ROOSEVELT MAY SEEK MORE POWER MUCH OF ANCIENT CITY OF TIBERIAS WRECKED BY FLOOD

Failure of National Recovery Act Causes President to Think

Breach Between Manufacturing Interests and Organized Labor in United States Becoming More Widespread—Collective Bargaining Still Demanded

WASHINGTON, D.C., May 14:—With the National Recovery Act showing many signs of failure and the industrial progress of the past few months commencing to fall off on account of widespread strikes either in progress or impending and for other causes, it was stated in authoritative quarters here last night that President Franklin D. Roosevelt was considering the

issuing of an executive order to control prices of manufactured products and margins of profit. The American Federation of Labor and other labor organizations continue to claim that, under the N. R. A., labor is being exploited by the manufacturing interests. Labor is, apparently, intending to continue adamant in its stand for collective bargaining.

President Roosevelt left the Capitol Saturday night for a week-end cruise down the Potomac River, stating that he was taking this opportunity to give undisturbed reflection to perplexing problems which were facing the country.

Seeks Divorce

GLORIA SWANSON

CHICAGO, May 14:—Visiting Chicago over the end of the week enroute to Hollywood, Gloria Swanson, well known screen actress, is reported to have intimated that she would file suit for divorce against Michael Farmer, the latest of her series of husbands, within ten days. Her name is being now linked with that of Herbert Marshall, well known British screen star. Miss Swanson, while here, visited her old home near Wrigley Field.

Senate Expected To Approve Bill

WASHINGTON, D.C., May 14:—The Senate at the end of the week rejected a number of amendments to the stock regulation bill which is expected to be adopted early this week, possibly today. The measure has already been ratified by the House of Representatives.

Hart-Sloan Satisfied With Trip

VANCOUVER, May 14:—Hon. John Hart, minister of finance, and Hon. Gordon Sloan, attorney general, arrived here this morning from Ottawa but, beyond the declaration that they themselves were well satisfied with the results of the trip, they had no public announcement to make. Mr. Hart remains here until Tuesday and may possibly issue a statement at Victoria Tuesday night. Premier T. D. Pattullo is still in the east on financial business of the province.

Halibut Arrivals

Summary
 American—73,500 pounds, 7.3c and 5c to 8.1c and 5c.
 Canadian—99,300 pounds, 5c and 4.5c to 6c and 5c.

American
 McKinley, 40,000, Cold Storage, 7.3c and 5c.
 Spray, 28,000, left for Seattle.
 Wave, 6,500, Atlin, 7.9c and 5c.

Jungle Survivor and Bushmen Friends

A picture from the album of Newton C. Marshall, showing the American engineer with two natives of the wild Choco district of Colombia. It was Indians of this type that rescued Marshall when he was lost in the jungle for three weeks following aeroplane crash that killed his four companions.

High Honors Are Won By Well Known Local Students of City

Bob Matheson Leads Mining Engineering Class at University of B.C.—Don Finn Secures His Ph. D.—Julia Walters Best Nurse at Vancouver General

From three varied lines of educational endeavor today come reports of well known Prince Rupert folk winning high honors. In each case the students concerned will receive hearty congratulations for their accomplishments. Pass lists of the University of British Columbia which have just been received show that Bob Matheson, son of

City Treasurer and Mrs. D. J. Matheson, led his class in fourth year mining engineering examinations. Bob is a graduate of King Edward High School here.

Another interesting educational accomplishment to be announced today is that of D. B. Finn, former director of the Prince Rupert Fisheries Experimental Station, securing his Doctor of Philosophy degree from Cambridge University in England. Dr. Finn landed from England yesterday at Halifax where he will take charge of the Biological Board of Canada's experimental station, having been transferred there from Prince Rupert recently.

From Vancouver it is learned that Miss Julia Walters, second daughter of Mr. and Mrs. Michael Walters, has graduated as a nurse from the Vancouver General Hospital and, in so doing, won the coveted R. E. McKechnie medal for general proficiency. Miss Walters' parents, pioneer residents of Prince Rupert, moved recently to Ocean Falls. She received all her school education in Prince Rupert.

Insults to Be Arraigned This Week in Chicago

CHICAGO, May 14:—Samuel Insull sr. and his brother, Martin Insull, will be arraigned here on Wednesday on charges of grand larceny and embezzlement, upon which they have been indicted, as a result of the collapse of their utility enterprises.

Twenty People Drowned In Sea of Galilee Port By Torrential Rain

Wall of Water Sweeps Down Street, Carrying Entire Thoroughfares Ahead of it in Some Sections of Biblical Metropolis

JERUSALEM, Palestine, May 14: (CP)—A torrential rainfall today sent a wall of water sweeping down the streets of Tiberias on the Sea of Galilee, drowning at least twenty persons and wrecking much of the ancient city. Entire streets were being washed away in some sections by the flood waters.

PRINCESS REFLOATS

Local Salvage Boat Freed From Grenville Channel Reef

As a result of her stranding late last week near the entrance of Union Passage in Grenville Channel, the Armour Salvage Co.'s power tug Salvage Princess lost her false keel and her keel is also believed damaged although the vessel is making no water and her hull is not damaged, it is thought.

With her own engine and winch power on a couple of blocks and the assistance of the power tugs Pachena and Jedway, the Salvage Princess was refloated at midnight Saturday from the reef where she stranded on the high tide Thursday night. She then proceeded into Union Pass to pick up a tow of logs for delivery to the Georgetown box factory at Big Bay north of here. She is expected to return here this evening from Georgetown.

The Pachena and the Jedway returned to port Sunday afternoon at 3 o'clock.

FIGHTING OF CRIME

Both President and Chief Justice of United States Appeal for Public Assistance

WASHINGTON, D.C., May 14:—Stirred by the apparently increasing crime wave throughout the country, both President Franklin D. Roosevelt and Chief Justice Charles Evans Hughes appealed at the end of the week to law-abiding citizens and organizations to lend their aid in combatting crime.

President Roosevelt urged the American Bar Association to exert its influence with a view to amending the criminal code so amended to meet the increasingly serious situation.

"A robust civil sentiment and sense of justice" on the part of the public would go far towards deterring crime, Chief Justice Hughes declared. Meantime Attorney General Cummings has intimated that he will ask Congress for a further large appropriation with which to fight lawlessness.

Roosevelt Hopeful Of Agreement On White Metal Soon

WASHINGTON, D.C., May 14:—Following a conference at the end of the week with the silverites, President Roosevelt merely commented that his views were unchanged. He seemed optimistic, however, over prospects for an early silver stabilization agreement.

Production of Cariboo Gold During April

VANCOUVER, May 14: (CP)—Production of the Cariboo Gold Quartz mine for April was 897 ounces of gold valued at \$31,000.

SATISFACTORY OUTCOME

Frank Grigware of Jasper will not be taken to the United States to answer for a crime said to have been committed 24 years ago. That is one time where official action has been correct. If Grigware was a criminal twenty years ago, which is denied, he has since lived a decent life. That should be sufficient to satisfy anyone. He will now have a feeling of security which he could not have had before publicity was given to his identity. He will also retain his standing as a citizen of the province of Alberta for the support he received from the public indicates that his position was appreciated.

EVERYONE TALKS MINING

Nearly everybody is talking mining today. No matter where you go in British Columbia you hear the same story. People are becoming mine conscious, something which bodes well for the future of the industry. While the price of gold and silver are the chief controlling features in the matter of prosperity, there has to be a corresponding reaction on the part of the people before the industry really comes into its own.

WHY DAMN VANCOUVER?

Vancouver is often criticized by people in the outlying sections of the province. It is said that she hogs everything. When the loggers or miners quit their jobs they go to Vancouver to spend their money. Vancouver is the magnet which sooner or later draws everyone.

The reverse of this is that Vancouver is the supply centre for money for development in any part of the province. If a person has a company to float he goes off to Vancouver to try to get cash. Sometimes he gets it, if he has a sound proposition and sometimes he gets it even if his proposition is not very sound. We can't get along without Vancouver so let us use her all we can to our mutual advantage.

SPORT NEWS

CLOSE RACE ON DIAMOND

Pirates, Cubs and Cards Waging Merry Battle For Supremacy In National League

WASHINGTON, D.C., May 14: (CP)—Washington Senators lost both ends of a double-header to St. Louis yesterday, the opener going 17 innings to a six to two victory. The Pirates, who were the five victors, and, although somewhat retrieving themselves by conquering the Detroit Tigers in the first game of a new series yesterday, are now tied with the Detroiters for fourth place. Philadelphia Athletics are in third place, having won over St. Louis Browns yesterday after losing to the Tigers in a close game Saturday.

The New York Giants, winning from the Cardinals on Saturday and losing to the Chicago Cubs yesterday, are still in fourth place in the National League. The Pittsburgh Pirates, as a result of weekend play, are in first place, with a mathematical lead over the Chicago Cubs who, in point of games won, actually should be on top.

Week-end Big League scores:

SATURDAY SCORES

American League

Detroit 4, Philadelphia 3.
 Chicago 3, New York 4.
 Cleveland 7, Boston 2.
 St. Louis 6-2, Washington 5-1 (17 innings, first game).

ST. LOUIS FRANCHISE

United States City Will Replace Ottawa in National Hockey League

CHICAGO, May 14: (CP)—St. Louis was awarded a franchise in the National Hockey League on Saturday replacing Ottawa.

HIGH HAS EASY WIN

Booth Weakened in Latter Stages Of Junior Football Game

After holding their own for most of the game and frequently outplaying their opponents, Booth Memorial School weakened and was finally defeated by the decisive score of five goals to nil in the regular Junior Football League fixture with King Edward High School on Saturday afternoon.

McMeekin shot well for Krause to bring off a good save. Holkestad made a fine run and later, with Carlyle, also combined but Husoy was forced to shoot behind. Booth was playing a nice forward game but found Veitch a stumbling block. McMeekin, Houston and Irvine combined well and Eastman did well to clear. McMeekin later beat Krause with a powerful drive. Cameron was brought down and a moment later was again dangerous.

The second half found the teams struggling on even terms. McMeekin hit the bar and Irvine shot past. Krause saved from Veitch and McMeekin. High was now definitely on top. After Krause had saved twice he misfired a return and Veitch scored. Booth attacked nicely and Blake and Ericksen were very lucky to scramble the ball away. Veitch and McMeekin beat a tiring defence to add two more goals. Again Booth made a finely combined attack but Jack Ritchie was brought down and the free kick cleared. Cameron went through but Husoy shot past. Grimble added a fifth to end the scoring.

High was best served by Veitch, Ritchie, Yamanaka, McMeekin and Irvine and Booth by Krause, Rice, Eastman, McKay, Holkestad, Carlyle, Ritchie and Cameron.

High—Blake; Ericksen, Bob Ritchie; Wick, Veitch, Yamanaka; Lear, Grimble, Houston, McMeekin, Irvine.

Booth—Krause; Rice, Eastman; Clausen, McKay, Brown; Husoy, Cameron, J. Ritchie, Carlyle, Holkestad.

Referee, J. Carroll.

The league standing:
 W. D. L. F. A. P.
 High 2 1 0 8 2 5
 Borden 1 1 0 3 2 3
 Booth 0 0 3 0 7 0

SOCCER ON THIS WEEK

The executive of the Prince Rupert Football Association, at a meeting yesterday with Jack Preece, vice-president, in the chair, decided to run off the Gilhuly Cup series of games first this week, starting on Thursday of this week with Regiment meeting Merchants. "NEWS FLASHES"

Production of General Motors of Canada during March set new high mark for the year to date and shattered all monthly production records for the past thirty-four months. The output for the month was 70% ahead of 1933.

Domestic and export production for the period January 1st to April 10th, 1934 was 46.8% in excess of the same period during 1933.

Retail sales of General Motors products in Canada during the period January 1st to April 10th, 1934 were 31.6% ahead of the same period in 1933.

Orders on file greatly exceed those of any similar period since 1929.

Business is excellent, and our management are doing everything that is humanly possible to meet the unprecedented demand for General Motors products.

Yours very truly,
P. N. BERRY,
Sales Promotion Manager.

The above is a letter just received and we assure our customers we are doing everything possible to procure cars to fill our orders.

LOCAL NEWS NOTES

New Shipment White Hats, \$1.25 and \$2.25. Demers. 112

We are still buying old gold, Bulger's. (tf)

Valhalla Benefit Bridge and Dance, Metropole Hall, Friday, June 1, 8.15. Refreshments. (tf)

William Goldbloom sailed last night on the Catala to make the round trip to Anyox and Stewart on business.

Mrs. D. L. McIntomney was a passenger aboard the Catala last evening returning to her home at Anyox after a trip to Vancouver to receive medical treatment.

Jack Garrett of the local Government Agent's office staff sailed on the Princess Norah this morning for a trip to Telegraph Creek on official business. He will be away for the next month or so.

Mrs. P. C. Miller sailed on the Princess Norah for a trip to Sitka where she will pay a visit with her son, Duncan Miller who is acting as Canadian Customs officer there for the season.

Rt. Rev. E. M. Bunoz O. M. I., Roman Catholic Church Bishop for Northern British Columbia and the Yukon, will leave on this afternoon's train for a trip to Smithers, Prince George and other interior points on ecclesiastical duties.

Dick Ivinich and C. Johnson, being held by the city police on charges of drunkenness and theft respectively, have been remanded. A juvenile boy, who was being held for incorrigibility, was returned to his parents on the understanding that he would mend his ways and submit to their discipline.

Mrs. L. Sibley, who arrived here recently from Stewart, sailed this morning on the Princess Norah for a trip to Juneau.

Women's Canadian Club—Mrs. W. G. Wilson of Victoria on "Rambles Around Rome" at the City Hall Wednesday, May 16 at 3.45 p.m. Admission 25c. 113

G. E. Gulick, local manager of the Swift-Canadian Co., sailed last evening on the Catala to make the round trip to Anyox and Stewart on company business.

J. C. Hunt of Port Essington leaves on this evening's train for a trip to Burns Lake where a brother resides and where he has farming interests.

Miss Helen Sim sailed Saturday night on the Cardena for Vancouver where she will proceed to Kamloops where it is her intention to take up future residence.

The case of James Flewin of Port Essington, charged with assault, was further adjourned for eight days on coming up before Stipendiary Magistrate Andrew Thompson in provincial police court on Saturday.

William Vance has been spending a week here visiting with his parents, Mr. and Mrs. W. D. Vance, Fourth Avenue East, and will sail Wednesday afternoon on the Prince George on his return to Anyox where he is in the service of the Granby Co.

Slight damage was done this morning at 10:30 to the roof of a small cottage to the rear of the Prince Rupert Hotel by sparks flying from the chimney and igniting shingles. The fire department was called and soon put the fire out. There was no insurance.

Memorial Service Of Moose Lodge

Stewart and Hyder Members Present at Rites Recently

STEWART, May 14:—The annual memorial service of the Portland Canal Lodge, No. 1218, Loyal Order of Moose, was held in the Pioneer Hall, Hyder, last Sunday evening.

This service which is held alternately in Hyder and Stewart, was conducted by officials of the Moose in co-operation with Rev. Father Wallace and Rev. Frank Bushfield. Soloists were Miss Maureen Murphy, Richard Traversy and James Morrice. A duet was given by the Miss Catherine Jack and Helen Knipple. St. Mark's Junion choir, under the direction of A. Russwurm, was in attendance. Rev. Mr. Bushfield gave the address, taking as his theme "What Is Life?" and pointing out that, in connection with memorial services, it had been the custom for the Christian churches to teach people to prepare for death, whereas the real need was to teach people to prepare for Life.

Gardening In Prince Rupert

There does not seem to be a street in Prince Rupert that has not been affected by the gardening bug. Everywhere one goes one sees improvements. Grounds are being dug up that never were dug before. Present gardens are being extended, rockeries built, plants set out. The change over previous years is very marked.

Sunday evening I made a brief visit to Seal Cove and was much impressed with the improvements going on there. On the top of the hill overlooking the harbor is one of the choicest residential sites in the city and each home is developing a garden. Most of the people there own their own homes and even those who do not are actively improving their places. Seal Cove is well in line with the work going on in other parts of the city.

On the way out I was attracted by Henry Elliott's place, so I dropped in and gave it the once over. Mrs. Elliott, who seems to look after the floral end of the garden, has a very pretty rock garden with phlox and other alpine in bloom. That is the feature that attracted me. Henry has a wonderful vegetable garden with pole beans already above the ground, potatoes up three inches and broad beans well on the way. In his little greenhouse the tomatoes look well. The whole place shows the effect of industry well applied. The house is named Llanfabon after the Welsh village from which the proprietor came to Canada.—H. F. P.

Novel Tea At United Church

Exhibits of Chinese Handiwork and Arts Shown at Function

The Chinese knowledge tea at the United Church last Thursday afternoon was a successful and novel affair. The posters depicting Chinese life and the model village were prepared by the C. G. I. T. and the Mission Band during their course of study in the winter. Much of the success was due to the loans of brass and china by Max Heilbronner, linens and silks by McLaren's Music Store, a collection of foods by the Sunrise Grocery and books from the library. Many other articles showing fine workmanship were collected and exhibited by the members of the Woman's Missionary Society. The street vendor had sweets for the children. A set of slides entitled "Forward China" was shown. A keen interest was taken by all, not among the least being the Chinese themselves.

40 Brain Workers Tested This Remedy in Clinic at Hospital

Their nervous energy depleted by over-study as examination time approached, a group of students, who were definitely below normal in blood condition, formed the "test patients" for a leading Canadian hospital. The remedy prescribed for this five weeks' test was Dr. Williams' Pink Pills. The purpose was to determine to what extent this world-known preparation would increase the haemoglobin and red corpuscles in the blood and so rebuild blood-health and restore normal vigor and strength.

The results were indeed notable. The carefully kept records showed that in every case where the patients' blood count had been below normal, the number of red corpuscles was increased, and in 38 out of 40 cases, or 95 per cent., the students experienced increases in haemoglobin also, in some instances as much as 22 per cent. The physician in charge considered this showing as most impressive. The student-patients stated that they felt much more energetic, with a new sense of well-being.

It is the haemoglobin in your blood that carries vital, life-giving oxygen to every cell in your body. If you are always tired, exhausted, breathless on exertion, nervous, irritable, lack appetite, most probably your blood count is below normal. Start taking this hospital-tested remedy and see how soon these symptoms will begin to disappear, and how much better you will begin to feel. You and your family are taking no chances. Dr. Williams' Pink Pills are hospital-proven. At all druggists—50c a package.

Individual reports on these 40 patients, certified by the hospital pathologist, are on file.

WHIFFLETS

From the Waterfront

Almost twenty-four hours late on account of having had heavy freights to discharge at cannery points along the coast, Union steamer Cardena, Capt. Ernest Georgeson, arrived in port at 7 o'clock Saturday evening and sailed at 10 p.m. on her return south. The Cardena, which has been running late northbound a good deal recently, should make better time henceforth as the steamer Venture is being placed in service out of Vancouver on the logging camp run and will relieve her of the Smith's and Rivers Inlet calls.

With a rather light list of passengers but considerable freight for points north of here, Union steamer Catala, Capt. A. E. Dickson, arrived in port at 6:45 last evening from the south and sailed at 8 p.m. for Anyox and Stewart whence she will return here tomorrow morning and sail at 1:30 p.m. on her return to Vancouver and waypoints.

On her regular ten-day schedule voyage to Alaska, C. P. R. steamer Princess Norah, Capt. William Palmer, arrived in port at 9 o'clock this morning from Vancouver and sailed two hours later for Skagway and other northern points whence she will return here on Friday afternoon southbound. The vessel had on board 115 passengers on arrival here. Two disembarked at this port while eight went north aboard her. The list for Skagway included 85 members of White Pass and Yukon Route river boats headed by Captains Macdonald, Campbell, Morrison and Coghlan. There were also a number of miners on board.

P. J. O'Rourke, well known Stewart prospector and mining man, was a passenger aboard the Catala last evening returning to the Portland Canal camp after a trip to Vancouver.

DROUGHT IS NOW ENDING

Widespread Damage to Prairie Crops From Dust-Storms

Terrific Heat

Was Most Severe Dry Spell Middle West Has Had in Forty Years

CHICAGO, May 14:—Bringing relief after a six-week's drought which did millions of dollars damage to the grain crops, there was widespread precipitation over the Middle West yesterday, varying from heavy rainfall to light showers. Storm clouds were gathering last night and further rain was expected during the ensuing twenty-four hours, extending as far south as Kentucky and Tennessee.

Black Blizzards

WINNIPEG, May 14: (CP)—Whipping up seed and topsoil from the Great Lakes to the Alberta foothills, "black blizzards" at the week-end left in their wake anxious farmers wondering whether it would be necessary to re-seed silt-drifted wheat lands and fearful of serious consequences unless early rain ends the protracted dry spell. During the height of the storm the sun's light was obliterated and cities and towns were covered with dust.

Across the border in Minnesota and North Dakota the land continued to be seared by the blazing sun and swept by severe dust storms, making it necessary for airplanes to climb to an altitude of 15,000 feet in some instances to reach clear air. Fanned by the dry winds, prairie fires were also reported to be doing considerable damage in Minnesota and elsewhere on the American prairies.

Reports stated that the dust, carried by the high winds, had reached as far east as Pennsylvania and New York and was actually being swept out far over the Atlantic Ocean.

Crop conditions in the central states are critical owing to the drought and heat.

Crop is Shrinking

WASHINGTON, D.C., May 14:—Secretary of Agriculture Wallace declares that the crop of the United States has been shrinking at the rate of a million bushels a day as a result of the most severe drought the American prairies have experienced in forty years. Dust storms were raging at the week-end over an estimated seven million square miles of farm lands. There has been millions of dollars crop damage.

SELLS STEWART STAGE

STEWART, May 14:—Percy Dietrich, well known local stage man, who has been in poor health this winter, has sold his Premier stage business to Neil Galbraith, A. Urquhart and S. Renahan, as he is not in sufficiently good health to operate the run himself. The new firm is opening offices on Fifth Street.
