CLEMENTS HAS FIRE

Three Big Buildings Owned by W. F. Hastie, Are Destroyed

PORT CLEMENTS, Nov. 9:—At 8:30 Tuesday night a fire broke out in Hastie's Hall here, the fire spreading and completely destroying two other residences. In one hour three large buildings were razed to the ground.

All the citizens of Port Clements turned out to try and save the buildings but, owing to wind that was blowing at the time, the fire got beyond control. All the buildings were owned by W. F. Hastie. There was no insurance on any of them. It is a very heavy loss to both Mr. and Mrs. Hastie who were among the first settlers to come to the Islands. Just now Mrs. Hastie is a guest of Mrs. Ed. Crawford of Port Clements.

WAR HEROES STILL FIGHT

Editor, Daily News:—

Some day in Canada, away in the future, the last veteran of the Great War, the war that was fought to save civilization and make our country fit for heroes to live in, will be trundled to his grave. And, one supposes, the newspapers of the future will make a terrific hullo-balloo over it. They will tell of great feats of arms, the tremendous sacrifices, the heroism, endurance and privations of the Canadian soldiers.

Will they also tell of the heart-breaking struggle that followed the war; when men who had given their blood and limbs, had to fight a battle almost as hard, and certainly more heartrending, for the recognition which their country ordered should be given them, but which was withheld from them?

The newspapers won't say anything about that. It is not a pleasant thing to recall.

BAZAAR WAS SUCCESSFUL

Large Crowds Yesterday Afternoon And Last Evening at Presbyterian Church Function

The annual bazaar of the Women's Auxiliary of First Presbyterian Church yesterday had an added and successful innovation in the form of a carnival which continued into last evening when the men of the church were on hand to assist the ladies. The church parlors were tastefully decorated and both afternoon and evening large crowds were in attendance, the whole affair being a complete success. There was a bean supper as well which attracted many.

The bazaar was opened at 3 p.m. by the pastor, Rev. W. D. Grant Hollingworth. The many guests were received by Mrs. C. G. Ham, president of the Auxiliary, who was assisted by Mrs. Hollingworth.

The tea room was in charge of Mrs. Robert Cameron, Mrs. J. G. Steen, Mrs. T. McClymont, Mrs. William Millar and Mrs. J. D. Fraser poured. Serviteurs were Mrs. W. V. Blackstock, Mrs. J. H. Carson, Mrs. G. W. Abbott, Miss F. Watt, Mrs. E. J. Smith and Mrs. Simonson. Acting as cashier was Mrs. J. A. Fraser.

In charge of the various booths were the following:

Fancy Work—Mrs. W. L. Sandison and Mrs. J. L. Lee.

MOOSE IN HOOP LEAD

Scored Victory Over Grotto to Top Basketball League Standing

The Moose put themselves into first place in the Senior Basketball League race last night by winning over the Grotto 36-32. At six minutes to go in the first half the score stood 19-5 in favor of the Lodge-men. Then the Grotto came to life to run in three baskets. At half time the score stood 19-11.

After the interval both teams worked hard to get a commanding lead with the Moose having the best part of the points. When the long went the Moose were on the long end of a 36-32 lead.

It was quite evident that Scott and Gurvich were enjoying a night off as neither one of them could sink any. Dido only got two and two foul shots and Scott scored nothing.

The Grottoes ran rough shod over the High School to win the Ladies' League game 15 to 4. The students were only one point behind at half time but, after the rest period, the Grotto girls started for town and, when the final whistle went, had an 11-point lead.

The Canadian Legion, minus Nakamoto, who has shifted up to the Moose, lost to the Warriors 21-18 in the Intermediate League. The Vets were on a short end of 10-7 half time score and, when play resumed, the Warriors held on to their three-point lead until the end.

Scythians continued their winning streak by defeating the Boy Scouts 24-17 in one of the best Junior games so far this year. The Scouts had a four-point lead at half time but lost it soon after the second half started. They staged a belated rally but the gun went before they could catch up. R. Irvine refereed.

USK MINE IS ACTIVE

One Hundred Tons of Valuable Concentrates Shipped From Columario Mill

Since the mill at the Columario mine on Gold Creek near Usk went into operation six weeks ago three carloads or about 100 tons of concentrates have been shipped to Trill smelter, it is stated by John Willman, manager of the mine, who is paying a brief visit to the city on business. Smelter returns have shown 5.4 ounces of gold and 15.08 ounces of silver to the ton of concentrates. The mill has run as much as 75 tons of ore per day.

Plans are to continue operation of the mine and mill, both of which are now employing some fifty men, throughout the winter. The concentrates are now being ferried across the Skeena River for shipment from Esk. When the ice comes on the river and ties the ferry up, the concentrates will be trucked to Terrace for shipment from there.

Mr. Willman is here to attend the annual meeting this afternoon of the Northern British Columbia Timbermen's Association which has been revived through the prospect of shipments of hemlock logs from this district for export being made. George Little and C. L. M. Giggsey, well known Terrace sawmill operators, are here for the same meeting, being accompanied by their wives. All arrived from the interior on last night's train and will return home this evening.

Make these 3 tests

YOU'LL KNOW WHY ST. CHARLES EVAPORATED MILK IS BETTER

TRY THIS: Open a can of St. Charles Milk. Note the creamy color—the smooth consistency—the pure fresh flavor.

TRY THIS: Have a cup of coffee "creamed" with St. Charles. It blends so smoothly, tastes rich and fresh. And saves you money.

TRY THIS: Make mashed potatoes with St. Charles Milk. That pure fresh flavor gives greater deliciousness.

Why is St. Charles Evaporated Milk different . . . better? The reason begins way back on the farm where it comes from! Cows, barns, milkers, equipment are carefully inspected. And when the milk arrives at the spotless Borden plants, tests are made for flavor, purity, richness and body—the most rigid tests ever evolved in the industry.

That's why—for your coffee, or your cooking, it pays to insist on St. Charles.

It's Better—And you can prove it.

"CHU CHIN CHOW" HERE

Great Musical Picture Being Shown This Week-End at Capitol Theatre

One of the merriest and most popular of stage musical comedy extravaganzas, "Chu Chin Chow," has been adapted to the screen by British producers and comes to the Capitol Theatre here this week-end. It has been long looked forward to by local theatregoers, those who go to the show little as well as those who go often, and Manager Dave Borland is making arrangements to handle capacity audiences this evening as well as tomorrow afternoon and tomorrow night. Almost everybody in town will go to see "Chu Chin Chow," it is expected.

The theme of the story, of course, is the famous tale of Ali Babi and the Forty Thieves from the Arabian Nights. Magnificent and elaborate spectacle is brightened throughout with impressive and tunesome musical accompaniment including the original successful song numbers of the stage production. There are many scenes of entrancing splendor, a continuous panorama of Oriental spectacle.

A striking portrayal of Abu Hassan, the robber chief, is given by Fritz Kortner, whose grim sense of humor and devil cruelty runs through the picture. George Robey provides most of the comedy and Anna May Wong is an attractive Zaharat.
