Hitler's Mass Weddings Rival Napoleon's

Mass marriages have become the order of the day in Germany under the rule of Adolf Hitler. Picture shows 30 Hitlerites and their brides-to-be marching to a ceremony in Berlin. But the Nazi dictator still has to go some to equal the weddings en masse during the time of Napoleon Bonaparte, emperor of another day. When Napoleon Marie Louise he promised dowries to 6,000 girls of "irreproachable character" who would wed 6,000 of his soldiers. On April 29, 1910, the marriages were celebrated simultaneously before the eyes of Napoleon's officials, and the dowries were paid.

IS FROZEN TO DEATH

More Particulars Received of Recent Death on Trail in Prince George District

Divisional headquarters of the provincial police here were advised a few days ago that the body of a man had been found on a trail alongside Slim Lake, eighteen miles south of Penny in the Prince George district. According to later word which has now been received, the body was that of Onufry Lewoniuk who perished from exposure and exhaustion. A 35-year old Pole, he had been shacking for the winter with Charles Hartzell and Fred Rankin, the latter a trapper. Evidently, deceased had made a trip to the lake to catch some fish and had become wet from wading in slush on the lake. He did not have the strength to complete the tramp back to the shack and had dropped on the trail and froze to death.

Provincial Constables Soles and Murray of Prince George were dispatched to investigate after the finding of the body was reported. It was 42 below zero and Murray had trouble with one of his snowshoes with the result that he and his fellow officer were forced to return to Penny, both suffering frozen toes. With Joe Boudreau as guide, Soles resumed the trip and located the body which, after it was ascertained death was due to exposure, was buried beside the lake. Lewoniuk had served in the Polish National Guard before coming to Canada in 1927. He was single and had been in the unemployed camp at Penny before going to live with Hartzell and Rankin.

CHAMBER OF COMMERCE

The Chamber of Commerce has for a couple of years been following the example of local business firms in holding down activities to actual essentials. Meetings have not been well attended and there has been little enthusiasm shown.

Now a change is taking place. With a revival of business conditions throughout the district there will be greater enthusiasm among the business people of the city and they will be more inclined to take up the duties in connection with co-operative efforts.

The advent of the Junior Chamber into the local field has taken a few businessmen who should be members of the senior body but there is plenty of scope for a live senior organization. Doubtless it will increase its activities as the season advances.

Since the retail merchants organization has to a large extent ceased to function, it is possible that a retailers section of the Chamber of Commerce might be brought into being. That would prevent the retailers having to finance two organizations and the power and influence of both would be increased.

TAKE PRIDE IN OUR CITY

There was a time when many of the more or less prominent people in Prince Rupert did not consider themselves permanent residents but planned to leave just as soon as they were financially equipped to do so. That was in the formative stage of the city. Today people are settling down to consider the city their permanent home where they and their children will reside indefinitely. Naturally they are becoming more interested in the city's welfare and less inclined to criticize conditions.

The growth of this civic pride tends to develop a civic jealousy. Citizens do not like to hear others speak critically of the city and its prospects. In the past there have been notable absences of this civic pride which is necessary to progress. The Junior Chamber of Commerce in connection with its "buy at home" campaign has helped to foster it, but there is still work to be done. We commend the project to all civic organizations as one worthy of their best efforts.

Rupert Defeats Kincolith—Stiles is Star and Goat

The Grotto, with the help of four Canadian National Recreation Association players hung Kincolith's scalp on its belt in an unexciting basketball game Saturday night, score being 25 to 19.

Kincolith was always in there trying to get the lead but, being on a strange floor, could not get its combination working while the local boys were still under the spell of a long lay-off which resulted in one or two of them being unable to take it.

The first half started cautiously with both teams checking hard. Kincolith, from all positions and angles of the floor, endeavored to get a lead but did not back-check closely enough which resulted in the local boys getting under the basket and sinking them to run off for the recess with a three-point lead, score being 18-15.

After the interval the Tobacconists held the Oolochan boys scoreless for over half the period while they steadily increased their lead, with Stiles doing all the damage before he was bounced on personals. The game ended 25-19 in favor of the locals.

The lads from the Naas showed that they could take it and give it just as well as the next one, always holding their tempers in check whereas Stiles, true to form, blew up again.

Kincolith was well served by Ajak, Johnson and Lincoln. One of the reasons Kincolith lost was that their men were not tall enough but they played hard throughout the game, always trying.

The locals played well with Lambie in his usual role of floor general. Gillis was decidedly off color. The spectators were few. Skinner handled the games well as referee. Warriors defeated an all-star intermediate team 32-23.

Individual Scores

Kincolith—Ajak (6), Clayton, Johnson (6), Lincoln (7), Alexander, Doolan, Trimble. Grotto—Gillis (3), Johnson (8), Stiles (10), Smith (2), Lambie (2), Morrison, Stalker.

Warriors—Comadina (7), Pierce (16), Gillis, Lindsay (8), Nelson, Fitzpatrick, Hickey (1). All Stars—Greer (1), Blake (1), Armstrong (10), Miller, Nakamoto (11), Davies, Suehiro.

SPORT CHAT

Lineups for the first game in the second half of the Billiard League schedule tomorrow night is announced as follows: Don Brown (Grotto) vs. A. Donald (Empress). Earl Batt vs. M. E. Young. Geo. Howe vs. M. M. McLachlan. J. May vs. W. Williscroft. Bert Morgan vs. P. Pritchard. W. Hutson vs. F. Aldridge.

With gossip in local pugilistic circles saying that Dido Gurvich is thinking about essaying a return to the ring, there is also talk of the former local boxing star being matched with Jack McEvoy, the lad from Vancouver, who stopped Billy Bagshaw so effectively a week or so ago and who, it is said, will be tarrying in Prince Rupert for a while. This would undoubtedly be one of the biggest drawing cards that has been presented in boxing circles here for some time. Of course, the principal thing would be to get Dido's consent and there is considerable doubt as to whether he could be induced, after his long period of inactivity, to do battle with an opponent of McEvoy's calibre—at least until he had proven that he is really in shape to make a real come-back. At one time, the type of the McEvoy lad would have been undoubtedly easy pickings for Dido but it may be a good deal different story today.

TERRACE

The principal industry in Terrace during the past week has been the shovelling of snow. So heavy has the fall of snow been that practically all roads are blocked to wheeled traffic with huge drifts. About the only sort of conveyance seen hereabouts at this time is the good old sleigh. Local photographers are busy getting pictures of the tall snowdrifts.

A dance was put on by the Canadian Legion in the hall on New Year's night. There was a good attendance although it was noticeable that the gay crowd consisted chiefly of the younger set.

The Christmas and New Year season was spoiled by the persistent blizzards so far as public functions were concerned but there were some jolly private parties. The Beveridges, McKenneys and the Sherwoods entertained in that way.

Weather on the Queen Charlotte Islands has been milder during the past week following the most severe cold snap that had been recorded for many years. There was considerable snow, most of which, however, has now disappeared.

J. A. Ingraham, manager of the Haida Gold Mines Ltd., S. Diekey, manager of the Gold Harbor mine; C. Miller of Queen Charlotte City, and Robert Scharife of Skidegate were guests of Mr. and Mrs. E. C. Stevens at Christmas dinner. Later in the evening many young people dropped in on a surprise party and dancing was enjoyed until the early hours of the morning.

Claudette Colbert As "Torch Singer"

Plays Character With Two Definite Personalities—One Tender and Loving, Other Hard-Hearted

In "Torch Singer," first of the week feature offering on the screen of the Capitol Theatre here, Claudette Colbert plays a character with two definite personalities—a tender, loving mother and a hard-hearted queen of the night clubs.

"Torch Singer" tells of the travails of Sally Trent whose man leaves her just as she is about to give birth to his child. Impoverished, she is forced to give up the baby for adoption when the father's family refuses to give help and her character undergoes a definite change. She becomes a night club success with her sizzling songs but, with fame in her grasp, finds that it means nothing to her compared with the great longing for her child. Thrilling events then lead up to an emotional climax with ultimate happiness and romance.

A splendid supporting cast includes Richardo Cortez, David Manners, Lyda Roberti, Baby Leroy, Charley Grapewin, Kathleen Burke, Bobby Arnt and others.

Universal Week Of Prayer Being Observed Here

The churches of Prince Rupert are uniting this week to observe the Universal Week of Prayer. Services will be held each night at 8 o'clock starting tonight in the Baptist Church at which Canon Rushbrook will speak.

On Tuesday the service will be held in the United Church with Captain Coxson as speaker.

Dean Gibson will speak at the meeting in the Presbyterian Church on Wednesday night.

On Thursday night Rev. W. D. Grant Hollingworth will give the address at the meeting in the Lutheran Church.

The meetings will draw to a close with Rev. Dr. F. W. Dafeo giving the address in St. Andrew's Cathedral on Friday night.

There will be two services in St. Peter's Church, Seal Cove. On Wednesday night Rev. P. M. Fosse will speak and on Friday night the address will be given by Rev. C. D. Clarke.

Sons of Norway Has Masquerade

Enjoyable and Novel Affair Held Last Friday Evening in Oddfellows' Hall

There were 150 persons present at the masquerade dance held last Friday night in the Oddfellows' Hall by the Sons of Norway Lodge, the affair being as enjoyable as it was successful. The hall had been attractively decorated and many were in costume, making the scene a rather unusual one. Dancing was in progress from 9 p.m. until 3:30 a.m. with music by Julius Welle's Orchestra. At 11:45 p.m., immediately before the supper hour, judging of costumes was conducted by Miss Yvonne Terrien and Joe Slagard after which masks were removed. The prize winners for costumes were as follows: best dressed lady, Mrs. Olaf Skog; most comically dressed woman, Mrs. Dan Larsen; best dressed man, J. Jorgensen; most comically dressed man, C. Aune.

John Storseth was chairman and master of ceremonies with John Olsen presiding at the door. The committee in charge consisted of Mrs. J. Gjerstad and John Olsen assisted by Mrs. A. Dybhavn and Mrs. John Storseth.

A. J. Buttmer, manager of Balmoral Cannery on the Skeena River, was a passenger aboard the Tardena Friday night returning to Vancouver after a brief visit to the cannery.
