BLEEDING THE PRINCE RUPERT PUBLIC

On Saturday, two parcels arrived at the Daily News office. They buildings, theatres, school build- Clause 11.—In case the oc- to purchase the following described lands: each contained stereotype cuts for use in the columns of the paper. ings, rinks, factories, printing offi- cupant of a store on the ground One parcel came from Toronto, the other from London, England.

The parcel from London, was larger and heavier than the parcel other class of buildings in the commode in use by the occupants from Toronto, yet the parcel from Toronto had a 30 per cent heavier City of Prince Rupert, where of the upper floor, or vice versa, charge on it for carriage than the parcel from London.

The parcel from London had travelled by train to Liverpool or | Clause 8.—The City agrees lected from both the occupiers Southampton, thence by steamer across the Atlantic, and five hundred with the contractor that during the of the upper and lower floors. miles by rail in Canada before it even reached Toronto. Yet it did continuance of this contract, no Clause 25.—That nothing in the entire journey at a very much cheaper rate than the smaller and licence shall be granted to any this contract shall prevent the lighter parcel that came from Toronto. This is bleeding the public other scavenger, the intention being owner of any premises from taking with a vengeance.

The explanation for the difference in rates is that the parcel from sole right as far as the City can conveyance, providing same is done England travelled by British Parcels Post; that from Toronto by give the same, to remove garbage to the satisfaction of the Health Dominion Express. This goes a long way to explain how it is that and night soil from all parts of the Officers; but the contractor shall the Dominion Express, which is a sideline of the C. P. R., with a total City of Prince Rupert. of only \$24,500 paid upon its \$2,000,000 capital, has paid the C. P. R. | Clause 9.—The contractor shall licence to remove garbage for in eight years, profits totalling \$13,409,240.

An institution that makes over thirteen million dollars profit premises garbage or night soil Clause 26.—And whereas it is Dated June 30, 1911. on an outlay of less than \$25,000, can very well afford to reduce its is removed the following fees and possible that disputes may from Skeens Land District District of Coast Range rates. The question of excessive express charges should be taken up no more: rates. The question of excessive express charges should be taken up no more:

by the merchants of the city at the meeting of the Railway Com
Residences of two rooms and contractor and persons dealing lands:

| Take notice that Heary Macarray of Prince of the Rupert, B. C., occupation miner, intends to apply contractor and persons dealing lands: mission next Saturday. The rate charged by the Dominion Express under, for night soil and garbage with him under this contract as side of Exchumsiks River, about 2 1-2 miles from Company on the parcel referred to, was greater even than the cost of per month 50c. sending the parcel by mail.

When the protest is made, it would be a good thing also to draw per month 75c. the attention of the Board of Railway Commissioners to the fact that no effort has been made in Prince Rupert to obey the Board's ruling per 15 galion can 10c. that after June 1st, the express companies must call for and deliver parcels within the municipal boundaries of cities and towns.

To appeal to the companies direct is only an added vexation of bage, per 15 gallon can 10c. spirit and a waste of time. The Board of Railway Commissioners has been appointed by the Federal Government to hear all complaints soil, per 15 gallon can 50c. in connection with the railways and their subsidiary companies. The Board is clothed with power to make orders and enforce its rulings. buildings, clubs, banks, printing The opportunity to draw the attention of the Board to the way in offices, and all other buildings other which Prince Rupert is bled by the express companies must not be

NOTES DUE

In selecting Alderman Newton for their candidate, the local Conservatives showed that they are anxious for reciprocity to win Messrs. Hayner Bros., to Build Chapel, Offices and following described lands: in Comox-Atlin.

The council meeting will be so quiet and orderly tonight that it will seem like old times again, but for the vacant chairs.

The Calgary Herals is being poked at by a number of newspapers over a strange piece of inconsistency it has committed.

The Herald is espousing the cause of the interests in the reciprocity up-to-date undertaking establish services rendered the dead will be fight, and has been trying to make out that if the taxes on food are ment on one of the fan shaped carried out in quiet dignity with- quarters removed that it will make it hard for us all to live.

RELIABLE WATCHES Is the World's Greatest Demand

Our Watch Department is one which gives to the people of Canada that standard of reliability which appeals to all in this busy century, when each moment of time must be rightly spent in order to get the most out of it. With us you will find the best in every make of watch, from the reliable BIRKS' SPECIAL, to the best among the American and Swiss movements. Our leaders are the Howard, Hamilton, Longines, Agassiz and the finest grades of the Waltham and Elgin productions. See our catalogue, or write to us directly for information relating to our watches.
