### A WORTHY CAUSE

Once more we commend to the people of Prince Rupert the Salvation Army campaign to raise funds for the purpose of bringing joy to many during the Christmas Season. Most people would like to help someone during the festive period but they are not in touch with those who are needy. The Salvation Army has exceptional opportunity to find out who are in need and who are not and to see that hampers go to the right people. Donations are not made to the Salvation Army but to the cause in which they are acting. They are simply the agents through whom the cheer is dispensed.

### MR. BENNETT'S STATEMENT

Mr. Bennett again says he is in favor of making a reciprocity pact with the United States. He said something like that a year or two ago but nothing came of it. We hope this time a better effort will be made.

Mr. Bennett also says the government will take action to prevent abuses in connection with chain stores and price spreads but nobody seems to expect anything much along that line from the government. We hope the sceptics are wrong and that Mr. Bennett will introduce satisfactory legislation at the next session of the federal parliament.

## WAS GREAT NEWS MAN

Late Lord Riddell One of Powers in British Journalism

Trained in law, Lord Riddell, whose death in England is recorded, started his career as a solicitor in 1888 but added journalism as a side line when he acquired an interest in the Western Mail, Cardiff, publishing later becoming his chief interest. Soon after the turn of the century, he obtained control of the News of the World.

Developing the paper along popular lines, he made himself wealthy and powerful. In 1934 this publication claimed a certified net sale of more than 1,350,000 copies.

Meanwhile he had gradually extended his publishing interests.

His publications differed widely in character but he took a keen personal interest in each of them and was in constant touch with their daily problems.

By 1908, when he was knighted, he had become one of the most influential personalities in London journalism and after the outbreak of the world war he became the chief publicity link between the press and the government. In this capacity he represented the British press at the peace conference in 1919 and at all important allied conferences subsequently, including the Washington conference on disarmament in 1922.

He was created a baronet in 1928 and in 1929 his war services were rewarded by his elevation to the peerage as Baron Riddell of Walmley Heath.

### Stays in London

George Alexander Eddell was born May 25, 1885, in London, son of Mr. and Mrs. James Eddell. He married Annie Mollon, daughter of Mr. and Mrs. D. W. Alexander. They had no children.

Though he was frail in appearance, he was an indefatigable worker not only in the publishing field but in authorship of books and in hospital interests with maternity welfare commanding leading attention.

When he was 98, he said: "I work all day because I like it better than anything else. He was a son-of-a-bitch and a testator."

W. L. Coates, general agent here for the Canadian Pacific Railway, returned to the city on the Prince George last evening after spending a few days at Kyoto on business.

Says Sandy Mac

In whisky, as in friendship - "the best is never a matter of chance".  
The best in whisky is best because of the years of experience and skill that have been put into its distillation and blending - into the care and selection of the fine Scotch Malt whiskies, and so, no matter where you may be, you may always confidently say - "Such the best friend of mine"

# CHRISTMAS GIFTS

## GIRLS!!

Here are some tips on buying gifts for men, by a man's store.

### FORSYTH SCARVES

This year it's going to be a Wool Scarf season and the reefer style is the most popular one. First choice of nine out of ten men would be Forsyth, soft, warm wool from Scotland of course! Various plaids, absolutely correct and wonderful value price, up from \$1.75

Dressing Gowns —  
Smoking Jackets —  
Sport Jackets — in attractive styles and colors, are useful Christmas Gifts!

### FORSYTH SHIRTS

It's the collar that counts in a shirt. No matter how expensive and well-cut a man's clothes he simply can't look smart and well dressed in a "sloppy," ill-fitting shirt and collar. By far the most popular shirt—the one that men are buying—is the Forsyth with Prince Eric collar attached. \$2.00 in handsome gift boxes, price, up from

### FORSYTH TIES

It's a good plan to choose a tie when you are buying a shirt—to make sure they "go" together. You needn't be afraid to buy him a tie, if you stick to fairly quiet colors and always remember his taste in shirt shades. Ask for our new Forsyth Ties to match; price, up from \$1.00

### FORSYTH PYJAMAS

Of course there are Pyjamas and Pyjamas. But when it comes to Gift Pyjamas you take the kind with a capital F. (Forsyth): There are others but as a woman you will probably prefer the real silk broadcloth plaid shades of blue, green, grey or maroon, all equally attractive. So you can't go wrong price, up from \$2.50

High School Cinches First Half Honors in Intermediate Basketball

The Canadian National Recreation Association continued its winning streak in the Senior Basketball League last night by beating the Grotto 41 to 28. Half time score was 21-14 in favor of the railroaders. Johnson gathered 17 points for the C. N. R. A. The game was ragged and was slowed up by many fouls. The C. High School cinched the first half of the Intermediate League by beating the Warriors 31 to 21 in a ragged game. Lindsay garnered 14 points for the Students while J. Comadina grabbed 13 for the Warriors. The issue was never in doubt.

In the opening game of the card the Scythians trimmed the Junior High School 18 to 13. Bill Bacon made his first appearance as referee.

Only Half of Billiard League Games Scheduled For This Week Are So Far Run Off

The Prince Rupert Billiard League is again having difficulty in getting into action despite the repeated re-organizations. Only half of the games in last night's fixture between Canadian Legion and Empress were played, the Empress taking an aggregate lead of 738 to 649 while only three of the six games scheduled for Tuesday evening between Grotto and Elks have been run off, the Elks having a lead to date of 735 to 689.

Last night's scores were as follows:

C. L. Youngman, Canadian Legion, 254; Pete Pritchard, Empress, 250.  
George Cripps, 250; William Macey, 238.

M. M. Lamb vs. W. McLeod, 250.  
Games of G. P. Tinker (Legion) vs. A. Cameron (Empress), A. Harvey vs. A. Donald and G. A. Woodland vs. M. E. Young are to be played tonight.

In the third game of Tuesday night's fixture, William Stuart, Elks, defeated T. Kerrigan, Grotto, 250 to 235.

## Capilano's Second Cellar Brings You The Perfect Brew

CAPILANO Beer must be good. That accounts for its ever-increasing popularity. To cope with insistent demand from all parts of the Province for this good beer, more and more capital outlay has been made for additional brewing, fermenting and storage space. This necessitated the installation of a huge second cellar, where "Capilano" ages for months in great wooden casks under the most exacting conditions of cleanliness and refrigeration. This new cellar, completed months ago, now brings to the consuming public the ultimate brew, by bottle and draught, with the added assurance of unfailing response to all who ask for "Capilano."

## NEWS OF THE MINES

Big Anyox Blast Was Complete Success—Work Proceeding Steadily at Big Missouri—Dunwell November Shipments

The big blast in the Hidden Creek mine at Anyox last week was completely successful, according to further word of the blast which has been received here. No one was hurt and no damage whatever was done to property. Everything in connection with the explosion came out just as had been planned. Later in the day of the blast an overhang of ore at the top of the glory hole caved in as had been planned. The northeast wall of the glory hole now has the appearance of having had a huge wedge sliced out with a giant knife. No damage was done inside the mine. Approximately sixty-five tons of powder was used in the operation, no less than 5600 holes being blasted. Two glory holes have now been joined as a result of the big blast, forming a vast chasm. The blast broke down 500,000 tons of ore which, in the normal course of operation, would take some four months to handle.

Working two shifts and driving some eight to nine feet per day, the long 2250 level being driven from the Day ground in the Big Missouri mine at Stewart is reported to be now in some two hundred feet. The 50-odd foot raise from the 2250 up to the lower end of the snowshed has been completed and sealed in, providing a line of communication from the portal of 2250 up through the shed and the 2850 to the main camp. Conditions at the property are now understood to have settled down to completion of the big development program laid down some time ago and which includes the driving of the 2250 level a distance of some 2500 feet to a given point under the 2850 level at approximately 600 feet greater depth. Coincident with this work the big raise up from the 2850 is reported to be making satisfactory progress.

## GOLDEN RULE IN BUSINESS

Dean Gibson Gives Very Interesting Account of Business Experiment in United States

Entitling his address "An Industrial Miracle" at the Rotary Club luncheon yesterday afternoon, Dean Gibson told the story of an American factory in which the employer and employees decided to carry on all its operations as nearly as possible following out the Golden Rule. In any transaction or dispute the person had to ask himself: "If I were in your place and you in mine what would you want me to do?"

The concern prospered, wages were increased and so did the profits. In the first year the staff was increased 99% and the profits were large. The cost of production went down and eventually profit sharing went into force.

When the first slump came the employees were the first to suggest reductions and plans for decreasing the cost of production. The result was that the first slump year became a banner year in their business. After six years the business turnover amounted to \$15,000,000. The head of the firm, when asked for an opinion, said that he had no faith in the working out of new systems. Divine principle was the same in all cases and the law was adequate. He believed the teaching of the Golden Rule was as sound in practice as it was ideal in preaching.

President J. J. Little was in the chair and there was a good attendance of members with guests in the persons of F. M. Dockrill jr. of Telkwa and R. C. Hardie of Vancouver.

For failing to comply with an order to take precautions against fire hazard, Tom Shimizu appeared before Magistrate McLymont in city police court yesterday and was fined \$10. The charge, to which Shimizu pleaded not guilty, was laid under the Fire Marshal Act by Fire Chief J. R. Morrison. There had been carelessness in connection with the disposal of grease from the range in Shimizu's restaurant, it was alleged.

## BAZAAR AT U. CHURCH

Affair Yesterday Well Patronized And Was Complete Success

The First United Church Ladies' Aid held a very successful bazaar yesterday afternoon. The church parlors were prettily decorated in a winter setting of evergreen, tinsel and red for the occasion. The many stalls, with their gift suggestions, gave a Christmassy atmosphere and the lovely weather brought many callers who were received by the president, Mrs. James Krikevsky, assisted by Mrs. C. D. Clarke. The tea table was presided over by Mrs. W. H. Kerlin, Mrs. G. W. Dunn, Mrs. J. H. Thompson, Mrs. R. G. Large while those in charge of the tea room were Mrs. J. Clavring, Mrs. F. M. Davis and Mrs. G. V. Wilkinson, servers being the Misses Earl, Wilson, McGregor, Krikevsky and Wilkinson.

Those in charge of the different stalls were:

Fancy Work—Mrs. H. Killin, Mrs. N. Thomas, Mrs. M. Sollows, Mrs. Santerbane and Miss Dorothy Stiles. Men's Booth—Rev. C. D. Clarke and George Davey.

Candy Booth—Misses Sharp and Moore.

Home Cooking—Mrs. Moore, Mrs. George Davey and Mrs. J. S. Irvine.

Mrs. Lance Stiles was cashier.

A fine instrumental program was enjoyed during the afternoon. Those taking part were Miss Elizabeth Currie and H. Lindseth with a guitar duet, Misses Helen and Joy Green with a piano duet, and Master Norman Blackhall and Roy Judge, members of the Boys' Band, with cornet and trombone solos respectively.
