MUCH OF LINDBERGH RANSOM MONEY IS FOUND IN GARAGE OF SUSPECT UNDER ARREST

Machinery of Justice Starting to Turn Against Bernard Hauptmann—"Jafsie" Condon Identifies Him—Garage Man Put Police on Trail

NEW YORK, Sept. 21: (CP)—Police late yesterday following the arrest of Bernard Richard Hauptmann, a German alien, reported recovery of \$13,750 of the ransom money paid in the Lindbergh kidnapping case in a garage at Hauptmann's home.

Hauptmann was identified by Dr. J. F. (Jafsie) Condon as the recipient of the \$50,000 ransom money which he paid over on behalf of Col. Lindbergh.

The Governor of New Jersey announced that he would immediately ask for the extradition of Hauptmann to his state on charges of kidnapping and murder if the evidence against the man warranted it.

Walter Lyall, a gas station manager, may obtain rewards of \$25,000 if Hauptmann is found to be the guilty man. Last Saturday he was paid a new \$10 gold certificate after making a sale of gasoline. His

Capt. Red Pierce and His Men Grateful To Be Alive and Unhurt

Got Away From Blazing Vessel With Nothing More Than Clothes in Which They Stood—Origin of Fire is Unknown

After having had the closest of narrow escapes on Tuesday morning of this week when their halibut boat Eric Roy was destroyed by fire of unknown origin as they were engaged in codfishing for the Canadian Fish & Cold Storage Co. in the open waters of the Pacific Ocean, five miles southwest of Buck Inlet on the West Coast of Queen Charlotte Islands, Capt. Sinclair (Red) Pierce owner and skipper of the Eric Roy, and his crew consisting of Gunnar Anderson, Frank Long, Percy Pierce and Tom Banbury were safe home in Prince Rupert this morning.

"The Eric Roy was only partially insured," stated Capt. Pierce following his return to Prince Rupert "but, after what we went through, we are satisfied to have escaped with our lives and without injury or ill effects although I am ready to admit that we still have a case of nerves. Yes, I can assure you it was a narrow escape."

The crew was at work setting fishing gear and the Eric Roy was running full speed ahead when suddenly the vessel burst into flames. So rapidly did the fire spread that it was all those on board could do to make their escape in the dory with nothing more than the clothes in which they stood. Capt. Pierce was not even able to get a hat. There was no time to wait and see what was the fate of the boat, everything on board of which was lost.

Following the escape in the dory, there followed a four-hour row to Canoe Pass in Skidegate Inlet. The sea was very rough but, fortunately, there was not much wind. Later Capt. Pierce and his men reached Queen Charlotte City whence they were picked up by the fish packer Bonilla, having on board a load of chum salmon for Namu, and taken to Butedale. From Butedale they were brought to Prince Rupert by the fisheries patrol cruiser Senepa this morning.

The Eric Roy was a vessel of 51 feet length and was equipped with a 35 h.p. Enterprise gasoline engine.

## YOUR GROCER WILL HELP YOU KEEP HEALTHY AND HAPPY

Delicious Cereal Promotes Regular Habits

The right kinds of foods form the very basis of health. You need nourishment for strength and energy. And you need "bulk" to prevent common constipation.

Otherwise, this ailment may cause headaches, loss of appetite and energy. You can correct it, usually, by eating a delicious cereal.

Kellogg's ALL-BRAN adds generous "bulk" to your daily menu. Tests show this "bulk" is similar to that found in leafy vegetables.

Inside the body, the fiber of ALL-BRAN absorbs moisture, and forms a soft mass. Gently, this clears out the intestinal wastes.

ALL-BRAN is also a good source of vitamin B and iron.

Isn't it safer—and pleasanter—to enjoy this food in place of taking patent medicines?

Two tablespoonfuls of ALL-BRAN daily will overcome most types of common constipation. Chronic cases, with each meal. If seriously ill, see your doctor. ALL-BRAN makes no claim to be a "cure-all."

Serve ALL-BRAN as a cereal with milk or cream, or cook into fluffy muffins and breads.

Remember, Kellogg's ALL-BRAN is all bran with only necessary flavoring added. It contains much more needed "bulk" than part-bran products. Get the red-and-green package at your grocer's. Made by Kellogg in London, Ontario.

From the Waterfront

C. P. R. steamer Princess Adelaide, Capt. S. K. Gray, is due in port at 6 o'clock this evening from the south and will sail at 10 p.m. on her return to Vancouver and waypoints.

Canadian National Steamships announce that, if there are sufficient bookings, another excursion to Ketchikan, similar to the one which proved so popular last fall, will be run from Prince Rupert on September 29 by the steamer Prince Rupert. The vessel will leave here on the Saturday night and return on Monday morning in time for work. Following this special voyage, the Prince Rupert will be withdrawn from service for the winter and tied up at the local dry dock, a weekly schedule of sailings between here and Vancouver to be run by the steamer Prince George.

C. N. R. steamer Prince Rupert, Capt. Neil McLean, arrived in port on time at 10 o'clock this morning from Vancouver, Powell River and Ocean Falls and will sail at 10 o'clock tonight for Stewart whence she will return here tomorrow evening and sail at 10:30 p.m. on her return south.

After leaving her dock here for the south on Tuesday afternoon, the steamer Catala hove to off Westview and picked up a party of Japanese passengers from Haysport who were coming in here on a gasboat and who did not arrive in time to catch the vessel before she sailed.

## SPY STORY ON SCREEN

"Stamboul Quest" Reveals Sinister Machinations of European Secret Service

The story of Europe's lovely spy, "Fraulein Doktor," comes to life in the picture, "Stamboul Quest" at the Capitol Theatre this week-end.

There have been many spy dramas unfolded on the screen, but none more gripping and dramatic, it is said, than this drama of the woman who sent Mata Hari to her death.

The plot hops with exciting rapidity from Berlin to Turkey and culminates in an amazing climax. "Fraulein Doktor" had sent Mata Hari on her last dangerous mission, knowing it would end in death—because Mata Hari made the grave error of falling in love. Yet, "Fraulein Doktor" committed the same grave error. She falls in love with an

adventurous young American portrayed by George Brent. Brent gives one of the best performances he has so far contributed to pictures.

Lionel Atwill varies from his usual roles of villainy to play Herr Von Sturm, chief of Germany's counter espionage system.

C. Henry Gordon admirably handles the role of Ali Bey, the Turkish general who, a traitor to the Central cause, is cleverly trapped into betraying his country by Miss Loy.

A. H. Waddington, fire inspector in the service of the Forest Branch here, returned to the city on last night's train from a trip to the Lakes District on official duties.
