# PATTULLO PLEASED WITH OUTLOOK

## SASKATCHEWAN GOVERNMENT DEFEATED IN BY-ELECTION

### Liberal Leader Highly Gratified With Support His Party is Receiving

Satisfied With Type of Candidates Being Nominated—Bowser Making no Impression and Public is Impatient to Turn Tolmie Out

VANCOUVER, May 23: (Canadian Press)—T. D. Pattullo, Liberal leader for the province of British Columbia, returned to Vancouver yesterday after a tour of the southern interior and expressed himself as being well pleased with the calibre of Liberal candidates which had so far been selected as his supporters in the forthcoming provincial election contest. He was particularly gratified at the selection of Dr. Allan Harris, young scientist, as candidate in South Okanagan to contest the seat against Hon. J. W. Jones, minister of finance. "Dr. Harris represents a type of support that is lining up more and more solidly behind the Liberal party," Mr. Pattullo declared.

### SUBMARINE IS RAMMED

Collision Between Undersea Craft and Trawler Near Kinnaids-head, Scotland

KINNAIRDSHEAD, Scotland, May 23: (Canadian Press)—The submarine L23 collided today with a trawler in thick fog near here. No assistance was needed. The submarine is taking water slightly but the leakage is said to be controlled by the pumps.

### MORE BOATS QUIT WORK

Wrangell Trollers go on Strike in Sympathy With Protest Against Low Prices

WRANGELL, Alaska, May 23: (Canadian Press)—The Wrangell branch of the Trollers' Association is now idle with every fishing vessel in port after seventy members voted to strike in sympathy with the general tie-up in Alaska and along the coast.

### Turkish Troops Halt Protesting Students

Turkish students, marching in protest on the Bulgarian consulate in Istanbul to protest against the desecration of Turkish graves by Bulgarians in Razgrad on Easter night, are halted with bayonet points by Turkish troops as they approach the consulate.

### SERVICE OF MAIL

Improvements For Telegraph Creek, Dease Lake, Anyox and Alice Arm Asked by Hanson

Improvements in the postal services to the Dease Lake and Telegraph Creek area and to Anyox and Alice Arm were requested in the House of Commons recently by Olof Hanson, M. P. for Skeena. Mr. Hanson's representations and the replies of Hon. Arthur Sauve, Postmaster General, are recorded in Hansard as follows:

Mr. Hanson (Skeena): I have a complaint from Dease Lake and Telegraph Creek post offices in British Columbia. A notice has been posted in those post offices that from now on the parcel post rate will be 12 cents a pound. They are the only places in British Columbia where that change has been made. I have inquired as to the reason. I realize it is probably for the sake of economy but I would like to ask the Postmaster General how much he anticipated will be saved by depriving those two post offices of that service. It is 5 cents a pound in other post offices in British Columbia, but it is raised to a flat rate of 12 cents for those two post offices. I have taken it up with the deputy minister but he could not give me any other answer than that it is done for the sake of economy. I can see no warrant for depriving those

### Vancouver Wheat

VANCOUVER, May 23: (Canadian Press)—Wheat was quoted at 60¢ on the local exchange today.

### NO PAPER TOMORROW

Tomorrow, being Victoria Day and a public holiday, there will be no issue of the Daily News. The next regular edition will appear on Thursday afternoon.

### NO FISH SALES

No boats being in with catches, there was no auction of halibut at the local Fish Exchange this morning.

### SITUATION MUCH IMPROVED STATES ITALY'S PREMIER

ROME, May 23: (Canadian Press)—Premier Benito Mussolini, at an executive session of the Fascist Grand Council which ended early today, declared that the international situation "is greatly improved" as a result of recent events.

### DOMINION RELIEF TO END JULY

Road Camps Designed to Take Place of Cash Payments For Transients in Province

The Chamber of Commerce has received from Olof Hanson, M.P., a copy of the agreement entered into between the Dominion and provincial government under which "the Dominion undertakes to take over the responsibility of the care of all homeless men and will for that purpose organize and execute relief projects consisting of works for the general advantage of Canada, which otherwise would not have been undertaken at this time." The Dominion government will take over road projects from the province or may initiate other works. Existing relief camps will be made available by the province without charge along with existing camp equipment, tools, stores and supplies, also machinery and the operators therefor.

The Dominion will take over existing supervisory staffs. Among the works to be initiated in which this part of the country is interested is the Bear River highway out of Stewart and the Northern trans-provincial highway, evidently the highway designed to connect Jasper with Prince Rupert. There is nothing in the agreement to indicate at what point or points camps will be operated in this section.

Homeless men requiring relief will be provided with shelter, clothing and food and an allowance not ex-

### FUNERAL AT METLAKATLA

Esther Robinson, Aged 15, Laid to Rest With Large Congregation Attending Final Rites

Canon W. F. Rushbrook of St. Peter's Anglican Church of this city officiated in St. Paul's Church, Metlakatla, yesterday afternoon at the funeral of Esther, fifteen-year old daughter of Mr. and Mrs. Robert Nelson and granddaughter of Robert Nelson, whose death occurred at the neighboring village at the end of the week. There was a large congregation at the service which was followed by interment in the Auril Point graveyard across the passage from the village. The father of the child was engaged in trolling at the Queen Charlotte Islands and could not be reached.

During the service thanks was offered to God for the safe delivery of William Robinson who had been believed lost but who has been found in Alaska after being shipwrecked.

Among those sending floral tributes to the little girl's funeral were Mrs. W. Leighton, Mr. and Mrs. St. Clair, Mr. and Mrs. Wouden, Mrs. S. Rudland, Mrs. Cecil Ryan, Mrs. Emily Venn, Mrs. A. C. Aldous and J. W. Morison, Mr. and Mrs. C. P. Ryan and Mr. and Mrs. W. Leask.

### Today's Weather

### Minister Loses Fight For Seat in House to Qualify For Cabinet

Official Liberal Candidate Victory in Kinistino Riding Yesterday With Majority of Nearly Two Thousand—Test of Political Strength

KINISTINO, Sask., May 23: (Canadian Press)—In the Kinistino constituency provincial by-election yesterday, John Taylor, official Liberal candidate, defeated Hon. Charles McIntosh, government candidate, by the overwhelming majority of nearly two thousand votes. Mr. McIntosh had recently been appointed minister of natural resources in the cabinet of Premier J. T. M. Anderson and the by-election was regarded as an important test of public opinion as to provincial politics.

### EMPIRE DAY CELEBRATED

Annual Demonstration For School Pupils Under I. O. D. E. Auspices

Under the auspices of the Imperial Order, Daughters of the Empire, the annual celebration of Empire Day took place this afternoon. The pupils of the public schools and those of the Annunciation School met in the Capitol Theatre and those of the high school in the auditorium of the Booth Memorial School.

Mrs. D. C. Stuart, Municipal Representative, presided at both gatherings and was accompanied on the platforms by the regents and standard bearers of the primary chapters, the president of the Prince Rupert Parent-Teachers' Association and the principals of the schools.

Both programs opened with the salutation of "The Flag" and the singing of "O Canada" and closed with the National Anthem.

Theatre Meeting

In the Capitol Theatre, Ex-Mayor C. H. Orme, in a very interesting address, told the children why Empire Day was celebrated and what it should mean to the children.

Mrs. E. Anderson, accompanied by Mrs. C. E. Gullin, delighted the audience with the vocal solo "Land of Glad Tomorrows."

Patriotic songs were beautifully rendered by the pupils of the Booth Memorial School and a pretty flag drill showing careful training was given by the Grade VII girls of the same school.

A clever pageant by the pupils of Borden Street School entitled "The Making of the Flag" and containing several national songs made a suitable ending to the program after which a film was shown by the kindness of the management of the theatre.

High School Pupils

At Booth Memorial School auditorium, where the pupils of the high school met, Weldon McAfee gave an inspiring address on "The British Empire."

### Miss Evelyn Dalby To Attend Wedding Of Brother Soon

Ms Evelyn Dalby of the Northern B. C. Power Co. Ltd. office staff, sailed Saturday night on the Prince Rupert for Victoria where she will visit for a week with her sister, Mrs. Arthur Wootton, before proceeding to Vancouver where she will join her father, F. Dalby of this city, who went south two weeks ago, and, with him, go to Edmonton to attend the wedding on June 7 of Herbert Dalby, station agent at Pibroch, Alta., on the Edmonton & Dunvegan Railway. Following the wedding Mr. Dalby and daughter will return here while the bride couple also intend to visit here as well as in Victoria in the course of a honeymoon trip to the Pacific Coast. The bride will be Miss Doris Ferguson, an Edmonton girl.

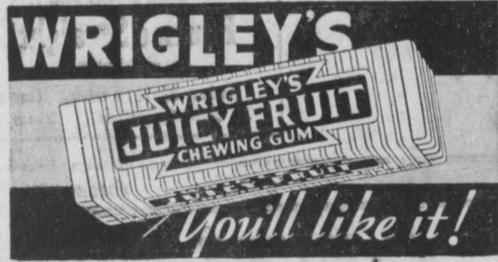

### DEPENDS ON CONFERENCE

British Government Shares View of President Roosevelt in Regard to Future Peace of World

LONDON, May 23: (Canadian Press)—The British government, replying to President Franklin D. Roosevelt's peace message, declared that it entirely shares of the president's views that on successful outcome of the world economic and disarmament conference depends the future happiness and prosperity of the world.

### Rumor Regard Big Missouri

There was a rumor around the city this morning that Big Missouri was about to install a new mill. This may have been based on a statement from a Vancouver broker that the company controlling the mine was preparing to recommence operation and was assembling material and machinery for that purpose.

**BETTER POSITION**

The Tolmie government has strengthened its position very materially during the past few days. The fact that one or two ministers who had shown independent tendencies have decided to stay with the old party indicates that they have sensed the political outlook and believe there is a chance of being returned in the fall. The slight improvement in conditions will tend to favor them.

Conservatives say that the appointment of a minister of labor from the All-Canadian labor group will divide the labor forces which are usually against the Conservatives and the Socialists who are entering the field will do the rest.

According to the same authority there will be as many Liberals support the new Unionist party as will support the Bowserites. In most places, too, the Conservatives control the old Conservative organizations. In view of this, it is claimed, the Tolmie reorganized government has a good fighting chance.

In Prince Rupert the majority of the old Conservatives seem to be favoring the Bowser party but it is not the same in all communities. The whole political condition is very complicated.

**FREE GOLD PROPERTY**

This paper has published several articles in regard to the Haida Gold Mines Ltd. which has a free milling ore, carrying good values with many thousands of tons of ore in sight. This property, which is situated on the west coast of Moresby Island, is of such a nature that, immediately operations commence, it will be able to ship sufficient gold to pay the cost of operating. In that it differs from most mining properties on the coast.

In view of the reports, official and otherwise, in regard to the Queen Charlotte Islands, it seems as if there is a better field for prospectors there than in most parts of the north. The difficulty is that prospecting may prove expensive there unless a tie-up could be arranged with fishing boats going to the west coast to transport supplies.

**PITTSBURG LEAD CUT**

Pirates Drop Game to Dodgers—Yanks Win in American

PITTSBURG, May 23 (Canadian Press)—Pittsburg Pirates, as a result of a shut out defeat at the hands of Brooklyn Dodgers here yesterday, had their margin of leadership in the National League reduced to 1½ games over the New York Giants who shut out the Cincinnati Reds at Cincinnati. The Dodgers, by virtue of their win, advanced from fifth to fourth place ahead of the Reds.

In the American League, the New York Yankees shut out the Cleveland Indians at Yankee Stadium and maintained their one game margin of supremacy over the Washington Senators who were eking out a close victory over the Detroit Tigers at the National capital. The Boston Red Sox had a one-run margin victory over the Chicago White Sox at Boston and climbed into a tie for seventh place with the Detroit Tigers.

Yesterday's Big League scores:

**NATIONAL LEAGUE**

Brooklyn 3; Pittsburg 0.  
New York 9; Cincinnati 0.

**SPORT CHAT**

The Junior Football League is arousing even more than ordinary interest this year as the teams are more evenly matched. Borden Street School is making a very good showing with several new players giving promise of developing into good talent though lacking in experience. Booth, with several of last year's team still available, is at the head of the league for the time being and its next encounter with High School should be a very interesting match. There is little to choose between the teams. High has a well balanced team but has not been able to get into its stride altogether. There will be no game on Wednesday of this week as it is a school holiday. On Saturday Booth and Borden meet.

**REGIMENT LINE-UP**

The following line-up for Regiment in tonight's football game against Canadian Legion is announced: Smith; Blake and Gomez; Edgumbe, DeJong and Wingham; Wick, Hill, Christison, Colussi and Davies.

## GAMBLERS IN DRAMA

Clark Gable, Carole Lombard and Dorothy Mackall in "No Man of Her Own"

Clark Gable, Carole Lombard and Dorothy Mackall are featured in "No Man of Her Own," which will be the attraction at the Capitol Theatre this mid-week.

Trouble enters a big time trans-Atlantic gambling partnership because Dorothy is madly in love with Gable and the gambler is fed up with her. When he walks out on her, she threatens to go to the District Attorney and Gable, with Detective J. Farrell MacDonald too hot on his trail, decides to leave New York until Dorothy has cooled off.

In Glendale, he meets Carole Lombard, a bored small-town beauty and, because he loses the toss of a coin, marries her. He takes her back to New York, intending to use her in much the same way he had used Dorothy. But two things happen: This hard-boiled, fast and loose gambler falls in love with his wife and Dorothy, back from a Mediterranean cruise, violently resents the marriage of her ex-boy friend. The result is exciting drama.

## Dancing Exhibition Proves Delightful

Large Attendance at Display by Mrs. James Watt's Pupils—Scotch Dance Follows

Pupils of Mrs. James Watt numbering some fifty-two in all, including thirty-two seniors and twenty juniors, gave a delightful dancing exhibition in the Oddfellows' Hall Friday night before some 180 persons. Among those giving solo numbers were Misses Helen Macdonald, Margaret Lamb and Flora and Helen Leslie, Highland Flings, and Miss Jean Watt, an Irish Jig. The dancing exhibition was followed by two hours of Scotch dancing in which all present participated, music being provided by an orchestra consisting of John Bremner, J. B. MacKay, James Watt and James L. Lee. During the evening ice cream was served to the children.

James Hadden acted as chairman for the dancing exhibition as well as master of ceremonies for the dancing.

### DOMINION RELIEF TO END IN JULY

ceeding 20c per diem for each day worked. Men will work eight hours a day except Saturday, the afternoon of which will be used for recreation. Sundays and statutory holidays will be observed.

If men other than homeless men are admitted to the camps the province will have to pay to the Dominion for each the sum of 25c a day.

Evidently from the wording of the agreement it is the intention that direct relief shall cease at the end of July, as no provision is made for Dominion contributions after that date. During the month of May the Dominion pays one-third of the cost of all relief; during June, 30% only, and, during July, 10% after which no provision is made. There is, however, a provision that in cases where a municipality is financially unable to assume a greater percentage of direct relief the Dominion may, on recommendation of the province, contribute an amount in excess of that contributed by the province.

In unorganized districts the Dominion will, until the end of July, pay to the province one-half of the amount expended in direct relief. It is evident from the document that it is the intention that all Dominion contributions to relief shall cease after the end of July and that the road camps shall take the place of the relief payments.

### SERVICE OF MAIL

(Continued from Page 1)

people of that convenience for the few dollars that may be saved; for I presume the mail has to go there anyway, whether there are few parcels or many, and I cannot see what saving can be accomplished.

Mr. Sauve: We tried to do our best; if we have not satisfied the people there we will seek to do so. But my hon. friend will understand the situation that faces us on account of the depression of business. We are trying to do our best to serve the public and at the same time to serve the interests of the

country. If your people are not satisfied we will seek to satisfy them.

### Anyox and Alice Arm

Mr. Hanson (Skeena). May I also ask the Postmaster General this: In the same district the towns of Anyox and Alice Arm up to last spring had three mail services a week. Last spring they were cut to two, which was naturally a hardship on those communities. The latest report that I have received informs me that it is anticipated that the service will be put to once a week. I have several letters containing these complaints but I do not think it is necessary to put them on record. I just want to register these complaints and I should like the minister to look into the matter very carefully before reducing the services from three to one a week. The population is the same as it was before, so I do not see why they should be deprived of that service.

Mr. Sauve: We have asked for a better price for a weekly service. I suppose we will receive tenders, and we shall do our best.

### URGES SKEENA HIGHWAY WORK

Editor, Daily News.—

Now that the government has announced plans for extensive road work throughout the province for the summer months it appears strange that the Skeena highway from Prince Rupert has received no mention. Considering the large number of unemployed in the city that have not been required to work for their relief up to the present and the fact that all could be utilized on the local highway there can be no justification for the neglect on the part of the provincial government, which, no doubt, is responsible. It is true that twenty cents a day is very low wages, but the men would not be required to strain themselves, and considering the long spell of idleness they have enjoyed at the taxpayer's expense I am sure that they would be eager to become self-supporting once more. If the highway could be extended to Prudhomme Lake this season it would add much to the value of the existing road and would be an added asset to the community.

RESIDENT.
