(Canadian Press Despatch)
East Port, Maine, July 31.—The Canadian cruiser Niobe, the flagship of Canada's new navy is stranded on the rocks off Cape Sable, Nova Scotia, in an extremely dangerous position. A great gale is raging on the Atlantic coast, and it is feared that the vessel may become a total wreck.
Struck at Midnight
The vessel struck the rocks at midnight last night during the gale. Her starboard side was smashed by the rocks, and water flooded her engine room, and the reports state that she is being water fore and aft.

Two Boats Missing
According to the precarious position of the cruiser, the crew were

Party Leaders Have Made Some Mistakes—Bridges Buried Before Them.
(Canadian Press Despatch)
Ottawa, July 31.—News of the dissolution of Parliament and the announcement of election date Saturday did not arouse any enthusiasm in the opposition camp. The eagerness of the obstructionists to force the election reciprocity issues it has been an open secret that a considerable number of Borden's followers believe a tactical mistake has been made and that on that issue they would be helpless defeat, but they realized that the party had to make the best of the situation although many admit that the most they can hope for is to cut down the Government's majority sufficiently to compel an election next year. The Government's plan is to call a Parliament together early in

An unrehearsed act staged at the premeditation by the May Roberts theatrical company and friends yesterday afternoon. There was one act with two bears. One was on the deck of the launch, in charge of Captain Fritz. The other was in the bush a mile from Tuck's Inlet. The bears differ as to which scene

MR. ROOSEVELT EXPECTED WITH HUNTING PARTY

Will Travel by ss. Port Simpson to Telegraph Creek at Head of Stikine River Navigation—Party includes English Peer and Wife, With Wealthy Americans

Ex-President Theodore Roosevelt is expected to arrive at Telegraph Creek the head of navigation on the Stikine River, by the Hudson Bay S.S. Port Simpson from Wrangell, Alaska, Mr. Roosevelt is heading a large hunting party including an English Peer and his Lady, and a number of wealthy Americans. The party numbers fifteen or twenty-five with attendants. Preparations are being made at Telegraph Creek by Mr. Galbraith who fits out pack trains and hunting parties there, to start the party on the arrival of the Port Simpson.
Travel From States
This morning it was not definitely known by which boat Mr. Roosevelt's party would reach Wrangell, but the Port Simpson will be there to connect with the American steamers. It is thought that the party will travel from Seattle. Accommodation on the Port Simpson is ample for the party, and she is one of the fastest light draught river boats in the district. She left at two p.m. today on her way to Wrangell and the Stikine.
Great Hunting Country
Those who are acquainted with the Stikine District say that it is one of the finest hunting areas in Northern B. C. just such as might tempt a hunter of the world wide experience of Theodore Roosevelt. The Stikine Country except for the enterprise of a few pioneer hunters has been left undisturbed as compared with other fields for hunting. Men just arrived in Rupert from there who know of the preparations made for Mr. Roosevelt's arrival, say that the place is a regular happy hunting ground for wild goat, and that it is a first rate bear country. All the other kinds of game enticing to the keen hunter may be found there. In parts the district is craggy and covered with thick bush, but there are fine stretches of very promising land for settlements towards the head of the Stikine River.

WAR CLOUD LIFTED THEY BURIED OLD MEMBER

(Canadian Press Despatch)
London, Eng., July 31.—With the announcement that France will compensate Germany for evacuation of Agadir by a readjustment of the sphere of influence in the Congo and elsewhere, the war cloud has been lifted for the time being. Great Britain, however, must be consulted respecting any arrangement that is reached, and should the proposed agreement not be satisfactory to London, the situation will resume the strained conditions of the last few days.
FIRE AT VICTORIA

Victoria, July 31.—A fire broke out on Sunday morning at three o'clock at the Taylor Lumber Mills and a general alarm was rung in. Other fires broke out in the vicinity of the mill. Prompt measures were taken to get the fires subdued.
McBRIDE IS AFRAID TO TAKE ELECTION CHANCES
Borden and Perley Implore Him to Run in West—Gave No Assurance—Resorts to Subterfuge and Offers Bowser as a Sacrifice on Party Altar
(Canadian Press Despatch)
Ottawa, July 31.—After a three hour interview with R. L. Borden, leader of the Conservative party, Premier McBride of British Columbia left for Victoria today. It is an open secret that McBride went to Ottawa at the urgent request of Borden, who wired McBride on his arrival at Montreal. Mr. Borden and Mr. Perley, chief Conservative whip used every effort to obtain the assurance from McBride that he would be a candidate in the general election. No assurances were given by the B. C., Premier but he stated to the press that he was loyal to the party and added he had responsibilities and obligations to the people of British Columbia which must be considered first.
Will Decide Later
He stated that he would make known his decision after reaching home, but was sure no matter whether he is a candidate or not British Columbia would make a good showing in the Conservative columns. Conservatives here are plainly disappointed in obtaining no assurance from McBride. General impression is that McBride will prefer to sacrifice his Attorney General Bowser on the altar of party tribute.
Pauline Gray and Mildred Verne paid \$10 and cost for having a riotous time the other night.

PARLIAMENT DISSOLVED ELECTION ON SEPTEMBER 21

When Conservatives Refused to Go to a Vote on the Reciprocity Question, Sir Wilfrid Laurier Ended the Deadlock by Dissolving Parliament—Quick Move Took Opposition by Surprise—Campaigning to Start Next Week

(Canadian Press Despatch)
Ottawa, July 31.—The eleventh Parliament of Canada passed out of existence on Saturday night. The end came very unexpectedly following the refusal of the Conservatives to end the debate on reciprocity, in order to allow a vote to be taken on the subject.
Refused to End Debate
The refusal of the consent to end the debate was taken by Sir Wilfrid Laurier to mean that the Opposition were intent on keeping up the policy of obstruction, and that no purpose was to be served by prolonging the Parliament.
Accordingly it was decided by the Cabinet that an immediate dissolution be asked for.
Announced by Fielding
The announcement was made by Hon. Mr. Fielding, who also gave the date of September 21st as the polling day, with nominations a week earlier.
The announcement took the Opposition by surprise, for they did not expect dissolution for another week.
A New Record
This was the first time on record that a Canadian Parliament has been dissolved without the appearance in state of the Governor-General. It was all very formal and business like. An active campaign throughout the Dominion, with reciprocity as the issue will be begun next week.
The late Parliament was elected on October 26th, 1908. It was the eleventh Parliament of Canada, and the fourth over which Sir Wilfrid Laurier has presided in succession in his fifteen years as Premier of Canada.
Your Chance Now
Now is the time to furnish your home. G. D. Tite's great August furniture sale commences tomorrow. Mr. Tite is going to clear out a large part of his present stock at ridiculously low prices.—'Phone 20.

old time bear hunter. Miss Helen Fox did a little terpsichorean work to the accompaniment of a mild dose of hysterics.

Here are the facts of all this: George H. Collins and M. J. Sandel of Kelly-Douglas and Co., invited Miss May Roberts and her company yesterday afternoon to a little cruise around the cold storage plant and up Tuck's Inlet on the Phippen.

After inspecting the cold storage plant the boat turned into a passage that runs off the Inlet. About a quarter a mile up this passage somebody spied a fair sized black bear near the water's edge.

Then the party decided to go hunting for the animal. The ladies went too. The party chased around for some time but all the time taking good care to go the opposite direction they believed the bear had gone.

Their trail is marked with remnants of silk stockings and hairpins.
