OLOF HANSON PROTESTS IN COMMONS GOVERNMENT ENABLED TO CHANGE RADIO COMMISSION

Broadcast Commission To Continue; General Manager Authorized

Legislation is Enacted in House of Commons at Ottawa Along Lines Proposed by Committee—Changes May be Made

OTTAWA, June 29: (CP)—While steps taken in the House of Commons today would continue the Canadian Broadcasting Commission for another year, the way was left open for the government to appoint a general manager of broadcasting as recommended by the House of Commons committee on radio if it so desires. In such a case the present radio commission, it is said, would function somewhat as directors until the end of the year.

Canadian Sailors Replace Crews of New England Schooners

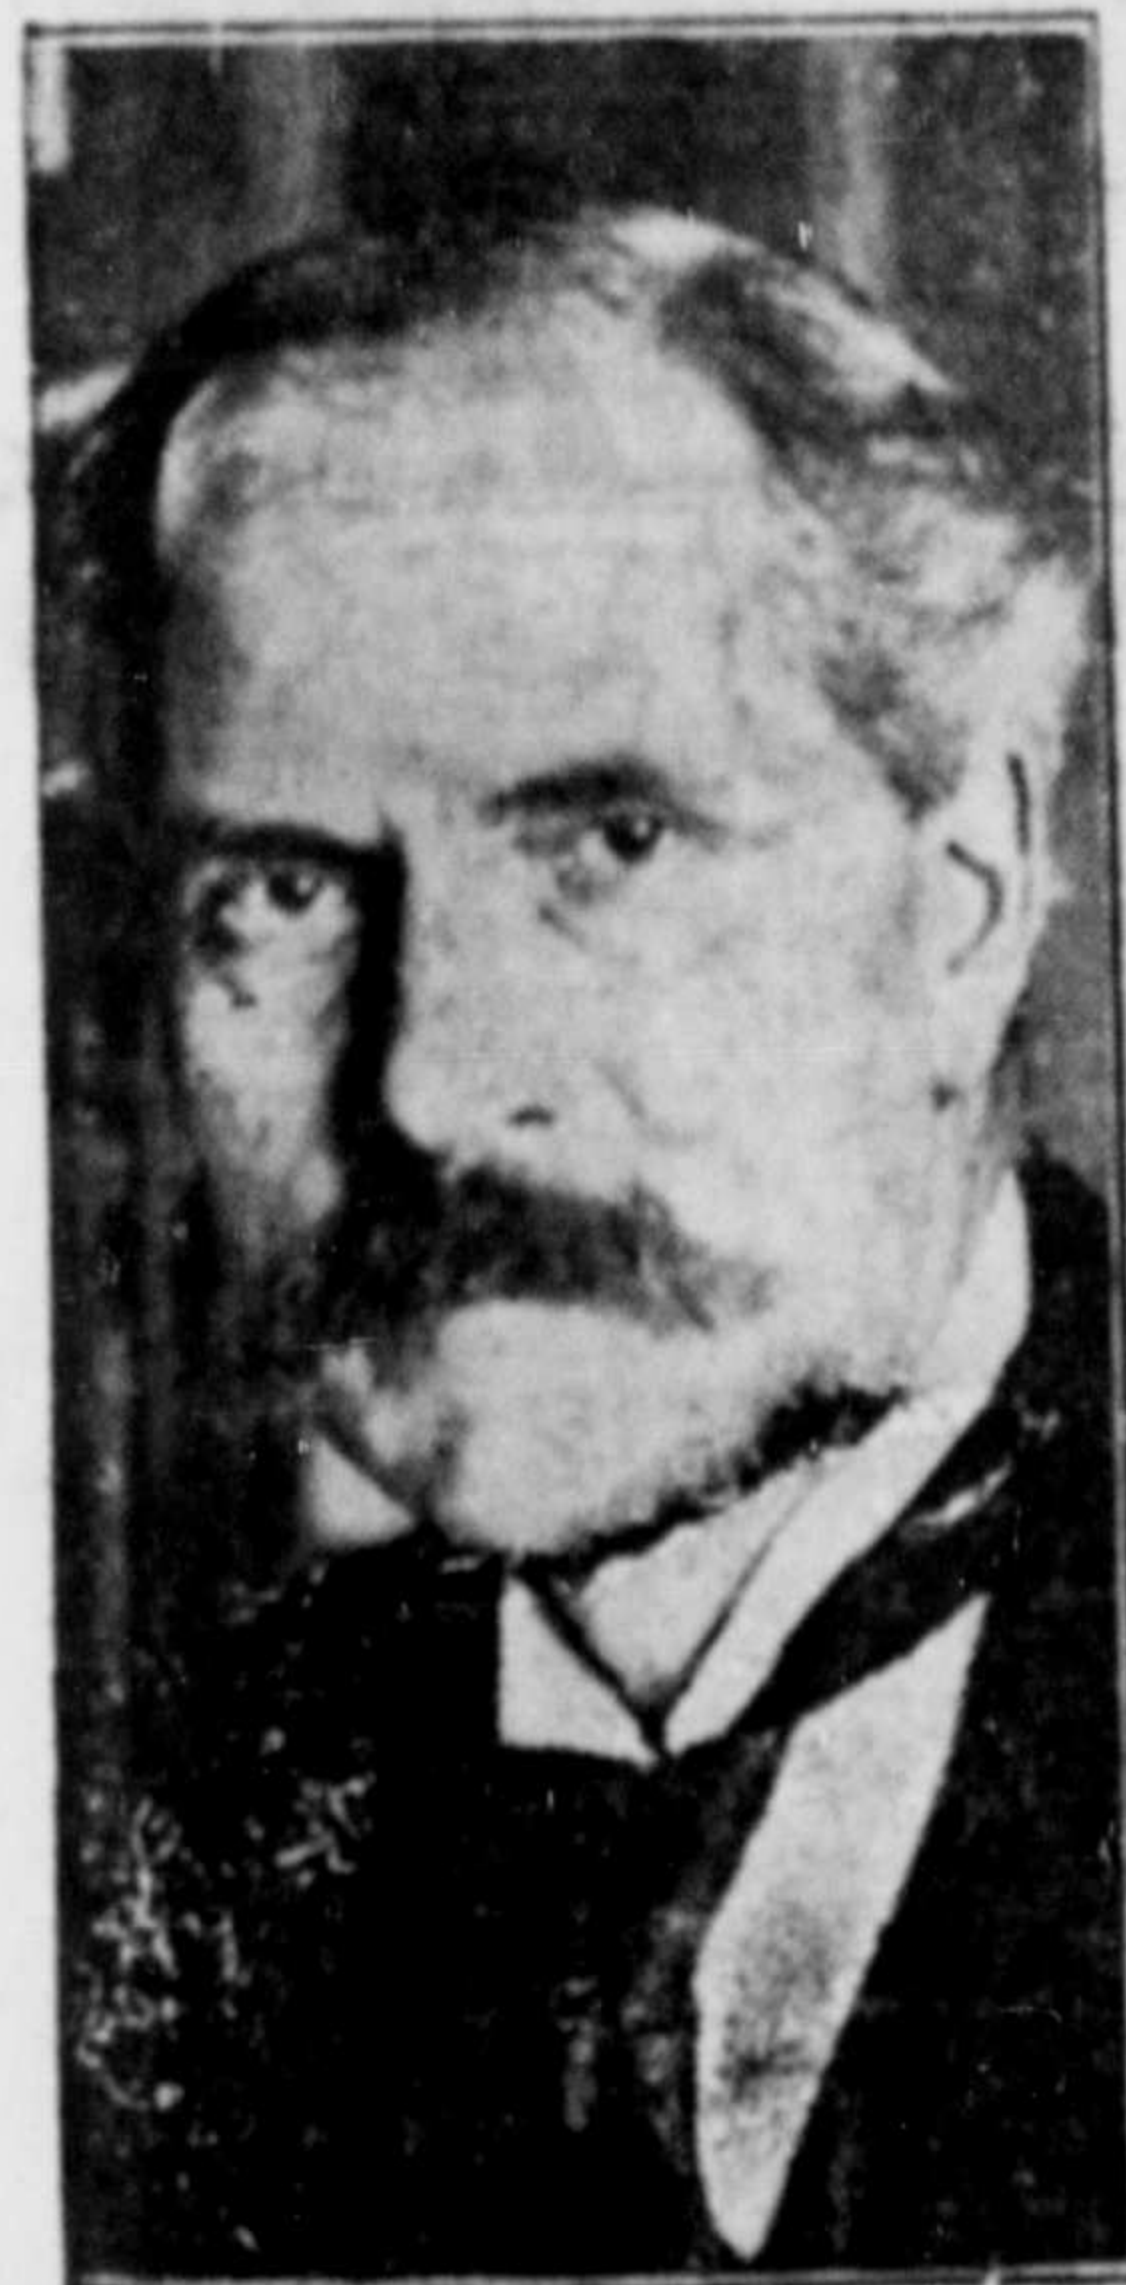

When the Gertrude L. Thebaud docked in New York on a trip to encourage the sail of fish, her skipper, Captain Jimmy Abbott, revealed that his boat, from Gloucester, Mass., had an all-British crew of sailors from Nova Scotia and Newfoundland. He lamented the fact that sailors are disappearing from the shores of New England and are being replaced by these "foreign" crews. The Thebaud is the boat that has several times challenged Nova Scotia's famous Bluenose to race for the fishing schooner championship of the North Atlantic. Only once has she ever been able to beat the Bluenose, and that in an exhibition race. The layout shows (left), the Bluenose, (right), the Gertrude L. Thebaud, (centre), Captain Abbott, and (top), fishermen hauling in nets off the Grand Banks. Abbott stated that sailing vessels are the only means yet of successful fishing these waters.

This District Entirely Ignored In Work Plans, Local Member Declares

Describes Federal Building Here as Shack Which Government Continues to Rent Although Entirely Unfit

OTTAWA, June 29: (CP)—During discussion in the House of Commons on the government's public works relief program, Olof Hanson, M.P. for Skeena, said: "North and Central British Columbia has been entirely ignored by the program and it is unreasonable to suggest or even hope that men in Northern British Columbia will benefit from works undertaken in Vancouver and southern parts of the province. The public building in Prince Rupert is a shack and not fit to be called a government building. Yet the government continues to pay rent for it."

ROSE SHOW ON JULY 18

Exhibit Will be Staged in Store Formerly Occupied by Goldbloom On Third Avenue

NINE CLASSES PLANNED Small Prizes to be Given For Best Blooms and For Best Bowl Of Pansies

At a meeting of the executive of the Prince Rupert Horticultural Association in the City Hall yesterday afternoon, it was decided to hold the first annual rose and flower show on July 18 in the store on Third Avenue formerly occupied by William Goldbloom. This is being donated free of charge for the purpose by the owner, Max Hellbroner.

While the show will feature roses, exhibits of all kinds of flowers will be welcomed either for competition in the various classes or as a complimentary exhibit not for competition. It is planned to make as good a showing as possible.

The date set is at a time when an Alaska tourist boat will be in the city and it is probable a number of the visitors will take in the show. The admission fee will be only ten cents for adults or children. All first prizes will be \$1.50 and second prizes 50¢, the aim being not to make the money prizes large but to encourage people to exhibit for the purpose of creating an interest in flowers and particularly in roses. There will be nine classes as follows:

- 1—Best rose of any variety. 2—Best three named roses. 3—Best three unnamed roses. 4—Best rose display of six or more roses. 5—Best bouquet of mixed flowers (left to exhibitors' choice). 6—Best bouquet of flowers, one

Building Boom in England And Depression Rapidly Passing As People All Cheerfully Optimistic

After the depression and despondency in the United States it was a great contrast to visit England where everybody was busy and optimistic and full of hope and cheer, according to Colonel J. W. Nicholls who told the Rotary Club at luncheon yesterday of impressions gained during a recent visit to Europe. He said he met people of all classes and discussed conditions with members of Parliament, Conservative and Labor, with bankers, contractors and all sorts and conditions of people and all were a unit in declaring that conditions were greatly improved. In fact they were experiencing a building boom throughout the country and this put thousands of people in employment.

In London there was a three weeks' waiting list at some of the hotels and at some of the hotel dining rooms people were waiting in queues. The city was crowded with tourists, mostly from the Dominions. As evidence of the returning prosperity, Colonel Nicholls spoke of the transportation system in London. The underground railway, trams and busses had been amalgamated by Act of Parliament a few years ago, thus creating a great monopoly which had been decidedly beneficial both to the public and to the shareholders in the London Transport Company. Now all the busses were being rebuilt and diesel engines installed and it was estimated that the sum of \$5,000 would be saved on the operation of each bus in the course of a year. The railways of the country were showing surprising results. While

Bennett and Mighen Quarrel And Agree to Disagree Until Followers Settle Difficulty

OTTAWA, June 29: (CP)—Prime Minister R. B. Bennett, Conservative leader in the House of Commons, and Senator Arthur Meighen, Conservative leader in the Senate, were at loggerheads yesterday over amendments to the Excise Bill.

The Senate leader insisted on amendments to the bill and the House leader refused to accept them. They finally agreed to disagree and decided upon a conference of senators and members to iron out the difficulties.

**REGIMENT IS WINNER**

Defeated Merchants 3 to Nil in Stuart Shield Opener

The opening game of the Stuart Shield football competition—last evening resulted in a win for the Regiment—their first win this season—by three clear goals over the Merchants.

With the hill in their favor, the Regiment attacked from the start, the halfback line holding the Merchants closely. A short pass from Wilson and Campbell gave Gurvich no chance. Wilson again got the ball in the net but was offside. Mitchell went close. Henry Dickens and Shrubbsall got away but Murray cleared. Shrubbsall made a fine run but finished with a weak shot very wide of the goal. Lindsay centred following a nice pass from Mitchell and Campbell added a second goal for the Regiment. Gurvich was very safe and Stiles and Moe defended well.

The second half was mostly in favor of the Regiment again. Edgumbe was playing a fine game and fed his forwards well. Campbell and Armstrong were sent ahead by

Wingham but Wilson missed an open goal from close in. Carroll tried hard and McKay beat several players in a clever run but was finally held up. Stiles tried to force the game and Dyer did well to save a well taken free kick by him. The Regiment had a lucky escape when the ball beat Dyer but an attacker handled in the scramble and a free kick brought relief. Gurvich made a grand save. McKay from the penalty spot shot high over. Regiment was making many fine combined plays and, at last, Mitchell beat Gurvich with a fine low drive. A good open game resulted in a three to nil win for the Regiment and it deserved the victory.

Referee—A. Harvey.  
Linesmen—D. Gomez and P. Doherty.  
Regiment—H. Dyer; W. Murray, A. Davies; Veitch, Edgumbe and Wingham; Lindsay, Mitchell, Wilson, Campbell and Armstrong.  
Merchants—S. Gurvich; Stiles and Moe; D. Gomez, McKay and D. Gurvich; Carroll, Shrubbsall, H. Dickens, Lokken and Radcliffe.

## PICNIC AT OONA RIVER

### Outing on Tuesday Was School Break-up Feature

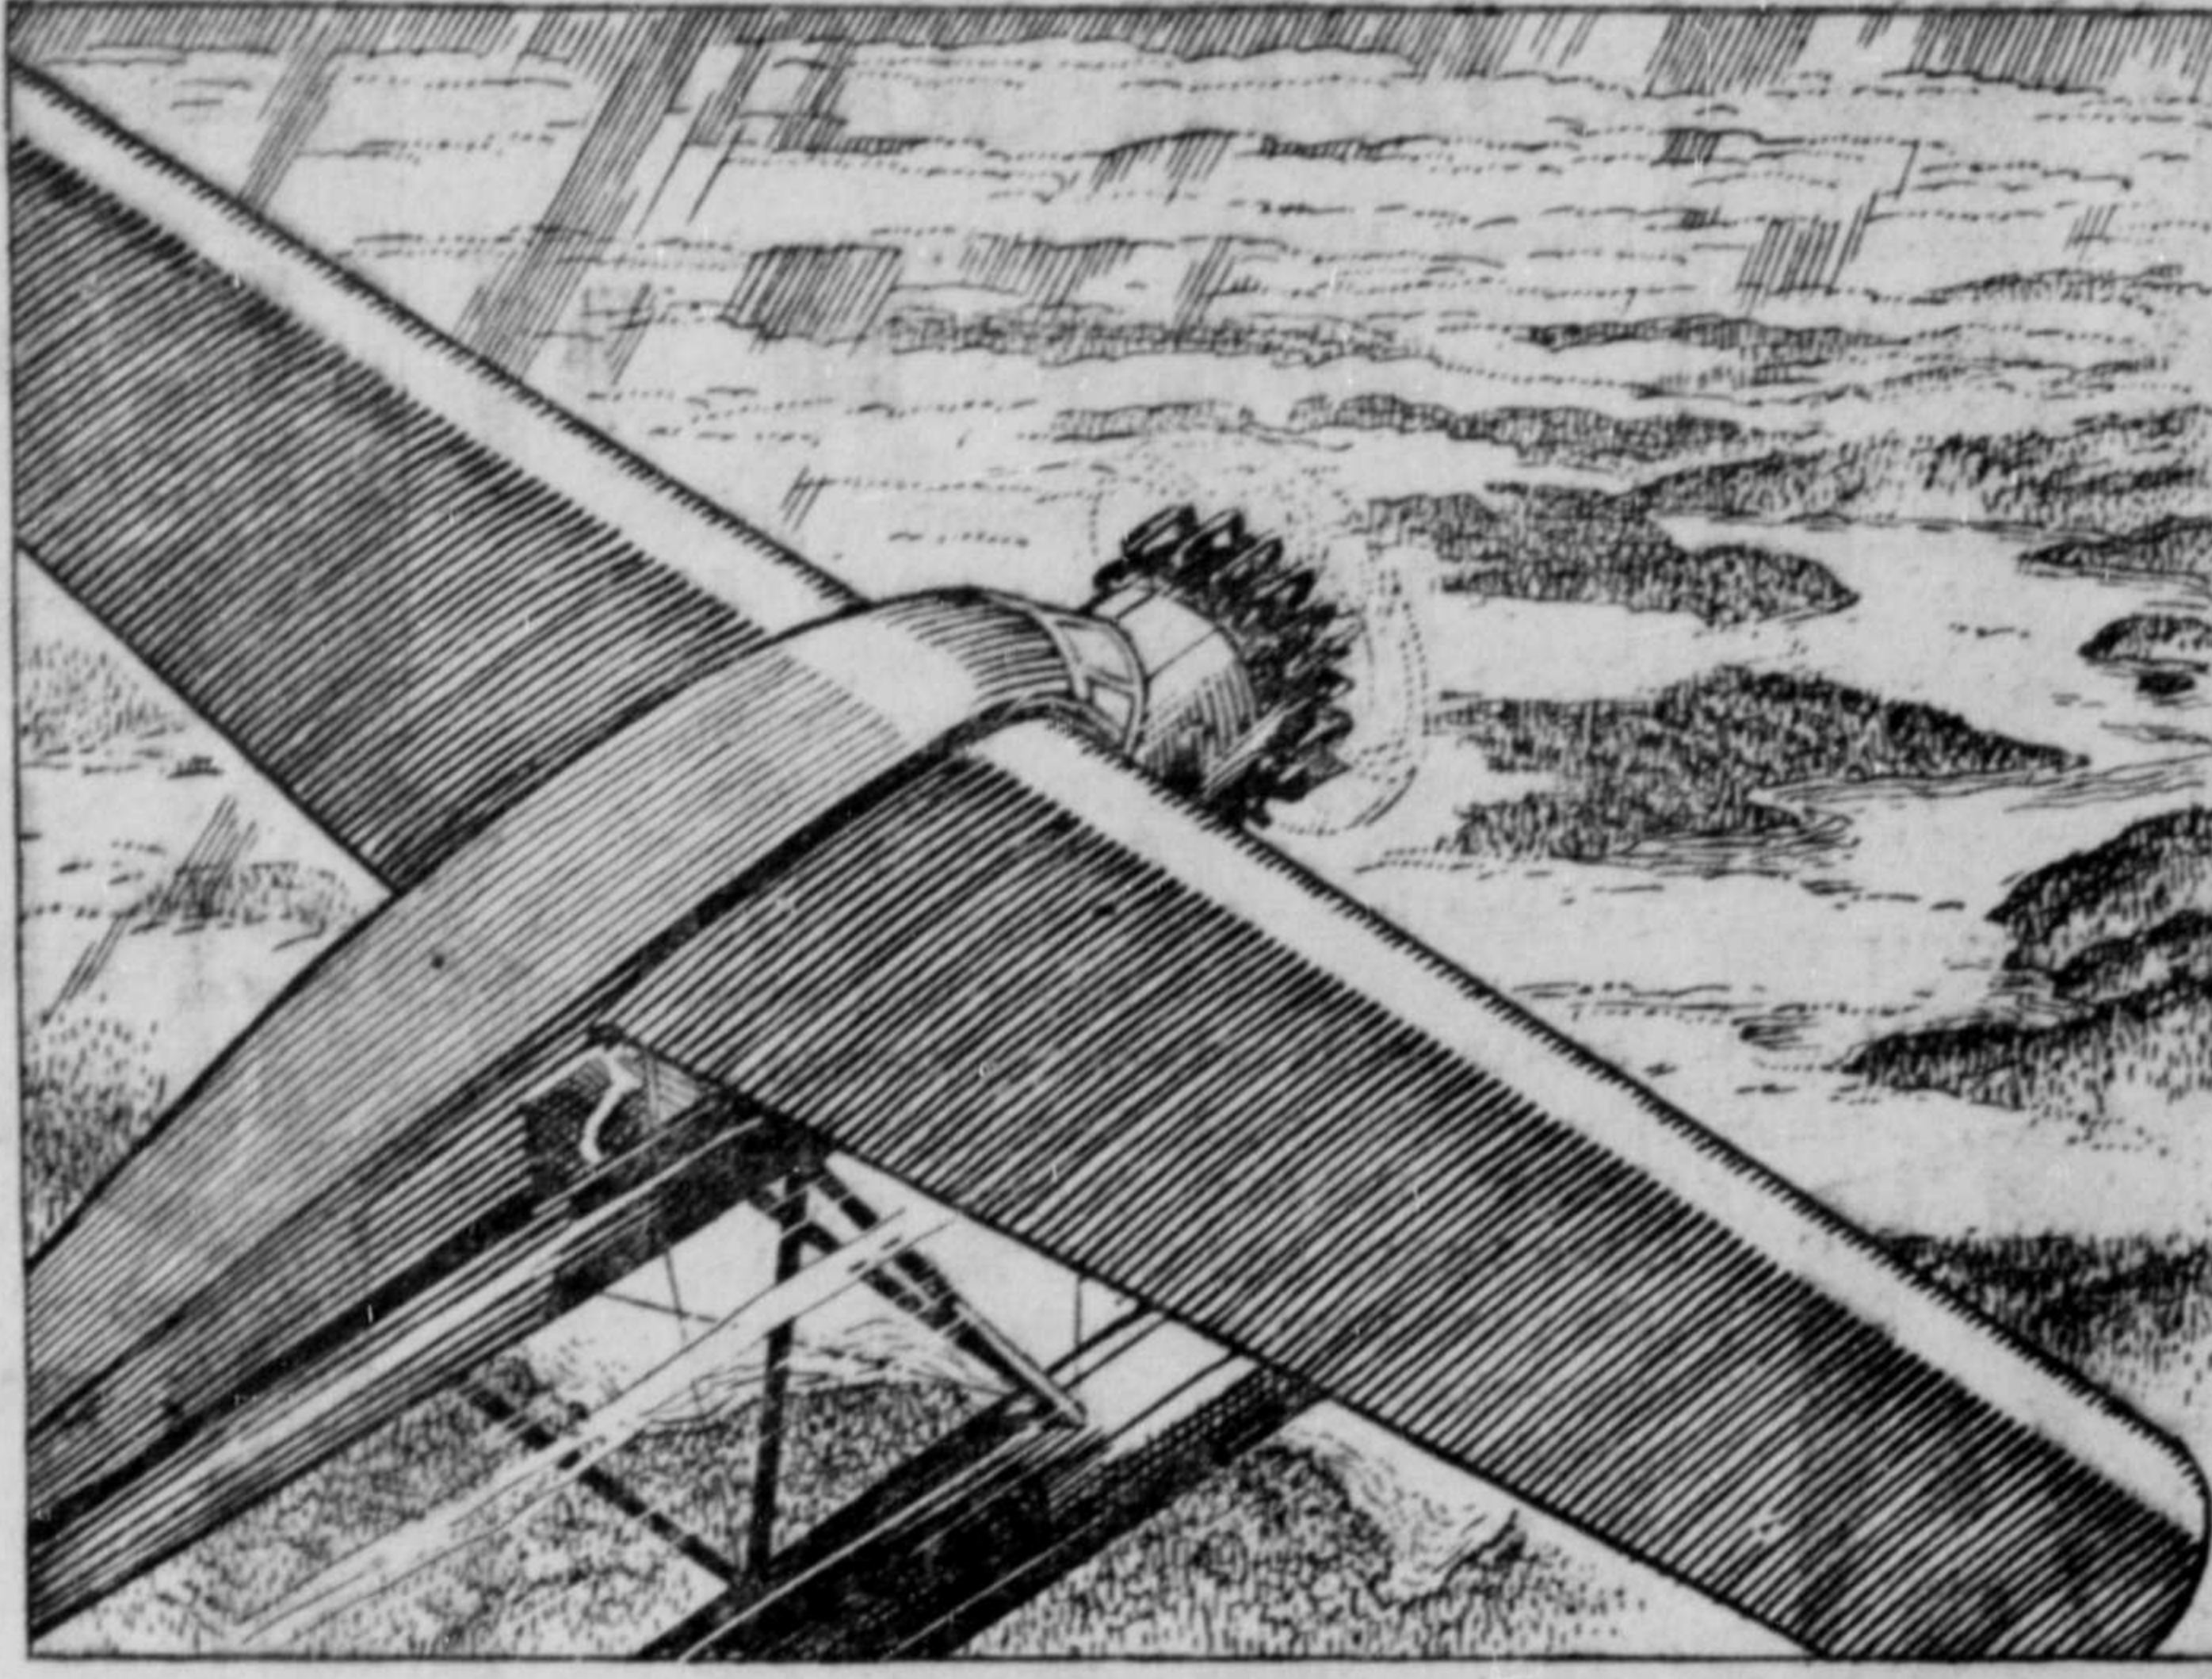

On Tuesday a very enjoyable picnic as a breaking-up feature of the Oona River School was held. Two power boats, the "Malin" and the "Peggy," left the float at 10:30 a.m., the weather being fine, carrying school children, their parents and friends. Music was rendered by local talent enroute making the trip very enjoyable. The picnic was held on a big beach on Elizabeth Island.

**Field Sports**

After a good "mug-up" for all hands the teacher, Miss Channon, conducted a program of field sports for the children. In a men's and women's tug-of-war the women were victorious. Games were played until after supper when a game of baseball was played.

On the return trip a splendid musical program was rendered. Just before making a landing at home, votes of thanks were tendered the musicians, to John Group and A. T. Axelson for the services of their power boats and to the ladies for their well filled baskets of good eats.

In spite of the day being somewhat cold and foggy everyone had a jolly good time and all were safely back home at 10 p.m.

**TWO PLAYS; BOTH GOOD**

Murder Mystery and Spectacular "Western" Offered at Capitol Theatre This Week-End  
 "Private Scandal," a murder mystery with fast comedy tempo and side-splitting laughs having Zasu Pitts, Phillips Holmes, Mary Brian, Ned Sparkes and Lew Cody in featured roles, and "To the Last Man," an exciting Zane Grey western abounding with historic and spectacular feuds between cattlemen in the rugged west, Randolph Scott, Esther Ralston, Buster Crabbe, Jack LaRue and Noah Beery being the prominent members of the cast, comprises what should prove a popular double bill on the screen of the Capitol Theatre this week-end.

"Private Scandal" presents a new treatment of the murder mystery angle. The shocking-thriller suspense is there but it is interspersed with laughs engendered by unusual characters and situations. The effectiveness of the mystery is not slackened by the comedy.  
 An ancient feud originating in Kentucky before the Civil War and reaching out in later years to Arizona is depicted in "To the Last Man" with a romantic culmination after the meeting of the son of the one family, played by Scott, and the daughter of the other, portrayed by Miss Ralston.

**BUILDING BOOM IN ENGLAND AND DEPRESSION RAPIDLY PASSING AS PEOPLE ALL CHEERFULLY OPTIMISTIC.**

(Continued from page one)  
 four or five years ago they were losing money now they were again prosperous, fares had been reduced, better services given and they were paying dividends.  
 The building boom had resulted in the erection of 270,000 new homes in England last year and it was estimated that the number would reach 350,000 this year. This was done without government assistance. The building societies had helped in this to a great extent. Deposits were received by these societies which paid 3½% interest and they loaned it out at 5% on mortgage. In this way they had handled two and a half billion dollars last year. In England the government legislated in a manner to insure confidence. Confidence and optimism were at the base of all

progress. In some parts of the country there was almost a shortage of craft labor but, in the coal mining and shipbuilding districts, the depression was still in evidence.

Municipalities in England were spending some money on public buildings. These expenditures had to be scrutinized by the federal departments and the financing arranged beforehand. The federal departments also handled the expenditures.  
 Robert Gosse, well known cannery operator, came north on the Pr. Rupert this trip to pay a brief visit to the Ocean Cannery at Oceanic, Smith Island. The steamer stopped at Genn Island this morning and Mr. Gosse was taken off on a gasboat.
