## "Second Revolution" In Germany Being Put Down, Country Placed In Military Dictatorship Now

### Lord Mayor's Son Killed in Crash

Prince of Wales Was One of Witnesses of Tragedy at Royal Air Force Show at London

LONDON, July 3:—S. P. Collet son of the Lord Mayor of London, was burned to death on Saturday afternoon when a plane in which he was acting as observer during a Royal Air Force exhibition crashed. The Prince of Wales was among the spectators who witnessed the tragedy.

### CONDITION OF GERMANY

Colonel J. W. Nicholls Says Every Second Man is in Uniform in That Country

In view of recent developments in Germany that part of the address of Col. J. W. Nicholls to the Rotary Club last week dealing with conditions in Hamburg and surrounding districts will prove of particular interest. In telling about it he said that every second man is in uniform, boys are training at weekends, in the restaurants soldiers solicit subscriptions for the building of an air fleet. Everything indicates war preparations.

An incident which is not uncommon in Germany occurred to the visitor while in Hamburg. The bus on which he was riding was stopped and every person searched. The same was done to all pedestrians. Taxis and private cars were stopped and all had to undergo the same indignity. Speaking generally, however, the Colonel said that he found the people of Hamburg very hospitable. He was well treated everywhere. The money he used for hotel and restaurant expenses was what was known as "spare money." It was cheaper than the usual marks. It could be purchased only from certain companies such as the express companies and could not be taken out of the country. When about to leave he still had forty marks of this money in his possession. He was stopped by a soldier with the usual salute "Hall Hitler." His passport was taken away and he was told he could not get it back until he had spent that forty marks. In order that he might do so the train was stopped and it waited until he spent the cash.

### Premier Henry To Be Senator

Defeated Prime Minister of Ontario To Find Success in Red Chamber

TORONTO, July 3:—Premier George S. Henry, whose government was badly defeated in the recent provincial elections, is reported to be slated for appointment to the Senate.

DEATH LIST AS RESULT OF OUTBREAK AT END OF WEEK PLACED AT SIXTY—VON HINDENBURG CONGRATULATES HITLER—CONDITIONS AMONG STORM TROOPS DESCRIBED.

BERLIN, July 3: (CP)—Germany was under a military dictatorship today with Chancellor Adolph Hitler at the helm and the real power in the hands of the Reichswehr. This was indicated following a cabinet meeting at which General Werner von Blomberg, minister of the Reichswehr, congratulated Chancellor Hitler on having averted civil war. Reliable observers felt that the whole Nazi program might be at stake.

BERLIN, July 3: (CP)—Chancellor Adolph Hitler issued an order today putting an end to special measures used to quell the "second revolution" and announced that henceforth regular courts of justice will handle offenders against the Nazi regime. The Nazi press department issued an official estimate today placing the number killed as a result of Saturday's outbreak at below sixty.

Chancellor Hitler boarded an airplane for Neudeck, the home of President Paul von Hindenburg, tonight, leaving the disposition of the vice-chancellorship unsettled. Although Vice-Chancellor Franz von Papen had not yet resigned, it was freely stated that Premier Goering was slated to succeed him.

Yesterday President von Hindenburg charged the Reichswehr with being responsible for von Papen's safety and said that, if harm befell him, a state of siege would be declared. He also sent a wire to Chancellor Hitler congratulating him on saving the country from a dangerous situation.

#### Incident Explained

BERLIN, July 3: (CP)—The Nazi party has announced that when Capt. Ernest Roehm, leader of the Nazi storm troops was arrested at the end of last week, he and other storm troop leaders, who were taken with him, were found engaged in a "spectacle so bad morally that every trace of pity must needs vanish." The party press said furthermore that "Roehm's well known unfortunate homosexual disposition, in the course of time, led to such embarrassment that the leader of the movement and the supreme head of the storm troops himself were brought into the severest conflict of conscience. The Nazi announcement also said that "some of these storm troopers had boys with them for lustful purposes."

These disclosures were made of—

### Oil From Alaska For United States

The business being forced into this port on account of the longshore strike having tied up handling of cargo through Seattle, the Alaska Steamship Co.'s freighter Lakina arrived in port at 9:30 this morning from Ketchikan with a cargo of ten carloads of herring oil which is being transhipped from the steamer to rail here for delivery to the United States.

A. H. Waddington, Fire Inspector of the local Forest Branch, returned to the city on Saturday afternoon's train from a trip to Smithers on official duties.

Following the sensational episodes on Saturday in which Roehm committed suicide after he had been deposed by Hitler as commander of the storm troops and placed under arrest and former Chancellor Kurt von Schleicher was killed while resisting arrest as a conspirator against the government of Chancellor Hitler. During the abortive revolution Heinrich Klausner, chief of the "Catholic Action" party was shot and killed by a special guard trooper in the ministry of transportation office. Premier Goering announced late Saturday that several notorious storm troop leaders had been executed and that others had committed suicide.

There had been rumblings of trouble in regard to the Nazi storm troops ever since Vice-Chancellor Franz von Papen had startled the nation recently by criticizing certain radical Nazi practices. During the outbreak, von Papen, together with three members of his staff, was held for a time in protective custody at secret police headquarters.

With her husband, George William Smith, she was driving towards her home. The car stalled while going up the narrow road on a steep hill and slipped back and over an embankment. Mrs. Smith was thrown out but she was pinned under the vehicle, the internal injuries she sustained causing her death.

An inquest was held at which death was determined to have been of accidental cause.

## FIGHT WAS BRIEF ONE

Natives Knocked Out and Robbed in Boxing Bouts Here

Steve Bright, supposed tough guy from Aiyansh up the Naas River, did not last very long against Jack McEvoy of Vancouver in their scheduled six round bout at the Empress Social Club arena Saturday night. Steve took the count about thirty seconds after the start of the bout when McEvoy got him under the heart with a hard right. He was obviously hurt and, after he had been assisted to his feet, made some sort of a protest about having been fouled, the referee, however, finding that there had been no low blow and declaring it a fair enough knock-out. Weights of both Bright and McEvoy were announced as 150 pounds.

Except for the curtain raiser, a three-round exhibition between Bobby Hale and Helge Hohkstad, local ninety-pounders, the card consisted of bouts between local lads and visiting natives. The Indians did not make a very good showing, three of them being knocked out while a fourth was robbed of the victory to which he was fully entitled when Referee Dido Gurvich for some reason gave the call to the home boy.

In the semi wind-up, Abel Derrick of Aiyansh, another allegedly bad hombre from the Naas River, found the going with Frank Gomez a little too tough and, after taking a bad slugging on the head, finally gave up the ghost in the third. He was still reeling as he left the ring. Early in the first round, Abel took the count after Gomez had swung a hard right on the side of his head. He was willing but wild and, even in the second, was groggy. Gomez weighed 170 to Derrick's 166 pounds.

The special event between Banana Robinson of Greenville and Johnny McLeod of Prince Rupert also finished in the third after a good deal of shoving, swinging and missing. Johnny was eventually able to plant some swings on the nose of the tropical fruit and Banana finally reclined on his haunches for the count. They were announced as 150 pounders.

Rufus McDames of Skeena Crossing, meeting Darrow Gomez in the deuce spot, won everything in the four rounds but the decision and what reason Referee Gurvich had for depriving him of that was the mystery of the evening. Maybe Dido should go and see an eye specialist. Rufus pounded Darrow on the head in every round, gave the local boy a bloody nose and had him hanging on. He proved himself a good sport by not squawking at the decision.

There was a fair-sized crowd of fans of which natives in the holiday week-end formed the big majority.

Henry Cotton, youthful English pro of the Waterloo Golf Club in Belgium, who carded 283 for the 72-hole course at Sandwich, Eng., last week, brought the British open golf championship to its native land for the first time in eleven years. Cotton's victory was a sensational one. After setting a record-breaking pace for the first two rounds with 67 and 65 and doing the third round in par, 72, he faltered on the final round to take 79. Sid Brews, South African pro, was in second place five strokes behind.

The oldest Class J yacht in British waters, Hugh Paul's Astra, defeated Tom Sopwith's America's Cup challenger Endeavor in a 30-mile race to leeward and return at Falmouth, Eng., late last week. To say the least of it, the defeat of the Endeavor has somewhat reduced her prestige as a challenger for the historic "mug."

The Senior Elks were fortunate enough to work their way into the final of the Dominion Day Cup softball series as a result of two defaults—the first by the Royal Canadian Naval Volunteer Reserve and the second by the Moose failing to field a team on Sunday week. Grotto and Canadian National Recreation Association met in the other bracket of the semi-finals on Wednesday to determine which should meet the Elks in the final this Monday in connection with the celebration sports program to be held that day, the Tobacconists winning 6 to 3.

Grotto outfit Elks eight to six to win the City League softball fixture last Monday night by a score of 7 to 6. As stated Tuesday, it was one of the hardest-fought and most exciting games staged so far this season. The line-ups were as follows:

Grotto—Fong 2b., Bury 3b., Stalker lf., Hill s., Gurvich c., Veitch rf., Antonelli 1b., Ratchford cf., Yager p.

Elks—Johnson s., Lambie cf., Joy 3b., Ogg 1b., Budinich c., Tobey 2b., Mitchell rf., Scott p., Barber lf.

The loose lopsided City Softball League game on Wednesday night in which the Moose defeated Royal Canadian Naval Volunteer Reserve by a score of 17 to 3 was compensated for by the keen Dominion Day Cup semi-final in which the Grotto, who have yet to taste defeat this season, eliminated the Canadian National Recreation Association 6 to 3. This was one of the most interesting softball games that has been seen here this season. The line-ups in Wednesday night's games were as follows:

Moose—Postulo cf., Armstrong c., R. Morrison lf., B. Armstrong ss., Murray 2b., Menzie 3b., Lemon 1b., F. Morrison p., Hickey rf.

Royal Canadian Naval Volunteer Reserve—Macfie c., Bremner 1b., Stewart p., Palmer ss., Comadina 3b., Veitch lf., T. Hill cf., Passmore 2b., B. Hill rf.

Canadian National Recreation Association—Veitch lf., Horton 3b., Hibbard ss., Geddes c., Cameron cf., Pitcher p., Ferguson rf., Astoria 2b., Stiles 1b.

Grotto—Fong 2b., Bury 3b., Ratchford 1b., Hill cf., Gurvich c., Nelson ss., Antonelli lf., Johnstone rf., Yager p.

W. S. Russell, manager of the Hudson's Bay Co. at Hazelton, has been on a brief business visit to the city. He arrived from the interior on Thursday night's train and returned to Hazelton on Monday afternoon.

He was a police commissioner some years ago and always took an active interest in civic and public affairs. He was president of the Vancouver Board of Trade in 1920 and was a former Governor of the Vancouver General Hospital.

Married in 1890 to Miss M. L. Ferguson of Simcoe, Ontario, Mr. Wilson is survived, besides his widow, by one son, Blake M. Wilson. From the Waterfront

With many local persons, including school teachers and a number of families, leaving for Vancouver and elsewhere in the south to spend the summer vacation, there was very much of a holiday air about the steamer Prince Rupert as she pulled out from here for the south Saturday evening. She was practically a full ship. Among those going through were teachers from Anyox as well as several smelter town families.

Having on board a fair sized list of passengers, Union steamer Catala, Capt. A. E. Dickson, arrived in port at 10 o'clock Sunday night from Vancouver and sailed a couple of hours later for Anyox. Stewart and other northern points whence she returned here this afternoon at 2 o'clock, sailing at 3 p.m. for the south.

Southbound after her first voyage of the season to Alaska on summer tourist schedule, C. P. R. steamer Princess Charlotte, Capt. W. Q. Palmer, was here from 4 o'clock to 5:30 Saturday afternoon. The vessel had on board 150 passengers of whom four disembarked here. Fourteen persons took passage from here for the south on the vessel.

Capt. Albert Rippon is in command of the steamer Princess Maquinna which is at present on a special voyage to Petersburg, Alaska, with a cannery crew of 280 persons. It is understood that the Maquinna will make another special

cial voyage to Alaska following the present one with a cannery crew for Ketchikan.

The steamer Princess Alice, which left Vancouver last night on a special round trip voyage to Ketchikan with a Knights of Columbus party from San Francisco, being due here Thursday morning, is to make another special voyage to Alaska at the conclusion of the present one. Capt. James Flood is in command of the Alice which is due here from 8 to 11 o'clock on Thursday morning northbound and from 2 to 4 o'clock southbound.

With a capacity list of 250 passengers, most of whom were round trip tourists, C. P. R. steamer Princess Louise, Capt. Thomas Cliff, arrived in port at 9:30 yesterday morning from Vancouver and sailed a couple of hours later for Skagway and other Alaska points whence she is due here Saturday afternoon southbound. The vessel also had on board no less than 400 tons of freight for Alaska. Two passengers disembarked from the vessel here. During the longshoremen's strike which has tied up the American vessels, Petersburg has been added to the lists of calls of the C. P. R. boats in Alaska for delivery of mail.

Returning south after her first voyage of the season to Alaska, C. N. R. steamer Prince George, Capt. H. E. Nedden, arrived in port at 9:45 yesterday morning from Skagway and other northern points and sailed at 3 p.m. for Vancouver via Ocean Falls and Powell River. The Prince George had 150 passengers on board, most of them being round trip tourists. Five persons disembarked from the vessel here.

Dr. and Mrs. W. T. Kergin and party including Mr. and Mrs. S. J. Stevenson of Ottawa, Miss B. Fox R.N. of Toronto, Mrs. F. E. Robertson, Miss Edith Kergin and Miss Margaret Kergin R.N. returned to the city at the end of the week on the power cruiser Full Moon from a week's holiday cruise which included visits to Anyox, Alice Arm and Stewart. Mrs. W. S. Kergin of Premier went north with them.
