PRINCE RUPERT LETTER PICKED UP ON BUSY TORONTO STREET BY FORMER RESIDENT OF THIS CITY

A short time ago Ernest Anderson of 2005 Graham Avenue wrote a letter to a lady at Napanee, Ont. On February 20 L. W. Waugh, formerly of this city, was walking down King Street, Toronto. when he picked up the letter and sent it on to the lady. He also wrote Mr. Anderson expressing surprise that of the thousands of people passing to and fro in that large city he should have been the one to pick up the Prince Rupert letter. It was a remarkable coincidence.

Mr. Waugh said the weather was cold, 12 below zero. Conditions appeared to be improving and by the middle of the summer he thought would be going well.

BASKETBALL

School Wins Intermediate League and Trojans, Junior

A large crowd witnessed one of best basketball cards of the season at Moose Hall last night, High School beating the Warriors 23 to 18 to capture Intermediate League honors for the season while the Trojans conquered the Boy Scouts 41 to 11 to clinch the Junior title, the evening's hoop program being rounded off with a novelty game between the men of the Moose Legion, masqueraded as girls, and an All Star Ladies' League team, the Moose winning 14 to 12.

There were no Senior or Ladies' League games, the Canadian National Recreation Association having already won honors in the former while the Cardinais are Ladies' League champions for the

The High School lads broke up the Warriors' zone defence and then proceeded to win the game, but it might have been a different story if the Warriors had gone in for their rebounds. Pierce was enjoying a night off.

All the Students turned in a good game, Miller, Nakamoto and Santerbane being the outstanding

There were six personal fouls calle during the game and the Warriors were guilty of them all. Santerbane got a couple of baskets that might be questioned. D. Morrison and C. Smith refereed the game.

The Scouts blew up and lost to the lucky Trojans. It was not the best team that won although the Trojans flashed a few combination plays. It was just a case of nervousness on the Scouts' part. At no time was the game interesting to watch. Naylor for the Trojans had a lot to do with the Trojans winning while Dybhavn, at grard for the Scouts, turned in a good game.

The best entertainment of the evening was between the Moose men and the Ladies' All Star. The game was opened by the march of the Moose men in feminine attire led by their manager, Fred Scaaden, and he introduced them to the audience. Then the game started.

Lewe ran in two baskets. Boddie another. Then the Moose called out the reserves and went in to a huddle to decide a plan of attack. Their first stunt was to bring a ladder to assist Morgan in making a shot. They then resorted to Ye Olde Country rugger which netted them a few more and, when the smoke of laughter and battle r.ad subsided and the timekeeper got up enough steam to toot the gun. the Moose men were on the long end of a 14-12 score.

A Mitchell handled the game. and, barring the incident when the Moose had to show him that they olmous play clean, got through without a scar.

First aid had to be administered to Sue Boddie and one of the members of the Moose team, but but fell through when the stretcher on which they were being carried to the first aid station broke.
