

GERMANY QUILTS ARMS CONFERENCE

Butterfield Rec.

PROVINCIAL LIBRARY
31 Mar 34

Many people are changing their minds in the political campaign and are lining up with Pattullo's efforts to bring order out of chaos. One of these is J. Butterfield, columnist for the Vancouver Province, whose recantation will be of special interest in that it indicates a general trend throughout the province. Here is what he says:

"With election day sneaking nearer and nearer it is fitting that we should take careful stock of the situation. This may be something of a surprise to you but I announce after careful thought and due prayer that the only rock of defense for British Columbia in the present crisis is that it shall elect and return to power the Liberal party.

"Look over what has happened. Last April or thereabouts I went into the non-party-and-purity idea with all the enthusiasm of a boy with his first sweetheart. We expected the millennium to occur and to bring with it a flock of supermen who should lead us out of the wilderness of evil government in which we have been wandering for years.

"As the months wore on this hope vanished. The thing became merely a conspiracy between the members of the discredited Tolmie government directed toward getting back to power with the old gang but without the Good Doctor.

"There then dawned upon the startled horizon the cohorts of the visionary Woodsworth with his mixture of Marx, Blatchford, Fabianism, Henry George and Young MacInnis.

"In all the mess there appeared only one consistent group with a definite statement for the public. That was the Liberal group headed by Mr. Pattullo. Still hoping for the millennium I continued to abuse the Liberal Party, but it is useless. The other aggregations are not worth the paper they are printed on and are obviously deleterious to the country.

"If you are reconditioning a ship you don't put back the officers and crew that have recently wrecked it. I might even go so far as to say that you do not put a bunch of pirates in charge. On the other hand you do not turn it over to a bunch of people with an ignorant and very mixed conception of navigation and who have never been to sea before.

"Wherefore it arrives that in the meantime, while we are still waiting for prosperity to reassume its functions, we can do no better than appoint men of experience to run the ship.

"I hope I have made this clear. I will make a resume of it: I regard the Liberal party as the best bet. The independent groups are only Tolmie bulls in sheep's clothing. The C. C. F. is not worth the consideration of thinking men.

"It has been said that party government robs the people. But with the C. C. F. in office the people would very shortly have nothing to be robbed of. Which would be humiliating and against all reason. With the consolidated independents in office under some such fellow as Bruhn or Jones we would only have a repetition of the ghastly ineptitude of the last five years.

"I make no apology for this apparent change of direction. I am proud to have the strength of mind to announce it."

Total of 220 Candidates in Nomination—Blind Mining Engineer Disqualified in Lillooet

VICTORIA, Oct. 14: (CP)—A check-up shows that the total nominations for the provincial election on November 2 stand at 220 instead of 219 as announced yesterday. The totals of candidates per group stand at the same as yesterday with the exception of Labor which has four instead of three candidates.

The name of R. C. Gibson, Independent, has been removed from the nomination list for Victoria while that of J. H. Owen, Labor, has been added.

Major John C. Hartley, blind mining engineer of Bridge River, has been disqualified from standing as an Independent in Lillooet because of an alleged error in his nomination papers. He has appealed to the government to place him on the list. After the formal application has been received, the matter will probably be considered.

A. deB. McPhillips and Daryl H. Kent are the straight Conservative nominees in Vancouver Centre riding.

The nominations per group are as follows:

Liberals	47
C. C. F.	46
Independent Non-Partizan	38
Independents	35
United Front	19
Tolmie Unionists	13
Independent C. C. F.	8
Conservatives	4
Labor	4
Socialists	4
Independent Labor	2

CONTINUING OPERATIONS

Royal Shepard Takes Over Additional Placer Gold Ground on Vital Creek

Royal M. Shepard, well known Juneau mining engineer, arrived in the city on Thursday night's train after a visit to placer ground on Vital Creek in the Omineca mining district which he is operating. In addition to the property of D. Zarell and associates of this city which he is operating under lease, Mr. Shepard has just taken over adjoining ground which Chinese miners have been working for years. He intends to continue work until frost makes it impossible to carry on and expects to return himself to the ground within the next few days.

Mr. Shepard sailed last night on the Princess Adelaide for Seattle and will be back in about two weeks enroute to Vital Creek.

A. L. Clements, assistant general manager of the Union Steamship Co., in the course of a northern inspection tour, arrived in the city on the Cardena last evening from Vancouver and will sail tomorrow evening on the Catala to make the round trip to Anyox and Stewart and thence back to Vancouver. He is accompanied by Mrs. Clements.

WELL KNOWN COUPLE WED

Miss Kay Letchford Becomes Bride of Donald Burnett

A very pretty wedding was solemnized quietly in the chapel of the parish house of the Church of the Annunciation at 10:30 this morning when Rev. Father J. Byrne Grant O.M.I. united in marriage Miss Kathleen Mary Letchford, eldest daughter of Mr. and Mrs. J. Letchford of Telkwa, to Donald Burnett, only son of Mr. and Mrs. W. H. Burnett of Terrace.

The bride looked very lovely in a yellow crepe dress fashioned in long lines with white mohair hat trimmed with lace, wearing white shoes and white gloves and carrying a bouquet of pale yellow carnations and maidenhair fern.

The bridesmaid was Miss Mary Comadina, looking charming in a pale green crepe dress fashioned on long lines with lace jacket to match. She had a white mohair hat and white shoes and gloves and carried a bouquet of pink carnations and maidenhair fern.

The groomsmen was G. P. Lyons. Following the ceremony, the bridal party enjoyed a luncheon in the Commodore Cafe.

The happy couple who will reside on Fifth Avenue West, will have the best wishes of their numerous friends.

The groom is a member of the staff of the Rupert Motors. The bride has been identified with the Valentin Dairy office.

PRESIDENT VON HINDENBURG ORDERS DISSOLUTION OF REICHSTAG AND ALL STATE PARLIAMENTS AND SETS GENERAL ELECTION FOR NOVEMBER 12.

Developments Follow Refusal Of Geneva To Allow Re-arming

GREAT BRITAIN, UNITED STATES AND FRANCE ADAMANT—NEWS IS HAILED AS "GRAVEST IN TWENTY YEARS" BY SPOKESMEN IN PARIS.

BERLIN, Oct. 14: (CP)—Chancellor Adolph Hitler today notified the League of Nations that Germany will withdraw from it two years hence and announced that Germany was quitting the disarmament conference at once. President Paul von Hindenburg ordered the dissolution of the Reichstag and all state parliaments and set the Reichstag election for November 12.

These sensational developments followed a conference yesterday of Germany's chief delegate to the disarmament conference, who flew from Geneva, with Chancellor Adolph Hitler in regard to a resolution officially embodying the view of Great Britain, United States and France that Germany must get along with the armament and military limitations as set down in the Treaty of Versailles during the transition period.

Chancellor Hitler has definite other views in regard to the matter.

Chancellor Hitler, in an address tonight, bitterly assailed the Treaty of Versailles and reiterated the conviction of the German people that they were guiltless of blame for the Great War.

The disarmament conference adjourned Thursday but it reconvened yesterday.

"GRAVE NEWS," SAYS FRANCE

PARIS, Oct. 14: (CP)—French spokesmen today characterized Germany's action in quitting the disarmament conference immediately and announcing its intention to withdraw from the League of Nations in two years as the "gravest news in twenty years."

B. C. TEAM WINS AGAIN

Exciting Last Quarter Last Night Gave Box Lacrosse Verdict to New Westminster

NEW WESTMINSTER, Oct. 14: (CP)—New Westminster Salmon Bellies came from behind in the last quarter, regarded as the greatest quarter ever played in Mann Cup history, to defeat Hamilton Tigers 12 to 10 last night and even up the Canadian amateur box lacrosse series at two wins each. The final game will be played Monday night in Vancouver.

SILVER AND COPPER ON NEW YORK MARKET

NEW YORK, Oct. 14: (CP)—Bar silver closed at 37½¢ per ounce on the local metal market yesterday. Copper closed at 8¢ to 8½¢. There were further drops today, silver to 36½¢ and copper to 8¢.

The condition of Paul Zygmunt, proprietor of the Westholme Rooms, who is a patient in the Prince Rupert General Hospital, is reported to be critical.

MARRIED LAST EVE

Miss Margaret Durran Becomes Bride of James McGlashan at Quiet Ceremony

A quiet wedding was solemnized at Ahm Cottage, Overlook Street, last evening. Rev. Canon W. F. Rushbrook officiating, when Miss Margaret Brown Durran became the bride of James McGlashan. Mrs. David Scott was matron of honor and David Scott, a life-long friend, was groomsmen.

Following the ceremony a reception was held at the home of the bride on Seventh Avenue East where many friends gathered to extend hearty good wishes to the couple. Canon Rushbrook proposed a toast to the bride to which the groom responded. J. W. McKinley proposed a toast to the bridesmaid, the groomsmen responding.

Mr. and Mrs. McGlashan will leave towards the end of the month for Terrace to take up residence on land which has been purchased by the groom. Mr. McGlashan was formerly a member of the dry dock staff here. The bride served as a nurse in the Great War. Both are very well known and popular.

Almost Instant Relief From Neuralgia

For Quick Relief Say ASPIRIN When You Buy

Now comes amazingly quick relief from headaches, rheumatism, neuritis, neuralgia... the fastest safe relief, it is said, yet discovered.

Those results are due to a scientific discovery by which an Aspirin Tablet begins to dissolve, or disintegrate, in the amazing space of two seconds after touching moisture. And hence to start "taking hold" of pain a few minutes after taking.

The illustration of the glass, here, tells the story. An Aspirin Tablet starts to disintegrate almost instantly you swallow it. And thus is ready to go to work almost instantly.

When you buy, though, be on guard against substitutes. To be sure you get ASPIRIN'S quick relief, be sure the name Bayer in the form of a cross is on every tablet of Aspirin.

TO ATTEND CONVENTION

Managing Secretary Birch Going South—To Take Up Various Matters

Managing Secretary H. W. Birch will again represent the Prince Rupert General Hospital at the annual convention of the British Columbia Hospitals Association to be held this year on November 8, 9 and 10 at Victoria. It was decided at the regular monthly meeting of the board of directors of the local institution last night on motion of W. M. Brown and G. P. Tinker.

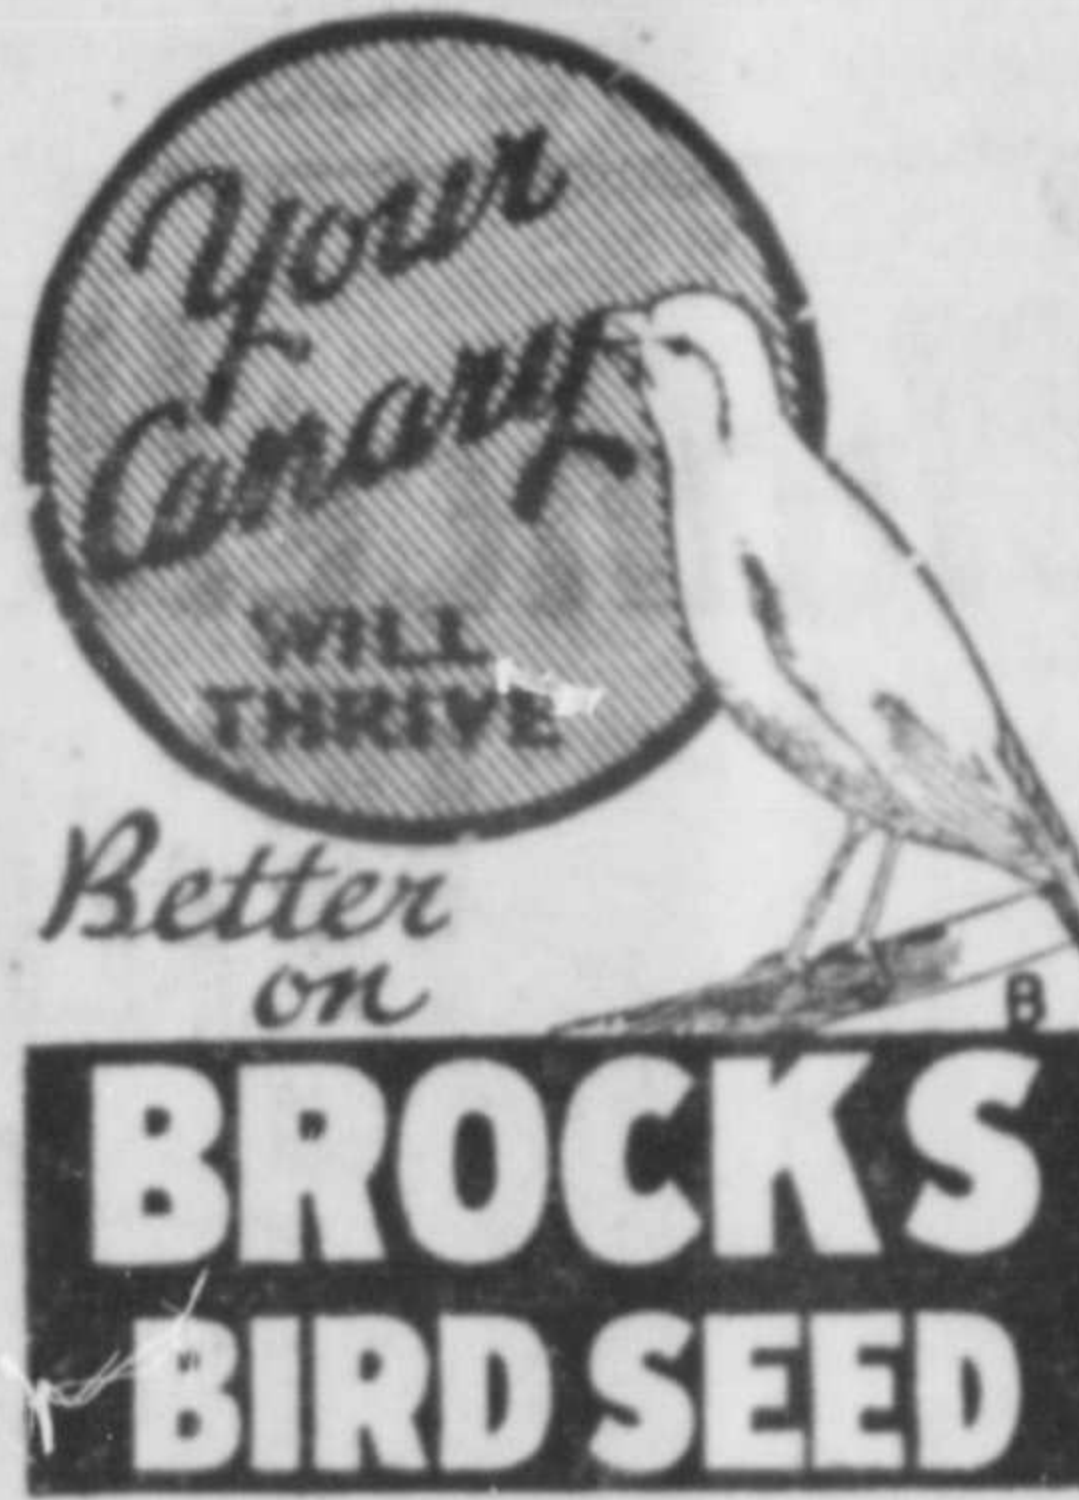

The meeting discussed various matters that will come up at the convention and instructed Mr. Birch to again support any move with a view to the institution of a system of state health insurance. He will also urge the restoration of government grants to hospitals on the former basis.

There will be prominent speakers and officials at the convention including Dr. M. T. McEachern, director of the American College of Surgeons. While in the south, Mr. Birch will also confer with the in-

spector of municipalities, Robert Baird, in regard to local hospital cases in which municipalities from which the patients came have refused to pay their per diem grants.

Charles Newman, Aged Babine Prospector, Dies in Burns Lake Hospital

Divisional headquarters of the provincial police here have been advised of the death in Burns Lake Hospital on Monday of this week of Charles Newman, Norwegian, aged 79, old time prospector of the Babine district, who had been living for some time on an old age pension. Newman's death occurred two days after he had been brought out to the hospital from his cabin near the old Babine Hudson Bay fort by a police party headed by Constable Andrew Fairbairn of Smithers following report being received by the authorities that he was sick and helpless. He had been without food four days when the rescue party reached him. On account of bad weather, neighbors had been unable to make calls at the dwelling of the old man who was known to be ill.

The unfavorable weather conditions also made it difficult for the

CEREMONY AT SCHOOL

The auditorium of the Booth Memorial School was the scene of a happy ceremony yesterday afternoon when the I.O.D.E. prizes won by last year's entrance pupils were presented. The arrangement of the program was in the hands of Mrs. John Manson, municipal educational secretary.

Mrs. D. C. Stuart, municipal regent, occupied the chair and was supported on the platform by Mrs. S. V. Cox, municipal standard bearer, the regents and educational secretaries of the primary chapters, the principals of the schools and W. J. Alder, city commissioner.

Mrs. Stuart outlined the aims and objects of the order, told of the educational work done all over Canada and explained the meaning of the I. O. D. E. pin.

Mr. Alder congratulated the prize winners and also those children who, having grown up in a city as young as this, have had all the advantages of education that are to be had in older cities.

The following program was given:
 Song, Betty Woods.
 Violin solo, Billy Hadden.
 Song, pupils of Grade VIII, Booth Memorial School.
 Humorous reading, Beryl Birch.
 Solo, Marcel Jabour.
 Song, "Land of Our Birth," by all the pupils.

Mrs. Wilson-Murray, regent of Queen Mary Chapter, and Mrs. H. L. Landry, regent of "Hill 60" Chapter, then presented the following prizes:

Prizes awarded by Queen Mary Chapter—Cheque for \$10 to pupil ranking highest in government entrance examination, Marcel Jabour; two books, prizes for Canadian history, first, Marcel Jabour; second, Joe Landrey.

Prizes awarded by "Hill 60" Chapter—Cheque for \$5, awarded to pupil ranking highest in government entrance examination, Ellen May Bell; three book prizes, two for Canadian history, first, Tajjar Reptad; second, Honora Silversides; one for English, Audrey Viereck.

The principals of the schools expressed their appreciation of the work done by the I. O. D. E. and the National Anthem was sung.

Accompanists were Miss E. P. Grassie and Miss Mabel Lawrence.

AN OPPORTUNITY THAT LONDON WELCOMED

CANADA has come through the depression with her national credit unimpaired. Striking proof of this was recently given in London when £15,000,000 Dominion of Canada 25-year 4% Bonds were offered at par, and the world's most discriminating money market responded by over-subscribing the issue many times. In this market, where comparative values are shrewdly appraised, the Bonds have since been selling at a substantial premium to yield less than 3.70%.

London investors appreciate the enduring strength which Canada has demonstrated. They realize that, since last February, records of Canadian trade and industry have shown a definite upward trend. They know that a downward movement of interest rates has been under way and that a fixed, safe income at present levels should be secured while available.

Your Opportunity Now

The security which experienced London investors thus welcomed is now offered to Canadians. The 1933 Refunding Loan permits owners of maturing Victory Bonds to continue their satisfactory investment without cash outlay. It gives all investors an opportunity to place

their savings in Canada's strongest security—with safety—regular income—marketability—freedom from worry.

If you own a maturing Victory Bond or if you have money to invest, you should apply at once for Bonds of the new Loan. There is no step you can take with more definite advantage to yourself, both as an investor and as a Canadian citizen.

DOMINION OF CANADA 1933 REFUNDING LOAN

To holders of Victory Bonds due November 1st, 1933

You can obtain an extra cash allowance for your Victory Bonds by exchanging them NOW for the new 12-Year Bonds. You can also obtain an accrued interest advantage by an immediate exchange for any maturity of the new issue. These special concessions are available for a limited period only.

To Cash Subscribers

As the Loan is strictly limited in amount and all cash subscriptions are subject to allotment, you are urged to enter your application without delay.

Where to Apply

Application forms and official prospectus containing full details of the Loan may be obtained from any Bank or Bond Dealer.

The hospital board, at its regular monthly meeting last night, suitably acknowledged the recent gifts of boxes of apples from J. B. Miller of this city and Capt. J. B. Colthurst of Terrace.

W. M. Brown, chairman of the grounds committee, reported to the hospital board at its meeting last night that an offer of Tony Christian to dump earth taken from the excavation for the new Canadian Legion building on the Nurses' Home grounds for use on garden extension there had been recently accepted. A letter of thanks was ordered sent to Mr. Christian. The committee also reported that a shipment of bulbs was expected to arrive soon and these would be planted immediately they came.

The house committee was authorized by the hospital board last night to make arrangements for the improvement of the heating of the lady superintendent's office which for years has been one of the chilliest parts of the building. It is proposed to put in an electric stove. Robert Gordon, chairman of the house committee, reported that repairs had been made to the iron fireman of the furnace. It was decided to defer until next year the removal of moss from one section of the roof of the building, it being too late in the season now to do the work.

Moose Dance is Very Enjoyable

One Hundred and Fifty Persons at Affair Last Night

A most enjoyable Moose novelty

dance was held in the hall last evening, there being about 150 persons present. Dancing continued from 9:30 p.m. to 2 a.m., Mrs. Black's orchestra supplying the music. Confetti, streamers and balloons added much to the merriment of the evening.

The committee in charge con-

sisted of T. O. Morgan, chairman, Andy McDonald, Sam Haudenschild, Jim Bacon, Ole Stegavig, Peter Nelson and Nels Gunderson. Joe Siagard acted as master of ceremonies. Mrs. Ole Stegavig and Mrs. Peter Wingham were in the kitchen.

A Brief Synopsis of Liberal Policy

HEREWITH is a brief synopsis of policy as laid down by the Liberal Party of British Columbia, in convention held in October, 1932.

Many matters of interest, not specifically set out, will require consideration. The principles enunciated are indicative of the Liberal viewpoint, and are broad enough to meet every question within provincial jurisdiction.

The Liberal Party exists as an official organization for the purpose of formulating and furthering measures that will make for the well-being of each individual member of society, and the welfare of society as a whole.

Innumerable questions, both of public and personal character, can be properly treated only through the agency of government.

Government is not an ordinary business, but carries responsibility to meet every problem arising from our complex social and economic conditions, in order that not merely a few, but all of our people may live in reasonable comfort.

The Liberal Party pledges immediate action under the best available advice and closest study.

T. D. PATTULLO.

August, 1933.

1.—Profitable and permanent **Employment** is the most important question facing our people. There should be co-operation between the national, provincial and municipal authorities and the Canadian banking system to establish the necessary credit to carry out a broad programme of constructive and useful wage-distributing public enterprise, and to further the health, education and well-being of all our people.

An **Economic Council** should be established, the membership of which shall consist of representatives of the various avenues of endeavour, such as health, education, agriculture, labour and the industries. This council will be appointed by the government on recommendation of the interests involved, and will act in an advisory capacity to the government.

Amongst other things the council will study industrial and social effort in the province and suggest means to correlate these efforts. It will familiarize itself with intra, inter-provincial and foreign trade, and will co-operate with the other provinces and the Dominion. It will also study such questions as production and consumption, and the marketing of our products, the number of hours of work per day and days of work per week, the standard of wages and commodity prices. These questions are of national as well as provincial concern, and British Columbia can take the lead in urging co-operation with the other provinces and the Dominion as a whole.

National Unemployment Insurance should be established upon a contributory basis.

2.—Our **Financial** position must be reviewed. Current expenditure must be kept within current revenue. While maintaining the credit of the province, effort must be made to reduce capital charges. We cannot continue to pay exorbitant rates of interest for money.

3.—The **Taxation Structure** must be revised with a view to reduction wherever possible, including exemption in the lower scale of wages and salaries.

4.—The health of each of us is important to the whole community, and a measure of **State Health Insurance** should be made effective, not only to preserve health, but to reduce costs both to the average citizen and to industry.

5.—A general and effective review must be made of the **Educational** problem, rejecting any proposed organization that involves a caste system. We must facilitate the intellectual growth of each individual member of society in order to equip him for his daily tasks, and for the enjoyment of such cultural pursuits as may be in keeping with our social customs.

Triangular disagreements between the school boards, municipal councils and the department of education must be adjusted, and our whole system placed upon a sound financial basis.

6.—The financial position of our **Municipalities** is of increasing concern. An equitable adjustment must be made as between the province and the municipalities, and the municipalities placed in a sound financial position.

7.—An effort should be made to settle our **Agricultural Lands** in order that more of our citizens may be self-supporting. **Agriculture** as a whole must be put upon a sound and profitable basis, and made capable of sustaining and directing itself, in line with all other national, basic industries.

8.—Continuous effort should be put forth to assist industry in **Marketing** its products, in timber, agriculture, fishing, mining and, in fact, every operation where it appears that useful service can be rendered.

9.—Our highways must be kept in good condition, both for the benefit of settlers and the tourist traffic, and expanded as circumstances warrant. In this connection a **Highway Board** should be established to make for continuity of policy and to inspire confidence in impartial treatment.

10.—A **Public Utilities Commission** should be established.

11.—A **National Central Bank** should be established.

12.—Social Services, such as Mothers' Pensions, Old Age Pensions, etc., must be maintained. Abuses of administration should not be allowed, and injustice through mere technicalities should not be permitted.

13.—The **Peace River** must be given access to the Coast.

14.—In order that the utmost **Freedom of Action** by Members of the Legislature may be assured in respect of questions before the House, it is Liberal policy that a government shall be considered to be defeated only upon a straight want-of-confidence motion.

15.—The Dominion Government will be asked to place the Province of British Columbia upon a basis of equality with the other provinces, and to this end request will be made for a Royal Commission to ascertain the extent to which the Province of British Columbia has not been given **Equality of Treatment with the Other Provinces** of the Dominion.

16.—There shall be a permanent **Voters' List** to ensure that all eligible voters are enrolled.

17.—The Leader of the Liberal Party is given a free mandate to choose for his associates in government, men of character, ability and standing, having regard solely to the public interest.

Halibut Fishing Falls Off—Pete Black Figures in Discovery of New Substance—Casualties In Mosquito Fleet

With the halibut fishing season on the Pacific Coast due to close on October 26 when operations in Areas No. 3 and No. 4 will terminate at the order of the International Fisheries Commission, the middle of this month sees only a few of the larger boats of the American and Canadian fleets still at work and these are now all on their final trips of the year. The majority of

the units of both fleets being already tied up, the port of Prince Rupert received only 345,000 pounds of fish during the week ending yesterday from an even dozen American boats, there being again no Canadian vessels in during the week with catches. Prices during the week remained at a fairly satisfactory level with the top price of the week 9.4c and 5c which was received by the Thor, McKinley and Radio for catches of 46,000, 36,000 and 50,000 pounds respectively. Up to and including yesterday landings at Prince Rupert for the 1933 season had reached a total of 12,454,200 pounds as compared with 13,351,250 pounds at a similar date last year. American landings had reached a total of 7,344,200 pounds as against 9,605,600 pounds last year at a similar date while Canadian landings were standing at 5,110,000 in comparison with last year's 3,926,250 pounds.

United States newspapers have been giving a good deal of prominence to the discovery by Dr. J. Bertrand Collip of McGill University of a new "master molecule" known only as "Substance Q" that is claimed to "rejuvenate the aged and control the profound experiences of life, birth and death, love and senility." Dr. Collip has announced that one form of the substance would lift the shroud of impotency.

"Like the hub of a wheel," he says, "the 'master molecule,' obtained from the pituitary gland at the base of the brain is the centre of a chemical group, five of whose members have been isolated. One of these, 'Substance Q,' has been administered to aged rats with almost immediate rejuvenation resulting. We believe the effect on man in larger doses, of course, would be much the same. With the substance rats, twice the ordinary size, have been produced. Obviously, we have a very powerful tool within our hands with which to shape our destiny." Dr. Collip has paid high compliment to the research workers associated with him at McGill University, these including Dr. Peter Black, son of Mrs. Peter Black of this city and well known as a summer worker on the staff of the Prince Rupert Fisheries Experimental Station.

E. Davidson, foreman for the Canadian Fish & Cold Storage Co. who has been on a two weeks' vacation trip to Vancouver, returned to the city from the south on the Cardena last evening.

Word was received in port during the week of the recent complete destruction by fire of the well known local gasoline powered halibut boat Nuba, owned and skippered by Capt. Gus Slaney. The vessel was burned to the water's edge in

the vicinity of Skidegate. Built in 1916 in Vancouver and registered from Prince Rupert, out of which port she had operated for many years both as halibut and troller, the Nuba was 36 feet in length, 10 feet three inches beam and four feet in depth.

The power boat Ellen, belonging to Louis Lewis of Stewart, which was wrecked and abandoned at Halibut Bay in Portland Canal on Sunday of this week after striking a rock while bound from Stewart to Anyox with W. J. Asselstine, Liberal candidate for Allin riding in the provincial election, and party on board, was no stranger to Prince Rupert. In fact this was the home port of the vessel for many years when she was the property of John and Alex McRae of this city, having been named at that time Lois M. Some years ago the McRaes disposed of the boat to Mr. Lewis and she had since been at Stewart. She was 32 feet long and equipped with a 10-12 h.p. heavy duty Buffalo engine.

Having on board E. T. Kenney, Liberal candidate for Skeena in the provincial election, and Olof Hanson M.P., the Armour Salvage Co. service boat Salvage Princess, with Capt. Paul Armour in personal command, left late Thursday night, taking Messrs. Kenney and Hanson on a campaign tour to Butedale, Kitimaat, Port Essington and other coastal points in Skeena riding. The vessel is expected back late tonight or early tomorrow morning with the party. Mr. Kenney arrived from Terrace by train Thursday night and the Princess was awaiting him, pulling out immediately.
