NEW LOGGING CAMP AT CUMSHEWA TO HAVE SEVENTY MEN

Mr. Allison expects to operate in this area for at least five years. There will be at least seventy men at this camp. The Armour Salvage Co.'s power tug Salvage Princess, Capt. Reg. Green, is assisting in moving the camp equipment from Queen Charlotte City to Cumshewa.

The third day of the revolution yesterday was marked by gunfire between regiments of Socialists and the regular army. Socialist women fought grimly beside their men, carrying ammunition and loading guns.

Taxi Strike Ties Up New York's Night Life

Striking taxi drivers, on picket duty, were snapped in New York as they persuaded an independent chauffeur to take his cab back to the garage. The recent strike of the New York taxi chauffeurs, called to compel action in their favor in the disposal of the 2,000,000 or more extra nickels collected from riders under the "nickel-tax" law that has been declared unconstitutional, was almost a complete tie-up, and even the independents were keeping their cars in the garages until the issue had been settled. There was no violence on either side, and no attempt was made to import strikebreaking chauffeurs by the big companies.

Changes In System of Taxation Recommended For British Columbia

Social Services Held to be "Onerous" Rather Than "Beneficial" Taxes—Real Property Declared Mainstay of Municipal Revenue

VICTORIA, Feb. 15: (CP)—Report of the Royal Commission, headed by Judge Harper of Vancouver with A. D. Peterson of Delta and Herbert Anscombe of Victoria as the other members, on municipal taxation has been presented to the government but it is not anticipated that new legislation based upon it will be enacted at the coming session of the Legislature. The government will study the recommendations and possibly deal with them at an autumn session, many members favoring an earlier sitting of the House.

The Commission is of the opinion that social services fall within the category of onerous rather than beneficial taxes and should be so distributed as to fall equitably upon all forms of wealth.

"A comprehensive survey of actual conditions," says the report, "must lead to the conclusion that real property is and must remain the mainstay of municipal revenue." Net profits tax is the fairest business tax, the commission reports, but if its imposition is deemed impracticable in view of Dominion and provincial income levies, it would recommend as an alternative business tax based upon the assessed value of land and buildings occupied or used in connection with business.

The commission does not recommend long term debenture issues, suggesting that loans be limited to twenty years. Fewer exemptions from income taxes are recommended as well as an increase in rates on the higher brackets in order to bolster up municipal revenues. Maintenance of mental homes

LEGION IS IN SESSION

Perpetuation of Organization Discussed—Many New Members Joining Up

At the regular monthly meeting of the Canadian Legion last evening, W. J. Rance, first vice-president, was in the chair and there was a good attendance of members.

The matter of the perpetuation of the Canadian Legion was under discussion. A provincial committee has the matter in hand and it will be one of the items on the agenda for the Dominion convention to be held at Ottawa in March. The question is a very live one and the deliberations of the Dominion convention will be followed closely.

As was the case last year, the Canadian Legion will participate in the Farewell to the Fishermen Dance to be held on the last Wednesday of the month.

The completion of the building has been delayed by so much wet weather but a continuation of the dry weather of the past few days will enable more rapid progress to be made. Plastering is well under way and, with this part done, the interior finishing will not be a long matter.

A very gratifying feature of the life of the Legion is the increasing number of returned men who are now linking up with the local branch. The value of the Canadian Legion in protecting the interests of the disabled veterans is recognized, especially when, it was claimed, certain interests would make payment of bonds a more vital matter than the payment of pensions to men and women who invested their lives for their country. New applications approved were from James M. Captair, George W. Zippis, W. H. Derry, A. E. Dickens, J. A. Hinton, W. Hume, Robert Hunter and Arthur Sutton.

Valentine Tea By Baptist Ladies

Successful Affair Held Yesterday Afternoon in Church Parlors

A very successful Valentine tea was held by the Baptist Ladies' Aid in the church parlors yesterday afternoon. The beautiful warm day enticed many to come out and, as a result, numerous callers patronized the affair.

The room was tastefully decorated with valentines, hearts and angels. A profusion of spring flowers—daffodils, irises, red and white carnations—centred the pouring table and added a touch of beauty in many places.

General convener was Mrs. Bert Morgan who was ably assisted in the tea room by Mrs. W. W. Wrathall. The serviteurs were Mesdames J. Armstrong, C. O. Campbell and Vic Houston. Presiding at the pouring table were Mrs. C. E. Larkin and Mrs. G. T. Hibbard.

In charge of home cooking table were Mrs. N. Fraser and Mrs. J. Hampton. The C. G. I. T. girls had charge of the candy table which was looked after by the Misses Armstrong and Bury.

The president, Mrs. Morris, received the guests and Mrs. J. Lindsay was cashier.

A short musical program arranged by Mrs. V. Houston consisted of enjoyable violin duets by the Misses E. Franks and E. Johnstone and violin solos by Miss Phyllis Hamblin. Accompanists were Mrs. Black and Miss E. Hamblin.

Cambrai Chapter Annual Dance Is Enjoyable Affair

A highly delightful dancing party was held last night by Cambrai Chapter, Imperial Order, Daughters of the Empire, at the I. O. D. E. Hall, some fifty couples being in attendance at the affair. The hall was prettily decorated with Valentine colors and emblems and presented a very attractive appearance. Excellent music was furnished by Charlie Balagno's Orchestra for the dancing which was in progress from 9:30 p.m. until 2 a.m. G. W. Laidler was master of ceremonies and A. J. Webber presided at the door.

Delicious refreshments were served at midnight. Exhibitions of tap dancing by pupils of Miss Eleanor Tite proved very entertaining.
