When Food Supplies Were Cut Off in San Francisco

With thousands of workers out on strike, in sympathy with the onshoremen and dockmen who had been on strike for two months, San Francisco was in a turmoil. Martial law was declared. The effects were being felt as far north as Vancouver, where longshoremen refused to unload vessels they claimed were unfairly loaded. The layout shows Governor Frank F. Merriam, who had held that post for only a month and who faced the gravest problem any governor in the U. S. had had to face in years. Other photos show scenes from recent disorders in which at least three were killed, and state troopers marching in to gain advantage points.

KETCHIKAN, Aug. 3: (CP)—When their demands for a wage of 50c per hour were refused, 165 employees of the Sunny Point plant of the Alaska Pacific Salmon Co. went on strike yesterday.

Officials refused to consider the demands and said that, if necessary, they would import labor. With thirty thousand fish on hand, boats were ordered to cease the brailing of fish traps. Almost normal operations were resumed today, sufficient men returning to work to enable the plant to continue.

TRIBUTE TO HINDENBURG

Great National Funeral Will Be Given Soldier-Statesman Next Tuesday

BERLIN, August 3 (Canadian Press)—A great national funeral will be held next Tuesday for the President Paul von Hindenburg at Tannenberg Memorial where the body will lie in state prior to the obsequies. Chancellor Adolph Hitler, the one time Austrian house painter who assumed the presidency one hour and ten minutes after Field Marshal Hindenburg's death yesterday, will give the funeral oration. The former Crown Prince Wilhelm will attend in person and take a prominent part in the mourning around the national monument. The family of the famous soldier-statesman has requested that no flowers be sent to the funeral but that the money which would have been used to purchase them be devoted to helping the poor.

From all parts of the world came messages of sympathy and respect yesterday. A wireless message from President Franklin D. Roosevelt of the United States expressed "sincere sorrow" at the death of Field Marshal von Hindenburg and extended sympathy to the people of Germany in their great loss.

HOW TO MAKE ICED TEA
 Boil six heaping teaspoons of Salada Black Tea in a pint of fresh boiling water. After six minutes strain liquid into two-quart container. While hot, add two cups of granulated sugar and the juice of 2 lemons. Stir well until sugar is dissolved. Fill container with cold water. Do not allow tea to cool before adding cold water; otherwise liquid will become cloudy. Serve with chopped ice.

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.
