Briefs Forwarded to Ottawa For Consideration by Special Committee of Dominion Cabinet, Premier Pattullo Announces

VICTORIA, Feb. 9: (CP)—British Columbia has forwarded briefs to Ottawa for consideration by a committee of the federal cabinet covering the province's argument that the Pacific Great Eastern Railway should be taken over by the federal government and a plea for better terms under the Confederation pact, it was announced yesterday by Premier T. D. Pattullo.

In regard to the Pacific Great Eastern Railway, it is argued that the agreement entered into in 1912 between the builders and the Grand Trunk Pacific Railway concerning routing of traffic from that system over the new line was nullified by subsequent absorption of the Grand Trunk Pacific into the Canadian National.

GANGSTER SUICIDES

Verne Sankey Takes Own Life in Sioux Falls Pen by Hanging Himself With Neckties

SIOUX FALLS, S.D., Feb. 9: (CP)—Verne Sankey, kidnapper and gangster, called "America's Public Enemy No. 1," cheated the law at 7:10 last evening by hanging himself in his cell at the South Dakota State Penitentiary here where he was being held on federal charges of conspiracy to kidnap for \$60,000 ransom last February Charles Boettcher II, Denver broker.

Sankey took his own life by fastening two neckties to an iron bar in his cell, then stepping off his cot with them tied around his neck. He had stuffed a handkerchief into his mouth to muffle the sounds of his strangulation. Sankey had been arrested last week in Chicago and brought here.

Bishop and Dean Give Addresses

Economic Questions of the Day Discussed at Men's Banquet By Two Speakers

"The nightmare to many workmen is what is going to happen in the future to their families if they should be out of work but I believe there is enough justice in the English-speaking nations to remedy the present unsatisfactory condition," declared Bishop Rix, speaking at the men's banquet in Cathedral Hall last evening.

The Bishop spoke optimistically of the future. He said he thought there had been much worse depressions in the past than the one from which the world was just emerging. A ray of sunshine was coming through the gloom and, with it all, was seen reflected that spirit of honor in all the Empire countries. The Old Land had set the example which was being followed by the other nations.

Referring to the present unsatisfactory economic condition, the Bishop said it was pitiable to see old people without enough to live on. Also when a man was sick his family should be provided for. A third evil was when a man wanted work but was unable to get it. He was proud that British Columbia had led the way in providing old age pensions. He felt that out of this depression would come means for dealing with the other problems such as sickness and employment insurance.

The speaker then expressed his view from a religious point of view. There was great hope. He pointed to the fact that the people of England had paid half a million dollars for one of the early manuscripts of the Bible. Half of this was provided by the state and the other half by public subscription and the book was now in the British Museum. He quoted Dr. Plaskett, the astronomer, to show that scientists were recognizing the validity of religious claims.

Dean Gibson spoke of the probability of a revival in religion in the near future. He urged members of the Church to adopt the tything system. The people who did so prospered. He discussed the economic system and urged that in all the calculations God should not be left out.

"Vive Doumergue" is Shout Of Suddenly Tranquil Paris; Form "Government of Sages"

PARIS, Feb. 9: (CP)—Former President Gaston Doumergue, 71-year old public servant of France, after accepting the premiership in conference with President Albert Lebrun at Elysee Palace, told a suddenly tranquil nation yesterday that he would give it the government of sages—an "elder statesmen's" cabinet. Streets of the capital, after two days of rioting, heard only the shout "Vive Doumergue." He is being hailed as the "savior of the republic."

Some members of the Chamber of Deputies have been blocking Doumergue's plans to form a strong national union government, fearing they would lose power, and it is unlikely that a ministry will be announced until late today.

Jean, Duke of Guise, pretender, made a bid for the throne of France as Gaston Doumergue conferred with the president on the formation of the "salvation" government.

Bands of street laborers commenced clearing away debris after rioting late into Wednesday night.

North Pacific Halibut Fishermen to Operate Under Code This Year

Harold Lokken Reveals Further Details of Curtailment Reached Between Fleets of Puget Sound and Principal Alaska Ports

Halibut fishermen in North Pacific waters will operate under code after the opening of the 1934 season on March 1, it was stated by Harold E. Lokken of Seattle, manager of the Fishing Vessel Owners' Association, who was here yesterday afternoon aboard the steamer Princess Norah returning south after a trip to Ketchikan, Petersburg and Juneau as a result of which he obtained agreement from the fleets of those ports for the restriction and regulation of production during the coming season.

Seattle operators had already agreed to the curtailment plan and, while in Prince Rupert, Mr. Lokken had a meeting with halibut boat owners and fishermen of that port to discuss the plan and, if possible, secure their co-operation also.

Boats will be permitted to catch three thousand pounds per man per trip. Mr. Lokken explained, unless selling in Alaska when the limit will be 3300 pounds. Western Alaska boats marketing in Seattle may take four thousand pounds per man. The curtailment plan will also call for lay-ups of probably six or seven days between trips, Mr. Lokken said.

A fleet fishing area was also decided upon by the Alaska operators. Mr. Lokken's proposal was that the allowance for the Prince Rupert fleet operating in Area No. 2 should be 3300 pounds per man per trip. No definite answer was given at the local meeting as there are other matters such as the tie-up time between trips still to be gone into.

ENGINE IS OFF TRACK

Locomotive Badly Damaged But No One Hurt When Westbound Train Hits Slide

Running into a slide of mud and rocks in a cut just east of Kwinitsa, the engine of the incoming train from the east last evening piled up on the rocks without turning over and was badly damaged but, fortunately, neither Engineer Chris Graham nor his fireman were hurt, nor was any other equipment derailed. The track was, however, temporarily blocked and a stub train had to be sent out to bring in passengers, mail and express, arriving here at 4:40 this morning.

Work of clearing the line is being rushed but the train scheduled to leave for the east at 5:30 this afternoon will not be sent out until 9 o'clock tomorrow morning.

COURT OF REVISION

Former Alderman Charges That He And Others Were Not Dealt Fairly With Last Year

City Commissioner W. J. Alder intimated at this morning's session of the civic court of revision that it would probably be some days before he rendered decisions in any of the eighty or more appeals that were presented at the court against civic assessments. The court was in session all yesterday afternoon and again this morning.

Theo Collart was before the court all yesterday afternoon making representations for reduced assessments on behalf of owners of over 250 lots. Mr. Collart took exception to the methods adopted by last year's court of revision and charged that he and many others had not received proper consideration.

The commissioner remarked that certainly no special consideration would be given any appellants this year.

R. R. Nichols, assistant taxation commissioner for the Canadian National Railways, was again before the court yesterday afternoon in connection with his company's appeals.

Coast freighter Salvor, Capt. Albert Georgeson, arrived in port at 2 o'clock yesterday afternoon with general cargo for local delivery.

**SELDOM A DAY**

Seldom a day passes now that there is not something cheerful to tell the people of this city and district. Many of these cheerful messages come through this paper only. Yesterday we told of the new mill being on the way to Usk for installation in the Columario mine at that point. This is carrying out the program told of by this paper in the fall. The mill is coming earlier than was expected owing to the good showings made at the mine.

**SYMPATHY FOR DR. GRANT**

Prince Rupert people will all sympathize deeply with Dr. Hugh Grant in his inability to carry out his duties as moderator of the Presbyterian Church of Canada. When he was here Dr. Grant was popular with all classes of people and left with hundreds of friends regretting his decision to go to Fort William. Recognizing his ability the leaders in the church chose him as its head but unfortunately about that time he was stricken with an illness which has prevented his carrying on the work except under great handicap. All will hope that he be soon restored to health.

**RACKETEERING**

As an outcome of modern methods of transportation and business there has grown up in the United States a system of racketeering of which kidnapping is one phase. Possibly it is the outcome of the training in law evasion and the making of large illicit profits during prohibition days by bootleggers. At any rate it has developed to such an extent that no rich man's life is now safe in that country, businessmen of all classes are imposed upon and illicit means of making money are much more efficient if not as spectacular as that employed by highwaymen one hundred years ago. Possibly the political system and the scandals growing out of it have had something to do with the development of racketeering.

**BANQUET AT CATHEDRAL**

Men Enjoy Hospitality of Ladies in Annual Event Last Evening

The annual men's banquet on St. Andrew's Anglican cathedral, held in the Cathedral Hall last evening, was well up to the standard of former events of a similar nature. While the tables were not quite so crowded as on some occasions, there was a large attendance and the ladies of the Auxiliary, which provided the fare, were out in force under the president, Mrs. A. McCoskie, and the members provided excellent service.

C. H. Orme presided and his happy geniality communicated itself to the whole gathering. During the early part of the evening Bert Cameron's orchestra played selections which were much appreciated and for which they were thanked as were all the performers by the chairman. Interesting addresses were given by Bishop Rix and Dean Gibson and a feature of the evening was the response to the toast to the ladies by Dr. J. T. Mandy, indicating that the speaker knew almost as much about ladies as he does about mines. Following was the program of which H. T. Cross was in charge:

- Toast, "The King," musical honors.
- Chairman's remarks.
- Song, Mrs. Ernest Anderson.
- Comic song, S. P. Woodside.
- Recitation, Miss Elizabeth McLeod.
- Song, Mrs. R. G. Large.
- Entertainer, Jock Melville.
- Talk, Bishop Rix.
- Violin solo, Bert Cameron.
- Song, Mrs. F. N. Good.
- Rector's address, Dean Gibson.
- Toast, "The Ladies," proposed by Dr. Aspinall, responded to by Dr. Mandy.
- Mrs. C. E. Cullin and Mrs. J. S. Black were accompanists.

General convener for the supper was Mrs. Thomas Andrew assisted by Mrs. George Rorie. In charge of the tables were Mrs. J. B. Gibson, Mrs. C. V. Eviatt, Mrs. F. A. MacCallum and Mrs. A. H. Waddington. Serviteurs were Mrs. G. H. Arnold, Mrs. W. J. Greer, Mrs. Bert Shearman, Mrs. H. S. Meadows, Mrs. W. H. Tobey, Mrs. Robert Bartlett, Mrs. J. W. Nicholls, Mrs. A. E. Parlow, Mrs. H. G. Defeated C. N. R. A. By Three Points—High School Wins Intermediate Fixture

The caboose clan were derailed last night in Senior basketball by the Tobaccoists in a close battle as Bud Barje turned out a full team for the Grotto whereas the Canadian National Recreation Association missed Lambie. The Grotto went off the floor at half time with a three-point lead 16-13 and retained it during the second half. When the final gun went they were on the long end of a 32-29 score. Stiles enjoyed a night off while Pierce and Morrison of the Grotto crew were decidedly on.

Comets' and Cardinals' Ladies' League tussle was won by the Red Demons by a score of 20-7 in an unexciting game.

The Intermediates provided the best card of the evening's program with the Students nosing out the Warriors by two points, although the Warriors were leading by one point at the rest period.

In the second half the Students started for town and arrived with the help of Nokie and Davies, score being 38-36 at the final gong.

Scouts took the lead in the Junior League race by trouncing the Flashes 26-11.

### St. Valentine's Tea Yesterday

Affair Held by United Church W. M. S. at Home of Mrs. Jenner

The St. Valentine's tea held at the home of Mrs. E. O. Jenner, Fifth Avenue West, yesterday under the auspices of the Women's Missionary Society of First United Church was quite successful and most enjoyable.

Mrs. Jenner, the hostess, was assisted in receiving the guests by Mrs. C. D. Clarke, the president of the society.

The rooms looked quite gay in their red and white trimmings, cups, darts and hearts running riot throughout. The tea table, centred with a lovely bowl of hyacinths, was presided over by Mrs. W. H. Kergin, Mrs. G. A. Edgcombe and Mrs. H. Macfie.

Mrs. Hugh Killin and Mrs. Thomas were in charge of the tea room assisted by Mrs. W. B. Cornish, Miss McGregor and Helen Ormiston, Gwen Jenkins, Lois Judge and Joy Green, members of the C. G. I. T.

The home cooking table was in charge of Mrs. W. T. Kergin and Mrs. J. S. Irvine.

Cashier was Mrs. Krikevsky. A fine musical program was rendered during the afternoon consisting of piano selections by Miss Swanna Olafson and Mrs. S. A. Kielbach, vocal solos by Mrs. H. Macfie, accompanied by Mrs. Kielbach, and violin and piano selections by Miss E. Johnstone and the Misses Hamblin.

C.P.R. steamer Princess Adelaide, Capt. S. K. Gray, is due in port at 4:15 this afternoon from the south and will sail at 10 p.m. on her return to Vancouver and waypoints.

### NOVEL FILM IS SHOWING

Lilian Harvey and Gene Raymond Have Featured Roles in "I Am Suzanne"

Its background the unique setting of a puppet show in addition to which there are three spectacular revue numbers featuring three new song hits "St. Moritz Waltz," "Just a Little Garret" and "Eski-o-lay-li-mo," the musical picture "I Am Suzanne" starring Lilian Harvey, internationally famous British actress and dancer, comes to the Capitol Theatre here this weekend.

The story is that of a young stage star who falls in love with a youth who is the representative of a declining family of puppeteers. She leaves the stage to join the puppet show only to find that the love and praise of her sweetheart are lavished upon her puppet rather than herself. Infuriated, she returns to the stage where her ambition grows. Finally, the young man inspires her to give a perfect performance which insures the pair of success and happiness.

Gene Raymond has the leading masculine role opposite Miss Harvey.
