LIBERALS' GAIN IN EAST BY-ELECTIONS HIGHWAY WORK TO CLOYAH BAY AND OLDFIELD TRAIL

Road Building Being Resumed Here After Two Year Shut-Down

Extension Beyond Galloway Rapids to Give Work to Sixty Men—Footpath up Mountain to Ski Grounds To Be Provided

Preparations are now being made by the provincial department of public works here not only to complete the Skeena River Highway for traffic to Cloyah Bay but also to build a foot trail up Mount Oldfield from the city limits to the ski grounds, it was announced today by J. C. Brady, district engineer for the department. There is about a

mile and a half of road to be completed in order to connect up Cloyah Bay with the present end of the road. This section of the road was partially built when road building operations were suspended here a couple of years ago. The new work will give employment to about sixty men this fall. Details of how the employment will be given have not yet been finally worked out but it is expected it will be rotated among the men in need of work.

The distance of the foot trail to be built from the city limits to Mount Oldfield ski grounds is about a mile and three-quarters. It will be a continuation of the trail which the city has been building to the north beach.

Improvements are also being planned on roads in Skeena, Omineca and Atlin districts which come under the local public works office.

REDUCTION BUT PARITY

Important Statement Made By Tokyo With Regard To Its Naval Policy

TOKYO, Sept. 25: (CP)—In the first official statement by the Tokyo government on the proposals it intends to make to the forthcoming London naval conference, it was stated that the Japanese government wanted abolition of the ratio system under which Japan is allowed less naval tonnage than Great Britain and United States.

Once that the present ratio limitations were disposed of, however, it was stated that Japan would move towards a general naval reduction for all nations.

IS PUT UP TO LEAGUE

Challenge of Gran Chaco War Between Paraguay and Bolivia Must Be Met—Barthou

GENEVA, Sept. 25:—Foreign Minister Louis Barthou of France has bluntly put it up to the League of Nations that it must either place an effective armed embargo on the shipment of arms into the Gran Chaco area, where the Bolivian-Paraguayan conflict is continuing, or else allow itself to be placed on record as condoning the bloody warfare there.

SENSATION IS CAUSED

Remodelling of Constitution Of France is Urged By Premier Doumergue

PARIS, Sept. 25:—A mild sensation was caused in political circles of Europe yesterday by the declaration of Premier Gaston Doumergue that the constitution of France should be reformed along the lines of that of Great Britain, making the premier the real head of the government which would have wider authority, independent of Parliament, than it now enjoys.

Premier Doumergue denied that he had any aspirations of becoming a dictator, stating, on the contrary, that it was his desire to retire from public life as soon as the affairs of the republic became sufficiently settled to permit him to do so.

PROBE IS STILL ON

Wireless Operator Alagna Makes Charges at Inquiry Into Morro Castle Disaster

NEW YORK, Sept. 25: (CP)—George Alagna, first assistant radio operator on the ill-fated liner Morro Castle, appeared before the federal grand jury investigating the burning of the Havana to New York luxury liner off the New Jersey coast two weeks ago with loss of upwards of 130 lives, and described scenes of confusion and horror aboard the ship. He declared that he made no less than half a dozen trips back and forth through smoke and flames between the bridge and wireless room before he was finally able to induce Capt. William F. Warms to send out distress signals. Alagna also told of alleged lack of discipline aboard the Morro Castle and violation of marine regulations particularly with regard to storage and use of inflammable materials.

Reports of alleged communistic activities aboard the Morro Castle are also being investigated at the inquiry.

Passengers stated that they were ordered from comparative safety of A. Deck to B. Deck where they had no chance of getting on the life boats.

It was stated at the inquiry that Capt. Warms was penalized in 1926 for failure to hold fire drills regularly on another Ward liner of which he was in command at that time. Capt. Warms is to be recalled to the inquiry.

Relief Situation In New York Now Cause of Concern

NEW YORK, Sept. 25:—Following the unsuccessful attempt to obtain advances from the federal relief fund, the unemployment relief situation is causing considerable concern to Mayor Fiorella LaGuardia of New York. The possibilities of further taxation measures to meet the situation are being considered. A suggestion of the mayor whereby the city might legalize lotteries to raise funds to feed the poor is meeting with widespread opposition from church and law observance organizations.

Poor Sailing Was Again Cause of British Challenger Losing—Took Too Long to Break Out Spinnaker on Second Lap

NEWPORT, R.I., Sept. 25: (CP)—The defender Rainbow defeated the British challenger Endeavour by a margin of fifty-five seconds today to win the fourth straight victory in the America's Cup series and retain the cherished trophy for the United States unless the race committee should take some action on protests which were filed by both boats immediately after the start of the race and the cause of which was not made public.

GALE IN ENGLAND

Death and Damage Results From Severe Storm Which Swept Old Land

LONDON, Sept. 25:—Several deaths were reported, considerable damage was done and communications and traffic were to a large extent paralyzed as a result of a severe storm which swept Southern England. A terrific gale was accompanied by hail and cloudburst.

New Princess Born in Italy

Daughter Arrives For Crown Prince Humbert and Princess Marie Jose

NAPLES, Sept. 25:—A daughter was born yesterday to Crown Prince Humbert of Italy and Princess Marie Jose, who is the sister of King Leopold of Belgium. It is their first child. A nineteen-gun salute was fired. The Italian peasantry had been praying that the child would be a boy.

NAZI PRINT SHOP BURNS

BERLIN, Sept. 25:—A searching investigation to determine whether or not there was incendiarism is being made following the destruction by fire last week of Chancellor Adolph Hitler's own printing plant.

Four Out of Five Seats Captured by Opposition In Yesterday's Polling

Traditionally Conservative Frontenac-Addington Swings Into Grit Column as Also Does North York—Ex-Mayor T. L. Church Wins Toronto East

OTTAWA, Sept. 25: (CP)—The Liberals made a net gain of two seats in the House of Commons yesterday as a result of winning four out of five by-elections in Ontario. Two of the five seats had been previously held by Liberals and three by Conservatives. The Conservatives now have 135 seats in the House of Commons, the Liberals 92 and other parties, 17, while there is one vacancy.

The most notable result of the five was in the traditionally Conservative seat of Frontenac-Addington, made vacant by the recent death of Dr. W. Spankie, where Colin Campbell, Liberal, was elected. He is the first Liberal ever to be elected in this riding.

In Elgin East, W. H. Mills, Liberal, was elected to succeed Hon. Mitchell Hepburn, who resigned to assume the Premiership of Ontario. H. B. McKinnon, Liberal-Labor, is the new member for Kenora-Rainy River, succeeding Hon. Peter Heenan, now a member of Premier Hepburn's provincial cabinet.

Historic North York, which was made vacant by the death of Col. T. H. Lennox, elected W. H. Mulock, Liberal, as its new member, this being the second Liberal gain. It was the first time a Liberal had held this seat since Rt. Hon. W. L. Mackenzie King was defeated there in 1925.

Ex-Mayor Thomas L. Church retained Toronto East, another traditionally Conservative seat, for his party.

Demands General Election

OTTAWA, Sept. 25: (CP)—A general election, not a sixth session of Parliament, is the demand of the "elector." Rt. Hon. W. L. Mackenzie King, Leader of the Opposition, stated today in commenting upon the Liberal victories in yesterday's by-elections. The popular verdict, he remarked, was one of no uncertain hostility to the Bennett administration. The citizens of Canada would expect from Premier Bennett an immediate statement as to whether or not Hon. H. H. Stevens was to be permitted to continue as chairman of the mass buying commission of which, in the series of political contests, Mr. Stevens had not hesitated to assume the role of judge and jury, prosecutor and executor, stated the Liberal leader.

HAUPTMANN WEB CLOSES

Fingerprints Also Declared to Incriminate New York Man in Connection With Lindbergh Kidnap-Murder

TRENTON, N.J., Sept. 25:—State police authorities of New Jersey stated yesterday that checking up of fingerprints had clinched the case against Bruno Richard Hauptmann, who is being held in New York on charges of extortion in connection with the kidnapping in the spring of 1932 of Charles Augustus Lindbergh Jr. This state will institute proceedings to have Hauptmann extradited here to face trial on charges of kidnapping and murder.

REDS ARE PROTECTED

Police Have to Take Communists From Angry Mob After They Had Insulted Queen

THE HAGUE, Sept. 25: (CP)—To protect them from angry mobs who it was feared might seriously injure or kill them, three Communists were led by the police by a secret route to prison after they had hurled insults at Queen Wilhelmina while she was delivering her speech from the Throne. They had shouted, "Down with the Queen."

STRIKE IN NEW YORK

Walk-Out of Waterfront Workers Threatened Following Disagreement on Wage Scale

NEW YORK, Sept. 25:—Following rejection of the offer of the employers for renewal of old wage contracts, a waterfront strike in New York is threatened. In the event of longshoremen going out, teamsters and truck drivers may also leave their posts, Joseph Ryan, president of the International Longshoremen's Association, says.

Silver and Mine Issues Heavy As Stocks Drop Off

NEW YORK, Sept. 25:—The stock market opened firmly yesterday but prices dropped off in the afternoon, heaviness in silver and mining issues being undoubtedly responsible to large extent for the slump. A total of 510,000 shares changed hands during the day. Closing averages were: Industrials, 90.45, off .63; rails, 35.08, off .35; utilities, 19.80, unchanged, and bonds, 91.76, up .15.

WESTERN AUSTRALIA MAY QUIT DOMINION

PERTH, Western Australia, Sept. 25:—Two delegates representing Western Australia left yesterday for London where they will interview King and George presenting an appeal for Western Australia to be allowed to secede from the rest of the Dominion.

LEST WE FORGET THE INTERIOR
 Interior British Columbia is just as keen as ever on close co-operation with Prince Rupert for mutual benefit. The farmers and gardeners of Terrace and the Bulkley Valley can supply garden truck including potatoes, milk and other dairy produce. Prince George can send excellent butter. Fruit, particularly apples from Terrace, are welcomed in Prince Rupert although this year the Prince Rupert market was for a time over-stocked. Beef from the interior should at all times be given preference over any other because of its quality and the fact that it is raised in the district. We suggest to Prince Rupert people that they should ask for interior products whenever possible.

ALSO INVESTMENTS
 In the district around Smithers it is particularly noticeable that it takes Southern British Columbia people to develop the mines of that district. Prince Rupert does not seem to be interested to any great extent. It looks as if southerners are going to make some money out of Hudson Bay Mountain. We suggest that Prince Rupert people should look into the possibilities of this district with a view to getting in on the ground floor. Possibly we should also mention that several properties are about to be developed at Usk and that outside money is doing it.

WHERE ARE OUR BOYS?
 The other day a representative of this paper met a Prince Rupert boy who has discovered what may prove to be a profitable mine less than two hundred miles from Prince Rupert. This young man is fitting himself for a mining career so that he may aid in developing the natural resources of the country of which we have heard so much. This is a splendid example for others. There is plenty of work to be done but usually we import men to do it. Why not fit our own young men for life in the north so that they may share in the great work that is going on? Far away fields may look green but they are not as green as they look.

Man in the Moon

Good afternoon! Watch out that the frost doesn't get your spuds.

Jake says there's going to be a federal election next fall, but who cares? Elections don't hurt us.

Except for Hon. Harry Stevens a thunderous silence pervades the ministerial ranks at Ottawa.

Jake wants to know who the other ministers are. He says he never sees their names mentioned and so far as he knows they never say anything.

Now that fall has arrived and winter is in the offing it is time to decide how to spend the winter evenings and how to get enough cash or credit for our winter coal supply.

Old King Coal
 Is a merry old soul,
 A merry old soul is he,
 But without any jack
 Not a single sack
 Of coal will anyone see.

It does not seem as if Mr. Bennett would feel very happy today when he has to explain to his European friends how it all happened.

And Jake wants to know where was the See See Heff in yesterday's elections?

Detroit Tigers Assured of Place in World Series—Cardinals Menacing Giants

NEW YORK, Sept. 25: (CP)—The Idle Detroit Tigers, piloted for the first season by Mikey Cochrane and who, at the opening of the 1934 season, were selected for a berth in the second division, yesterday clinched the American League pennant, the first championship they have had since 1909, when the second place New York Yankees dropped a shut-out decision to the Boston Red Sox at the Yankee Stadium. The Yanks are now six games behind with only five games to play. The Tigers will enter the World Series on at least even terms with the National League victors.

The St. Louis Cardinals continued very definitely in the running for the National League pennant by defeating the Cubs at Chicago to pare to two games the lead of the world champion New York Giants who had no game scheduled yesterday.

Yesterday's Big League scores:
NATIONAL LEAGUE
 Philadelphia 3-1, Brooklyn 5-10, St. Louis 3, Chicago 1.
AMERICAN LEAGUE
 Boston 5, New York 9, Washington 4-0, Philadelphia 5-3.
 Only games scheduled.

SAFETY SPEED COMFORT SERVICE

CANADIAN NATIONAL RAILWAYS

Canada in the Autumn . . . A picture that all should see.

In the opinion of many experienced people, the best time for enjoying railway travel is now. Canada's vast areas of forest and lake are taking on their autumnal splendour, while in the farming districts harvesting operations are proceeding, and the usually quiet countryside is alive with activity and beauty, which compel the admiration and interest of all who behold them. The days have become cooler, the sun is gentler, and the nights are longer and more restful.

Those whose vacations are still to come and those whose affairs cause them to travel, are fortunate. They should not miss the panorama of grandeur which Canada is now providing. Especially should those who dwell in the East endeavour to see our Western Provinces and those in the West enjoy the beauties of the East.

To do so is not an expensive or wearying experience. In pursuance of their policy of rendering as great service as possible, the railways are making special arrangements at exceptionally low fares to enable the public to take full advantage of this fall season, and the C.N.R. is co-operating wholeheartedly. While all the attractive schedules which are usual at this season of the year are available, there are being provided additional inducements to travel by C.N.R.

A new autumn feature which goes into effect on Canadian railways on the twenty-first of September and continues in force until the second of October is the cent-a-mile rate between Eastern and Western Canada. This entitles the traveller to modern and comfortable standard-coach accommodation, while for a cent and a quarter per mile and a low price for berth, sleeping accommodation in the well-equipped and pleasant tourist coaches may be had. These berths can be reserved in advance and the total cost of a journey can be obtained on enquiry from any station or ticket office. Travel on these terms is indeed economical and gratifying. And, of course, the excellent dining car services are available to all passengers.

For shorter journeys, the C.N.R. is providing numerous short-haul special fare excursions, as well as low fares for trips extending over longer periods and week-ends.

To those whose time is limited and to those who have been hesitant about taking a long vacation, the special provisions for this season should particularly appeal. But whatever be the duration of a trip or whatever be the class of accommodation used, the passenger on a C.N.R. train is a welcome guest and will receive nothing but the best. Every servant of the railway is the passenger's servant. May we suggest that you should use this railway to see a little more of Canada than you have already done?

When accompanied by adults children under five years of age travel free, and between that age and twelve, at half fare.

Cyril Morgan left the city on last evening's train for a trip to St. John's, Nfld.

E. Norman, who has been engaged in logging in this district, and Mrs. Norman and crew of five men sailed by the Princess Louise last evening for Vancouver.

Twelve men have been sent by the local branch of the Employment Service of Canada to work on construction of the Canadian North-eastern Railway at Stewart.

Mrs. Eld of Anyox, mother of Mrs. J. W. Pottinger of this city, arrived in the city on the Catala this morning from the smelter town and will proceed from here by rail for a trip to Halifax and elsewhere in the east.

Hon. C. D. Macaulay, territorial judge of the Yukon, and Mrs. Macaulay were passengers aboard the Princess Louise yesterday afternoon bound for Vancouver after having spent the summer at Dawson. As is their custom, they will spend the winter in the south.

WHIFFLETS From the Waterfront

Halibut Fleet Getting Work For Off Season—Bertha G. Back From West Coast of Vancouver Island.

With salmon packing and troll fishing as well as codfishing giving full employment this year, some, at least, of the vessels of the Prince Rupert halibut fleet are successfully solving the problem of finding something to do between the time that halibut fishing is closed on the nearer-in banks and winter sets in. Among the boats engaged in salmon packing since fishing on Area No. 2 was closed are the Helen II, Capt. Pete Byrne, and Morris H., Capt. Carl Giske, under charter to pack chums from the Queen Charlotte Islands to Inverness; the Sea Maid, Capt. Henry Doiron, and Gibson, Capt. Chris Henriksen, packing from the Queen Charlottes to Namu; the Teeny Milly, Capt. George Gook, and White Hope, Capt. Pete Thompson, under charter to the Nootka Packing Co. at New Massett, and the Pair of Jacks, Capt. Axel Peterson, packing from the Queen Charlottes to Oceanic on the Skeena River. Several of the smaller halibut boats have now turned to troll fishing and a number are engaged in cod fishing for the Canadian Fish & Cold Storage Co.

Gammon & Watt's seineboat and packer Bertha G., which has been packing pilchards on the West Coast of Queen Charlotte Islands, returned to Prince Rupert last week to take up a charter to the B. C. Packers to pack chums from the Queen Charlotte Islands to Namu cannery.

An hour or so behind regular schedule, C. P. R. steamer Princess Louise, Capt. Thomas Cliff, arrived in port at 5:30 yesterday afternoon from Skagway and other northern points and sailed two hours later for Vancouver via Alert Bay. The vessel had been delayed by having heavy freights to discharge in the north. There were in all 156 passengers on board, 14 disembarking here while 12 went south from Prince Rupert.

Union steamer Catala, Capt. A. E. Dickson, returned to port at 10 o'clock this morning from Anyox, Stewart and other northern points and sailed at 1:30 this afternoon for Vancouver and waypoints.

New President of Ministerial Ass'n

Rev. C. D. Clarke Succeeds Rev. Dr. F. W. Dafoe—Adjutant Laycock Secretary

The Prince Rupert Ministerial Association, after a suspension since last June, resumed regular monthly meetings yesterday. Business was largely of a routine nature except for the election of officers which resulted in Rev. C. D. Clarke being chosen president in succession to Rev. Dr. F. W. Dafoe while Adjutant Eva Laycock becomes secretary, succeeding Mr. Clarke.

CAMPAIGN FOR FUNDS

Drive to be Made in City on Behalf Of Canadian Institute For Blind

As a result of a meeting held last night in the I. O. D. E. Hall under the auspices of the Imperial Order, Daughters of the Empire, with Mrs. D. C. Stuart, municipal regent, presiding, and Major W. H. Watts of Vancouver speaking, a city-wide canvass for funds to assist the work of the Canadian Institute for the Blind will be instituted tomorrow morning, concluding on Saturday night. Mrs. D. C. Stuart and Mrs. B. E. Harmer will be in general charge of the campaign and the following have been named as canvassing team captains: Mrs. H. L. Landry, Mrs. H. B. Rochester, Miss Dorothy Patmore, Mrs. G. W. Laidler, Mrs. S. V. Cox, Mrs. John Manson, Mrs. D. Orhard McLeod and Mrs. R. C. Parsons.

There were about 100 persons present at last night's meeting. Major Watts, in addition to his address, played delightful piano solos. Mrs. Ernest Anderson and J. A. Teng were heard in acceptable vocal solos with Mrs. E. J. Smith accompanying. Mrs. C. E. Cullin presided at the piano to accompany the singing of "O Canada" and "God Save the King."
