This Province Contributes Far More to Federal Treasury Than it Gets Back—Opposed to Centralization of Coast and Prairie Governments

TORONTO, Jan. 24. (CP)—Criticism of easterners who described the western provinces as continually begging for assistance was expressed here yesterday by Premier T. D. Pattullo of British Columbia who was in the city on his way home after attending the recent Dominion-provincial conference. "We are not mendicants," Premier Pattullo said. "In British Columbia we paid into the Dominion treasury in the five-year period ending 1932 a total of \$20,000,000 more than was spent by the federal government in British Columbia, including our share of the national debt, and the federal government is today collecting more from the province than we are. I don't say this in a cantankerous fashion but only by way of reply to the sneering criticism of our representations."

Fort Fraser Store Broken Into; Cash Taken From Till

Divisional headquarters of the provincial police here are advised that interior officers are investigating a recent breaking and entering of the Hudson's Bay Co.'s store at Fort Fraser when \$21 was taken from the till. Entry was made by breaking in the door. Oddly enough some \$20 or \$30 was left in the till.

INSTALLED IN OFFICE

Mrs. D. C. Schubert Becomes Senior Regent of Moose Women at Ceremony Last Night

With Mrs. F. M. Crosby as grand installing officer and Mrs. Charles Edwards as grand installing guide, the following officers of the Women of the Mooseheart Legion for the ensuing year were installed last night:

- Senior Regent, Mrs. D. C. Schubert.
- Past Senior Regent, Mrs. Sam Haudenschild.
- Junior Regent, Mrs. W. Grimsson.
- Chaplain, Mrs. T. O. Morgan.
- Recorder, Mrs. Hugh Smith.
- Treasurer, Mrs. Jack Preece.
- Sentinel, Mrs. Sam Hougan.
- Argus, Mrs. A. Wick.
- Guide, Mrs. Peter Wingham.
- Assistant Guide, Mrs. R. Giske.
- Pianist, Mrs. J. S. Black.

Following the installation ceremonies, Moose men, wives and friends were entertained with an enjoyable social evening. Cards were played with winners as follows: ladies' first, Mrs. Sam Haudenschild; second, Mrs. J. S. Black; men's first, Ole Stegavig; consolation, Buster Russell. Refreshments were served and dancing followed until midnight with piano music by Mrs. J. S. Black.

One of the features of the evening's proceedings was the presentation by Mrs. Crosby of a past regent's pin to Mrs. Haudenschild.

Premier Pattullo declared himself as being in favor of a public works program instead of direct relief for the jobless. "We are not broke," he said. "All that is wrong is that we are short of cash for the moment. We have the wealth and resources to make good any borrowing we may do in these times."

Premier Pattullo described British Columbia's business conditions as being on the road to recovery. Regarding over-government in the west, Mr. Pattullo stated it might be possible to centralize the governments in the prairies but that British Columbia was in a different position. "As for the proposal to reduce representation in the legislatures, you hear a lot about that but the saving would be a mere bagatelle and the result would be a wider area of representation for the individual member with a consequent increase in bureaucracy or government by the civil service."

"British Columbia," Mr. Pattullo concluded, "is ready to pull her weight and ready to do business with the Orient as soon as enough money is obtained in the Orient." For this reason he declared himself as being interested in the proposed remonetization of silver.

Robert Blangy, who was arrested recently in connection with the breaking and entering of the Sinclair Mills store in the Prince George district, and a youth of juvenile age have been committed for trial at Prince George and will appear before Judge Robertson in County Court towards the end of this week for election. Blangy and another man have also been committed for trial for theft of tools and fishing tackle to the value of \$40 from the premises of another party at Sinclair Mills.

Red Cross Nurses in England Receive Gas Mask Training

Peace talk is swell, say these Red Cross nurses, but just show us how gas masks work—just in case. And so, at Camberwell barracks England, this officer lets everybody in on the gas-mask racket. So there'll be no complaints if things don't turn out so good later on.

Unless Ottawa Helps, Victoria Cannot Lend Assistance to Cities

Hon. A. Wells Gray Holds Out Little Hope For Anything In Way of Restoring Grants Being Done This Year; Issues Warning Statement

VICTORIA, Jan. 24. (CP)—Municipalities, in working on the preparation of their budgets for the year, would be well advised not to contemplate much help from the provincial government through restoration of their grants or for other financial assistance, Hon. A. Wells Gray, minister of lands and municipalities, said yesterday. Unless something very decided came of the Ottawa conference in the nature of financial aid to the province from the Dominion, the provincial government would be able to do little for the municipalities in the way of restoring grants, Mr. Gray said.

CHURCH IN GOOD SHAPE

Annual Vestry Meeting of St. Peter's Held Last Night—1933 Satisfactory Year

Healthy condition of all departments of church work was reported at the annual vestry meeting last night of St. Peter's (Seal Cove) Anglican Church. Young people's activities were stressed, especially the Sunday School and the large Bible class. Week-day activities had also been instrumental in much good for the young people.

All financial demands, both parochial and missionary, had been fully met, it was reported and in this connection the Woman's Auxiliary had been of great assistance. With two more years yet to run, over fifty percent of the church's contributions to the Restoration Fund had been paid in and it was hoped to clear up the balance of the voluntary pledges during the ensuing year.

The following officers for 1934 were elected: Lay Representative to Synod, C. J. Norrington. People's Warden and Secretary Treasurer, W. O. Vigar. Clergyman's Warden, J. E. Boddie.

Sidesmen—W. B. Skinner, George Kelsey, B. G. Beale and W. R. McAfee.

THEORY IS ABANDONED

Provincial Police Now Believe That Missing West Coast Fisherman Did Not Meet Foul Play

VICTORIA, Jan. 24. (CP)—Theory of foul play in connection with the death of Emil Kolman, whose boat Restless was found in Naspart Inlet last week, has been abandoned.

The provincial police yesterday wireless headquarters here stating that a dinghy had been found nearby the power boat on the beach and it is believed that Kolman was drowned when the dinghy upset as it was leaving the Restless.

VANCOUVER IS FEELING MUCH MORE HOPEFUL

"Vancouver people are beginning to snap out of the depression very distinctly," said Blake M. Wilson, president of Sterling Markets Ltd., who sailed yesterday afternoon by the Catala on his return to Vancouver after a brief business visit to the company's stores here and at Prince George. The gold mining activity in the Bridge River area and the Cariboo and the big resumption of logging operations along the coast have been the principal factors in developing the new spirit of optimism which is apparent.

Hopeful Note Sounded by New President in Inaugural Address

Installation of 1934 officers of the Prince Rupert Gyro Club took place at a jolly and enthusiastic dinner meeting last evening in the Boston Cafe. The installation of W. H. Tobey, the new president, and his supporting officers was conducted by Past President William Cruickshank, other speakers of the evening including Immediate Past President T. W. Brown, who presided over the early part of the proceedings, City Commissioner W. J. Alder and John Dybhavn, president of the Rotary Club. There was also an acceptable entertainment program. Members of the club turned out in full strength and there were also numerous guests.

The new officers for the year are as follows: President, W. H. Tobey. Secretary, C. W. Dawson. Treasurer, C. D. Fyfe. Directors—S. J. Jabour, William Cruickshank, Frank Dibb and W. M. Watts.

Inaugural Address

"There are now not only in our own Dominion but throughout the world gradual but very definite indications that the spectre of hard times is being dissipated," declared the president-elect in an optimistic and hopeful inaugural address following the formal installation. "Nearly seventy percent of the Canadian industries have recently reported an increase in their business over the past year and even the various banking managements, who are reputedly ultra-conservative, felt at liberty to sound an optimistic note in their monthly bulletins. These all augur well for the future and should materially aid in restoring our former attitude towards things mental, moral, spiritual, social and recreational."

Mr. Tobey appealed to all members to put forward their best efforts towards making 1934 one of the best years in the history of the Gyro Club. He urged that some real live and commendable objectives be taken up this year and asked for the co-operation, assistance and advice of all members of the club. Expressing appreciation of the honor that had been conferred upon him by electing him president, Mr. Tobey paid tribute to the work of his predecessors in the office and to the 1933 executive.

The new president announced committee chairmen for the year as follows:

- Civic, Frank Dibb.
- Membership, S. J. Jabour.
- Bulletin, T. W. Brown.
- Initiation, Rev. W. D. Grant Holingworth.

Entertainment, Dr. J. H. Carson. Club Activities, H. N. Brocklesby. Musician, C. P. Balagno. Song Leader, Dr. R. Geddes Large. T. W. Brown, in his address as retiring president, told briefly of the activities of the club during the past year. The most important work that had been undertaken was the book campaign on behalf of the Public Library and the drive for clothing for relief purposes. Despite the difficult times, the club had had a satisfactory year and Inter-

THE OTTAWA CONFERENCE

It is difficult to say what exactly has been the result of the Ottawa conference. Possibly Premier Pattullo does not know how far it will get him and if he knows he is not saying anything about it. All we know is that at the close he expressed satisfaction with the result and he remained in Ottawa after the conference closed, ostensibly to take up further with Premier Bennett the case for British Columbia.

While the premiers in conference expressed themselves as not opposed to any province that particularly needed it obtaining special terms from the Dominion, there has been opposition from other sources, as shown by the dispatch published today giving a statement made by Premier Pattullo.

It is very likely that nothing will be heard for a while as to exactly what has been done at Ottawa insofar as British Columbia is concerned. The announcement may have to come from Premier Bennett. At any rate the Federal Premier has committed himself definitely to a large program of public works for the whole of Canada in which British Columbia will share. This program may include a new post office building for Prince Rupert or it may not. There is doubt as to whether it would include work on the highway, for that has always been looked upon as provincial work except that at one time trunk roads were bonused by the Dominion. We can be sure that Premier Pattullo will do his best to get federal help for this work but there is nothing yet to indicate whether or not he has been successful. He carried the right to special consideration through the conference. It is now up to the Bennett Government and they are not likely to make an announcement just yet.

Names Confused In Report of Death Of Pioneer of Islands

It was erroneously reported yesterday that G. D. P. (John) Turner of Skidegate, an old timer of the Queen Charlotte Islands, had recently passed away in Vancouver. The name, instead, should have read A. J. (Jack) Gordon. The late Mr. Gordon, in addition to being prominently interested in mining of the Queen Charlotte Islands, was at one time a government road foreman and was very well known.

TERRACE

Mr. McLaren has resumed the dancing class which in past winters has been a popular feature of the village life of Terrace. These classes are held in the Oddfellows Hall each Friday evening.

Last Monday the Oddfellows installed their officers for the year. There was a banquet and a pleasant social time until a late hour.

The Rebekah Lodge assembled in the Oddfellows' Hall on Wednesday last for a social evening. A whist drive, followed by dancing, was the order.

Monday was nomination day for the forthcoming election of a new Board of Commissioners. All members of the old board were renominated and it seems likely that they will carry on another term. There are five nominations in all.

Dan McKinnon is confined to his home with an attack of influenza and during his indisposition, his place at the liquor store is taken by C. L. Youngman, of Prince Rupert.

TRIAL IS DEFERRED

Hearing of Dr. Alice Wynekoop Called Off Until She Either Dies or Recovers

CHICAGO, Jan. 24.—The trial of Dr. Alice Wynekoop, aged woman physician, who is charged with the murder of her daughter-in-law, Rheta Wynekoop, has been called off until such time as the defendant dies or is sufficiently recovered from a heart attack which she suffered during the trial last week to stand the ordeal of trial. The first trial was suspended at the request of defendant herself after physicians had failed to agree as to whether or not she would be able to appear in court in the reasonably near future. Dr. Wynekoop is still in hospital.

Commissioner Alder
"Boys' Education" was the subject of an inspiring talk by City Commissioner Alder who urged the importance of education under changing conditions of today along technical or specialized rather than academic lines. He appealed to such organizations as the Gyro Club and the public at large for co-operation in efforts that might be made to make such specialized education available in Prince Rupert for youths and young men of today who were unable to find employment, many of whom had no special fitting for any particular line of activity.

John Dybhavn, president of the Rotary Club, gave an address along service lines, justifying the existence of such organization as the Rotary and Gyro Clubs in community, national and international affairs.

The musical program of the evening included male quartets and sea chanteys by Arthur Sutton, S. J. Hunter, J. A. Teng and W. Aston, vocal solos by J. A. Teng, comic monologues by H. E. Astori and community singing under the leadership of Dr. R. G. Large and Harry Astori. Piano accompanists for the evening were S. C. Thomson, H. N. Brocklesby and C. P. Balagno. The proceedings opened with the singing of "O Canada" and closed with "God Save the King."

Guests of the evening were City Commissioner W. J. Alder, John Dybhavn, W. Aston, J. A. Teng, S. J. Hunter, Arthur Sutton, H. E. Astori, J. H. Pillsbury, A. R. Nichols, W. O. Fulton, F. A. MacCallum, S. C. Thomson, W. M. Blackstock, Col. J. W. Nicholls, A. S. Nickerson, Dr. C. H. Hankinson, F. W. Wesch, W. D. Vance, Walter Hume, M. M. McLachlan, Peter Lakie and Dr. H. L. Alexander.

Warner Baxter, Myrna Loy, Mae Clarke and Phillips Holmes Stars of "Penthouse"

Warner Baxter and Myrna Loy are the featured players in the screen play "Penthouse," adapted from the story of the same name by Arthur Somers Roche, which is being presented on the screen of the Capitol Theatre here this mid-week.

As the scion of an aristocratic New York family and a society lawyer who chooses to defend notorious racketeers, Baxter is said to give one of the finest performances of his long and distinguished screen career. Myrna Loy plays the part of a beautiful night club girl with one of the strongest and most lovable roles in which she has so far been seen.

Mae Clarke, as a gorgeous night club hostess who meets a mysterious death, and Phillips Holmes, as a young man about town who is accused of the murder, head the supporting cast. A secret investigation, led by Baxter, Holmes' friend, proves that the death was the climax of an underworld frame-up.

Nothing Definite Yet in Case of Edward Bremer, Abducted St. Paul Banker and Brewer

ST. PAUL, Minn., Jan. 24.—With six days having elapsed since the kidnaping, there was still nothing definite last night in regard to the fate of Edward G. Bremer, wealthy 38-year old banker and brewer, who was abducted last Wednesday and for whose safe return \$200,000 ransom was demanded. There was a report that a new contact had been made with the abductors on behalf of Bremer's family and that he was safe and well.

Chlorosis of orchard apple trees with arrested growth or decay due to iron deficiency, although unaffected by ferrous sprays or soil dressings, has been effectively cured in homely fashion by driving heavy iron nails an inch long into the trunk and branches of the trees.—Lord Bledisloe.
