PEACE RIVER MEMBER URGES THIS PORT AS RAIL OUTLET

Planta Believes His People Want Shortest Route Which Is Here

Tells Prince Rupert Chamber of Commerce Meeting Why He Has Espoused Northern Plan—Prince Rupert in Strong Position

"If I gauge public opinion aright the people of the British Columbia section of the huge Peace River district want the shortest and most practical route to the Pacific Coast and that I believe is to Prince Rupert," declared Clive Planta, M. L. A., when addressing members of the Chamber of Commerce at an impromptu meeting in the council chamber of the City Hall Saturday afternoon with C. V. Evitt, vice-president of the chamber, in the chair.

HUGE PLAN ELECTRIFY RAILWAYS

Clive Planta Has Big Scheme in Mind Which He Strongly Advocated in Address

One of the interesting suggestions made by Clive Planta, M. L. A. for Peace River, Saturday in his address to the Chamber of Commerce was that the railway between Vancouver and Hazelton should be electrified. His scheme was for the government to enter into an arrangement with the B. C. Electric Railway, the biggest public service corporation in British Columbia for the taking over of the P. G. E. and that section of the C. N. R. between Prince George and Hazelton and by the development of the Bridge River and Nechaco power scheme to operate it as part of the B. C. Electric system.

The suggested plan, Mr. Planta said, would mean the development of huge power plants, the provision for settlers along the railway of such electrical power as may be needed for industrial and domestic purposes and providing a field for large British settlements in the parts of the country served. It would help bring about the decentralization of industry. He pictured a huge prosperous British population which would benefit all the country.

Major Watts Is Speaker Before Local Veterans

A very interesting talk was given by Major W. H. Watts, field secretary for the Canadian Institute of the Blind, to the Canadian Legion last Saturday evening. In view of the fact that Major Watts lost his eyesight as a result of service his visit was very highly appreciated by the returned men. Of particular interest was his talk on how blinded veterans were trained and helped.

Prior to his talk Major Watts delighted his comrades with piano selections, classical and also including the wartime choruses that are so dear to the old soldiers. Following his address there was a very happy time spent with an exchange of war time memories and stories of the trenches.

Struck by an eastbound freight train as he was walking along the track a mile and a half east of Haysport at 9:20 last night, Valentine Colussi, aged 58, sectionman at Tyee station, sustained terrible injuries which resulted in instantaneous death. Railway offices here were at once notified of the tragedy and the police in turn advised. Constables Raybone and Bond went out and brought the body in early this morning. Constable Gibson is still investigating.

Colussi had made a trip into Haysport to purchase groceries and was returning to Tyee when he was killed. He had just been transferred from Terrace to Haysport a couple of days previous.

An inquest is being held before Coroner Norman A. Watt, the session adjourning this afternoon after viewing the body. The jury consists of J. J. Judge, J. J. Payne, Bert Morgan, R. E. Benson, W. L. Coates and William Lambie.

The engineer of the train was Jack Rutter, fireman S. W. J. P. West, conductor William Beesley, brakemen Claude C. King and John Dohl.

A native of Udine, Italy, the unfortunate man had lived in this district for twenty years, having worked for the Cold Storage and the city here before joining the railway service. He is survived by a widow and three grown-up daughters, all in Italy. He had been planning to bring his family to this country. G. Colussi of this city is a brother. Deceased was a Roman Catholic.

Funeral arrangements are in the hands of the B. C. Undertakers.

ST. LOUIS, Oct. 1: (CP)—In the most hectic climax that Major League baseball has known, the very last game on the schedule being required to settle the pennant race for the year, Frankie Frisch's St. Louis Cardinals, behind the sensational pitching of Jerome Herman (Dizzy) Dean, yesterday defeated the Cincinnati Reds at Sportsman's Park here to capture the 1934 National League championship and the right to meet Detroit Tigers, winners of the American League pennant, in the World Series which opens on Wednesday of this week.

"NO WONDER YOU FEEL AND LOOK SO MUCH BETTER"

—said the physician.

Half in fun and half because he occasionally "felt punk", a college chap joined 30 other students to form a test class or clinic. It was desired to test on this class the recuperative power of a certain tonic preparation, the formula of which was known to have blood-building qualities.

Like the other 29, this young man's blood was tested and the "count" of red corpuscles and red coloring matter was found well below normal. No wonder he "felt punk" at times. He was given the tonic and returned in thirty days to have his blood tested again. There was no doubt about improved health. He looked it and felt it. His blood test showed that red corpuscles and red coloring matter had strikingly increased. "No wonder you are feeling and looking better," said the physician.

Would you like to feel better, too? Would you like to be keen again about study or work or play? Then take this "tested tonic" which proved such a benefit to the forty college students. It restores well-being by increasing the red corpuscles and red coloring matter of the blood—those carriers in the blood stream which must be kept up to normal numbers if the person is to possess health and vitality. This tested tonic is Dr. Williams' Pink Pills. Easy to take whether at home, at college or at business. Recommended for all who feel run-down, overtired, nervous or "low", or are under-weight. Your druggist has this tested tonic—Dr. Williams' Pink Pills, price 50c.

Canadian Legion Enters Hoop Game

Decides to Have Team in Intermediate Basketball League

A special meeting was held Saturday evening in the Canadian Legion club rooms with President J. H. Preece in the chair to form plans for the operation of a basketball team in the intermediate league.

W. M. Brown was appointed representative to the City Basketball Association with Jock McGreish trainer. Colors will be royal blue shirts and royal blue shorts with a white stripe. Under Trainer Jock McGreish the boys will be in the best of shape and, with proper coaching, it is hoped that the first venture of the Canadian Legion in the city basketball competitions will be successful and a help to sport.

PLANTA BELIEVES HIS PEOPLE WANT SHORTEST ROUTE WHICH IS HERE

(Continued from Page 1)

cal to expect it to be completed within, say, ten years.

Speaking of the opposition to the scheme from Vancouver, Mr. Planta said it was natural for a city in its infancy to be selfish but Vancouver had passed the age of puberty and had now reached adolescence and could afford to be generous.

"I have no personal interest in Prince Rupert," declared Mr. Planta. "All I want is to serve the people of the Peace River and I believe I am doing that by advocating the building of the railway to connect with Prince Rupert." It would be false economy to build the temporary outlet to Obed. To continue a transcontinental line through the Peace and passing through Edmonton would be to the advantage of that city and would command its support.

The speaker spoke of the various colonizing plans of the past and showed that here was one ready to hand which was assured of success.

On motion of M. P. McCaffery and C. H. Orme a hearty vote of thanks was passed to Mr. Planta.

George Mitchell, who has been on at two weeks' trip to Vancouver, returned to the city on the Catala last evening.
