Snowplows have been placed into use in Iowa, Dakotas, Nebraska. Minnesota and surrounding states as a result of terrific dust storms which have swept fine particles of dirt into huge drifts on the highways and farms. The dust also has been disastrous to stock, scores of cattle having died as a result of eating dustcovered food. The photos show farmers plowing away the dust near Spencer, Ia., where the drifts were heavy. Rains of the last few days have somewhat relieved the drought.

HIGH WINS IN SOCCER

Defeated Borden Street 3 to 1 in Junior Football Last Night

vigorously contested game, High School annexed two more points by defeating Borden Street by three goals to one in a regular Junior Football League fixture played last evening.

High School pressed and the Borden defence had to concede two corners. Fitch cleared and sent Monkley with a fine run. O'Neill and Barton combined well but were stopped by Kelsey and Ritchie. Grimble and McMeekin attacked and Postuk had to save from Irvine. Mah cleared strongly and, after a fine run by Monkley and O'-Neill, Currie beat Blake with a low oblique shot to give Borden the lead. After the centre, High attacked and soon Houston scored. A powerful shot by Veitch from near mid-field was saved by Postuk. Houston was dangerous and, from his pass, Irvine put the High School in the lead. Half time score: High, 2 goals; Borden, 1.

During the entire second half Borden fought determinedly and attacked repeatedly. Mah and Fitch fed their forwards well and Smith played a fine game for his first appearance on the Borden team. A well directed effort by Ir Gulick at the expense of a corner. Borden Street, one goal. Postuk had saved, Grimble added vine. a third goal for High School. Bor- Borden Street Postuk; Willis-
