

E. T. Kenney, New Member, Given Great Reception at Election Night Party

TERRACE, November 13 — Under the auspices of the Terrace Basketball Club a dance was held in the Canadian Legion Hall on election night, there being about 175 people present. A feature of the evening's proceedings was the announcing of the election returns, E. Michiel reading these out.

At midnight E. T. Kenney, victorious Liberal candidate, appeared among the crowd just as definite returns of the Skeena contest were being announced. He was chaired and shouldered by D. Little amid the cheers of the crowd. Mr. Kenney gave a short speech thanking the voters.

Dancing continued until 2:30. Excellent weather prevailed on election day here.

WAR DEAD HONORED

(Continued from page one)

for future generations and, if the call ever came again with reasons as clear as had been those in 1914, the speaker was confident that the inspiration of these deeds would result in as spontaneous a response among those who would then be the young and the strong. However, it should be the prayer of all that such a call would never arise but that peace should reign throughout the world.

The Bishop urged the importance of maintaining faith in God and the eternal. "Let us leave those whom we are trying to remember today with the Great Judge of the Earth in confidence that they shall be done rightly with and that they shall be satisfied."

In closing, Bishop Rix urged that those men and women who had fought and suffered during the Great War and who were still fighting and struggling in their various ways today should not be forgotten.

Close of Proceedings
Following the address, wreaths were placed at the base of the cenotaph by representatives of various organizations and private individuals. A lament was played at this time by Piper Alex Macdonald. The proceedings came to a close with the sounding of the Reveille by Bugler Rance and the singing of "God Save the King."

The Guard of the stone during the service were Chief Petty Officer John Gibson D.S.M., representing the Royal Navy; Private Alex Maclean, Glasgow Highlanders, Imperials; Private James Watt, Sixteenth Canadian Scottish, and Company Sergeant Major H. A. Ponder, Northern B. C. Regiment, Canadian Mounted Rifles.

After the service, the parade marched back to the Canadian Legion Hall where it was dismissed.

Union steamer Catala, Capt. A. E. Dickson, arrived in port at 5:45 last evening from the south with a fair-sized list of passengers and sailed at 8 p.m. for Anyox, Stewart and other northern points whence she will return here tomorrow morning and sail at 1:30 p.m. for the south.

Norman A. Watt and daughter, Joan, returned to the city on the Princess Norah this morning from Victoria where they went in company with the remains of Mrs. Watt, who passed away here recently and whose funeral took place in the Capital.

Two chimney fires required the attention of the fire department during Friday evening's gale, there being no damage in either case. The first was at 4:45 in a building at 934 Second Avenue owned by Sam Jabour and occupied by R. Erickson. The second was at the residence of Victor Essen, 537 Eighth Avenue West.

FINE FILM IS BRITISH

"Be Mine Tonight" Hailed as All-Round Delightful Picture

Sparkling comedy, charming romance, great photography, beautiful scenery of the Swiss-Italian lake regions and fascinating, lilting music, both vocal and instrumental, are factors which combine to make "Be Mine Tonight," which is coming to the Capitol Theatre here at the first of this week, a most delightful picture. It is another film that has attracted much favorable comment elsewhere and that local movie fans have been looking forward to for some time.

It is a British production with an international cast headed by Jan Kiepura, Polish opera star, and Magda Schneider, Edmund Gwenn, who had a prominent part in "Good Companions" last week, also has an important role in "Be Mine Tonight."

Musical numbers are worked cleverly into the action and dialogue, making the comedy funnier and the romance sweeter. The direction is said to be unsurpassed.

New Orchestra of Baptist Church is Heard First Time

A newly organized orchestra in connection with First Baptist Church, under the direction of Melvin R. Dafeo, made its initial appearance at evening service in that church yesterday and created an excellent impression, indicating that it is going to be a decided acquisition to the church and its activities. Henceforth the orchestra, which consists of Miss Edith Johnstone, Miss Cathie Watson, Miss Aileen Hamblin, Miss Phyllis Hamblin, Bobby Houston and Kenny Green, will be heard each Sunday for fifteen minutes prior to evening services. Last evening Melvin Dafeo rendered as a baritone solo "Thou Art the Potter." Next Sunday evening Master David Houston will sing "My Task." The subject of the pastor, Rev. F. W. Dafeo, last evening was "Consecration of Life."

WHIFFLETS From the Waterfront

In view of the announcement of W. A. Found, deputy minister of fisheries, contained in Canadian Press dispatches to the Daily News, that the International Fisheries Commission will probably sit in Prince Rupert later this month to hear the views of local halibut fishing interests in regard to new measures to be invoked for the further conservation of the Pacific halibut fishery, it may not now be necessary for the local Deep Sea Fishermen's Union to send a delegate to the session of the Commission which has been called for November 23 in Seattle. At a meeting last Thursday night, the local Union elected George Anderson, its secretary, as delegate to the Seattle conference. It was not known by the meeting that the Commission was considering coming north for a session.
