Flagship of Canada's Navy is Slowing Sinking Beneath the Waves Although Pumps are Working Night and Day—Only Ten Feet Aft Visible Now

(Canadian Press Despatch)
Halifax, Aug. 2.—It is feared the cruiser Niobe is doomed to sink beneath the waves, as her condition grows worse daily despite the efforts of the engineers pumping steamers to keep afloat.
Is Slowly Sinking
The pumps are working night and day without ceasing, but the ship is crawling up in her engine rooms, and her hull is sinking deeper into the water. She is listing aft, and this morning not more than ten feet of her after-deck were visible above water.
In Clarke's Harbor
The wrecked flagship after being freed from the rocks was hauled towards the eastern point of

Clarke's Harbor, where she now lies anchored in seven and three-quarter fathoms of water. Increased efforts will be made to keep her afloat, now that the gales are moderating, but the outlook is not hopeful.

A PRETTY WEDDING

Agnes Angus Became the Bride of Mr. Norman Mackintosh Last Night.

The home of Captain and Mrs. Angus was the scene of a pretty wedding last night, when in the presence of a score of their closest friends, Miss Agnes Rhoda Angus became the bride of Mr. Norman Mackintosh of the News editorial department.
There was a more than usual amount of romance about the occasion. Both bride and groom are from Scotland, both are children of the marse, and were playmates in childhood. The bride is the second daughter of Rev.

CRESCENTS WON MATCH AFTER AN EXCITING GAME

Beat the Quill Drivers Team by the Narrow Margin of 40 to 39 After One of the Best Games Seen for a Long Time

The score for the second game in the local indoor baseball league was:
Crescents 40
Quill Drivers 39
Last night's game played at the gymnasium was unquestionably the best played this season. Up to the last inning the score was tied in favor of the Crescents, when in the last round the Quill Drivers, when the score was tied, Ives stole home from first base with the result that the Quill Drivers were trimmed.
The fourth inning the Q D's were 16 runs ahead of their opponents, but urged on by a big aggregation of rooters, the Baptist

team pulled up enough to win.
The game brought out a big raft of fans. The lineup was: Crescents; Sidle, Ives, Green, Rogers, Dobbins and Daggett. Quill Drivers; Sloan Vance, Johnson, Baker, Shaveley, Tobey, Henning.
The umpires were Nelson Dunn and Mr. Shea.
The next league game is fixed for tomorrow night when the Blue Ribbons and Maple Leafs will combat.
With every berth filled with passengers and her holds loaded down with consignments of fish, the S.S. City of Seattle called in here early this morning bound for the south. She carried mail and some passengers from here.

ELECTION IN QUEBEC ALSO

Rumor that Sir Lomer Guoin will Appeal to the Electors of Quebec.

Montreal, Aug. 2.—There is now an impression in well informed political circles that Sir Lomer Guoin will appeal to the country at an early date and that the provincial elections will be over before the federal polling or that the appeal to the local and federal electorate will take place on the same day.
The question of the province's rights in pulp legislation is at stake.

SIR DANIEL McMILLAN TO OPPOSE HON. R. ROGERS

Winnipeg Liberals Get a Strong Candidate in the Retiring Lieut.-Governor to Oppose Manitoba Minister—Great Fight Promised in Winnipeg.

(Canadian Press Despatch)
Winnipeg, Aug. 2.—The Winnipeg Liberals decided today to nominate Sir Daniel McMillan, the retiring Lieutenant-Governor of Manitoba as their candidate for the Winnipeg seat in the forthcoming general elections. Sir Daniel is an old campaigner in the Liberal ranks, and his candidacy is looked upon as a strong one.
To Oppose Rogers
This decision followed the announcement that Hon. Robert Rogers, Minister of Public Works in the Roblin Government, will resign his portfolio and contest the Winnipeg federal seat in the interest of the Conservative party. The contest between Sir Daniel

and Hon. Mr. Rogers promises to be an interesting one.
D. C. Cameron Succeeds
Sir Daniel's term of office as Lieutenant-Governor expired yesterday, and Mr. D. C. Cameron, the well known lumberman, who has many interests on the Pacific Coast, was sworn in as his successor. Mr. Cameron was the unsuccessful Liberal candidate at the last Federal election.
Are Preparing Lists
The Dominion Government announced today that it will take the preparation of the voters' lists for Winnipeg and Brandon out of the hands of the Provincial Government, and will appoint election clerks and judges.

GEO. H. COWAN TO RETIRE FROM VANCOUVER SEAT

Conservative Candidate May be Sir Charles Hibbert Tupper or J. H. Tisdale---Hon. Wm. Templeman May Not Run in Victoria ---Judge McInnes is Ambitious to Run in Comox Atlin---Clifford Sifton to Stump the Western Provinces

(Canadian Press Despatch)
Vancouver, Aug. 2.—It is reported here that George H. Cowan, the late Federal member for Vancouver, will not be a candidate again for Parliamentary honors. Who the Conservative candidate will be is not yet definitely settled, but there are several gentlemen who are reported to be desirous of the honor. Among these are said to be Sir Charles Hibbert Tupper and Mr. J. H. Tisdale, M. P. P.
Rumor about Templeman
It is also reported from Ottawa

that Hon. William Templeman will not offer himself again for nomination to Parliament. Some time ago, Mr. Templeman announced that he would not be a candidate for Comox-Atlin again, but it was conjectured that he would run for his home town of Victoria.
Duncan Ross or McInnes
The Liberal candidate for Comox Atlin has not yet been decided upon, but it will be either Duncan Ross or Judge McInnes. Duncan Ross is known to be a strong favorite in the northern part of

the riding, but some of Judge McInnes' friends are desirous of securing the nomination for him.
Decide on Thursday
The convention of Vancouver Liberals is to take place on Thursday night when they will select Federal candidates. Owing to the importance of the coming election, the provincial convention called for August 31st to formulate a Provincial platform has been cancelled.
May Hear Sifton
It is stated that Clifford Sifton has undertaken to stump the Western Provinces against reciprocity.

WOMEN WILL RECALL DILLING

Seattle's Mayor Who Replaced Gill on Recall to Suffer His Predecessor's Fate.

Seattle, Aug. 2.—Recall the recall mayor, George W. Dilling and elect "Bob," Hodge, the present sheriff of King county.
That is the slogan of the recall association which has been working for the recall of Dilling for over a month. Within the next ten days, according to Mrs. Catherine Sturtan, the moving spirit of the association, there will be more than the required 15,000 signatures to bring about the recall election. Four councilmen are also included in the proposed recall.
The chief grievance against Mayor Dilling is that he has failed to institute jail reforms.
If Mayor Dilling should be recalled, it will be accomplished by the same factor which brought about his election—the votes of women.

K. I. Club Dance

One of the most successful dances of the season was given last night by the members of the Kaien Island Club in the club gymnasium. Everybody had a happy time. Professor Gray's orchestra supplied the music.
The Kaien Island Club has now very comfortable quarters since it has been remodelled and refurnished.
The S.S. Princess Royal will arrive from the south northbound tomorrow afternoon.

He will return East via Sumas. John D. is thought to be of the party, but it cannot be verified. The train is travelling by easy stages on account of the feeble health of William Rockefeller.

BY-LAW TO STOP SHOOTING

Chief Vickers Calls Attention to Police Commissioners to Serious Matter—Other Business Done.

To stop the indiscriminate discharging of firearms in the city limits, the Police Commissioners will ask the city council to pass a by-law dealing with the matter. Chief Vickers called the attention of the Commissioners at their meeting yesterday afternoon to the careless use of guns and revolvers in the city.

The report of the chief for the month of July showed that out of 47 cases in the Police Court 39 were convictions, 2 dismissed, 2 withdrawn and 4 are pending. This record the Commissioners considered creditable to the police department.

Two weeks leave of absence was granted to Constable McArthur. A number of accounts and the pay rolls were passed.

More than half the Fuller's earth produced in the United States in 1910 was mined in Florida. But of the total consumption for that year one-fourth of the Fuller's earth was imported. The value of the total domestic product was \$301,604, while \$101,150 worth was brought into the country.

MOVING PICTURE EXPERT TAKING SCENES OF RUPERT

Mr. W. H. Harbeck Arrived on Prince Rupert Today to Take Scenes of the Harbor and City—Will Go Up the Skeena and Portland Canal

Although the weather was good and fairly bright this morning it was hardly bright enough for Mr. W. H. Harbeck, the well known moving picture artist, to take views of the harbor and city as he came in on the S.S. Prince Rupert as she steamed into this port.
On the way up from Vancouver he took a picture of the Prince Rupert and Prince George passing each other in Seymour Narrows. To do this he was landed at a convenient point on the shore and then the boats steamed full steam ahead for some distance. Then the Prince Rupert called back and picked Mr. Harbeck up.
At noon today the weather was bright enough to enable him to

take a film of the fire drill on the Prince Rupert. He will likely go up to Stewart in the morning and from there will go into Alaska taking pictures along the route as often as the weather permits. Later he may return to take views of this scenery up the G. T. P. line as far as Copper River.
Mr. Harbeck is official moving picture artist to the Canadian Pacific railroad and is now under contract to take some of the best scenery along the G. T. P. steamship and railroad routes. He confesses that the scenery along the coast and in the surrounding country of Prince Rupert is the finest he has seen.
The pictures when developed will be seen all over the world.

MUSICAL COMEDY COMING

Prince Rupert to Have Cleveland's Musical Comedy Here for a Week.

On Saturday evening, Prince Rupert is to be entertained with a splendid performance of the musical comedy, "The Honeymoon Trail" to be presented by Cleveland's musical comedy company, one of the best musical companies now on the coast.

Over thirty talented singers and comedians are in the company, with elaborate electrical and scenic properties and handsome costumes.

The Honeymoon Trail is a musical play of rare and striking merit, crammed full of catchy songs. A different comedy will be presented at each performance of the limited engagement.

Prince Rupert is very fortunate in securing this talented company and will doubtless give it a "crowded house" patronage.

Serious Charge Laid

It is understood that a serious charge has been laid against Constable McArthur by a woman of the underworld. The matter was brought before the Police Commissioners yesterday afternoon at the close of their meeting, but as the officer is now on a holiday and in view of some other circumstances they do not feel in a position to deal with the matter at its present stage. The charge will probably be pressed when the constable returns.

Got Even with Eavesdropper

In rural New England districts, the telephone takes the place of tea in the city, as a place where women gather and retail gossip. Walter Prichard Eaton, in "The Abandoned Farm," in the August American Magazine, tells the following story:

"It's a great blessing, specially if you're on a party line, said out hostess. And we're all on party lines! Wait—"

She went to the instrument, called a number, and remarked, "That you, Bessie? What's this I hear 'bout you'n Jim breaking it off?"

We watched her smile as she listened to the answer. Then she said, "How'd I hear it? Why, Mrs. Asa Parker told me."

She held the receiver free of her ear and beckoned us close. We heard distinctly an indignant voice exclaim, "Why, Sarah Bowers, I never said no such a thing!"

"I thought I'd catch her," said Mrs. Bowers, when the telephone conversation was closed. "As I told you, the 'phone's a great comfort to us all!"
