This was an advance of 1/2c over the week-end and culminated several days of steady rise in the value of Canadian funds. The British pound sterling topped its old parity by 5c today.

Canadian Railways Planning to Meet Competition of U.S. From Buffalo to Gotham

VANCOUVER, Nov. 6: (CP)—Vancouver grain interests are thoroughly alarmed over press reports that grain freight rates from Georgian Bay ports to Saint John, N.B., have been reduced from 9.1c per bushel to 6c per bushel during the month of November and 6.5c per bushel thereafter. John Whittle, president of the Vancouver Grain Exchange, says in a statement.

George Stephen, vice-president of the Canadian Pacific Railway, has announced in Montreal that the Canadian railways will reduce grain rates between Georgian Bay and Canadian Atlantic ports by 2.6c per bushel as compared with last winter's rates to meet competition of United States railways between Buffalo and New York.

WAR DEAD HONORED

First United Church Through Annual Parade of Canadian Legion

Headed by the Prince Rupert Boys' Band under Bandmaster Robert Greenfield, members of the Canadian Legion, Prince Rupert Branch, under President Jack Preece, paraded to the United Church yesterday forenoon for the annual Armistice Remembrance Day service. With members of the Women's Auxiliary also present under Mrs. J. Preece, the church was filled to capacity.

Rev. C. D. Clarke spoke appropriately stressing how necessary it was for the Canadian Legion, and indeed everybody, to keep in mind the high ideals that animated the men who offered themselves when their country needed them. The same unselfishness was needed today. It was a debt to those who returned not to see that their memory was not forgotten and to see that the world was made safe for democracy. With rumors of war in the air it was incumbent on the world to see that the "war to end war" had not been fought in vain.

Matthew Allard, well known pioneer trapper and prospector of Terrace, is missing on the Beaver River in the Kitsumkalum Lake district north of Terrace and some anxiety is entertained as to his safety, according to word received at district headquarters of the provincial police here. A search party, headed by Constable H. L. McKenney, left Terrace on Sunday to hunt for Allard.

Junior Chamber of Commerce is Busy

The executive of the newly formed Junior Branch of the Prince Rupert Chamber of Commerce has been continuing its activities since the last meeting of the organization soliciting membership and in other ways promoting the interests of the body. The ways and means committee, under the chairmanship of James Douglas, will have the constitution ready for approval at the next meeting to be held tomorrow night.

President Sam Jabour and the officers have been virtually swamped with ideas and projects and, doubtless, committees will be put to work on some of these at the meeting. Keen enthusiasm among the members continues.

Echoes of The Fray

Some Facts and Comment Following Last Week's Provincial Election
Not by the "Big Bad" P's.

In view of the possibly extravagant predictions made during the campaign regarding expected majorities on the Queen Charlotte Islands, it may be interesting information that, with North Island yet to be heard from, Pattullo had a total of 173 votes as against 124 for Rudderham. Chapman stated before the election that he did not expect to get much support on the Islands, which he had been unable to visit, so probably he was not disappointed at receiving but a scant half dozen. Pattullo got his best support at Massett, the biggest poll on the Islands, where he was accorded 59 votes to 28 for Rudderham and four for Chapman. Port Clements registered 33 for Pattullo, 26 for Rudderham and one for Chapman. Skidegate Inlet, "Islander" notwithstanding, turned out to favor Rudderham with the Queen Charlotte City vote 38 to 28 in favor of the C. F. while Skidegate went pretty close with 16 for Rudderham and 14 for Pattullo, Chapman getting nothing at either point.

With but North Island yet to be heard from, the vote for Prince Rupert riding stood this morning at

275 for Chapman, 1728 for Pattullo and 666 for Rudderham, or a majority of 1062 for the Premier-elect over the C. F. candidate.

Returns from Tlell, Queen Charlotte Islands, were received today by Returning Officer D. C. Stuart, giving Pattullo 14 votes, Rudderham, two, and Chapman, nil. North Island, the only poll still missing in Prince Rupert riding, is expected to be heard from by tomorrow and, possibly, later today. The absentee vote total for this riding to date stood this morning at 20 for Chapman, 93 for Pattullo and 32 for Rudderham. Five sealed absentee ballots were received from Terrace by last night's mail but these will not be opened until the official count is made on November 27.

Information regarding the race in Atlin, where there was much pre-election uncertainty and an equal amount of enthusiasm and hope, at least as far as the Liberals and C. F. were concerned, has also been sought with avidity. Returns available up to Friday gave Asselstine, the Liberal, a lead of 105 over

THREE BOATS BRING FISH

Electra Sells 40,000 pounds of Halibut—Black Cod Being Taken South

Only one halibut boat, the Electra, sold halibut at the fish exchange this morning. She is an American boat and had 40,000 pounds which was taken by the Canadian Fish & Cold Storage Company at 8c and 5c.

Two boats came in with black cod. The Takla had 30,000 pounds which she is taking to Vancouver. The Covenant had about the same amount which she is taking to New Westminster for Edmunds & Walker.

The Covenant is putting her gear ashore before going south so evidently it is not planned to continue black cod fishing.

Three or four American halibut boats have not yet reported.

He offers no prediction as to when the service will be established.

The proposed route is said to be from Liverpool by way of Northern Scotland, Iceland, Greenland, Labrador and Montreal, linking up with American and Canadian cities and the Pacific Coast.

Takes Option On Ketchikan Mine

M. P. Olsen, who was quite a prominent figure in mining circles in the Alice Arm district some thirteen or fourteen years ago, was in Prince Rupert Friday afternoon aboard the steamer Princess Norah returning to Vancouver after a visit to Ketchikan district. He has taken an option on the old gold quartz property of the Princeton Mining & Milling Co. on Prince of Wales Island across from Ketchikan and about thirty miles from the Alaskan city and, depending on ore tests about to be made, expects to take the property over and operate it for interests which he represents. The property is equipped with a mill and already about \$200,000 has been spent on it although it has been idle for the past year or so following the death of a former principal. Mr. Olsen, who was accompanied by an engineer, Sam Hancock, expects to be back in the north again in about three weeks.

WORLD IS STILL PAGAN

Only a few years ago the natives of this part of the country were considered pagan. The worst charge against them was that the tribes waged a constant war against each other, killing and taking prisoners and committing all kinds of depredations.

Today the natives have given up these pernicious habits but the countries of the world, particularly Europe, Asia and America, are still in a state of savagery somewhat similar to that which existed in a smaller way on this coast less than a century ago.

Most nations are openly preparing for war. They are deliberately planning to kill the citizens of other countries, to destroy them with gas, to bomb them from the air, to electrocute them, to drown them, to blow them into the air with terrible bombs. Manufacture of armaments and ammunition and war materials is the chief industry in many countries. It flourishes while other industries languish. This is so-called modern civilization.

Lloyd George, the grand old man of Great Britain, has been drawing attention to the deceitfulness of the nations, including United States, in signing the Treaty of Versailles where they promised to disarm as soon as Germany did. All failed to carry out their promises with the result that Germany is refusing to adhere to the treaty.

As a matter of fact, in this matter of war the nations of the world have not emerged from savagery. They distrust each other and are prepared to commit the most horrible atrocities.

It is curious that men and women who shudder at the thought of the poor savages killing their neighbors and burning their homes see nothing wrong with the nations of the world preparing to fly at each other's throats. Men and women are only partly civilized. They are still pagan in their instincts.

Echoes of the Fray

(Continued from page one)

Shenton, the C. C. F. candidate, but it was unofficially reported around town at the week-end that this had been cut to 44. Despite that, the indication appears to be that Mr. Shenton will be able to come home to Prince Rupert, forget his ambition to become a son and nurse his righteous indignation against the pesky Prince Rupert newspapers and their wretched "Campaign Echoes," leaving Bill Asselstine to be groomed for the ministership of mines—if he can get it. Premier, his home town, gave Asselstine 97 votes and Shenton 75, Rolston, 7, Falconer, three, while Kergin was "skunked" there. Anyox Mine vote was: Shenton, 41; Asselstine, 23, Falconer and Kergin, 15 each, and Rolston, three. Anyox Beach went 118 for Asselstine, 79 for Falconer, 53 for Shenton, 35 for Kergin and 32 for Rolston.

In Skeena riding, where the New Hazelton and Smithers newspaper editors staged a personal dog fight on the side, calling each other names "everything," the victory of Ed Kenney of Terrace was very much in the nature of a rout, rivaling proportionately that of Pattullo in Prince Rupert. There has been considerable difficulty in getting anything in the way of detailed returns from this riding, the best summary we have to date, 20 out of 26 polls being accounted for, giving Kenney 776; Panter, C.C.F., 397, and Bamford, Independent Non-Partisan, 212. Even Conservative old Hazelton gave Kenney 66 votes. Panter 33 and Bamford 23 and it was much like that all along the line—if not worse. Port Essington gave 31 votes to Kenney and nine to Bamford but forgot that Panter even existed.

The absentee voting system this election was even more complicated than ever and was the cause of much detailed work. The red tape was the source of much cursing, undoubtedly, for election officials while newspapermen, with the possible exception of those either having a lot of spare time on their hands or a love for the inconsequential, soon gave up bothering with it. The only thing was that it gave extra employment. At that, the opinion seems to be general that, for all the value it was and for all that it mattered, the absentee vote might have been forgotten altogether. Without a doubt, there will be a movement to abolish or at least greatly simplify it before another election rolls around. However, as Gladstone said about the little white lie, "it is an abomination in the sight of the Lord" but might prove very handy in case of political emergency. Down with the absentee vote! What difference does it make anyway?

It was really surprising the number of Liberals there were around on Friday morning. We never suspected there were so many—at least so many who were ready to admit it. In fact, we believe there were some Liberals in town on Friday morning who really voted for Rutherford on Thursday. There's nothing succeeds like success and, after all, who doesn't like to be on the band wagon even if it's hard to decide, before the election results are out, which is the band wagon? 'Twas ever thus.

For a variety of reasons, Prince Rupert took more than passing interest in the contest in Mackenzie riding, Ocean Falls and the northern part of which is included in Prince Rupert federal constituency. Incidentally, the Independent Non-Partisan candidate for Mackenzie was Major John McGregor V.C., formerly of Prince Rupert. The winner of the seat was Ernest Bakewell, C. C. F., who, according to latest figures available, had 1242 votes as against 911 for McGregor and 765 for the Liberal, Henry Castilhou, a Vancouver lawyer.

Ernest Bakewell, the new member for Mackenzie, is a young man, 36 years of age, is married, has three children and halls from Nottingham, Eng. A graduate of the University of British Columbia and a returned man, he joined the service of the Pacific Mills at Ocean Falls eight years ago and his ability was soon recognized for he now holds the position of chief chemist there. A serious student of modern economics and an aggressive fighter, he will, doubtless, make himself

heard in Victoria on behalf of his constituents and his principles.

With the veteran Jim Scheffold of Rossland-Trail now in retirement, Mr. Pattullo, Mr. Manson and Dr. Sutherland of Revelstoke-Columbia will be the doyens (or "daddies" if you like that word better) of the new Legislature. Each has seen 17 years' service, having been first elected to the House in 1917 and continuously re-elected since that time. That their popularity is undiminished with their constituents in each case was reflected by the tremendous majorities each was accorded in the polling last week.

With seven small polls still to report at the week-end, Clive Planta, Independent Non-Partisan candidate, was still leading M. C. Simons, C. C. F., by 94 votes in Peace River riding, the only seat in the province in which the issue could be in any way considered as being in doubt. The other two candidates, Dr. W. A. Watson, Liberal, and Mrs. Emily Crawford, Independent, were away down and out of the running. Planta's election was definitely conceded today.

Some of the final returns of more general interest were as follows:

New Westminster—Mayor A. Wells Gray, Liberal, 2639; Dan McGrath, C. C. F., 1453; David Whiteside, Independent, 1410; Thomas Douglas, United Front, 112. Nelson-Creston—Frank Putnam, Liberal, 2418; Col. Fred Lister, Independent, 1259; Dr. G. A. C. Waley, C. C. F., 1123; Thomas Mountford, United Front, 138. Vancouver-Point Grey—Dr. G. M. Weir, Liberal, 11,815; S. S. McKee, Liberal, 9485; Robert Wilkinson, Liberal, 9252; W. A. Pritchard, C. C. F., 7615; Prof. F. E. Buck, C. C. F., 7,436; Mrs. R. P. Steeves, C. C. F., 7,238; Dugald Donaghy, Independent Non-Partisan, 4,096; G. A. Walkem, I. N.-P., 4,096; Mrs. Laura McKay, I. N.-P., 1,725; Hon. William Savage, Unionist, 3,480; F. T. De Wolfe, Unionist, 2,039; Mrs. Alice Townley, Unionist, 1,409; William McNeill, Independent, 890; C. Appleby, Independent C. C. F., 163; George Drayton, United Front, 172.

Vancouver-East—E. E. Winch, C. C. F., 10,851; J. Price, C. C. F., 10,770; Manfred McGeer, Liberal, 7,358; J. G. Turgeon, 6,785; Alex D. MacLean, I. N.-P., 1,236; Mrs. Norah Leavy, I. N.-P., 1,225; Gordon M. Grant, Ind., 418; R. H. Lealass, U.F., 497; Mrs. Ethel Evans, U.F., 491; H. Burroughs, Ind., 94; Gabriel Eustis, Labor, 390.

Rossland-Trail—B. R. Burns, Liberal, 1,695; A. C. Cameron, Independent, 1,279; G. W. Weaver, C. C. F., 879. The latest available count from Omiseca is as follows: A. M. Manson, Liberal, 789; A. Windle, C. C. F., 403; Sam Cocker, Independent, 267; L. D. Taylor, 63. Prof Fort George the last word is: H. G. Perry, Liberal, 1453; Alex Sinclair, C. C. F., 553; Dr. R. W. Alward, Ind., 257; William Mahoney, U.F., 215; C. P. Deykin, Labor, 57.

Rev. H. T. Allen, who only a few months ago transferred from Terrace to Cumberland as United Church pastor, made a good showing as the C. C. F. candidate for Comox although beaten by young L. A. Hanna, the former Liberal member for Alberni. The vote was: Hanna, 1,975; Allen, 1,463; Bates, Ind. C. C. F., 253; Russell, U.F., 154; Tarling, Ind., 100.

The Communists could hardly derive much satisfaction out of the result. It was a bad day for the Reds. Had there been a deposit required as in past elections, not a single United Frontman would have saved his. At that, Chapman, the local candidate of the cult, appears to have had the largest proportionate United Front vote for any candidate in the province.

J. H. Burroughs, who was prominent some years ago in the One Big Union movement in Prince Rupert, ran as a Socialist in Vancouver East but was badly snowed under, receiving only ninety-four votes.

FOOTBALL IS CLOSE

High Defects Borden Street in Last Minute of Play

The Junior Football League game played on Saturday afternoon between Borden Street and King Edward Schools was so evenly contested that neither team could score until the last minute of the game. High School scored the winning goal.

A nice run by Gulick and Currie brought the play around the High School goal but Ritchie and Kelsey defended well. Mah placed well and eventually tried a long shot which Blake saved. Houston and Irvine attacked for High and, after a nice centre from McMeekin, Dybhavn had to save at the expense of a corner. Postuk saved and Mah placed well, allowing the Borden forwards to bring the play to their opponents' goal. The first half ended with no score.

High School started the second half with determined efforts to score. Veitch gave his forwards every chance. A nice run by McGreish ended in Grimble shooting hard but Postuk could not be beaten. Borden forwards, led by O'Neill and Gulick, tried hard but Blake saved. Play centred around the Borden goal and Postuk was called upon repeatedly to save. At last High was rewarded when, with one minute to play, McMeekin gave his team the victory. When the ball was centered the final whistle blew leaving High School victors by one goal to nil.

Teams: Borden—Postuk; Willbroff, Dybhavn; Orminston, Mah, Fitch; Currie, Gulick, O'Neill, Barton, Mankley. High School—Blake; Ritchie, Kelsey; Hale, Veitch, Yamaska; McGreish, Grimble, Houston, Irvine, McMeekin.

Referee—J. N. Kelly. Linesmen—G. Blake and E. Cameron.

"Good Companions" Long Anticipated. Being Presented at Capitol Theatre

Prince Rupert movie-goers will find one of the most delightful British pictures which has yet been offered on the local screen in "Good Companions" which is being presented at the Capitol Theatre at the first of the week. In fact, many have been waiting a long time for it to be shown. Some of those who may have seen it elsewhere before are planning to enjoy it again. Those who have not already seen it will not be disappointed. It has proven highly popular everywhere it has been shown from its premiere in London which was favored by the presence of the King and Queen.
The picture "Good Companions," adapted from the well known novel of the same name, is an epic story of a troupe of entertainers, their ups and downs, their loves and hates and their strivings and contrivings. It is one of those pictures which will undoubtedly be discussed for a long time to come. Followers of the British theatre and films will find familiar names in such members of the cast as the demure and completely delightful Jessie Matthews, John Gielgud, Edmund Gwenn, A. W. Baskcomb and Mary Glynn, some of whom have already been seen here.

ACTUAL BLOOD TESTS Prove IT REVITALIZES

The efficiency of Dr. Williams' Pink Pills in the treatment of run-down conditions is now a matter of absolute, scientific proof. The records of a reputable physician who recently made actual monthly blood tests on eleven below-par patients under treatment with this remedy prove beyond question that it restores energy, vigor and every-day health.
As their first blood tests showed, these tagged-out patients were deficient in haemoglobin and red blood corpuscles. It is the haemoglobin—carried throughout the blood stream by the red corpuscles—that distributes oxygen from the lungs and nutrients from the digestive organs to build body cells and clear the system of poisons. Therefore the restorative value of any medicinal preparation depends directly upon its power to increase haemoglobin.
After one month's treatment of Dr. Williams' Pink Pills these "blood-tested" patients showed remarkable increase in haemoglobin and red corpuscles, and they felt and looked much stronger and more energetic. Their health was once more normal.
You can experience equally good results. Try a month's treatment and watch your improvement. Pale, thin-blooded children and young women, quite as much as adults, need this tested remedy. Obtainable at your drug store—50 cents a package.

TAGGING IS SUCCESSFUL

Results of Poppy Day Activities Gratiifying to Canadian Legion

Favored with good weather, the annual Poppy Tag Day of the Canadian Legion was held on Saturday and, with an active band of taggers under the guidance of and assisted by members of the Women's Auxiliary, the very satisfactory total of \$125 was collected. Of this \$96 dollars will be remitted to the Vetcraft workshops for the cost of poppies and wages of disabled workers and the balance used for assisting local needy returned men and their dependents.
It was very gratifying to the local Legion to realize that the needs of the disabled and still suffering veterans are so widely recognized by the general public as was evident from the number of coins in the collecting boxes. There were upwards of two thousand separate

Sons of Norway Ski Club Dance Was Successful

A very successful whist drive and dance was held by the Sons of Norway Lodge Friday night in the Odd-fellows' Hall in aid of the ski club.
There were eight tables of cards at which the prize winners were: ladies' first, Mrs. S. Anderson; second, Mrs. H. Lund; men's first, H. Hilland; second, V. Bushman.
After cards, delicious refreshments were served and dancing was then enjoyed from 11 p.m. until 3 a.m. with music by Julius Welle's orchestra. There were 150 persons present for the dance.
The committee in charge consisted of Mrs. Chris Jensen, Mrs. S. Anderson, Mr. and Mrs. Gunnar Selvig and Hans Knutsen.
The collections from the sale of poppies in the schools were very little less than last year despite a decreased attendance this year.

William Haynor returned to the city on the Catala yesterday afternoon from a brief trip to Vancouver.
