Quebec Province Votes Today; Taschereau Victory Expected

Short But Snappy Campaign Comes to an End With Polling in Eighty-Seven Seats—Three Government Supporters Elected Without Contest

QUEBEC, Nov. 25: (CP)—A short but snappy provincial election campaign in this ancient province came to a close Saturday night. The people had yesterday to finally think over the issues and today the voting is taking place. Indications are that the new regime will be of the same party as the old and that Premier L. A. Taschereau, Prime Minister since 1920, will again head

the Liberal government which party has been in power since 1897 with G. Marchand, S. N. Parent, Sir Lomer Gouin and Mr. Taschereau as successive Premiers.

Mr. Taschereau's administration is opposed on this occasion by the Conservatives and an independent Liberal organization known as L'Action Libérale Nationale. The opposition has been united with the agreement that, in the event of the government not commanding a majority of seats after the polling, the two opposing groups would unite in forming a government with Maurice Duplessis of Three Rivers, Conservative leader, as Premier and a cabinet in the choosing of which the leader of L'Action Libérale Nationale, Paul Gouin, son of the former Premier and grandson of another Premier, Honoré Mercier, would play the principal hand.

Contests are taking place in 87 seats today, three supporters of the government having already been returned, two by acclamation and the other because the opponent withdrew since nomination day. In the last provincial election, the Taschereau government was returned with 79 seats out of 90. Mr. Taschereau might have deferred the election for another year but, in that event, it would have been necessary to hold by-elections to fill a great many vacancies in the Legislature.

GEORGE IS IN ATHENS

Former Monarch Back To Resume Throne Of Greece—Is Given Great Reception

ATHENS, Nov. 25:—George II, after an exile of twelve years in England, was back in Athens last night to resume the throne of Greece following the recent plebiscite which was overwhelmingly in favor of restoration of the monarchy. The King made the final stage of his journey from Italy in a government ship and was given a great demonstration by the populace. Special precautions had been taken against possible counter-demonstrations.

King George made his triumphant entry into Athens today carried on the shoulders of a friendly crowd which, swept out of control in its enthusiasm for the recalled monarch, was charged by cavalry with drawn sabres before order could be restored.

After a cathedral service, the King drove to the royal palace to resume the throne he abdicated in 1923.

LOST PAIR ARE SAFE

Walter Simpson and Wife Reach Wrangell After Long Trip From Telegraph Creek

An amateur radio message relayed from Wrangell via Calgary to Norman Kinslor of this city last night announced the safe arrival at Wrangell of Mr. and Mrs. Walter Simpson, for whom considerable anxiety had been felt after they left Telegraph Creek on October 29 in an outboard motor boat and had not since been reported. A message today from the United States marshal at Wrangell confirmed the radio report.

The message suggested that a search plane, which was to have gone north to look for the couple, be instructed not to proceed.

Provincial Constable J. V. Boys, who is conducting a search, will also be withdrawn as soon as he can be contacted.

The search plane had not reached Prince Rupert up to today. It is an American machine piloted by L. F. Barr and has been operating out of Telegraph Creek. Whether or not it was instrumental in finding the couple is not yet known.

PASSING OF JOHN McRAE

Well Known Pioneer Business Man Dies at Terrace After Long Illness

Esteemed pioneer business man of this city who came here in 1910, John McRae died last evening at Terrace where he had lived in ill-health for the past few years. A few days ago his long illness took a critical turn and his passing, which was not unexpected, came as a merciful release to long suffering. Accompanied by the widow, the remains will be brought to the city on tomorrow night's train for burial on Thursday afternoon.

The late Mr. McRae, who was 66 years of age, was born at Mooretown, near Sarnia, Ont., and, after spending a while in Detroit, came west as a young man, being located for some time at Bonner's Ferry, Idaho. In 1899 he went to Phoenix in the heyday of that boundary mining camp where the business of McRae Bros. was established, being moved in 1909 to Prince Rupert.

Deceased was prominent in Masonic circles here, having been for a number of years secretary of Tye Lodge No. 66. Besides his widow, he is survived by two brothers, D. C. and Alex McRae, both of this city, and a sister, Mrs. Edward (Agnes) McKinstry, residing in California. The bereaved will have the sympathy of many friends.

Funeral arrangements will be in the hands of the B. C. Undertakers.

New Administration of General Jin Ju-Keng Immediately Calls Upon Japan to Assist in Purging Country of Communists

PEIPING, Nov. 25: (CP)—As a result of a sudden political coup last night, an autonomous government, in close harmony with Japan, was inaugurated today for a large section of North China and immediately called on Japan for assistance to send troops "to purge North China of Communists." General Jin Ju-Keng, head of the autonomous council for twenty-five counties in Hopei and Chahar provinces, has set up a new capital at Tungchow, about fifty miles from Peiping. The new government is taking over all public services.

PATIENCE IS URGED

Postmaster General Does Not Think Lumber Tariff Cut Will Hurt Northwest

PORTLAND Ore., Nov. 25:—James A. Farley, Postmaster-General, a visitor here yesterday, urged the people of the Pacific Northwest to be patient in awaiting benefits from the Canadian-American reciprocity treaty. He felt that lumber interests had become unduly aroused over the reduction of the lumber tariff from \$4 to \$2 and expressed the belief that the quota which had been set would give them due protection. There would be such an increase in building in the United States within the next few months, he predicted, that the reduction in lumber tariff would not even be noticed.

Interior Indian Is Drowned When Went Through Ice

Divisional headquarters of the provincial police here are advised of the supposed drowning on November 13 in Beaver Lake near Fort St. James of Michael Seymour, a 24-year old Fraser Lake Indian. Seymour and his father were on their trapline and the young man set out across the lake, a distance of four miles, with a sleigh to their cabin to get a knife. He failed to return and, when search was made, the sleigh tracks were followed to a point where open water suggested that the outfit had gone through the ice. There were some of deceased's effects floating in the water but no trace of him. The rapid forming of ice stopped further search operations.

Natives of Siamese Jungle Saw Plane Crash Two Weeks Ago Friday

Search in Vain

Quest is Continuing in View Of Newly Reported Clue

SINGAPORE, Nov. 25:—Further possible clues over the week-end resulted in an intensification of the search for Sir Charles Kingsford-Smith and Tom Pethybridge, who dropped out of sight two weeks ago last Friday while on the Allahabad-Singapore hop of a projected flight from England to Australia, and for whom hope had been abandoned.

Natives of an isolated jungle section of Siam near the border of Malay have stated that, on the day of the disappearance of the Lady Southern Cross II, they saw a plane crash. Flares are now reported to have been seen on an island nearby to Sayer Island where search fliers declare they had seen footprints on the sand. It was announced tonight that, despite the continued search along the shores of Siam and Malaya coasts and over Sayer Island in the Bay of Bengal, no trace of the missing airmen had been found.

SENATOR IS DEAD

Hon. Charles Murphy, Long Prominent in Liberal Party, Passes Away in Ottawa

OTTAWA, Nov. 25: (CP)—Senator Charles Murphy, former Secretary of State and Postmaster General, died here yesterday from heart failure at the age of 72. He had been in failing health since last spring when he sustained a fracture. He is the first member of the upper chamber to die since the new Liberal government came into office.

Senator Murphy was a native of the city of Ottawa and was born December 8, 1863. His parents were from Ireland, the father, James Murphy, being a native of Birr, King's County, and the mother, Mary Conway, of Limerick. He graduated from Ottawa University, where in his final year he won the medal presented by Pope Leo XIII, for the best thesis in philosophy. Upon the completion of his studies he entered upon his legal career in Ottawa, and within a few years succeeded in building up a large general practice. In September 1908, he became a member of the Laurier Government as Secretary of State and in the general election of that year was returned for Russell County. He held office as Secretary of State until October 6, 1911, when he went out with the Laurier Cabinet. He was re-elected for Russell County in the general elections of 1911, 1917 and 1921 and in September 1925 was elevated to the Senate after serving as Postmaster General from 1921 to 1925 in the Mackenzie King Government.

Always high in the councils of the Liberal party, Senator Murphy, a brilliant lawyer, was Mackenzie King's right hand man in connection with the famous "constitutional issue."

EMPLOY MANY AS POSSIBLE

The Department of Labor at Victoria is asking employers to avoid overtime as much as possible during the holiday shopping season and to put on as many of the unemployed as they can to do the usual Christmas holiday work.

This seems a very commendable method. While there are still people who have no work to do and there is more than the usual amount of work to be done, a division of labor seems the logical solution rather than have regular employees working overtime.

The local employment office will co-operate as far as possible in securing competent men to undertake work that may be offering. We commend this to employers as one of the means of helping the return of prosperity to all.

TON OF MAIL BY AIR

The China Clipper taking off at the week-end with a ton of trans-Pacific mail was an event of importance in aviation circles. It is the first time that mail in any quantity had been taken across the Pacific by air and may prove to be the development of real trans-oceanic air services throughout the world.

NORTH CHINA THE SCENE

The world's danger zone seems to have shifted from the Mediterranean Sea to North China where the decision of northern provinces to break away from China and form a government of their own is liable to lead to complications.

Everyone will think that the move was instigated by the Japanese, no matter what are the real facts of the case. This will lead to suspicion, suspicion leads to distrust and distrust sometimes leads to war.

Evidently the move was timed to take place when Great Britain had her hands full in Europe. Nanking is evidently powerless to do more than talk at the present time, so it seems as if there is nothing to stop the second step in the breaking up of the Chinese Empire.

HIGH WINS FIRST HALF

Defeated Booth Two to Nil in Junior Football Saturday

By winning from Booth Memorial School by two goals to nil on Saturday, King Edward High School took the first half of the 1935-36 Junior Football League. The game was splendidly contested with play very even but High School was value for a win.

Soon after the start Blain had to save from Ritchie's header. Holkestad and Smith combined well and the latter's parting shot was close. Booth forwards broke away with fast combination play and, following a spell of pressing, Blain was fortunate to block Ritchie's hard drive for goal. Knutson crossed a dangerous centre but Anderson cleared luckily. Cameron and Ritchie made headway until Parsons came to the rescue. Then Houston beat Dybhavn for the first goal with a shot that bounced awkwardly. Four High School forwards missed a fine cross from Knutson. Beynon stopped a shot on the goal line with Dybhavn beaten and McLean cleared well. Smith turned Knutson's cross over the bar. Ritchie and Gomez were dangerous and McKay had hard luck.

Following an attack by High, Booth staged a hot siege. Ritchie, Cameron, McLean and McKay all had tries but were unsuccessful. Fitch was playing a fast, hard driving game. Beynon and Anderson were tried out in a High attack until McKay and Ormiston came to the rescue. Slackness in Booth defence gave Wikdal an opening and he added High's second goal. Ritchie and Cameron made headway and Baker and Gomez carried on the good work but Christian cleared. Franks did well to stop Knutson. Dybhavn was very alert and did well to push a shot past the upright for a corner that Holkestad took accurately but McLean finally cleared. A good game resulted in High winning by two clear goals.

High School—Blain; Parsons, Bolton; Brown, Fitch, Christian; P. Knutson, Barton, R. Smith, Wikdal, Holkestad.

Booth—Dybhavn; Beynon, Anderson; Ormiston, McLean, Franks; D. Cameron, McKay, Ritchie, G. Baker, W. Gomez.

Andy Horne was a competent referee and J. Carroll and Schubert, linesmen.

BANQUET OF JR. SOCCER

Ex-Mayor H. B. Rochester Presents Shield to Borden Street; Several Speakers Heard

The presentation of the Rochester Shield, emblematic of the Junior football championship of Prince Rupert for 1934-35 season, and the accompanying medals took place Saturday evening at the annual Junior League banquet.

Following the very acceptable repast, to which the footballers did full justice, a short program was enjoyed.

H. B. Rochester, the donor of the shield, expressed his satisfaction at the pleasure the yearly competition for the trophy gave the boys. Hugh Killin, representing the Prince Rupert Football Association and the Dominion Day celebration committee, congratulated the boys on their success and hoped that they would duly qualify for places in senior teams.

Mrs. D. C. Stuart stated how pleased the Prince Rupert Parent-Teachers' Association was to be able to assist the boys to develop healthy bodies.

Judge W. E. Fisher was very enthusiastic in his comments on the standard of play achieved by the boys. He regretted that there was little opportunity for the senior boys at High School to take part in an Intermediate League which would fit in between the Junior League and the city competitions.

Rev. W. D. Grant Hollingworth expressed the satisfaction of the Gyro Club in being able to assist the boys by improving the Gyro playground and fitting it with goalposts.

Frank Derry, for the Trades and Labor Council, told how pleased the members were to be able to assist the junior footballers and how well repaid they felt for their efforts by the response the boys gave and their maintenance of the best traditions of sport.

Don Fitch, captain of the winning Borden Street team, received the shield and thanked the executive for their leadership. The team felt most of the credit was really due to W. W. C. O'Neill for his efficient coaching. Bob Davie and Jim Gulick thanked the executive for the way in which it carried on the league from year to year and gave the boys the chance to play the game.

In replying J. S. Wilson said he was very glad to pass the credit on to those who deserved it, namely to Jack Campbell sr., vice-president, Miss S. A. Mills, secretary-treasurer, A. Sutton, W. W. C. O'Neill and J. C. Hutchison, members of the executive and to the principals of the schools. To the

Canadian Legion Billiard Tourney Is Now in Final

The final of the first of the season Canadian Legion billiard handicap tournaments has now reached the final stage with Percy Tinker and Bert Morgan the finalists.

The games have nearly all been exceptionally well contested, some being won by the margin of three points, while W. H. Wilson Murray won from Jack Wilson by one point. It would seem that the handicapping committee made a good business of the handicaps.

In one semi-final Tinker won from Neil Cameron by nine points and, in the other, Bert Morgan won from George Cripps by the same margin.

Jack Sharkey Gave Pair of Knockouts

Bout With Eddie Winston Was Strange Sort of Affair

BOSTON, Nov. 25: (CP)—Jack Sharkey actually scored two knockouts in defeating Eddie Winston, negro, here Friday night.

The first knock-out was ruled out by referee Johnny Martin but Winston was allowed a fresh start on an appeal by Sharkey to the state boxing officials. Heavy head barages dropped the negro for the count for the second time in the second round of the second session. Martin said that Winston was not trying the first time.

LEAFS LOSE TWO GAMES

Maroons Score Brilliant Five to Two Victory in Toronto Saturday Night

TORONTO, Nov. 25: (CP)—Montreal Maroons, holders of the Stanley Cup, present a real threat for supremacy of their brilliant five to two victory over the Toronto Maple Leafs at Maple Leaf Gardens Saturday night. Two of the Maroon goals were made during the last minute of play after the Maple Leafs had vainly bid to equalize.

Baldy Northcott scored two of the Maroons goals early in the game and Cy Wentworth one, Buzz Boll making Toronto's first. With three and a half minutes to go, Charlie Conacher scored from Harvey Jackson in the third period while the Maroons were a man short. With forty-four seconds to go Jimmy Ward, on a pass from Northcott, slammed in the fourth for the Maroons and, no sooner was the puck in play again, than the same combination repeated for the fifth. Northcott was the Maroons' star in the attack, playing a great game and contributing largely to the scoring punch. Beveridge was wonderful in the Montreal goal, breaking up many a Maple Leaf attack.

At Montreal, the Canadiens kept pace by defeating the New York Americans three to one.

The Maple Leafs lost their third straight game last night at Detroit when they were defeated 2 to 1 by the Red Wings. The Maroons were defeated by the Chicago Black Hawks at Chicago with a 2 to 1 score. New York Rangers, playing at home, scored a one goal victory over the Boston Bruins.

Week-end scores were:

Saturday

Montreal 5, Toronto 2.

The local branch will also celebrate the burning of the bonds which they issued some two years ago in connection with the rebuilding and modernizing of their headquarters.

Some alarm was felt by the parents when two son of Mr. and Mrs. R. T. Anderson, aged 16 and 15, failed to return last night when they were due back from a weekend visit to Wolf Island for which they left Saturday afternoon. The provincial police boat P. M. L. 8 went out this morning and found them safe, bringing them home. They had been afraid to venture across the harbor in their small boat owing to the storm.

VETERAN OF FILMS HERE

Richard Barthelmess in "Four Hours to Kill" at Capitol Theatre

That popular veteran star of the screen, Richard Barthelmess, who still has many admirers who look forward to his infrequent presentations, has the leading role in the spellbinding melodrama "Four Hours to Kill," which comes to the Capitol Theatre here at the first of this week. The story is that of an escaped convict who steals time away from the hangman to destroy the man who squealed upon him. Barthelmess acts the character of the criminal who comes to a theatre with the detective who has charge of him to while away the time between trains. There he glimpses an usherette whom he recognizes as the wife of the "squealer" and, by a ruse, he eludes the detective in order to get his revenge. In a thrilling rapid-fire climax in the lobby of the theatre, the problems of all the principals are satisfactorily straightened out. Joe Morrison, Helen Mack, Dorothy Tree, Gertrude Michael and Ray Milland are members of the supporting cast.

The second end of the double bill is "Shanghai," an absorbing dramatic story of the Orient, with Charles Boyer and Loretta Young in the leading roles.
