STEPS TAKEN TOWARDS LONGSHORE STRIKE SETTLEMENT

Accord Reached On Loan Under Which Province Can Pay Debts and Carry On Recovery Scheme

SUCCESSFUL CULMINATION OF NEGOTIATIONS ANNOUNCED BY PREMIER OF BRITISH COLUMBIA BEFORE LEAVING FOR HOME LAST NIGHT.

British Columbia Should Go Full Speed Ahead Now

MONEY WILL BE ADVANCED FROM TIME TO TIME BY OTTAWA AS REQUIRED—ULTIMATE AMOUNT OF LOAN NOT MADE KNOWN AS YET.

OTTAWA, May 19: (CP)—An understanding has been reached between Premier R. B. Bennett and Premier T. D. Pattullo of British Columbia with respect to negotiations for a federal loan to the province, Premier Pattullo announced yesterday just prior to leaving for home. The federal government will advance money in the form of a loan from time to time to assist the province in meeting its obligations and carrying on recovery efforts with respect to work and wages. The ultimate amount of the loan was not made known.

Premier Pattullo seemed satisfied with the outcome of the negotiations and said there was no reason why British Columbia should not go ahead full speed toward recovery.

Anyox Miner Had 120-Foot Fall In Losing His Life

Domenico Morrone, 42-year old Italian miner, was killed by falling 120 feet into a slope of the Granby mine at Anyox on Monday of this week at midnight, according to particulars of the fatality which have been received at district headquarters of the provincial police following the holding of an inquest which established that circumstances of the tragedy were of accidental nature. Morrone fractured his skull and death is believed to have been instantaneous.

Morrone is survived by a widow and family in Anyox. He had a nephew at Field.

The funeral took place at Anyox yesterday.

MONTREAL-NEW YORK EXCHANGE

NEW YORK, May 19:—The British pound sterling closed at \$5.11 1/4 on the local foreign exchange market and the Canadian dollar at \$1.00 1/2.

MONTREAL, May 19:—The British pound sterling was quoted at \$5.10 1/2 on the local foreign exchange market and the Canadian dollar at 99 27-32c.

PLANES ARE RULED OUT

No Freak or High-Speed Machines To Be Allowed in England-Australia Race

LONDON, May 19.—Owing to the ruling of the race committee whereby freak and high speed planes will be ruled out of the contest, it is expected that a number of United States planes may withdraw from the England to Australia air race this fall.

Funeral Notice

Margaret Robinson, Ruth Rudland and Einar Hopen were each fined \$25, with option of ten days' imprisonment, by Magistrate McClymont in city police court this morning for intoxication.

The funeral of the late Miss May Donaldson will take place at 2:30 p.m. Monday from the Anglican Cathedral.

Army Ruling In Bulgaria; Coup d'Etat

SOFIA, Bulgaria, May 19: (CP)—The Army of Bulgaria today overthrew the government and King Boris, approving the radical change, dissolved Parliament. Whether Boris, one of the last rugged individualist sovereigns, was engineering a military coup d'etat was not immediately apparent but the Army was in complete control, soldiers occupying all government buildings shortly after dawn. No rioting was reported.

B. C. Lumber Freight Cut

Board of Railway Commissioners Reduce Rate to East

OTTAWA, May 19: (CP)—The Board of Railway Commissioners announces a decrease of twenty to twenty-five cents per hundred pounds on railway lumber tariffs for car lots from British Columbia to Montreal and interior points, effective at once. It is understood that the reduction has been made in order to meet the competition of the Panama Canal.

NAVAL PLAN IS CHANGED

Japanese Department Decides to Reduce Both Speed and Armament Henceforth

TOKYO, Japan, May 19:—In view of the recent disaster to the new torpedo boat Tomozuru which capsized with heavy loss of life on account of being topheavy with armament, the Japanese naval department, it is intimated, has settled upon a policy of reducing both speed and armament in future naval construction generally.

BAR SILVER

NEW YORK, May 19: (CP)—Bar silver closed at 45c per ounce on the local metal market today.

Mediation Proceedings Instituted With View To Ending Port Tie-up

Union Stevedores Give Executive Committee Authority To Negotiate Agreement—Both Sides Firm But Outlook is More Hopeful

SAN FRANCISCO, May 19: (CP)—For the first time since Pacific Coast shipping was crippled by the longshoremen's strike on May 9, union representatives are sitting in mediation to confer here today with authority to negotiate a settlement. Last night twelve thousand strikers in a series of meetings at various ports voted to empower the executive committee to consider peace terms with the assistance of Assistant Secretary of Labor Edward S. McCready who arrived on Thursday by airplane from Washington and who is hopeful of an agreement being reached to terminate the strike.

The strikers remain firm in their demand for recognition of the Union while the employers are reported to be quite willing to arbitrate wages and working hour demands but remain firm for "open shop" conditions.

Meantime, there is little change in the shipping situation. Seventy-six vessels are tied up inside the Golden Gate, twenty-five at Portland and twenty-six at Seattle. Teamsters here decided on Thursday to join the strike and seamen have also been considering doing so.

TIMBER IS DESTROYED

One Million Feet Burned at Great Central Lake by Fire Which Started Wednesday

VICTORIA, May 19: (CP)—One million feet of standing timber at Camp Three of the Great Central Sawmills Limited adjoining Great Central Lake in the Alberni district was destroyed by fire which started Wednesday night.

Salvation Army Is Holding Its Annual Tag Day

Taggers for the Salvation Army, under the leadership of Capt. Agnes Coxson and Lieut. Hazel Milley, are on the streets today in connection with the annual Self Denial campaign. Assisting in tagging are Miss Mildred Hunt, Mrs. Jack Mowatt, Miss Mary Pierce, Frank Pierce and Edward Harmon.

CANADIAN GOLD PRICE

MONTREAL, May 19: (CP)—The Canadian price of gold was two cents lower today at \$34.72 per ounce.

Edward Hauge, who had been injured in a fall while engaged in mill construction at the Columario mine at Usk, was brought to the city on yesterday morning's train and is now receiving treatment in the Prince Rupert General Hospital where he is reported to be doing nicely. Mrs. Stanley Mills of Terrace accompanied him to the city, returning to the interior yesterday afternoon.

PRIEST IS BEREAVED

Mrs. Marie Allard of Quebec Gave Six Children to Service of Church

Father Joseph Allard O. M. I. arrived in the city on the Princess Norah yesterday afternoon from Atlin, intending to proceed to his native home in Quebec, having been called there on account of the illness of his mother.

On arrival here, however, he received the sad intelligence that she had passed away on Thursday night. Father Allard, who has served for thirty-one years in the priesthood in the Yukon and Northern British Columbia, will have the deep sympathy of his host of friends not only in Prince Rupert but throughout the district in his bereavement.

Father Allard's mother, Mrs. Marie (Genereux) Allard, widow of the late Charles Allard, was eighty-five years of age. Her passing occurred at Upton, Bagot County, Province of Quebec. She had eighteen children of whom she raised thirteen, seven boys and six girls, to manhood and womanhood. Six members of the family consecrated their lives to the service of God and the Roman Catholic Church, three sons being Oblate of Mary Immaculate priests, one in Saskatchewan and two in British Columbia and the Yukon, and three daughters being nuns, sisters of the Presentation of Mary. Father Joseph Allard is the oldest priest of the family. Father E. Allard O. M. I. also stationed in this diocese, is another of the sons. Three sons and two daughters married and they have thirty-six children. One daughter is single and lived with her mother.

QUOTA FOR ARGENTINA

Great Wheat-Producing Countries Agree to Increase Providing Production is Restricted

LONDON, May 19:—Delegates of the four great wheat producing countries—Canada, Australia, United States and Argentina—have agreed to Argentina's increased export quota covering the 1934-35 crop year and ending July 31, 1935, providing Argentina begins restricted production.

Merely routine business was taken up Wednesday night at a regular meeting of the Moose Lodge. Dictator Gillis Royer was in the chair.

DAILY EDITION

Saturday, May 19, 1934

The intermittent rains of the past week or so have given seedlings a good chance to get a start. Some people have not yet planted theirs and they may be right. Anytime on or about the end of May or beginning of June is looked upon as safe but, if the weather is warm and conditions seem right, the early start is probably an advantage.

Tom Priest has three little beds of begonias planted out. They are up something like six inches above ground and should bloom early. If there should be cold nights, Tom will cover the plants to protect them from possible frost. Most people have dahlias up and growing well. Nasturtiums and sweet peas are above ground in a great many gardens. Gladiolas are also through the ground and coming along.

Away back in February I was reading Burpee's catalogue and noticed that they were offering seeds of new vari-colored nasturtiums similar to the Golden Gleam. They were selling at ten cents a seed, ten for a dollar, so, in a moment of seeming affluence, I sent for a packet. The seeds were originally grown in California and were taken to Pennsylvania by airplane where they were sown in the large greenhouses at Ford-

hook. There the plants were raised and seed from them is being shipped out. This morning I received a postcard saying my packet will not be here until June 15. I am looking forward to trying out this seed. The shippers in acknowledging the order say: "We know you are going to be pleased with this phenomenal flower. It is certainly the greatest sensation in flowers for 1934."

Reports have come to hand that the purple lilacs have been failing to bloom. As soon as the flower bud commenced to open it withered.

White lilacs are not so affected, it seems. Possibly someone may be able to explain the trouble.—H. F. P.

A. E. Parlow, district forester, who returned to the city on yesterday morning's train from a trip to the interior on official business, sailed last night on the Princess Adelaide for a trip to Ocean Falls, accompanied by J. Pedley, another of the Forest Branch officials.

PICNIC PARTIES EVERY SUNDAY

NORSEMEN CELEBRATE

Anniversary of Declaration of Norwegian Independence Observed At Large Gathering Here

Under the joint auspices of the Sons of Norway and Nordkap national organizations, the anniversary of the Declaration of Norwegian Independence was fittingly celebrated at the Moose Hall on Thursday night with some three hundred members of the local Norwegian colony taking part in the proceedings.

The first part of the evening was devoted to an entertainment program arranged by Peter Lien who also acted as accompanist. "O Canada" and the Norwegian national anthem were sung and there was a piano duet by Leonard Cripps and Peter Lien. A vocal solo by Mrs. Anton Dybhavn was followed by a colorful dance by fourteen little girls in national costume. An appropriate address was delivered by Vice-Consul John Dybhavn and the Varden Singers rendered selections. There was a violin solo by Richard Donald and a reading by Mrs. Gunnar Selvig after which community singing was enjoyed. J. Jorgensen was chairman.

At the conclusion of the program, the floor was cleared for dancing which continued until 3 a.m. with music by Mrs. J. S. Black's Orchestra. Refreshments were served at midnight.

The committee in charge of the proceedings consisted of Mrs. John Murvold, Mrs. Olof Skog, Mrs. A. Wick, Mrs. R. Jensen, Mrs. H. Erickson, Oscar Haveroy, John Storseth and Peter Lien.

MOVE TO END WAR

Great Britain Takes Lead in Forcing Cessation of Bolivia-Paraguay Conflict

GENEVA, Switzerland, May 19:—Great Britain has called on the world to stop the Grand Chaco war of Paraguay and Bolivia in South America, six nations immediately responding. United States support is now sought. Great Britain insists immediately on a cessation of bombing of towns of no military importance and more humane treatment of prisoners of war.

Rt. Hon. Anthony Eden, Lord Privy Seal, asked the council of the League of Nations to cable seventeen nations at once and ask them to cease shipping arms to Paraguay and Bolivia. The council thereupon drafted an arms embargo plan which has been submitted to the nations for their approval.

The Paraguay-Bolivia conflict has already cost 30,000 lives and sapped the resources of the two nations.

Roosevelt In Favor WASHINGTON, D.C., May 19:—President Franklin D. Roosevelt expresses himself as being heartily in accord with the British move to end the Paraguay-Bolivia conflict. He urges further revision of international restriction of shipping of arms to warring nations and is expected to send an important message to Congress soon bearing on the subject of disarmament.

Brazilian Proposals RIO DE JANEIRO, May 19:—Peru has formally endorsed proposals of Brazil, acting as an intermediary, for peace in the Paraguay-Bolivia hostilities. Columbia is prepared to accept the terms conditionally.

AWARD IS CUT DOWN

University of Alberta Will Have to Pay Only \$21,860 in Powlett Hazing Case

EDMONTON, May 19:—The award of \$56,860 against the University of Alberta board of governors in the Powlett hazing case has been cut to \$21,860 in a judgment of the Appellate Division. The award was made because the Powlett youth lost his sanity ostensibly as a result of the experiences he went through on being hazed.

Baseball Scores

National League Cincinnati 2, New York 1. Chicago 9, Philadelphia 5. St. Louis 2, Boston 6. Pittsburgh 8, Brooklyn 3. American League Philadelphia 4, Chicago 5. Washington 3, Cleveland 1. New York 8, Detroit 10. Boston 2, St. Louis 12.

Owing to rain, the City League softball game, scheduled for Wednesday evening between Grotto and Royal Canadian Naval Volunteer Reserve, was postponed.

SPORT NEWS

TROPHY IS RECEIVED

Handsome Marksmanship Shield Delivered to William Brass Here

William Brass of this city has received the shield emblematic of the individual high aggregate championship for Dominion small-bore rifle marksmanship of Canada which he recently won. It is a very handsome trophy which Mr. Brass will hold for the ensuing year. It is the third time it has been won.

Commenting on the matches the Canadian National Recreation Association News Bulletin of Montreal has the following to say:

"The final results of the Dominion championship matches are now on hand. A total of 49 teams entered from all Canada this year—Newfoundland 3 teams, Nova Scotia 4, New Brunswick 2, Quebec 9, Ontario 13, Manitoba 1, Saskatchewan 2, Alberta 4 and British Columbia 6.

"This year the team trophy went to the Oshawa Rifle & Revolver Club with the record total of 1487 out of a possible 1500 for the three matches—this gives them an average of over 99 per cent. Included in the first 10 teams are C. N. R. Vancouver placed third with a total of 1483, Montreal Rifle Club, fifth with 1481, C. N. R. Prince Rupert, seventh with 1478, and C. N. R. Montreal No. 1, ninth, with a total of 1473 and an average of 98.2.

"The feature of the whole competition was the wonderful shooting of Bill Brass at Prince Rupert. He turned in three perfect cards for the three matches to tie with N. K. Martin of the Ottawa Pistol and Revolver Club for first place and the individual championship. Not being satisfied with that he put on two more possibilities on the cards sent out for the shoot-off while Martin turned in 99 and 100, dropping one point. Heartiest congratulations, Bill, from C. N. R. A. Montreal for winning another Dominion championship for the railroad. This is the second time since the inception of this series of matches that the C. N. R. has carried off the honors."

WATKINS IS MOOSE HEAD

STEWART, May 19:—At the last regular meeting of the Portland Canal Lodge, Loyal Order of Moose, officers for the ensuing year were installed as follows:

Dictator, Louis Watkins (Hyder). Vice-Dictator, John F. O'Keefe (Stewart). Prelate, James Morrice (Stewart).

Treasurer, William L. Newell (Stewart). Trustees—William D. Smith and Fred E. Risch (Stewart) and F. Fisher (Hyder).

Secretary, P. S. Jack (Stewart). Past Dictator, Duncan J. MacLean (Stewart). Sergeant-at-Arms, Michael P. Murphy (Stewart). Inner Guard, G. Erickson (Hyder). Outer Guard, Alex Whidden (Hyder).

The installing officer was E. D. Haddon of Hyder, a past dictator of the lodge. The annual banquet of the lodge was held following the installation.

LEVINSKY IS FOUND

Chicago Boxer, Who Disappeared Before Lasky Fight, Has Nervous Breakdown

LOS ANGELES, May 19:—"Kingfish" Levinsky, who disappeared mysteriously at the first of the week on the eve of a scheduled bout here with Art Lasky, was found in a local hospital where he is said to be suffering from a nervous breakdown.

As a result of Levinsky's disappearance, the Olympic Auditorium had to return \$13,000 to patrons who had bought tickets for the bout which was to have been staged Tuesday night. A sell-out had been expected.

MOOSE ARE DEFEATED

Junior Elks Win Seven to One Victory in City Softball League

With all the scoring taking place in the first four stanzas, tight, shut-out ball being played by both teams for the remainder of the nine innings, Junior Elks defeated Moose 7 to 1 in last night's City Softball League fixture.

Frank Morrison, who started on the mound for the Moose, was batted out of the box in the first two innings after which the burden was taken up by Slater, a member of the crew of the steamer Princess Adelaide, who yielded little.

The Moose were handicapped through absence of some of their regular players. Nakamoto was the leading hitter of the game, connecting twice.

Morrison yielded six hits in the two innings and gave two bases on balls. Slater allowed three hits, struck out five batters and walked two. Lindsay, Junior Elks' hurler, gave three hits, was credited with six strike-outs and allowed three walks.

There were nine errors by the Moose and but one by the Junior Elks.

The line-ups were as follows: Junior Elks—Santerbane ss., Nakamoto lf., Moxley lb., Steffensrud 3b., Smith 2b., Campbell cf., Morgan c., Lindsay p., Campbell cf., Morgan Moose—Hickey, c., Frank Morrison p., Slater p., Postulo ss., Velch 3b., Burnett lf., Bob Armstrong cf., Jack Armstrong 2b., Roy Morrison 1b.

Umpires—Comadina and Dougherty. Tomorrow afternoon there will be a game between the Navy and Metlakatla.

PREPARING FOR VISIT

Village of Port Simpson Taking Steps to Celebrate Centenary On May 24

Port Simpson people are doing themselves proud in the way of preparations for the celebration of the one hundredth anniversary of the establishment in the village of the Hudson's Bay Company on May 24. The Port Simpson council has the matter in hand with Ambrose Reid, chairman of the committee.

Challenge trophies will be up for competition in football, baseball and softball. One of the outstanding features of a good program of sports will be the war canoe race.

Port Simpson is especially desirous of having a local football team visit the village but the Prince Rupert Football Association will not be able to finance the trip although willing to assist in organizing a team of such players as may be going.

The Canadian National Railway is running an excursion from Prince Rupert that day and, doubtless, many will visit the village in their own boats. All visitors will be made welcome.

LOCAL NEWS NOTES

We are still buying old gold, Bulger's. (tf)

C. Richards sailed last night on the Princess Adelaide for a trip to Vancouver.

Cut flowers, marriage bouquets, pot plants, wreaths and sprays.—**GLENNIE'S.**

Tonight's train, due from the East at 10 p.m., was reported this morning to be on time.

Mrs. J. Lorne McLaren and daughter, Miss Lorne McLaren, sailed last night on the Princess Adelaide for a vacation trip to Vancouver and Victoria.

Mrs. H. Oakes of Surf Point sailed Thursday night on the Prince George for a trip to Vancouver. Her husband, who had accompanied her to the city, returned to Porcher Island yesterday.

Fred G. Coburn, accountant for the Canadian customs department at Vancouver, and Mrs. Coburn were passengers aboard the Princess Adelaide last evening. They are making the round trip north on the vessel.

Mike O'Neill, son of Wiggs O'Neill of Smithers, arrived Thursday night by train from the interior and sailed the same night on the Prince George for Vancouver enroute to Hope where he has taken a position.

The fire department had a call at 6 o'clock last evening to the residence of John McLean, 1039 Hays Cove Avenue, where steps had been singed owing to hot ashes being dumped too close to the house. Little, if any, damage was done.

The Consolidated Whaling Corporation's whaler Blue, Capt. Franzsen, arrived in port at 6 o'clock last evening from Naden Harbor, bringing in a Japanese employee of the whaling station there, T. Miyauchi, who had sustained injuries in a fall. The vessel was met by the ambulance and the man taken to the hospital, the Blue returning immediately after to the Islands.

You can rent a Car at Walker's as low as \$1 a day plus 7c. a mile. (tf)

WATERFRONT WHIFFS

Nearly Five Million Pounds of Halibut Landed Here
So Far This Season—Salvage Princess on Dry Dock—Fishery Patrol Boats Inspected

With landings for this week almost reaching half a million pounds, Prince Rupert's halibut handling volume for the 1934 season is nearly up to an aggregate of five million pounds which is a substantial increase over last year at a similar date. Up to and including yesterday landings for the present season had reached a total of 4,908,065 pounds as compared with 4,621,400 pounds last year at a similar date and 4,030,550 pounds in 1932. The effect of this increased production, if it continues, as has been pointed out before, will be to shorten the length of the season by reaching the quota limit as set by the International Fisheries Commission that much sooner.

Of the total landings at Prince Rupert so far this season, 2,488,565 pounds has been from Canadian vessels as compared with 2,015,100 pounds last year and 2,419,500 pounds from American bottoms as against 2,603,300 pounds last year.

Landings for the week ending yesterday amounted to 492,300 pounds of which 257,300 pounds was from Canadian boats and 235,000 pounds from American. Prices for the week showed some improvement. The high price of the week for Canadian fish was 6.5c and 5c which the Gony received for 13,000 pounds and the low was 5c and 4.5c which the Fanny F. and J. R. received for catches of 5,000 and 1,800 pounds respectively. For American fish the high price was 8.3c and 5c which the Hazel H. was paid for 15,000 pounds and the low 7c and 5c received by the Nordby and Lansing for catches of 36,000 and 15,000 pounds respectively.

Yesterday a total of 103,000 pounds was sold at the Exchange, two American boats receiving 7c and 5c for 51,000 pounds while 52,000 pounds of Canadian fish changed hands at 5c and 4.5c to 7c and 5c.

Armour Salvage Co.'s power tug Salvage Princess returned to port at midnight Tuesday night after delivering a tow of logs from Union Pass to the McAfee and Sunbury box factory at Big Bay and went on dry dock Thursday night to undergo repairs to damage sustained in her stranding late last week in Grenville Channel. A new false keel is to be installed, the heel repaired and the stem iron straightened. As reported before, the vessel's hull was not holed or damaged. Repairs will be finished by Monday.

Thirty members of the crew of the steamer Prince Rupert, which is to be recommissioned in service next week after having undergone annual overhaul at the local dry dock, arrived in the city on the Prince George yesterday morning from Vancouver to re-join their ship. The Prince Rupert will make a special excursion sailing to Port Simpson on Thursday of next week and will sail the next morning for Vancouver from which port she is to start early in June on a ten-day coastal cruise with a Vancouver Board of Trade party following which she will take up regular service for the summer.

In the course of a trip to various ports along the coast for the purpose of inspecting vessels which have applied for fisheries patrol charters this season, John W. Allen, superintendent engineer for the Dominion Fisheries, arrived here on Tuesday afternoon of this week by department cruiser from down the coast. As usual, quite a number of boats are endeavoring to get into this work and Mr. Allen had the usual quota of craft to examine as to suitability. He sailed last night by the Princess Adelaide on his return to Vancouver.

The Big Convention
An important event of the week

PRINCE RUPERT DRY DOCK AND SHIPYARD

Shipbuilders and Engineers.
Iron and Brass Casting.
Electric and Acetylene Welding.

Specialists on Sawmill and Mining Machinery.

All Types of Gas Engines Repaired and Overhauled.

for the local waterfront is the convention of the hand loggers' association (not nearly as official an organization as the name might imply). We are not sure as yet whether such prominent Grenville Channel operators as Harry Scott, who comes from the inlet whose name no one can spell and few can pronounce, and Harvey Dumas, the unsuspecting president of the association, are in town because the convention is being held or whether the convention is being held because they are in town. Developments over the coming week-end may solve this problem.

One of the important questions on the agenda for the convention will be whether or not an oxophone will be installed. In case any one might not know, an oxophone is a new scientific device which is designed to extract the "bull" from hand-loggers' conversations.

The association already boasts a large membership and it is now hoped that Henry Hanson and Capt. Oscar Haveroy, the well known leader of the waterfront ladies' aid, may be induced to ride the goat during the course of the present ceremonial.

Harvey Dumas arrived in port at the end of last week with his boat Leander which has the distinction of being the only hand-logging craft on the coast to be equipped with a washing machine. Harvey uses the machine to wash not only his own clothes but those of his neighbors. He will soon be such a proficient laundryman that he will be able to put both the electric washing machine and the Oriental menace out of business.

Harry Scott, who arrived in port with the Lila on Wednesday, announces that he has at last been forced into buying himself a manufactured fishing rod. In the past he has always used a Canadian Greenheart, otherwise known as an alder stick Harry, as is well known, is not given to bragging but he admitted under pressure that he was the best known and most successful angler this far north, his only difficulty being that the trout he catches are too big. If George Johnstone should happen to read these lines, we might tell him that there is no room for letters to the editor these hard times so he might as well save himself the trouble and the effort of trying to challenge Harry's admission unless, of course, he might wish to do so from the floor of the convention.

The convention will continue as long as Harry and Harvey stay in town—the oxophone notwithstanding.

The mine layer Oglala, 4,200 ton flagship of the squadron of seven United States naval vessels and six aircraft which is bound north for the Aleutian Islands to spend the summer, left Ketchikan Wednesday afternoon of this week in continuation of her northward voyage after having been there since the evening previous. There were seventeen officers and 295 men aboard the Oglala and they were given a hearty welcome during their brief stay at the "First City." It was thought the squadron might have visited here but only one of the vessels, the mine sweeper Gannett, put in at this port.

Alaska seine fishermen have requested the Bureau of Fisheries to defer the opening of the seining season in Alaska waters this season until ten days after the trap season opens and to permit the seines to be operated for ten days after the trap season closes.

To Pack Salmon

Capt. Bert Tingley has been in Prince Rupert this week with his fish packer Argent after having spent the winter in Vancouver and left yesterday afternoon for the Queen Charlotte Islands. He is to be engaged this season in packing salmon from North Island trollers to Claxton on the Skeena River for Edmunds & Walker.

Two C. E. R. coastal liners called

at the government dock in quick succession yesterday afternoon. The Princess Norah, Capt. William Palmer, arrived in port at 3:45 from Alaska and sailed at 5 o'clock for Vancouver. She had thirty-seven passengers on board, two disembarking here. The Princess Adelaide, Capt. S. K. Gray, was in the harbor waiting to get alongside before the Norah got away. She sailed at 10 p.m. on her return south.

Making better time this voyage, having been relieved of the Rivers Inlet and Smith's Inlet calls as a result of the Venture having been placed on the run out of Vancouver, Union steamer Cardena, Capt. Ernest Georson, arrived in port at 9:30 last night from the south and sailed at midnight on her return to Vancouver and waypoints. She was the fourth passenger steamer to sail from here within twenty-four hours for Vancouver.

After having been away since December 29 receiving naval training at Esquimalt barracks and also making a training cruise to Central America aboard the Canadian destroyer H. M. C. S. Skeena, Leading Seaman Jack Macfie and Able Seaman William Bremner of the local unit of the Royal Canadian Naval Volunteer Reserve returned home on the Princess Adelaide yesterday afternoon. Ordinary Seaman Maurice Maguire, who had been away for the same period, got back on Wednesday while Ordinary Seaman Doug Christensen is due back on the Catala tomorrow afternoon.

The Granby Co.'s service boat Granby arrived in port Thursday evening from Anyox and sailed late yesterday afternoon on her return to the smelter town. The vessel came here to meet Charles Boeking, president and general manager of the company, who arrived from Vancouver on the Princess Adelaide yesterday afternoon on one of his periodical northern inspection trips. Mr. Boeking was accompanied by his secretary, Al White. They will spend about a week at Anyox.

First yacht of the season to visit Prince Rupert, the handsome and palatial Bon Homme of Los Angeles, having on board its owner, Mr. and Mrs. Barton Sewell of Beverly Hills, and party, arrived in port yesterday afternoon from Vancouver in the course of a leisurely cruise to Alaska and continued its

COMEDY IS ROMANTIC

"Bottoms Up," With Music and Good Cast, at Capitol Here This Week-End

"Bottoms Up," a romantic comedy with music based on Hollywood life, is being shown at the Capitol Theatre here this week-end. It is a delightful romance with songs woven logically into the story, the feature songs being "Waiting at the Gate for Katy," "Turn on the

voyage northward by leaving this morning for Ketchikan. Mr. and Mrs. Sewell and their friends expect to spend two or three months in northern waters. The Bon Homme, which moored overnight at the floats of the Pacific Salvage Co., is no stranger to this port, having visited here in previous years.

Moon." "Little Did I Dream," "I'm Throwin' My Love Away"

The film, in which "Pat" Patterson, lovely English comedienne makes her American film debut with other prominent members of the cast including John Boles, Spencer Tracy, Herbert May and Thelma Todd, portrays three merry rogues and a girl movie ambitions put on a front and crash the golden rule of the movie capital. The girl is rocketed to film fame by her rollicking companions and she long finds herself playing opposite a star she had loved from an embarrassing situation ensuring an interesting denouement.
