Tolmie Not Depending On Unionists to Form Government, He Says

Premier of British Columbia Has Not Given Up Hope
Even Yet For Union Administration—Cannot Do
Anything Until After Election

VANCOUVER, Oct. 31: (CP)—“There has been an effort made to create the impression that I am depending entirely upon the Unionists to form a government. This is absolutely ridiculous,” declared Premier Tolmie in an address here last night. “I am still as firmly of the opinion as ever that union is the best form of government to cope with the present situation. I have no doubt that the next government will be made up of the best men procurable.”

All Ready For Voting in City

Provincial Election Machinery is
Ready to Function, Returning
Officer Announces

Everything is now in readiness for the holding of the provincial election here on Thursday of this week. It is announced by Returning Officer D. C. Stuart. The local polling division will be divided into two general sections—A to L and M to Z. Polling will take place in the premises across from Second Street formerly occupied by the Electric Bakery. Hours of voting will be 8 a.m. to 8 p.m. The names of polling officials were announced some days ago.

The Premier declared that he had not hampered “any of my supporters in selecting how they shall run during the election. We should remember that no new government will be formed until after the election.”

Cedarvale Army Officer Burned Out Last Week

Staff Captain Acton, while passing through Cedarvale, enroute to Prince Rupert on Saturday, learned that Captain and Mrs. Tomlinson, who are in charge of the native work of the Salvation Army in that district, had been burned out. Their home and winter vegetables were entirely destroyed by fire on Monday of last week. The fire started on the roof but a strong wind was blowing so all efforts to save the home were in vain.

Captain Tomlinson is well known in this district, his father being one of the pioneer missionaries to the Indians.

Sale of Engineer Mine is Postponed

Auction of Famous Atlin District
Property is Deferred Until
January 25

The auction sale of the famous Engineer mine, authorized to satisfy a judgment against the owners of the Atlin district property, has been further postponed until January 25. The property, equipment, etc., was to have gone under the hammer at the local sheriff's office but no bidders put in an appearance.

PASSING OF MRS. WATT

Death Removes Wife of Government
Agent Here—Leaves Three
Small Daughters

Following an illness of three weeks, Mrs. Ann Dorothea (Acheson) Watt, wife of Norman A. Watt, government agent here, passed away at 10:30 last evening in the Prince Rupert General Hospital. Her demise came as a great shock to the community in which she was so widely known and highly esteemed and deep sympathy is felt by their numerous friends for the bereaved. The end came with tragic suddenness. Three weeks ago Mrs. Watt had undergone a major operation and, after having been critically ill for a time, last week had seemed to rally definitely and it was believed that she was out of danger. However, a relapse came suddenly Saturday night since when she had been unconscious much of the time.

Born at West Meath, near Pembroke, Ont., Mrs. Watt at the age of 17 entered St. Luke's Hospital, Ottawa, to train as a nurse. She served overseas during the Great War as a nursing sister. Following the war, she was married to Mr. Watt, this being the culmination of a romance which had commenced prior to the war. The marriage took place at Ottawa on April 3, 1919.

For five years Mr. and Mrs. Watt lived in Victoria and they moved to Prince Rupert some seven or eight years ago.

In addition to the widower, three little daughters—Joan, Norma and Lydia—are left to mourn the loss of their mother. A brother of deceased, Milton Acheson of Vegreville, Alta., had been called to the city and arrived here Saturday night. Other relatives include a sister, Mrs. Haviland Routh of Montreal, a brother, William A. Acheson of Montreal, and brother, P. T. Acheson of London, Ontario.

The remains are resting at the home of Rev. and Mrs. W. D. Grant Hollingworth, intimate friends of the family, until Thursday evening when a service will be held in First Presbyterian Church after which the body will be placed aboard the steamer Prince George and taken to Victoria where the funeral will be held. Mr. Watt will accompany the remains south.

J. C. Lawrence Died Today at His Son's Home

The death occurred at about 11 o'clock this morning on Graham Avenue of John C. Lawrence, father of J. D. Lawrence, manager of the Government Telegraphs in this city.

Mr. Lawrence, who was 78 years of age, was born in England. In 1897 he went to the Yukon with the Scroggie outfit and remained there until about three years ago. Much of that time he was in business at Stewart River. Three years ago he retired and came south, stopping off at Prince Rupert and for some time visiting his son. He then went on to Vancouver.

Funeral arrangements are in the hands of the B. C. Undertakers.

Roland Lambert, Pioneer Miner, Dies in South

VANCOUVER, Oct. 31: (CP)—Roland A. Lambert, aged 79, well known placer miner of the early days and the Klondyke Rush, died here yesterday.

Frank Hart recalls that it was just fifty years ago today that he, along with two others still alive, joined the Knights of Pythias order at Vancouver and 47 years ago he was head of the lodge at that place.

TWO BOATS ARE SAFE

Fears of Lake Winnipeg Marine
Disaster, Involving 24 Lives,
Ended

SELKIRK, Man., Oct. 31: (CP)—Fears that 24 passengers and members of the crews of two Lake Winnipeg boats—the Luberc and Question Mark—perished in a storm which had raged for two weeks were ended yesterday with receipt of reports that all were safe. The boats have been held in shelter in ports at the northern end of the lake. The vessels were due here a week ago. The passengers were all fishermen returning to their homes here from the Eagle River fishing grounds.

Three search vessels left here at the end of the week.

IS KILLED AT ATLIN

J. E. Moran, Well Known Mine
Manager, Loses Life in Slide
Of Rock

John E. Moran, manager and superintendent for the Campagne Francaise de Paris, a French company which has been operating a group of mineral claims on Otter Creek in the Atlin district, was killed yesterday when caught by a slide of rocks and gravel in a mine which he was inspecting, according to word received today at divisional headquarters of the provincial police here. An inquest will be held.

The late Mr. Moran made his home in Vancouver and had planned on coming south shortly for the winter. He was known by several Prince Rupert people.

SILVER AND COPPER ON NEW YORK MARKET

NEW YORK, Oct. 31: (CP)—Silver closed at 39 3/4 per ounce on the local metal market yesterday. Copper closed at 8 1/4, being unchanged today. Today's silver price was 39 3/4.

CAPE BEALE IS LAST
CANADIAN BOAT STILL
TO LAND FINAL CATCH

As far as is known but one Canadian halibut boat, the Cape Beale, Capt. Edgar Arnot, is still to be accounted for following the closing of legal fishing for halibut on the Area No. 3 banks last Thursday and it is quite possible she may have gone on to Vancouver with her final catch as it is the intention she shall spend the winter there. The Takla, Capt. Chris Parkvold, and Covenant, Capt. Hans Underdahl, are engaged in fishing black cod for New Westminster. There are still a number of American vessels which have not yet landed their final catches, it is believed. There were no boats in today with catches.

FUNERAL AT METLAKATLA

Entire Village Turned Out to Pay
Final Tribute to John Leighton

METLAKATLA, Oct. 31:—The passing of one of Metlakatla's best and most popular citizens was mourned by the entire population of the village which filled St. Paul's Church to capacity yesterday afternoon when funeral rites for the late John Duncan Leighton were held. He passed away early last Saturday morning seven weeks after being admitted to the Prince Rupert General Hospital.

The late Mr. Leighton was 58 years of age and took a prominent part in everything pertaining to the welfare of the village in all of which he was very popular.

A valued technical adviser of the village council board continuously for more than fourteen years, ex-chief councillor of the village, last year, at the expiration of his term of office, he had to withdraw his name for re-election on account of throat trouble to which he at last succumbed. He was past president of the Young Men's Benevolent Association where he used his experience as alderman to lay down a sure and firm foundation for the regulation and government of the association.

The funeral service was conducted in an impressive manner by Rev. Canon W. F. Rushbrook. The full church choir was in attendance. Hymns were “Lead Kindly Light” and “Safe in the Arms of Jesus.”

Following the church service, interment was made in the cemetery across from the village, the entire village population, also friends and relatives from Port Simpson, following the cortege to the final resting place. The Metlakatla Silver Band played several funeral marches and dirges. Pallbearers were members of Young Men's Benevolent Association.

Numerous and beautiful floral tributes testified to the esteem in which deceased was held and to the general sympathy for the bereaved ones. Flags over all the public buildings were at half-mast.

Intimate surviving relatives include the widow, a son, Wallace; brothers, William, Rueben, Peter and Albert J. Leighton, also a sister residing in Prince Rupert, Mrs. J. Cook and brother Bobby Leighton.

Floral Tributes

The following sent flowers: Mother and Wallace, Councillors of Metlakatla, Young Men's Benevolent Association, Mr. and Mrs. Beynon (Port Simpson), Salvation Army, Mr. and Mrs. Francis Leask, Mr. and Mrs. Henry Ryan, Mr. and Mrs. R. Hill, Mrs. Maude Ross (Port Simpson), Mr. and Mrs. S. Ryarf, Mr. and Mrs. Geo. St. Clair and family, Peter Leighton and son, Mrs. Emily Venn and family, Miss Myrtle Robinson, Mr. and Mrs. C. P. Ryan and family, Frank and Peter Robinson, Mr. and Mrs. R. D. Leighton, Musgrave family (Port Simpson), Mrs. Annie Leighton and family, Mr. and Mrs. Cook and family (Prince Rupert), Mussallem's Grocery (Prince Rupert), Mr. and Mrs. W. F. Rudland, Mr. and Mrs. William Robinson, Mrs. Sarah Wilson, Mr. and Mrs. W. Leask and family, Mr. and Mrs. Rueben Leighton and family, Mr. and Mrs. Wm. Leighton and family, Mrs. C. Venn and Miss Maude Venn, Mr. and Mrs. Bert Wouden (Prince Rupert).

BUSINESS OF BOARD

Proceedings of Diocesan Woman's
Auxiliary Last Week

The sessions of the diocesan board opened with a communion service in St. Andrew's Cathedral on Wednesday morning with Bishop G. A. Rix as celebrant assisted by Dean Gibson and Rev. Canon W. F. Rushbrook. The dean preached. In the afternoon a visit was paid to the Japanese mission and the Ridley Home after which Mrs. G. A. Rix was hostess at a reception at Bishop's Lodge. In the evening there was an open meeting in the Cathedral Hall as a diocesan rally for the Restoration Fund. The chairman was Mrs. G. A. Rix and Mrs. McCoskrie gave the opening prayer. Reports were presented and Mrs. R. L. McIntosh gave an address of welcome. Mrs. B. Shearman of Kitkatla replied on behalf of the delegates. There was a special address on “The Missionary Work of the Church” and “The Restoration Fund” by Mrs. R. B. McElheran of Toronto. Dominion organizer of the women's department, The Bishop of Caledonia also gave a short address.

Thursday morning was devoted to a business session with Mrs. Rix presiding. Canon Rushbrook gave the noonday prayers and there was an address on “The Church Boys' League” by Mrs. McElheran. After luncheon, there was balloting. Miss Lenox gave prayers at the afternoon session and the president gave her address and reports. Later a report on the Dominion Woman's Auxiliary annual meeting was presented by Mrs. J. B. Gibson and there was a special address on Woman's Auxiliary work by Mrs. McElheran.

There was further general business on Friday.

Scandinavians Have Meeting to Discuss Workers Organizing

A meeting was called in the Metropole Hall last night for the purpose of organizing a Scandinavian Workers' Club. It is planned that the organization should be non-political except as far as the working men's interests are concerned. This was merely a preliminary meeting and no definite line of action was arrived at. It being decided to meet again in the near future. There were about fifty persons present.

CAMPAIGN ECHOES

HIGH LIGHTS FROM T. D. PATTULLO'S SPEECHES

“We must put purchasing power back into the hands of the people.”

“Governments must have the courage to make the start by using the national credit.”

“We had inflation during the railway building and during the war. If we had another war we would have inflation to the last dollar to win it. Then why not use national credit to win the present war on poverty?”

“If I had my way I would put the unemployed to work on national public works at reasonable rates of pay.”

“My unemployment policy is a policy of work and wages.”

“The Socialists would pull the house down because the roof leaks.”

HIGH LIGHTS FROM W. J. ASSELSTINE'S SPEECH

“Upheavals and revolutions are usually due to stubbornness, greed and stupidity on the part of those who refuse elementary reforms.”

“The best antidote against Socialism or Communism is the elimination of the germs of despair which give birth to them. Liberalism stands between the enemy of all change and the enemy of order.”

“Socialism wishes to destroy the present order of things. Liberalism wishes to improve and reform in order to preserve the present order.”

ATTITUDE TO RELIGION

Four Vancouver C. C. F. candidates, in a letter to the Bishop of Cariboo, reflect the socialist opinion pretty well in regard to religious matters. A few socialists hold different views, such for instance as the C. C. F. candidate for Atlin, but it is pretty safe to say that a majority of them hold views antagonistic to organized religion. Here is what the Vancouver C. C. F. candidates say over their own signatures:

"Scientific discovery and research have produced overwhelming evidence of the falsity of the claims of religion that it is based on revelation from a supernatural source, but rather that it has an earthly material origin, based on ignorance and fear. All recorded history shows that organized religion has always been the servant of the ruling, plundering classes, provoking the terrors of the unknown to keep ignorant slaves content in their bondage.

"We take the stand, that religion is a reactionary force, the willing tool of the ruling, exploiting classes in all countries."

The C. C. F. candidate for Prince Rupert, we are told, holds views very similar to those expressed by the Vancouver candidates.

WHY BE FOOLISH?

Mr. Rudderham seems to have a spite at the Daily News and its publisher. During his recent visit to Queen Charlotte Islands he, doubtless found that everyone was reading the paper and he did as much knocking as possible. Two residents there were so fussed up over it that they wired night letters to this paper expressing their views. These were published yesterday.

The Daily News is not an issue in this election and neither is its editor, and it is extremely foolish as well as very bad taste for a candidate to go out of his way to express his spleen in the unseemly way he has been doing here and elsewhere. It indicates a pettiness of mind which would disqualify any person from holding an important position such as member for the riding.

The Letter Box

ALL PARTIES INCLUDED

Editor, Daily News:—

In the report of a sermon in yesterday's News I noticed that reference was made to that part of my letter of Saturday that spoke of "politics and religious beliefs." I was replying to a definite statement made in the Campaign Echoes of the previous day and referred to religious beliefs in the narrower sense as denoting Romanism, Protestantism, Judaism, Agnosticism and all the other isms. The larger view of religion was set forth in "Christianity is not a creed to be defended but a quality of life to be lived." After all a man's life rather than his verbal profession reveals his religion as in Matthew 25: 31-46.

Last week I criticized Campaign Echoes for what I felt was not just the right thing. I note a change and take this opportunity to commend the splendid spirit evidenced in the last issue or two.

What I said about "gross misrepresentation and vilification of character" applies to mudslinging by any party.

May these last days of the campaign be marked by hard work if need be, but by good will at any cost. Politics can be clean.

Thank you, Mr. Editor for being so kind in publishing these letters.

C. D. CLARKE.

MISTAKE OF SOCIALISM

Editor, Daily News:—

Socialism makes the great mistake of assuming that the crisis of the social system is due to the fact that property is privately owned. It is, instead, due to the crisis of the state in its relations with private economy and to its policy of non-interference.

The insufficiency of the liberal-democracy to cope with modern problems is rapidly being revised by the forces of democracy. (See the action of Roosevelt and his codes regulating industry).

The new democratic forces of B. C., of which Pattullo is the major exponent, have provided the first instrument of our economic salvation in the proposed economic council in order to grapple with the unemployed problem. Plank 1 of the new Liberal policy has all the elements for working out a charter to regulate production, distribution and consumption in conformity with social needs.

Socialism advocates the socialization of the means of production and exchange and proclaims that what is socially operated must be socially owned. Such action means the suppression of private initiative and the confiscation of private property. They would be substituted by state planning, state management and state ownership. The present experienced executives now

The BEST way to stop CONSTIPATION

Nothing like Fruit-a-tives

"I was in a very bad way with constipation. My stomach was off-colour and I kept having headache, quite frequently I had severe pains in my joints and muscles. The general effect was very depressing. Indeed, I felt so wretched that I was about to give up work. Today my health is excellent and I certainly feel that 'Fruit-a-tives' played a large part in bringing this about. They toned up my entire system."

Fruit-a-tives . . . all drug stores

operating industry in its various branches would be substituted by professional politicians and political adventurers. To start with, it would be controlled by equally unfit classes of bureaucrats whose staff would be composed of eminent technicians and expert mathematicians such as Woodsworth and Irvine who have had such vast social experience in preaching the gospel, of the genial Pritchard of Burnaby's glorious civic administration.

The most up-to-date trend of political thought and action proclaims that there is no need to disturb the present ownership of the means of production, that the present executives now operating industry are the best instruments of social welfare, because they are operating it efficiently and at very low cost. The Economic Council proposed in Plank 1 of the new Liberal policy contains all the elements for a new deal, particularly where it specifically states "to study such questions as production and consumption, the number of hours of work per day and days of work per week, the standard of wages and commodity prices."

Man in the Moon

Election day is Thursday. Be sure you vote early and often.

Pattullo stock is up to around 400, according to information secured at the Federal Block Exchange.

The editor asks me to thank Mr. Rudderham for advertising the Daily News everywhere. He says he did not know he was a factor in the present election until Mr. Rudderham kept saying so everywhere he went.

What a grand and glorious time we are having! Everybody in the district seems to be talking about the elections.

Jake says that when anybody says anything about Rudderham or a guy in the south called Pritchard, the Seesecheffs say they are mudslinging but when the C. C. F. orators attack the Libs., it's just criticism.

I have a hundred dollars, And I should like to bet, But not a single taker here Can anybody get.

The C. C. F.'s are fearful, The reddest Reds are broke; I expect the man who meets my cash, Will be sorry that he spoke.

They were worth waiting for . . .

Union steamer Catala, Capt. A. E. Dickson, returned to port at 9:15 this morning from a regular voyage to Stewart and other northern points and sailed this afternoon at 1:15 for Vancouver and waypoints.

Mrs. T. Hellerthal, whose husband is a well known official of the Alaska-Juneau mine, was a passenger aboard the Princess Norah yesterday returning to the Alaska Capital after a trip to Seattle and elsewhere in the south.

BRONCHITIS BANISHED AFTER 30 YEARS TORTURE

The amazing case of Mr. Thomas Gull, Hamilton, Ont., is the talk of everyone who knows him.

His complete relief almost overnight from Bronchitis of thirty years standing is regarded as nothing short of a miracle by friends and neighbours. Read what Mr. Gull says:

"From the time I was a small boy until the age of thirty-two, I was never free from a hacking cough night and day. Doctors told me I was suffering from chronic bronchitis—that there was no permanent relief. One day I saw an advertisement for BUCKLEY'S MIXTURE. The word bronchitis arrested my attention. I purchased a bottle. It gave me relief. I bought two more, and my cough left me completely. That happened six years ago, and the cough has never returned."

BUCKLEY'S MIXTURE will give you the same instant relief from the strangling torture of Bronchitis, and it acts like a flash on coughs, colds, or flu. Why not get a bottle today? Buckley's is sold everywhere. Refuse substitutes.

S. J. Jabour returned to the city on the Catala this morning from a week's visit to Anyok on insurance business.

The Liberal Campaign Committee will welcome any subscription however small to help meet Mr. Pattullo's campaign expenses which must be raised locally.

A. F. Smith, who has been spending some time in the Alice Arm district where he has mining interests, was a passenger aboard the Catala this morning returning to Vancouver.

G. E. Gullik, local manager of the Swift Canadian Co. returned to the city on the Catala this morning after making the round trip to Anyok and Stewart on company business.

A Brief Synopsis of Liberal Policy

HEREWITH is a brief synopsis of policy as laid down by the Liberal Party of British Columbia, in convention held in October, 1932.

Many matters of interest, not specifically set out, will require consideration. The principles enunciated are indicative of the Liberal viewpoint, and are broad enough to meet every question within provincial jurisdiction.

The Liberal Party exists as an official organization for the purpose of formulating and furthering measures that will make for the well-being of each individual member of society, and the welfare of society as a whole.

Innumerable questions, both of public and personal character, can be properly treated only through the agency of government.

Government is not an ordinary business, but carries responsibility to meet every problem arising from our complex social and economic conditions, in order that not merely a few, but all of our people may live in reasonable comfort.

The Liberal Party pledges immediate action under the best available advice and closest study.

August, 1933.

T. D. PATTULLO.

1.—Profitable and permanent employment is the most important question facing our people. There should be co-operation between the national, provincial and municipal authorities and the Canadian banking system to establish the necessary credit to carry out a broad programme of constructive and useful wage-distributing public enterprise, and to further the health, education and well-being of all our people.

An Economic Council should be established, the membership of which shall consist of representatives of the various avenues of endeavour, such as health, education, agriculture, labour and the industries. This council will be appointed by the government on recommendation of the interests involved, and will act in an advisory capacity to the government.

Amongst other things the council will study industrial and social effort in the province and suggest means to correlate these efforts. It will familiarize itself with intra, inter-provincial and foreign trade, and will co-operate with the other provinces and the Dominion. It will also study such questions as production and consumption, and the marketing of our products, the number of hours of work per day and days of work per week, the standard of wages and commodity prices. These questions are of national as well as provincial concern, and British Columbia can take the lead in urging co-operation with the other provinces and the Dominion as a whole.

National Unemployment Insurance should be established upon a contributory basis.

2.—Our Financial position must be reviewed. Current expenditure must be kept within current revenue. While maintaining the credit of the province, effort must be made to reduce capital charges. We cannot continue to pay exorbitant rates of interest for money.

3.—The Taxation Structure must be revised with a view to reduction wherever possible, including exemption in the lower scale of wages and salaries.

4.—The health of each of us is important to the whole community, and a measure of State Health Insurance should be made effective, not only to preserve health, but to reduce costs both to the average citizen and to industry.

5.—A general and effective review must be made of the Educational problem, rejecting any proposed organization that involves a caste system. We must facilitate the intellectual growth of each individual member of society in order to equip him for his daily tasks, and for the enjoyment of such cultural pursuits as may be in keeping with our social customs.

Triangular disagreements between the school boards, municipal councils and the department of education must be adjusted, and our whole system placed upon a sound financial basis.

6.—The financial position of our Municipalities is of increasing concern. An equitable adjustment must be made as between the province and the municipalities, and the municipalities placed in a sound financial position.

7.—An effort should be made to settle our Agricultural Lands in order that more of our citizens may be self-supporting. Agriculture as a whole must be put upon a sound and profitable basis, and made capable of sustaining and directing itself, in line with all other national, basic industries.

8.—Continuous effort should be put forth to assist industry in Marketing its products, in timber, agriculture, fishing, mining and, in fact, every operation where it appears that useful service can be rendered.

9.—Our highways must be kept in good condition, both for the benefit of settlers and the tourist traffic, and expanded as circumstances warrant. In this connection a Highway Board should be established to make for continuity of policy and to inspire confidence in impartial treatment.

10.—A Public Utilities Commission should be established.

11.—A National Central Bank should be established.

12.—Social Services, such as Mothers' Pensions, Old Age Pensions, etc., must be maintained. Abuses of administration should not be allowed, and injustice through mere technicalities should not be permitted.

13.—The Peace River must be given access to the Coast.

14.—In order that the utmost Freedom of Action by Members of the Legislature may be assured in respect of questions before the House, it is Liberal policy that a government shall be considered to be defeated only upon a straight want-of-confidence motion.

15.—The Dominion Government will be asked to place the Province of British Columbia upon a basis of equality with the other provinces, and to this end request will be made for a Royal Commission to ascertain the extent to which the Province of British Columbia has not been given Equality of Treatment with the Other Provinces of the Dominion.

16.—There shall be a permanent Voters' List to ensure that all eligible voters are enrolled.

17.—The Leader of the Liberal Party is given a free mandate to choose for his associates in government, men of character, ability and standing, having regard solely to the public interest.

HOOP PLAY IS OPENED

C. N. R. A. Defeats Grotto But Ladies Furnish Most Excitement of Evening

Senior League: C. N. R. A., 38; Grotto, 16.

Ladies' League: Comets, 14; Cardinals, 16.

Intermediate League: High School, 16; Warriors, 33.

Junior League: Trojans, 14; Flashes, 9.

The league basketball season opened last night at the Moose Hall with four nice games, the ladies supplying the most exciting encounter of the evening.

The junior game between Trojans and Flashes was a little one-sided with Trojans having things their own way, 14 to 9.

The intermediate game between Warriors and High School opened cautiously, the first half ending 6-5. In the second half the Warriors went warring, the game ending 32-16.

The ladies' game started one-sided with the Cardinals doubling the Comets score 8-4. In the second half the Comets started for town but missed the last car the score ending 16-14 for the Cardinals.

The senior game was the fastest of the four with the Grotto taking an early lead over the Railwaymen but losing it before half time when the score stood 19-15. In the second half the C. N. machine clicked with the game ending 36-29 in favor of the railwaymen.

Individual scoring was as follows:

Senior League
C. N. R. A.—Smith (1), Morrison (3), Lambie (3), Santerbane, Stiles (18), Johnson (13)—38.
Grotto—Gillis (2), Gurvich, Ratchford (9), Stalker, Pierce (2), McNulty (16)—29.

Ladies' League
Comets—Steen (2), McLeod, Tite (2), Johnson (4), Smith (4), Dickens (2)—14.
Cardinals—Lowe (4), Boddie (8), Kach (2), Morris, Stone (2), Rivett—16.

Intermediate League
High School—Nakamoto (6), Tibbey, Moxley (2), Suehiro, Santerbane (8), Davis, Miller, Morgan—16.
Warriors—Hickey, Gillis (10), Burnett, Comadina (2), Edgumbe, Pierce (10), Christison—22.

Junior League
Trojans—Lindsay (8), Naylor, Campbell, Hirano (6), Currie, Kondo—14.
Flashes—Palmer (7), McPhee (2), Hill, Ritchie, McMeekin, Fulton, Crompt—9.
