## SERIOUS LIVERPOOL SCHOOL DISASTER

## M'GEER ELECTED VANCOUVER MAYOR BY HUGE MAJORITY

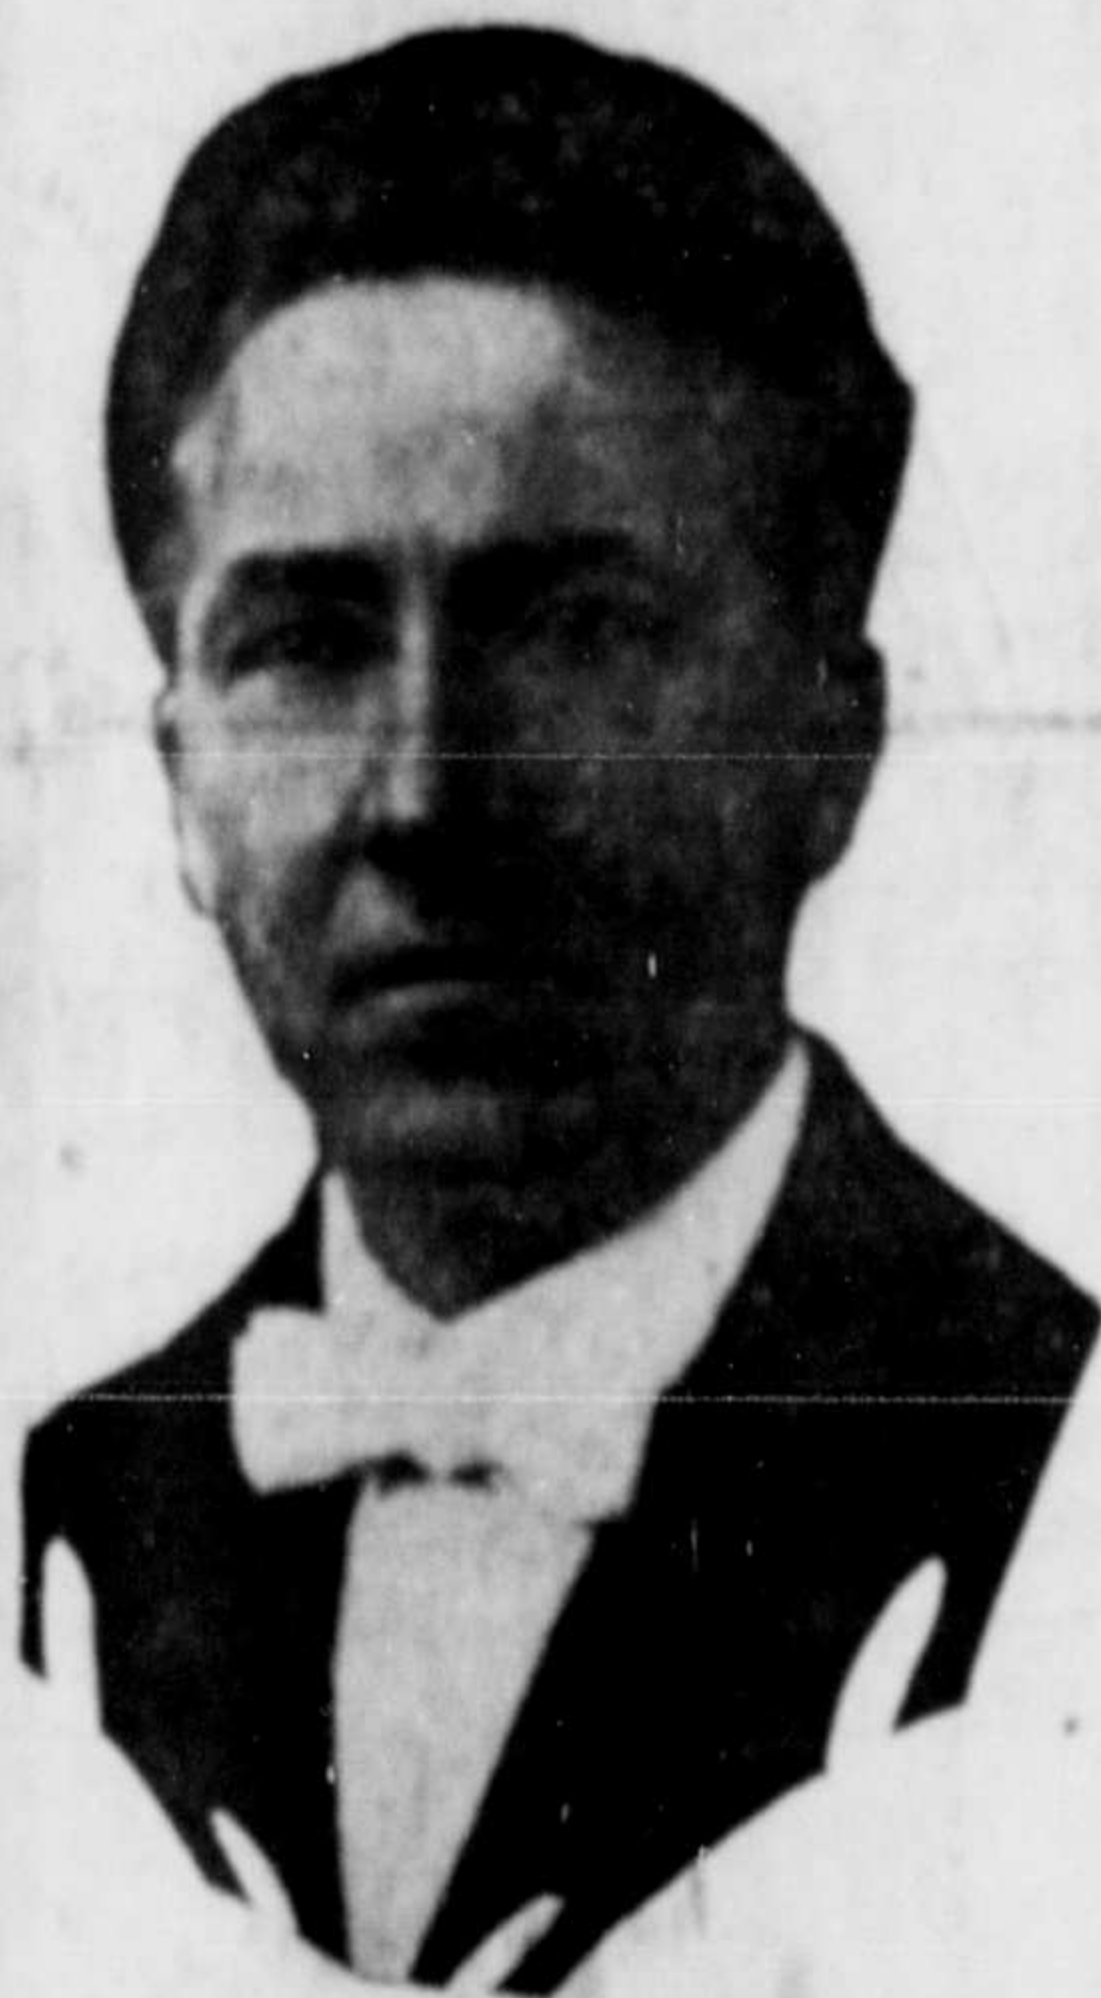

### One Hundred and Fifty Parents and Children Hurt in Concert Hall

Floor Collapsed Precipitating Five Hundred Persons Amid Tumbling Debris Into Darkness—Some Of Victims Expected to Die

LIVERPOOL, Eng., Dec. 13: (CP)—The floor of a concert hall where nearly five hundred parents and children were gathered at St. Clement's School here collapsed with a roar last night, injuring some 150 persons, many of them seriously. Thirty-six were taken to hospital and several may die. The crowd was precipitated into a mass of tumbling furniture and sudden darkness from the second to the first floor.

The disaster failed to reach terrible proportions owing to the presence of mind of a caretaker named Doughty who rushed to the basement and cut off the gas supply as the crash occurred, thus eliminating the danger of fire and explosion.

### LUTHERANS ORGANIZING

St. Paul's Church Soon to be Restored to Former Strength With Resident Pastor

### Pastor's 'At Home'

Figures Disclose Large Percentage Of Local Population to Be Scandinavian

Reorganization is well under way with a view to restoring St. Paul's Lutheran Church of Prince Rupert to its former strength as a congregation with a regular pastor and services, it was announced last night by Rev. A. O. Aasen of Vancouver, acting field pastor of the church, who was "At Home" to the local Scandinavian colony at the Metropole Hall. Already contributions sufficient to justify the appointment of a permanent pastor had been pledged and early next year such an appointment will in all probability be made.

John Dybhavn presided over last night's meeting which was opened with prayer by Mr. Aasen. In his introductory remarks, Mr. Dybhavn referred to the importance of the church and its influence for good in community, national and international life. Particularly was this apparent at the present time when war clouds were to be seen hovering in so many parts of the world. It was the duty of the people to support.

### LEGION IS IN SESSION

Wire Sent to Ottawa in Connection With Working Conditions

The regular monthly meeting of the Prince Rupert branch of the Canadian Legion of the British Empire Service League was held last evening. President Jack Preece in the chair.

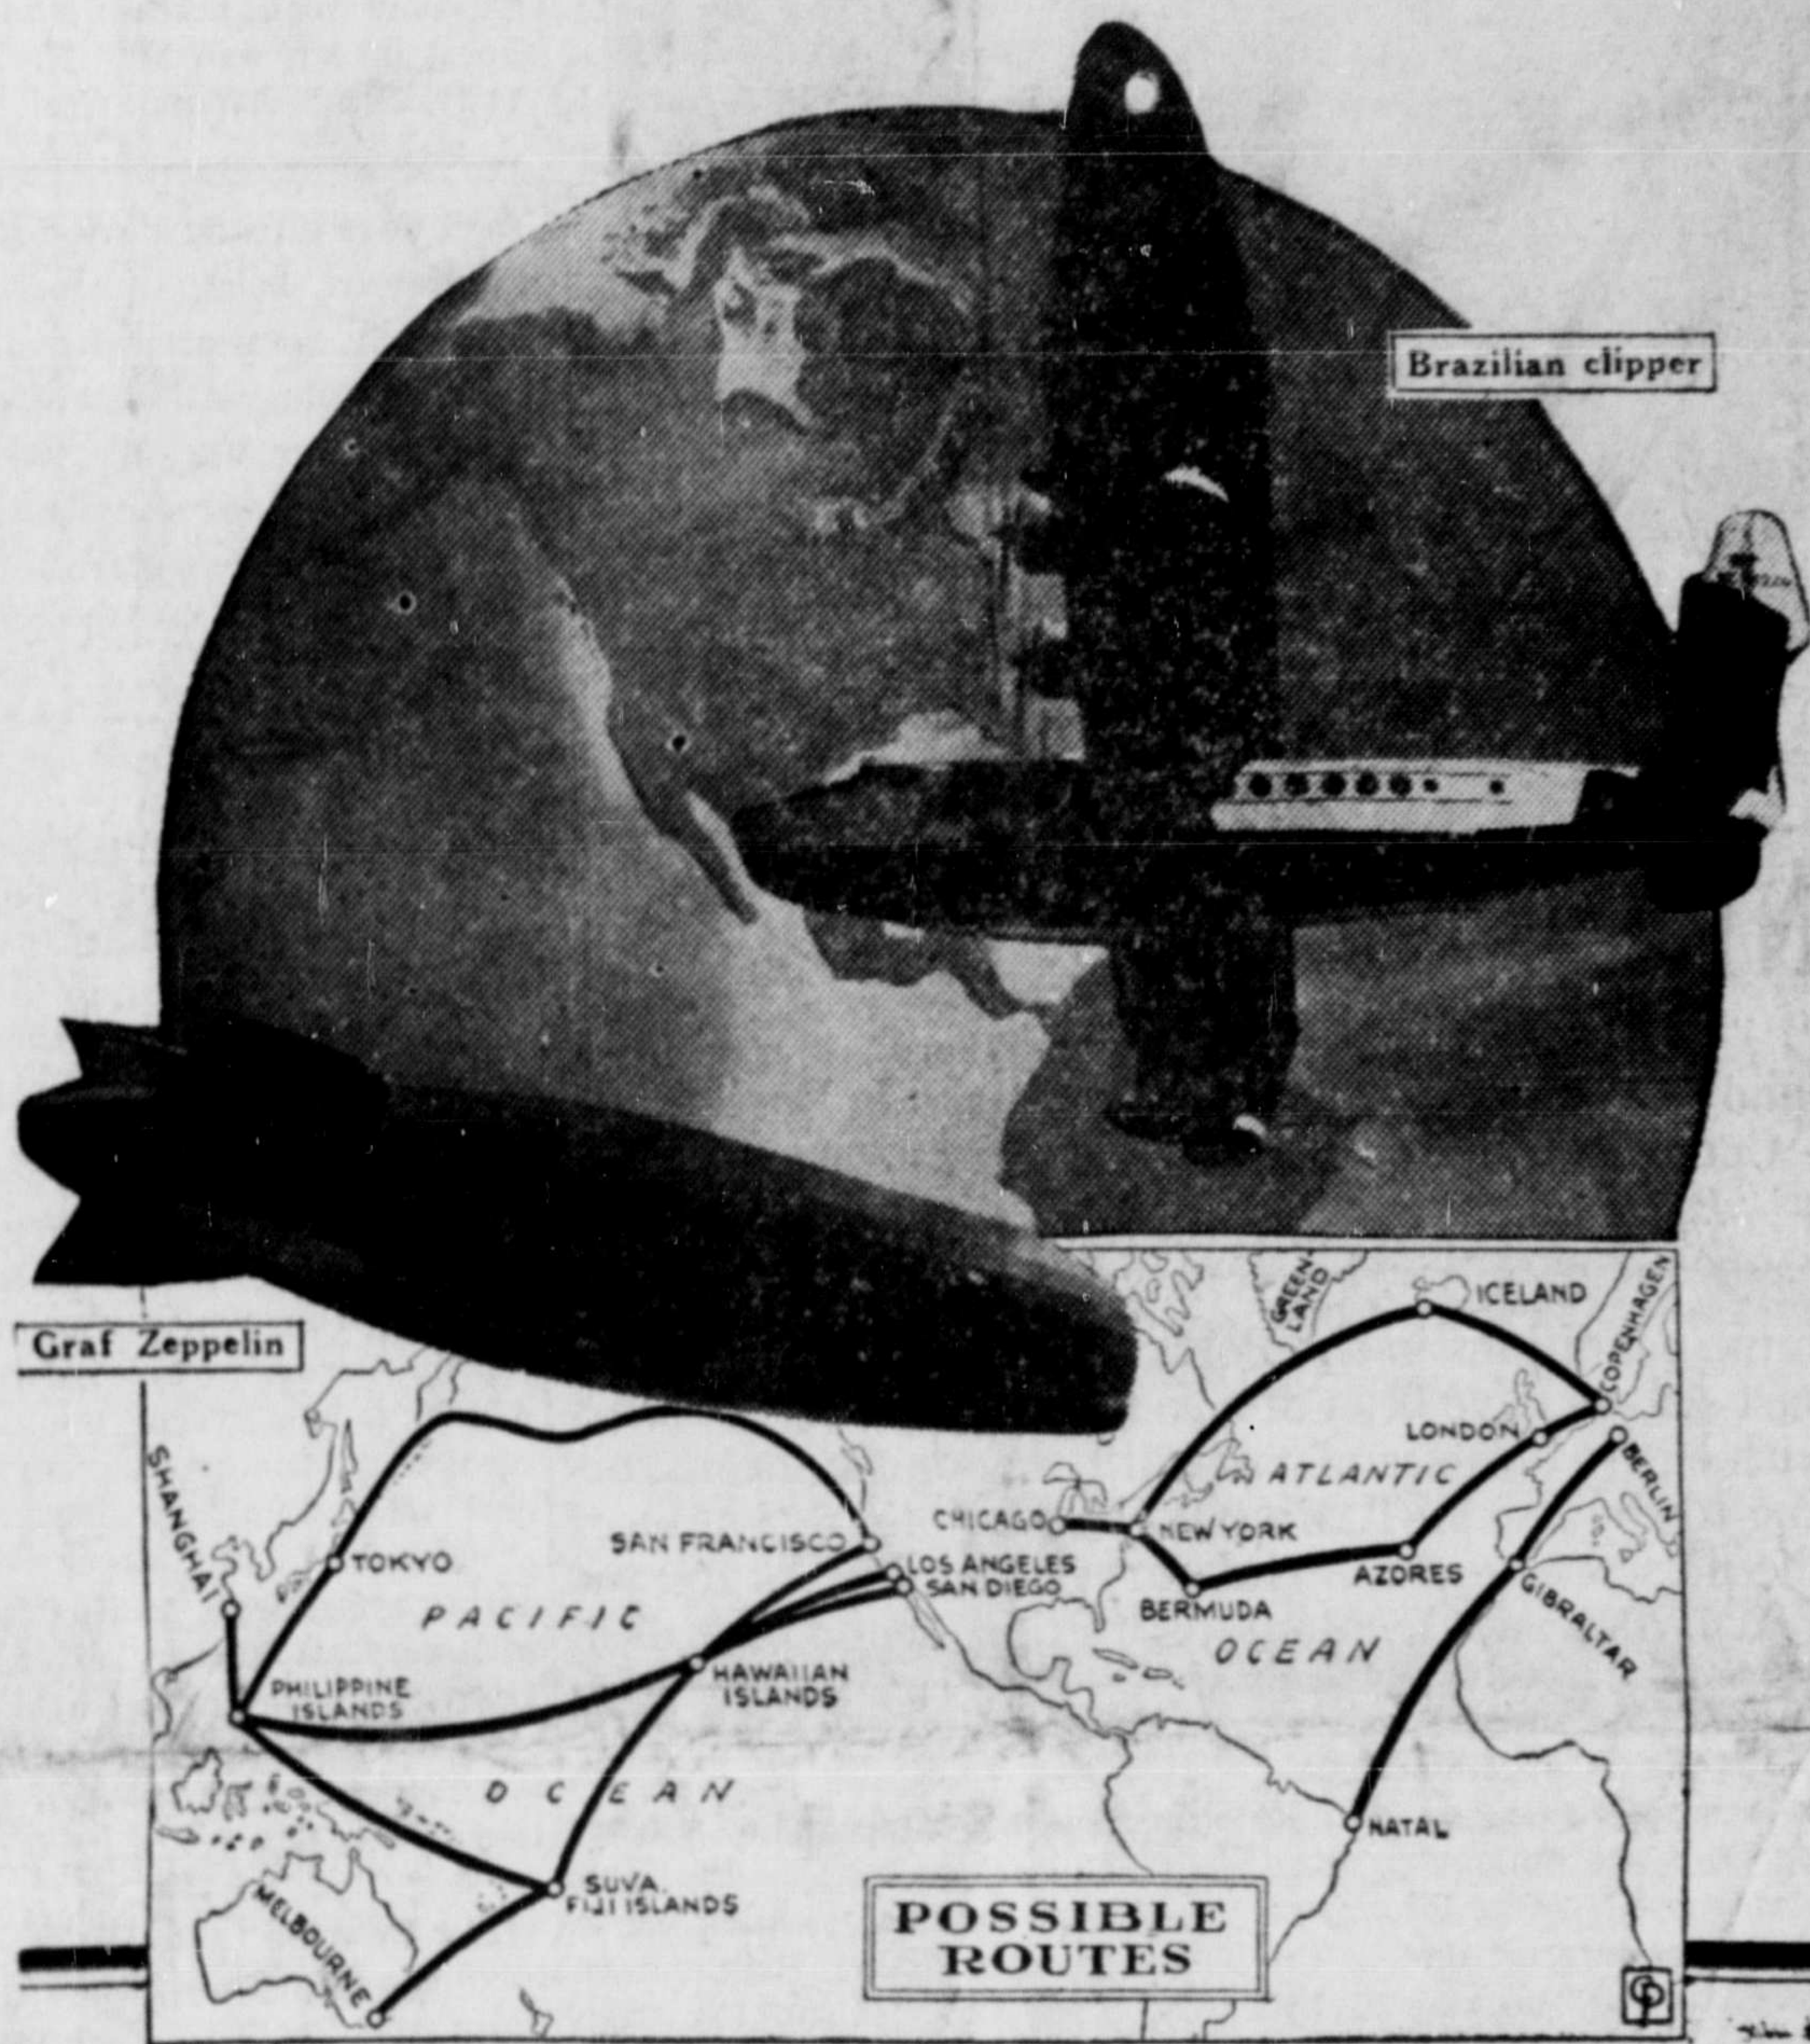

The matter of the formation of a junior section of the Canadian Legion was referred to a committee consisting of the president, D. C. Schubert, S. A. Bird and the secretary who will report to the January meeting.

Arrangements are under way for the usual provision of Christmas Cheer for needy returned men and their dependents. A grant was also made to the British Columbia provincial division of the Canadian Red Cross Society. This society makes a point of attending to the care of comrades in various institutions, such as Essondale where there are 237 returned men, the Marpole Home for incurables and the Tranquille Sanitarium.

Application for regular membership from Robert Lahiff, John Gregory, C. B. Flewin and G. E. Brown and for honorary club membership from James Boyd and Jack Frew were approved.

At the request of the branch a delegation from the Unemployed ex-Servicemen's Association was present. The delegation outlined the handicaps under which they had to work. An allowance equal to three meals a day at 12½ a meal and on provision for clothing, especially under the climatic conditions prevailing here, called for some adjustment it was held. The delegation which consisted of Charles Chapman, P. Atkinson, F. Murphy and R. Barr was assured of the full support of the Canadian Legion in its claims for better conditions and a night letter was sent to the Minister of Pensions and National Health asking immediate consideration of the requests. The local member of the federal house and other officials are also being communicated with.

### Battle For Control of Air Routes

Century-old battles for control of trade on the high seas are about to spread into the air. Three nations now are nearly ready to carry on the battle. They are the United States, Germany and Great Britain. The battle will be divided into two classes—lighter-than-air and aeroplanes. All three nations have already entered the fight to spread their lines into the foreign field.

### SURFACE ROAD TO CLOYAH

Additional Sum Appropriated To Complete Skeena Highway As Far as the Bay

Word has been received from the member for the district, Premier T. D. Pattullo, that sufficient money has been appropriated for the highway to allow of its being surfaced as far as Cloyah Bay.

The work is progressing satisfactorily and much satisfaction is being expressed at the additional appropriation being received.

### Further Sentence Imposed on Arthur Bellos, Pr. George

Arthur Bellos of Prince George, sentenced a few days ago by Judge H. A. Robertson at Prince George to five months' imprisonment on a charge of resisting arrest, has received an additional sentence of five months for assaulting a female, according to word received at divisional headquarters of the provincial police here.

Provincial Constable Gordon Daniels will sail tonight on the Prince George for Vancouver having in his custody Dominic Cataldo, sentenced to four months' imprisonment at Okalla for breaking and entering, and an insane patient for Essondale. Constable Daniels will take his annual vacation while in the south.

### DEATH TOLL IS GROWING

Twenty-Three Known to Have Perished in Lansing Hotel Fire

LANSING, Mich., Dec. 13: (CP)—A check-up yesterday following the disastrous fire which destroyed the Kerna Hotel here early Tuesday morning showed that the death toll had reached twenty-three with the possibility that the bodies of a score more victims might still be in the ruins.

Many of the guests in the hotel at the time of the tragic conflagration were senators and representatives to the State Assembly which opened a special session on Monday.

### Dairying Has Made Increase

Visitor From Prince George Says Output of Cream Increased By 100 Percent

Among the visitors to Prince Rupert this week is Alfred Miller, proprietor and manager of the Interior Creamery at Prince George. He says the dairying industry is showing marked progress, the output of cream for the district this year being 100 percent greater than for last year.

Mr. Miller says they have been marketing their product at nearby points between McBride and Smlthers but the increase makes it desirable that they invade the Prince Rupert market. This he plans to do at an early date.

### Fiery Liberal M.L.A. Overwhelms Taylor in Four To One Contest

Magnitude of Victory Was Surprise Even to Winner's Most Enthusiastic Supporters—Another Milepost In Colorful Career

VANCOUVER, Dec. 13: (CP)—G. G. McGeer, M.L.A. for Vancouver-Burrard, yesterday added the mayoralty of Vancouver to his list of achievements in a stormy and colorful political career. The fearless young Liberal, whose name is prominently mentioned in connection with federal election honors next year, was elected chief magistrate of the city with an overwhelming majority over the veteran Mayor Louis Taylor. Even Mr. McGeer's most optimistic supporters were amazed at the tremendous victory he won. Late last night, with forty out of forty-seven polls accounted for, McGeer had 28,095 votes and Taylor but 7,243.

Today the final vote was announced as follows: McGeer, 34,496; Taylor, 9,021. The majority of 25,475 was the largest majority ever given a Vancouver mayoralty candidate and the total poll was the largest in the city's history.

Among the five aldermen elected was Former Mayor Charles E. Tisdall, late commissioner of North Vancouver, who defeated Ald. J. H. Shinnick and Ex-Ald. E. W. Dean in Ward One.

After the result became known McGeer said: "We must break this ruthless control of the money powers or it will wreck our civilization."

The election culminated one of the most hectic mayoralty campaigns in recent years, Mayor Taylor and Mr. McGeer having both kept up their speech-making schedule until shortly after midnight Tuesday. Early in the day the voters began besieging the polls and the vote was one of the heaviest in the history of the city.

J. S. Wilson, vice-principal of Booth Memorial School, was the speaker today at the regular weekly luncheon of the Prince Rupert Rotary Club in the Commodore Cafe, his subject being "Some Educational Problems." President J. J. Little was in the chair and there was a good attendance of members with J. H. Blake of Victoria and Frank Dibb and D. G. Borland as guests.

### Radio Reception Here and Digby

D. C. McRae States That It Is Quite As Good as Seal Cove as Across Harbor

With reference to a statement made this week by E. J. Haughton, Pacific Coast superintendent of the department of radio, that Digby Island had been originally chosen as the site for the local government radiotelegraph station because tests had indicated that reception was superior there to this side of the harbor, D. C. McRae stated that, according to his information, Seal Cove was found to be as good as Digby Island for reception when these original tests were made and, indeed, the officials who made the tests recommended the government station be established at Seal Cove. However, according to Mr. McRae, the recommendation to this effect was turned down by Ottawa and the station established at Digby Island.

### Food Matinee To Be Held Shortly

The annual Christmas food matinee at the Capitol Theatre here will take place on Friday afternoon of next week. Manager D. G. Borland announced today. Articles of foodstuffs will be taken as admission, all donations thus made to be turned over by the theatre manager to the Salvation Army for use in its Christmas relief and cheer activities.

## Will Santa Claus Fail To Come To Numbers Of Prince Rupert Children?

So far in the past the people of this city, through the Salvation Army and other organizations, have seen to it that all poor families and especially the children have had the means of enjoying the Christmas season. If this is to be done this year considerable money will be needed and so far not much has been subscribed. How could anyone enjoy Christmas knowing that many children were not enjoying it too?

Money may be sent to the Salvation Army or the Daily News. Goods or clothing should go direct to the Citadel.

steel have already started to arrive at Stewart, being transported immediately upon arrival to the new building site. All machinery including three 630 h.p. diesel engines, accessories and other necessary electrical equipment is reported to have been ordered as well as a new water wheel to replace the destroyed one which had a capacity of 500 h.p.

In connection with the recent report that application had been made for the restoration of the Mayflower Mining Co. to the register of joint stock companies, it is explained that the property has been kept in good standing by the principal shareholder and locator of the ground, H. P. Gibson of Stewart. During the past few years Mr. Gibson at his own expense has provided for the necessary assessment work which, during recent months, has resulted in the opening up of several very promising showings averaging half an ounce of gold across appreciable widths together with very satisfactory silver values. The hearing of the application for restoration to the register of joint stock companies has been set for December 14.

The Premier Gold Mining Co. is having several transformers packed down from the Silverado property at Stewart.

The Premier Gold Mining Co. has declared a dividend of three cents per share in Canadian currency payable on January 15 to shareholders on record December 14.

Recent reports of a rich gold strike on McDames Creek, sixty miles north of Dease Lake in the Cassiar district, have excited considerable interest. The news was recently brought out by Capt. William Strong, Alaska aviation and mining man. Lynch Collison and Pilot Howard McDonald. The party told of a big body of free-milling gold ore assaying in some cases as high as \$730 per ton in a quartz-porphry vein three hundred feet wide which had been traced for twelve miles. Two claims have been staked since the discovery at the end of July when the half ton of ore which the party rushed out by plane showed sensational values. Mr. Strong has left three men to winter on the ground and hopes to hold sixty claims by next May when he will proceed with development.

### NEWS OF THE MINES

#### Mandy Comments on Mining Conditions in Portland Canal and Alice Arm—New Power House at Premier Being Rushed—Strike in Cassiar

Mining conditions in the Portland Canal district during the past season have been of a sound, constructive character with entire absence of unhealthy boom conditions, according to Dr. Joseph T. Mandy, resident mining engineer for the northwestern mineral survey district. As for the Alice Arm district, Dr. Mandy says that, while that area has been to a considerable extent inactive, the gold aspects of the west side of the upper Kitsault Valley have been attracting examining engineers and the outlook is more encouraging not only on account of the increase of interest due to the gold showings but because of the rising price of silver. Promising properties which Dr. Mandy refers to individually in detail are the Homestake, Gold Reef and Mastadon groups.

The Premier Gold Mining Co. has received a payment of \$29,900 as a dividend from its interest in the Toburn property situated in Northern Ontario. Independent samples taken from the El Oro property in the Portland Canal area, owners of which are J. J. Hepson and Charles Blehe, have given assay returns running from .08 ounces to .52 ounces in gold and from .28 to 15.46 ounces in silver.

T. R. Whiteley, who for the past six months has been outside foreman at the Big Missouri mine, left last week for a trip to Vancouver. He expects to return to Stewart next March.

Frank Buckle of the Granby Co. field engineering staff has returned to Anyox after spending nearly a week at the Dunwell mine at Stewart.

William Dann, managing director of the United Empire mine at Stewart, has been confined to his bed for several days suffering from a severe chill.

With three shifts working, excavation for the new power plant at the Premier mine, replacing that which was recently destroyed by fire, is nearing completion. That no time is to be lost in replacing the power facilities lost as a result of the fire is indicated by the fact that first shipments of structural

Stewart Barclay has returned to Anyox after completing a mining contract at Stewart.

The Stewart Board of Trade is sending a resolution to the Department of Mines at Ottawa requesting that the Geological Survey of Canada continue its work next year in the areas north and northwest of Stewart and at the same time inaugurate a more intensive geological survey of the Portland Canal area closer in with a view to more clearly defining those sections favorable to the deposition of gold. Copies of the resolution have been sent to the Minister of Mines, Olof Hanson M.P. and W. J. Asselstine M.L.A. The Stewart Board has also passed a resolution requesting the government to investigate the possible tonnage of ore for shipment from Stewart to smelters with a view to determining whether the installation of mechanical loaders and bulk ore loading facilities is warranted. The resolution, the preamble of which sets out that the government provides other primary industries with such primary facilities as lumber assembly docks and yards, grain elevators, stock pens and loading facilities, declares that, if such ore handling facilities were provided, the cost of transportation of

### VICTORY FOR McGEER

The tremendous victory of G. G. McGeer M.L.A. over Mayor L. D. Taylor in the civic contest at Vancouver was much greater than most people expected. While it was realized that much enthusiasm was being shown for the candidate of action, it was thought that other influences would to a considerable extent offset that.

We have many times heard it said that no election could be won without the weight of the underworld on the winning side. The present election may have proved this to be incorrect. McGeer rallied to his support the greater part of the church influence, which is popularly supposed to be nil, and he won with a majority so great that it is astounding.

While McGeer promised a police investigation and a generally decent city, he also promised financial aid in arranging a lower rate of interest on city bonds and other reforms. Now that he is given an executive position for the first time it will be very interesting to see how he measures up. If he makes good he will be able to command almost any position in the gift of the people. Should he run in one of the Vancouver federal constituencies and be elected, as he doubtless would, it would be very difficult for Mackenzie King to refuse him a position in the next Liberal cabinet. Possibly McGeer will prove to be the looked for leader who will bring a new deal into Canadian political life.

### MAYOR TAYLOR'S RECORD

Mayor Taylor has had many critics but he has had a wonderful civic record. He has been mayor of the city for many years, being re-elected time and time again. If defeated he soon made a comeback and he had a following that he could always command. Now he is old but still full of vigor and, while the majority of people will be glad to see a change in the administration of that city, many will regret to see the defeat of a man who has served the city so long.

## Youngman Winner In Billiard Tourney

Competition at Canadian Legion Completed Last Evening

The first of the Canadian Legion billiard handicaps was concluded last evening when Charles Youngman ran out winner by a good margin over George Woodland. Youngman had beaten Alex Harvey in the semi-final and Woodland had put out George Cripps earlier in the evening. Another handicap is being arranged.

The snooker tournament has reached the final stage with Percy Tinker to meet Tom Silversides for the prize. In the semi-final Tom Silversides won from George Cripps and Percy Tinker from L. Cripps.

Unable to Do Anything With St. Louis Eagles, Coach Gerard Resigns

ST. LOUIS, Dec. 13. (CP)—Frankly disappointed at the showing of the club in winning only two out of thirteen games since the National Hockey League season opened, Eddie Gerard has voluntarily resigned as coach of the St. Louis Eagles. Formerly one of the greatest defence men in the game, Gerard was last year with the Montreal Maroons.

## SPORT CHAT

A Ladies' Bowling League is to be organized in connection with the newly established alleys at the Elks' home. The idea is to set aside Friday as "Ladies' Night" and the first practice will be held this Friday with an organization meeting also to be held at that time. Teams already entered are: Annette's, M. Johnson's Four and M. Ballinger's Four.

Gordon Richards, England's new turf idol, is the son of a former miner who turned to the business of hiring ponies. He won his first race when he was 16 years old. Since then he has amazed the English turf with his feats, which include winning six races out of six at Cheltenham last fall. On several occasions he has ridden five winners in the same afternoon. He was the champion British jockey this year and last.

One of the most significant athletic developments in Quebec is the reported plan of the University of Montreal, great French educational centre, to enter the major collegiate sports. To date the only senior collegiate sports the university has entered are hockey and tennis, and these only occasionally. Now the students will try all the sports listed in the collegiate athletic curriculum.

Thor Jensen, Scandinavian wrestler, reported to police at Port Elizabeth, South Africa, that he was kidnapped in a motor car by armed men and held all night, preventing his appearance at Port Elizabeth in a scheduled match with George Boganski.

### Port Simpson

Fur Trade Commissioner Ralph Parsons and Western Manager E. G. Bonnycastle of the Hudson's Bay Co. were visitors here last week in connection with the local store of the company. It is understood that the Hudson's Bay Company is contemplating erecting a new store building to replace the present one which will make it one of the finest stores in the north.

The funeral of Victor Edward Beynon, infant son of Mr. and Mrs. Wm. Beynon, was held Sunday under the direction of the Port Simpson Athletic Club.

Chief Councillor E. F. Dudoward and Rev. R. J. Love, and Church Elders David Johnson and Jacob Morrison have returned from Port Essington where they went as the official representatives of the United Church of Port Simpson at the formal opening of the new United Church building at Port Essington.

Mrs. Martha Wesley, who had been an invalid for a number of years, passed away last week. She leaves to mourn her loss two sons, Walter A. and Henry Hellen, and one daughter, Mrs. Wm. Kelly.

The Ladies' Auxiliary of the Port Simpson General Hospital held its annual sale and supper in the Athletic Hall last week and a good sum was realized for the benefit of the work of the hospital. The whole affair was under the direction of the president, Mrs. C. B. Flewin.

W. Black will be returning this week to headquarters at Winnipeg of the Hudson's Bay Company. Mr. Black has been here in connection with the formal taking over of the McColl store by the Hudson's Bay Company.

The funeral of the late Eddy Henry, son of Mr. and Mrs. James Henry, took place last week. The Port Simpson Concert Band, of which deceased was a member, had charge of the funeral arrangements. Deceased leaves, besides his parents, his wife, two children, a brother and five sisters.

port the church in its fight for peace. Unquestionably, the sentiment and influence of the church had already done much to prevent war. Scandinavians, Mr. Dybhavn stated, formed twenty to twenty-five percent of the population of Prince Rupert. It would seem that the Lutheran might well be the largest and strongest denomination in Prince Rupert. If the church was to thrive, however, it was necessary for all to stand together.

Mr. Aasen, in addressing the meeting, urged the importance of the Lutheran communion working in harmony and co-operation with other denominations in advancing the spiritual interests of the community. The church was an institution which no civilized community should be without. Describing his church survey and organization work here during the past few weeks, Mr. Aasen stated that he had found 200 Lutheran homes here with between 1200 and 1500 Scandinavians resident in the city. Norwegians being overwhelmingly in the majority. No less than 104 families had expressed themselves as being anxious to see the Lutheran Church a going concern. Fifty-five heads of families had made definite pledges of financial support and there were others who had also promised their support. He was

much gratified at the response. Mr. Aasen said, and he was appreciative of the reception he had been accorded. Such progress had been made in the church organization work that the Bishop had said that a pastor would be sent here as soon as humanly possible. Meantime, arrangements had been made for the holding of services.

To maintain a church here, it was estimated it would cost about \$1200. Mr. Dybhavn stated it should be easy to do this if the 200 Lutheran families would get together.

During the evening there was a brief program which included a reading by Mrs. Hans Underdahl and selections by the Varden Singers under the leadership of Peter Lien.

After the meeting, there was a social hour during which refreshments were served.

# "... So that Our Visitors will be Sorry to Leave"

"If we are going to invite people to this country, we must be honest with them . . . Courtesy costs nothing and is one of our greatest tourist assets . . . Let us so treat strangers within our gates that it will be easy for them to come, pleasant for them to stay, and difficult for them to leave."

By Hon. R. B. BENNETT, Prime Minister of Canada, to the Canadian Association of Tourist and Publicity Bureaus, November 9, 1934.

Canada's tourist activities represent more than a great industry from which everybody benefits. They provide an opportunity to create what the Prime Minister has described as "that feeling of neighbourliness" which is such a vital factor in building up cordial relations within the family of nations.

For both these reasons, may I urge upon the people of Canada the importance of showing consideration, courtesy and honesty to guests of our country? Let us all do these little acts of kindness which count for so much when one travels in a strange land.

We have a beautiful country. We must keep it so. We want our visitors to travel highways free from disfigurement, walk the streets of cities that are orderly and clean, and find at the end of every day's travel an inviting spot to rest. Canadians should turn their attention now to the important work of preparing for next year's tourist season.

As a nation, we are advertising abroad the attractions of Canada as a holiday land. We must see to it that our guests return home with only the happiest recollections—and the determination to come back again and again.

Nor should we forget, in planning our own vacations, that there are beauties to discover and friendships to be made in our neighbouring provinces. We live in one of the world's most glorious playgrounds—let us learn to know better the rich variety of its travel attractions.

## Give The Daily News For Christmas

Most people are puzzled at Christmas time to know what to give as the most acceptable seasonable present. Here is a suggestion. Send them the Daily News for a year. On gift subscriptions we are making a special rate as follows: To out-of-town friends, if sent by someone who is already taking the paper

### The price is by mail \$2.00 for the year

In the city a subscriber may give a paid in advance subscription to a friend who is not now a subscriber at a special rate of \$4.00 a year or \$2.00 a half year. These prices are good any time between now and Christmas Day.

## Premier Sends A Contribution

Local Donations to Salvation Army Fund Come in Very Slowly This Year

The Salvation Army fund is not growing very rapidly. While the substantial contribution from the Premier just received will help materially, there is a noticeable falling off in the small contributions which are so essential as indicating a real sympathy with the Christmas Cheer movement.

The management of the Capitol Theatre is planning to give a food performance for the children next week, the date for which has now been set for Friday afternoon.

Adjutant Laycock already has applications for hampers from a number of people who will not be able to celebrate Christmas without outside help. She would like to hear from any who may be expecting to share in the hamper distribution so that she will have time to investigate the conditions and see that each hamper is well placed.

## MAY VISIT THIS CITY

Capitol Theatre Negotiating to Bring Scottish Musical Players Here

Manager D. G. Borland of the Capitol Theatre here is at present negotiating with a view to bringing to the city possibly towards the end of January a real musical and histrionic treat in the Scottish Musical Players who are on a transcontinental tour of Canada and will shortly be in Southern British Columbia. The repertoire of the Scottish Musical Players includes two-act romances such as "Bonnie Prince Charlie," "The Cotter's Saturday Night," "A Highland Love Song," "Tam o' Shanter," "Beside the Bonnie Brier Bush," etc.

If arrangements for the engagement are successfully completed, the party would probably be here for two days with matinee and evening performances on both. It is the second transcontinental tour of Canada the Scottish Musical Players have made. They have been acclaimed highly at all points they have visited.

Mrs. Dan Kristmanson sails tonight on the Prince George for a visit in Vancouver.

## "NOT CONSTIPATED FOR SEVEN WEEKS"

Writes Mrs. Johnson After Using Kellogg's ALL-BRAN

Sufferers from constipation will be interested in this unsolicited letter:

"Your ALL-BRAN surely relieves constipation. I am so glad over the good it has done me that I feel I must write and tell you of it.

"For lunch I take a banana, a large one. Six tablespoons of ALL-BRAN in a sauce dish, and dip banana at each bite until all is consumed. I haven't been constipated now for seven weeks."—Mrs. Louise Johnson (address furnished upon request).

Constipation often causes headaches, loss of appetite and energy, sleeplessness. This condition is usually due to lack of "bulk" to exercise the intestines, and vitamin B to further promote regular habits. Kellogg's ALL-BRAN has both, as well as iron for the blood.

The "bulk" in ALL-BRAN is much like that in leafy vegetables. Within the body, it forms a soft mass. Gently, it clears out the wastes.

Try ALL-BRAN in place of patent medicines—often harmful. Two tablespoonfuls daily will overcome most types of constipation. Chronic cases, with each meal. If not relieved this way, see your doctor.

Use as a cereal, or in cooking. Recipes on the red-and-green package. Sold by all grocers. Made by Kellogg in London, Ontario.

## Surprise Party Tuesday Evening

Mr. and Mrs. Anton Dybhavn Honored by Friends—Presentation Is Made

Some forty friends joined Tuesday night in a surprise visit on Mr. and Mrs. Anton Dybhavn, Ninth Avenue West. From there all repaired to the Metropole Hall where dancing was enjoyed from 9 p.m. until 2 a.m. with music by Julius Welle's Orchestra. Refreshments were served and the presentation was made by Dan Larsen, on behalf of those assembled, of a beautiful floor lamp to Mr. and Mrs. Dybhavn. Speeches were made by several others present and comic songs were sung by H. Gudbransen and Martin Skog.
