Worked While Others Played; Hungerford's Story is That Of Poor Boy Who Rose to Top

The career of Samuel J. Hungerford, new president of the Canadian National Railways, is the story of a boy LEGION WINS earning eight cents an hour for ten hours a day (\$4.80 a LEGION WINS week) who studied at home every night and carried his books to work with him that he might study still more at lunch hour when the other young fellows around the rail-

road shops were playing football or baseball. It is a story of learning every part of railway mechanical RECEPTION work from the days of the old wood .02 burning locomotives to their modern giant successors.

Men who worked with him of for him in the Southeastern shops at Farnham, at Montreal, at Megan- Dr. and Mrs. J. T. Frank Kiven of Grassy Plains Found Dead in His Cabin-Peace River Death

Frank Kiven, 35-year old Finlan. der of Grassy Plains, was found dead in his cabin a few days are having hanged himself from a rafter two weeks previous, divisional headquarters of the provincial police here have been advised.

The police are also advised that Auzebe Croteau, farmer, was found dead on his bed from natural causes in his cabin on a farm 154 miles east of Pouce Coupe in the Peace River district.

B. C. Packers Operations on Skeem To be Confined to Claxton And Sunnyside

According to advance reports which are heard in the city, Claxton and Sunnyside will be the only canneries to be operated this season by the British Columbia Packers on the Skeena River, decision having been made to use Balmoral this year only as a fishing camp.

It is also reported that Rivers Inlet cannery, down the coast, will be operated only as a camp this year with all the fish going to Namu for

time approached, a group of stu-

dents, who were definitely below

normal in blood condition, form-

ed the "test patients" for a lead-

ing Canadian hospital. The re-

medy prescribed for this five

weeks' test was Dr. Williams' Pink

Pills. The purpose was to deter-

mine to what extent this world-

known preparation would in-

crease the haemoglobin and red

corpuscles in the blood and so re-

build blood-health and restore

able. The carefully kept records

showed that in every case where

the patients' blood count had

been below normal, the number

of red corpuscles was increased,

and in 38 out of 40 cases, or 95

per cent., the students experien-

ced increases in haemoglobin

also, in some instances as much

as 22 per cent. The physician in

charge considered this showing

as most impressive. The student-

patients stated that they felt

much more energetic, with a new

blood that carries vital, life-giv-

ing oxygen to every cell in your

body. If you are always tired, ex-

hausted, breathless on exertion,

nervous, irritable, lack appetite.
