Premier Pattullo expressed himself as being in sympathy with the idea of a radio broadcasting station being established here and promised to take up the matter in the proper quarters while in Ottawa. The Premier did not commit himself as to the use of unemployment relief labor in the establishment of a public playground in Prince Rupert.

STRATFORD, Ont., Jan. 9: (CP)—Hon. Dr. Joseph D. Monteith, minister of public works and labor for Ontario, passed away here last night at the age of 69 following a stroke which he suffered two weeks ago. He was the second Ontario cabinet minister to die within eight days, Hon. Edward A. Dunlop, provincial treasurer, having died last week. Dr. Monteith had been a member of the cabinet since 1926 when he became provincial treasurer, later being advanced to the more important portfolios.

After serving for several years as member and chairman of the board of education and alderman, he became mayor of Stratford for two years. He was first elected to Parliament in the general election of 1923. He was a Conservative and represented North Perth in Parliament.

In 1895, Dr. Monteith was married to Alice Mary Chown of Perth County. They had a daughter and a son. He was a member of the Forester and Oddfellows' Lodges. In 1906 and 1907, Dr. Monteith made an eleven months' world tour, visiting every country of the globe. He was an Anglican.

CONNOR'S NEW BOOK

Many years ago Rev. Charles W. Gordon, at that time pastor of St. Stephen's Church, Winnipeg, made a nationwide name for himself by writing a book entitled "The Man From Glengarry," and signed himself "Ralph Connor." It was much discussed, especially in Presbyterian Church circles.

Many books have been written by the same author since that time, all very interesting and several quite outstanding. Now comes "The Girl From Glengarry," the story of a Canadian girl who undertook a great work and carried it out.

"The Girl From Glengarry" is a love story but it deals with economics and the stock market and an experiment in industrialism. Of course there is a Presbyterian parson who is a man of fine character but also quite human.

Connor will be best known to many Prince Rupert people as the author of "The Sky Pilot," the hero for which Rev. Dr. Grant, formerly of this city, is supposed to have been the model.

RECOVERY WAS SPECTACULAR

The economic recovery in Canada during the year just ending was spectacular in many respects, says a bulletin of the Dominion Bureau of Statistics. The unbroken advance in business operations from February, the lowest point of the depression, to September, constituted a record in post-war history.

BASKETBALL IS RESUMED

Grotto Cagers Defeat C. N. R. A. Juniors Stage Best Game of The Evening

Hoop followers were treated to some good basketball put on by the league in the opening of the second half of the season's schedule last night.

The Canadian National Recreation Association, minus Bill Lambie and Daniel Morrison who has returned to Anyox, lost 37 to 23 in the Senior League to a weakened Grotto team which was also minus one of the Morrison clan.

The Grotto was never headed at any time. The game started fast and grew faster and rougher as play went on with Gurvich and Pierce going on a shooting spree to give their teammates a seven-point lead at the interval, score being 16-9.

When they got together again Pierce and Gurvich were still on although the trainmen started a belated rally but were ditched, full time score being 37-23.

Dope went screwy in the Intermediate game. According to Hoyle, the Warriors should have won over High School as they had an eight-point lead at half time but, after the resumption of play in the second half, the game got beyond the control of the referee which resulted in the Warriors getting disorganized crawling off the floor on the tail-end of a 24-19 score.

Palmer and his crew of Flashes caused a Junior League upset when they took the Trojans into camp 16-13 in what proved to be the best game of the evening, with McPhee sinking a spectacular shot. The Flashes took an early lead and held it all the way, being ahead 11-9 at the interval and 16-13 at the finish. Campbell and Lindsay of the Trojans had their guns spiked while Naylor, at guard, did the work of three men.

Pebbles Stone and her Cardinals ran away from the Comets in the Ladies' tussle to win in a walk, 19-11. Enyd Morris strengthened the Comet line-up.

Refereeing was good although Smith let the Intermediates get away from him. Comadina handled the Senior game.

DR. BILL CARSON ACE BAILEY

The injury to Ace Bailey of the Toronto Maple Leafs recalls a similar injury to another former Toronto player in Dr. Bill Carson who suffered a slight fracture of the skull while in the uniform of the Toronto St. Pats. Curiously enough it was a Boston defence man who crashed Carson to the ice causing the injury.

FOOTBALL CHALLENGE HEAD DIES BY GURVICH

Herbert Chapman, Manager of Arsenal, Was Prominent Figure In Old Country Sport

LONDON, Jan. 9: (CP)—Herbert Chapman, manager of Arsenal, English Football League champions and present leaders, died at Hendon on Saturday. Chapman, recognized as the outstanding football executive in the United Kingdom, was the developer of some of the finest soccer players in the world.

With Dido Gurvich issuing a challenge to meet Jack McEvoy of Vancouver within four weeks' time at catch weights, it was reported this morning that promotion of such a bout will probably be taken up by Tommy Morgan of the Moose Club.

The weight of Gurvich, who has not been active in the ring for the past few years, is said to be around 162 pounds. McEvoy will probably make around 150 pounds.

Another Test Run

The Socony-Vacuum Corporation of New York conducted a test run of many makes of cars on a route through the Peace River Country, Alberta, touching at Edmonton, Saskatoon, Moose Jaw, Regina, North Portal and down through the United States and on into Mexico. The leading car was a Ford V-8 Fordor, owned by the Socony-Vacuum and bringing up the rear was a V-8 Cabriolet which was driven by the Secretary of the Expedition.

Included in the tour were a Chevrolet, Buick, Oldsmobile, LaSalle, Cadillac, two Pierce Arrows, G. M. C. truck, Studebaker, Pontiac, and other makes, as well as two Fords. It is interesting to note that it was reported on the arrival of the caravan at Edmonton from the Peace River Country that the V-8's were the only units which made the round trip through mud without having to be towed. On a close check we find one of the V-8's travelled ten continuous hours in low gear, the temperature never exceeded 140 degrees and gasoline consumption was one gallon to ten miles while running in low gear. All the other cars had boiling radiators and required repeated additions of water.

Seven naturalization applications were dealt with.

## Water Beautys

Swimming team takes beauty honors. Champion swimmers are not always beauties, and conversely, bathing beauties are seldom champ mermaids, but the Los Angeles Athletic Club boasts a feminine swimming team that has everything. Headed by Dorothy Poynton, Olympic and national high diving champion, the L.A.A.C. mermaids are said to comprise the sport's most beautiful competitive aggregation. They are trained by Alleen Allen, well known U. S. woman coach and A.A.U. official. Photo shows reading bottom to top: Dorothy Poynton, Laurette Claire, Marie Louise Hoffman, Gertrude Wagner, Peggy Henry, Olive Hatch, Helen Van Buren, Edith Mortridge, Dorothy Smithson and Billie Steltz.

Mr. and Mrs. W. H. Russ Honored By Many Friends—Speeches, Music and Dancing

SKIDEGATE, Jan. 9.—Many friends of Mr. and Mrs. W. H. Russ of Skidegate Mission, staged a delightful surprise party visit on them recently, people being present from Skidegate, Skidegate Mission and Queen Charlotte City.

During the evening a number of speeches were made, the speakers including Sol Wilson and Reg Kelly. Among the subjects discussed was the taking out of the franchise by the Haida nation. Regrets were expressed that Olof Hanson M.P., Bert Glassey and Jim Bacon of Prince Rupert had been unable to pay an expected visit to the Islands.

Later dancing was enjoyed with music by the Harmony Boys' Orchestra of eight pieces.

A musical program included trombone solo by J. Steele, guitar solos by Bert Crosby and songs by Mrs. Douglas, Sol Wilson, E. Wilson and Fred Atkins.

The proceedings concluded with the singing of "For They Are Jolly Good Fellows."

## First Meeting Of Week Of Prayer Held

The congregation that assembled last night in the Baptist Church for the first meeting of the Universal Week of Prayer was not large in numbers but there was such a feeling of devotion and aspiration that the soul of every worshipper was deeply stirred.

Speaking on the subject of "Fear and Faith," Canon Rushbrook challenged his listeners to give a place to that fear in their lives that would drive them to Jesus in whom alone could be found salvation from the present evil conditions. Jesus alone could calm the troubled waters of human relationships.

The service tonight will be held in the United Church at which Rev. W. D. Grant Hollingworth will speak.

E. J. Smith returned to the city on the Catala today after making the round trip to Anyox and Stewart on business.
