PREDICTS LINE BETWEEN HERE AND JASPER WILL BE ABANDONED AND SUBSTITUTED WITH NEW ONE TRAVERSING BETTER COUN-TRY TO NORTH.

VANCOUVER, April 18: (CP)-Vancouver has forfeited its opportunity of becoming the logical outlet for the Peace River country but there is still a possibility it may share with Prince Rupert or Stewart the potential trade of that northern empire, declared Clive Planta, M.L.A. for Peace River, in addressing the Rotary Club here yesterday.

"Interest in the Peace River district by citizens and organizations in Vancouver has in the past and is today one of non-contributing, self-centred and selfish concern," Mr. Planta declared. "The cry is 'On-to-the-Peace' regardless of the costs involved just so long as the outlet absorbs the Pacific Great Eastern and creates a basis of propaganda aimed to attract more money from abroad through Vancouver.

"The Pacific Great Eastern Railway and the outlet from the Peace River to the Pacific Ocean are two separate issues."

Mr. Planta expressed the opinion that time would see the removal of the rails between Jasper and Prince Rupert and the construction of an outlet via Stewart or Prince Rupert. This would mean two Pacific seaports from which trunk lines would traverse east, one from other from Vancouver converging at Edmonton as a transcontinental line with one running north and south from Finlay Forks to Edmonton.

Japan Ready to Act By Force In Backing Up New Policy Of "Hands Off" Regarding China

TOKYO, Japan, April 18: (CP)-A Foreign Office spokesman asserted today that Japan will act positively, if necessary, in application of her restated China policy of responsibility for Peace in East Asia. The spokesman told a foreign correspondent that the nature of the action to be taken will depend upon the circumstances in each case. If foreign efforts to "disturb peace in Asia" are backed forcefully, he said, "Japan herself may be compelled to resort to force."

Japan herself must determine, the spokesman declared, whether foreign attempts to aid China imperil peace and order in East Asia.

The statement of policy made Tuesday was interpreted by foreign diplomats as a "hands off China" policy aimed at western nations, surpassing even the broadest claims which have been made under the Monroe Doctrine. The manifesto set forth Japan's responsibility to maintain peace in East Asia and voiced objections to the efforts of other nations, including the United States, to help Chinese air and military forces.

SUGAR TAX

Percent Impost on Gold Income Unchanged

Sales Tax Remains at Six Percent -Reduction in Savings Interest Anticipated

OTTAWA, April 18: (CP)-No important changes are made in the income tax under the budget presented to the House of Commons today by Hon. E. N. Rhodes, minister of finance. The sales tax re-

mains at six percent. The minister expressed hope that a further reduction in interest rates on savings deposits would be made. Last year the interest was reduced from three to two and a half per-

Excise tax charges include a reduction on cigarette tubes from 4c to 3c per hundred and a change in the Stamp Act on postal notes of \$1 or less from three to one percent.

Sugar Tax Cut

To offset a reduction in the sugar tax of from two to one cent per pound there will be placed a ten percent tax on the value of gold deposited at the mint or exported. The new tax will be effective tomorrow. The tax will not apply if it reduces the gold value to less than \$30 per ounce in Canadian currency. The reduction in sugar tax will be effective July 1.

Malt Tax Changed Another important change in excise duties is the consolidation of the existing three cent duty per pound on malt and twelve and a half percent gallonage tax on beer into a single excise duty of seven and a half percent per pound on malt, effective July 1.

In the customs tariff fewer than seventy-five items are affected, the changes being generally downward.

MEETING

Enthusiasm Displayed-Officers Re-clected

A general meeting of the Prince Rupert Softball Association was held last night in the Elks' Hall to organize a 1934 Soitball League.

The meeting was very well attended and much enthusiasm was shown. William Reid was elected cretary-treasurer for the 1934 season, this being a re-election in each case. It was decided to have an executive consisting of the president, secretary and a representative from each team.

After a discussion it was decided to give any sponsors of teams until secretary for entrance into the league. Any person wishing to play and who did not think he was on any team could leave his name and address at Lambie and Stone's and he could be assigned to some team. Another meeting will be called on April 28 to line up the teams and assign any players who are not already signed up, also to draw up a 1934 schedule.

NOW EATS ANY KIND OF FOOD, AND NO CONSTIPATION

Mr. Durigan Finds Relief in Kellogg's ALL-BRAN

Here is his enthusiastic letter: "Am 70 years of age, and for 40 of these years there never was a week but what I had to take a pill or some kind of cathartic.

"I took everything, but gained only temporary relief. Until last spring my daughter, who is a nurse in a hospital, brought me some Kellogg's ALL-BRAN.

"At the end of the week, I knew had something that was it, and I kept on taking it. I haven't taken a cathartic since. I can eat meat any time, as often as I like, or any other kind of food, and no constipation."-Mr. L. M. Durigan (address furnished upon request).

Laboratory tests show. Kellogg's ALL BRAN provides "bulk" to exercise the intestines, and vitamin B to help muscle tone. Also iron for the blood.

The "bulk" in ALL-BRAN is much like that of lettuce. Inside the body, it forms a soft mass. Gently, it clears out the intestinal wastes.

How much safer than patent medicines. Two tablespoonfuls daily meal in serious cases. If not relieved this way, see your doctor.

Sold in the red-and-green package. At all grocers. Made by Kellogg in London, Ontario.
