From the Waterfront

Having come off the pontoons last Saturday after having been out of the water for about three weeks. C. N. R. steamer Prince Charles is now tied up alongside the pier at the local dry dock where the job of giving the vessel a general overhaul is being completed. The Prince Charles is expected to go on the run between here and Vancouver via the Queen Charlotte Islands next week, replacing the steamer Prince John which is to have overhaul and repairs carried out after, two years of steady service with practically no interruption.

Delayed by having had extra freights to discharge at northern points, Union steamer Catala, Capt A. E. Dickson, returned here last evening at 5:15 from Anyox, Stewart and other northern points and sailed about an hour later for Vancouver and wayports.

Halibut prices continue steady here with such variation as there may be on the weak side. Taking the season as a whole, however, seldom, if ever, before have prices been known to have been so consistently steady. American boats with 26.500 pounds in all yesterday received 7c and 5c and 8c and 5c and Canadian boats 5.2c and 5c for 17,500 pounds.

On account of the resumption of the tie-up of shipping from Seattle to Alaska in connection with the longshoremen's strike, C. P. R. "Men in White" Poses Question: steamer Princess Adelaide, Capt. S. ## BANISH COMMON CONSTIPATION WITH DELICIOUS CEREAL

Kellogg's ALL-BRAN Brings Relief

Look out for headaches, loss of ppetite and energy, sallow complexions, sleeplessness. Frequently, these are warning signs of common constipation. If neglected, your health may be impaired.

Today, you can rid yourself of common constipation by eating a tempting cereal. Laboratory tests show that Kellogg's ALL-BRAN furnishes "bulk" and vitamin B to aid regular habits. ALL-BRAN is also rich in iron for the blood.

The "bulk" in ALL-BRAN is much like that found in leafy vegetables. Within the body, it forms a soft mass. Gently, this clears out the intestinal wastes. How much better this is than taking patent

Two tablespoonfuls of ALL-BRAN daily will usually overcome most types of common constipation. Chronic cases, with each meal. If seriously ill, see your doctor. ALL-BRAN makes no claim to be a "cure-

Serve ALL-BRAN as a cereal, or use in cooking. At all grocers. In the red-and-green package. Made by Kellogg in London, Ontario.
