PARLIAMENT TO DISSOLVE IN AUGUST FIFTY MILLION HOUSING SCHEME FOR CANADA CONSIDERED

Proposal of Deputy Finance Minister is Put Before Committee

Cabinet Has Given Plan Tentative Consideration But No Decision is Reached—May be Embodied In Government's Reform Program

OTTAWA, April 5: (CP)—A \$50,000,000 housing program for Canada was presented to the committee of Parliament on housing today by Deputy Minister of Finance W. C. Clark. His scheme has received tentative consideration from the cabinet but no decision has been reached as yet. Private funds would form a major portion of the financing of the housing construction with some financial aid from the government. The scheme may possibly be embodied in the government's reform program.

Bessboroughs On Farewell Tour of Dominion

The announcement that John Buchan is to become Canada's new governor-general finds the present vice-regal party making a farewell tour of the Dominion. Here are shown Lord and Lady Bessborough, Lady Moira Ponsby (right) and Mark Baring, nephew of the governor-general, on the steps of the Alberta parliament buildings in Edmonton after an official visit. The Bessboroughs will tour Canada from ocean to ocean before departing for home in England.

No Hint of Election Date is Given Out in Ottawa Announcement

House to Adjourn From Easter Until May 20 to Permit Premier Bennett to Attend King's Jubilee Celebration in London

OTTAWA, April 5: (CP)—The present Parliament will be automatically dissolved on August 18, Hon. Hugh Guthrie, minister of justice, informed the House of Commons today. No hint was given of the election date. The House will adjourn at Easter until May 20 to permit Premier R. B. Bennett to attend the Silver Jubilee of the King's accession at London. The Prime Minister, it is reported, is continuing to make satisfactory progress towards recovery following his recent illness.

FOR CANCER FUND

In 1933 cancer took a toll of 10,946 Canadian lives — many times more than all traffic deaths and almost as many as were sacrificed in any one year of the Great War.

The King has given his name to a Cancer Research Fund to be raised in commemoration of his Silver Jubilee. With Premier Pattullo personally endorsing the campaign, British Columbia is presenting His Majesty a silver Thunder Bird bowl (shown in the picture) which is to be filled with nuggets, gifts of people of this province. The nuggets are then to be sold and the proceeds devoted to cancer research in Canada.

Subscriptions big or little, may be sent to the Prince Rupert News Silver Jubilee Cancer Fund.

Visitor From San Francisco Has Vision of Great Things For Prince Rupert, So He Tells Rotary Club

"What you imagine, that you can do if you only will," declared E. A. Thompson of San Francisco as an inspiration to the people of Prince Rupert in their efforts to establish industries and develop the port. He visioned the two large valleys leading back to the interior; the deep water harbor that could accommodate the whole British

MORE FISH BOATS OUT

Twenty Local Vessels Had Cleared Up to Today—Only One Has Union Crew

Taking out every halibut boat owner in port with the exception of Capt. George Fritz, president of the Canadian Halibut Vessel Owners' Association, who is remaining in port to represent the boat owners in the dispute with the fishermen on the question of sharing of halibut liver proceeds, twenty vessels of the local halibut fleet had cleared for the deep sea fisheries up to noon today. All boats of the regular fleet were manned with boat owners with the exception of the J. R. Smelter Gold.

The boats clearing up to noon today, in addition to those named yesterday, were: Takia, Capt. Chris Parkvold; Ingrid H., Capt. Charles Lindquist; Gulvik, Capt. C. Bygdnes; Southend, Capt. J. Ellertsen; J. R., Capt. J. R. Reid; North Forland, Capt. R. Shrubbsall; Cape Spencer, Capt. Richard Giske; Relief, Capt. Merrill Sollows; Gony, Capt. Ole Anderson; Cape Race II, Capt. R. B. LOG SCALE MOVING UP

Improvement in March Production Brings 1935 to Date Ahead of Last Year

Timber scaling in Prince Rupert forestry district for the month of March this year totalled 1,116,613 board feet as compared with 1,033,186 board feet in the same month last year. The scale for the year to date stands at a total of 5,069,834 board feet in comparison with 4,955,590 board feet in the first quarter of 1934.

The log scale this March per species was as follows:

Table with 2 columns: Species and B.F. (Board Feet). Includes Fir (35,489), Cedar (49,884), Spruce (623,319), Hemlock (306,800), Balsam (53,001), Jackpine (45,980), Miscellaneous (2,140).

Forest Products

A total of 81,568 lineal feet of piles and piling—all cedar—was scaled in the interior this March as compared with 20,365 lineal feet in the same month a year ago. The count of hewn ties this March was 30,280—2,102 hemlock and 28,178 jackpine—as against 10,631 in March 1934. Eighteen cords of wood were recorded this March in comparison with 87 last year.

Small Shipment Of Halibut From Alaska in South

SEATTLE, April 5: (CP)—A shipment of nearly 1500 pounds of halibut brought south by the liner Yukon was received here yesterday by a fish distributing firm from Alaska points. It was believed to represent the production of some small group which had not joined in the strike.

GOING INTO BOOM NOW

Stock Broker From San Francisco Tells Rotary Club About Inflation and Deflation

"We are going into a business boom that will knock the hat off 1929," declared E. A. Thompson, a San Francisco stock broker, when addressing the Rotary Club at its weekly luncheon yesterday afternoon. Mr. Thompson is here with F. L. Buckley of Vancouver, looking over the local situation from a business point of view. He gave the members of the club a very interesting address on inflation and deflation in which he showed how his firm had calculated very closely the peak of the last rise and the bottom of the depression. Since the bottom there had been a very decided upward movement. They had a staff of statisticians who, by setting off one set of circumstances against another, were able to predict market trends and advise their four thousand clients.

The speaker admitted that there was no such thing as absolute safety in investments. Everything that is done has an effect on the market. The purchase of a sack of sugar here has an effect on the sugar market in the West Indies. In that case the effect was infinitesimal but it was there.

Speaking of the recent depression, Mr. Thompson said the slump was inevitable, following out certain natural laws and all the king's horses and all the king's men could not stop it. He mentioned the efforts of President Hoover to stem the drop in the price of wheat and yet the pouring in of five hundred million dollars by the President caused only a slight pause in the steady downward trend.

The rule was that, as the price of stocks dropped, the price of commodities also moved downwards but bonds stiffened. The measure of the value of high grade stocks was that they were worth ten times the average earnings of the last ten years. Just now they were selling at about seven times but they had been a great deal lower. This then was the natural time to buy high grade stocks.

OLD PALS DISAGREE

Condition of Toronto's Finances Subject of Debate Between McGeer and Simpson

TORONTO, April 5: (CP)—Mayor James Simpson of Toronto and Mayor G. G. McGeer of Vancouver, friends of twenty years' standing, are in disagreement.

Mr. McGeer declared: "I want to tell my friend, Jimmy Simpson, that, when you increase your mill rate, you are going backward. People who say Toronto's finances are in a sound position are fooling themselves."

Mr. Simpson countered with the statement: "My friend Gerry doesn't know anything about Toronto's finances. In the light of this, I think his remarks come with bad grace."

Are Looking Into Possibility Of Hemlock Export

J. U. Yenaka, Vancouver timber exporter, who is on a trip north for the purpose of looking into the possibility of instituting export shipments of hemlock logs from here to the Orient, is back in the city after a brief trip to Juneau, having arrived on the Princess Norah yesterday afternoon from the Alaska Capital. He is accompanied on this occasion by his associates, T. Yamada and Y. Otsuka of Tokio. They are leaving for Terrace on this evening's train to inspect timber and will return here tomorrow night enroute south.

### EXCELLENT OPPORTUNITY

The course of lectures recently completed by Dr. J. T. Mandy, resident mining engineer, on mining and prospecting, proved of great educational value. A number of local people took advantage of the opportunity to get authoritative information on the mining possibilities of the district and how to go about finding a possible mine. The lecturer went to great pains to make the series both interesting and instructive and in many cases gave individual help to men who have been contemplating going to the hills. The city is fortunate in having as a resident a man who is able and willing to do this work, for nothing will be so conducive to interesting people in mining as a course of lectures such as that just recently concluded.

### WAR DENOUNCED

On motion of the veteran parliamentarian, Henri Bourassa, the House of Commons has declared itself unanimously opposed to war as a means of settling international disputes. Evidently members of the House reflect the thought of all Canadians.

In the old days individual disputes were settled by combat. Knights fought on horseback while common people used other means of trying to show which was the better man physically. Even today fists are often used, especially among school boys. The results of these combats do not indicate that the winner was right but simply that he is stronger or has more skill than his opponent. So in international disputes, when force of arms is used as a means of settling disputes, the winner does not necessarily have right on his side. It is the method of savages, a relic of barbarism.

And yet we do not think much of the boy at school who lets some other boy ill use him without making an effort to defend himself. We think he is chicken-hearted. We cannot see him making a success of life if he is willing to be kicked around without proper protest and retort in kind. And so it is with nations. If a country is attacked, it is the natural thing for it to defend itself. What else can it do?

## LEAFS ARE DEFEATED

First Game in Stanley Cup Series Is Sizzler With Maroons Winning

TORONTO, April 5: (CP)—Montreal Maroons thumped Toronto with steaming body checks to defeat them 3 to 2 in overtime last night in the first game of the three out of five series for the Stanley Cup. They battered the Leafs as they have seldom been battered on their home ice.

Earl Trottier scored on the best play of the night to end the game after five minutes and twenty-eight seconds of overtime, it being a combination play with Earl Robinson.

Each team scored twice in the second period.

## SIMPSON IN LEAD

Defeated Grotto 35 to 26 Last Night In First of Basketball Series

### Show Superiority

Second and Deciding Game to Be Played This Evening

Port Simpson Athletic Club last night defeated Grotto by a score of 35 to 26 in the first game of a two-game play-off series for the right to meet Anxox in the Northern B. C. championship finals. The Athletic Club, a neat working, hard checking team, displayed to the spectators as well as the Grotto how the game should be played. Their five-man defence, smart passing and excellent floor work kept the Grotto from working under the basket and scoring cinch shots. Although the Grotto lacked the team work of the natives, they put up a hard fight and it was not easy going for the Athletic Club in the first half or the end of the second.

The score at half time was 13-12 in favor of Grotto. With the commencement of the second half the Athletic Club turned on the steam and took a good lead. The Grotto tried a comeback in the last five minutes and managed to pull down the Club's lead to eight points. In the last five minutes, the Grotto displayed a good game of basketball.

Tonight the two teams will play the final and deciding game of the series.

It would be hard to pick out the individual players for Simpson as they all turned in a creditable game but for Rupert Ratchford, Stalker and Morrison were outstanding.

### Individual scoring:

Port Simpson—G. Moody (2), G. Wesley (13), R. Mather (11), G. White (4), C. Ross, Johnson (5).

Grotto—Ratchford (8), Gillis (3), Murray, Macfie, Stalker (3), Morrison, Gurvich (3), Morgan (4).

Skinner and Comadina refereed the game in a capable manner, calling nine fouls on Simpson and 14 on Grotto.

The first game between Canadian National Recreation Association and Moose was a fast and interesting affair with C. N. R. winning 54 to 48.

### Individual scoring:

Moose—Pierce (14), Wingham (19), Arney (2), Unger (9), Vance (4).

C. N. R. A.—E. Smith, Nakamoto, Johnson (24), C. Smith (2), Stiles (26), Lambie (2), Steffensrud.

## SPORT CHAT

The following will be the line-ups for the badminton finals to be played tonight in the C. N. R. A. badminton hall and some exciting games are looked for:

## BALAGNO IN FINAL

Defeated Tinker by Score of 1000 To 756 in Championship Match

In the concluding block of their semi-final game in the city billiard championship last evening C. P. Balagno scored a decisive win over G. P. Tinker and entered the final. The score was: Balagno, 1000; Tinker, 756.

Scoring was faster than in the first block though there were no very high breaks. Balagno's best were 33, 29, 27 (twice), 24, 23 and 20. Tinker's best were 35, 34, 26 and 23.

Balagno played the better game all through and the issue was never in doubt. His losing hazards were very sure and he was left with many an easy scoring position as well.

Tinker was not up to form and in addition had the balls running badly. When he did miss a difficult shot he very often set them up for his opponent. He pulled up considerably towards the finish. His "long Jennies" were beautifully played.

In the semi-final game between Balagno and Tinker Balagno had an average of six. Tinker's average was 4.6. Tinker's high break was 52. Balagno's best was 60. The highest break of the competition so far is Cameron's 71.

The next game begins on Sunday when Don Brown and Neil Cameron meet in the other semi-final.

While the betting on Sunday's game favors Cameron it is worth remembering that, in the city league this year, Brown has lost only once to Cameron, winning the other games, one by a lead of over 100 points. Brown's fighting spirit is also a great asset so that there is every prospect of a keenly contested game.

# Put Men To Work Gainfully

The people of Prince Rupert are asked to co-operate for the purpose of providing gainful employment for as many people as possible during the next six months. A group of canvassers will undertake to call on all local citizens asking for pledges from them that they will undertake to spend as much as possible and stating how much they plan to spend on gainful employment.

It is not the intention to interfere with the private concerns of our neighbors but to try to secure as much employment as possible as a means of improving local conditions.

## We have set as our objective the sum of \$50,000

If every person will undertake to spend some money in such a way as to make conditions better, we shall easily attain our object.

The pledge cards will be kept private in order to prevent solicitation on the part of those who may be trying to secure advantage from the campaign.

We are not an employment agency and have nothing to say as to who shall be employed or what they shall be paid. That is between the employer and employee. All we ask is that the money be expended. The provincial employment officer can supply men if required.

Things in the home, outside the home, in office buildings and factories are beginning to look the worse for wear. And there are hundreds of unemployed hands wanting and willing to do those jobs. You need the work done—they need the money for the necessities of life.

Help make these idle hands earning hands, for the good of the community and the happiness and self-respect work brings to an idle man or woman.

Members of the fire department  
were busy this morning burning up  
dry, dead grass in the vicinity of  
McBride Street which presents a  
seasonal fire hazard. Yesterday af-  
ternoon at 3 o'clock the brigade  
was called out to a grass fire at  
the junction of First, Second and  
Third Avenue, no damage being  
done. This morning at 11:20 there  
was a false alarm from the corner  
of McBride Street and Ninth Av-

Style Show, Featuring Bridal Pro-  
cession, Presented by Catholic  
Altar Society is Most De-  
lightful Diversion

A delightfully refreshing and di-  
verting innovation in the way of  
local entertainment was the fashion  
show and afternoon tea presented  
by the Catholic Church Altar So-  
ciety in the Catholic School Hall  
yesterday afternoon under the con-  
venership of Mrs. G. W. Nickerson.  
It was the first occasion on which  
a function of this kind had been  
attempted in Prince Rupert and it  
proved highly popular. The two  
large sections of the hall were filled  
with interested callers who sat at  
tea tables as the fashion show, sup-  
plemented by an acceptable mus-  
ical program, proceeded.

The hall presented a most attrac-  
tive scene with its spring decora-  
tions of green and yellow. Hundreds  
of daffodils were used in the decora-  
tive scheme with banks of salal  
leaves and evergreens in the arches  
and on the window sills. Streamers  
of green and yellow crepe paper  
under sheets of cellophane glistened  
in the bright sunshine pouring  
through the windows. There were  
also special lighting effects by  
Louis Amadio and J. Garofani.

The style show was, of course,  
the principal attraction of the af-  
ternoon. Many charming models  
exhibited to splendid advantage a  
large number of stunning creations  
in evening, afternoon, street and  
sports wear, the highlight of the  
whole display being the bridal pro-  
cession which was beautiful indeed.

Tailored suits, swaggar suits,  
coats, lanseas, sport suits, tennis  
dresses, pajamas in varying shades,  
and styles were displayed and due  
attention was also paid to the other  
portions of ensembles as well as to  
hats, footwear, etc.

The models for the afternoon  
were Mrs. A. J. Webber, Miss Annie  
Boddie, Miss Maxine Hellbroner,  
Mrs. Graham Cottam, Miss Mary  
Easthope, Miss Florence Smith,  
Miss Marjorie Blance, Miss Lorna  
McLaren, Miss Polema Cameron,  
Miss Marybelle Stiles, Miss Laura  
Stephens, Miss Helen McCaffery,  
Mrs. Jack Garrett, Miss Georgina  
McKenzie, Miss Leona Parker, and  
Misses Joyce Morin, Janet  
Rochester and Glenna Moore.

**The Bride's Procession**  
In the bridal procession, an en-  
core of which was demanded, Miss  
Annie Boddie appeared as the  
charming bride dressed in white  
bridal satin made in Victoria style

### This Job Required Real Skill!

Somebody in eastern United States ordered 15 cedar poles each more than 100 feet long from C. L. M. Giggey in Terrace. He had the trees, but how to get them out was a tough problem. However, Mr. Giggey was equal to the task and the above picture shows how he did it. He built up platforms on two trucks and contrived to get the poles down the steep and winding roads without a hitch. Mr. Giggey is a visitor in town today on business.

### WHIFFLETS

From the Waterfront

Returning to service after having been off for three weeks undergoing annual overhaul at Victoria, C. P. R. steamer Princess Adelaide, Capt. S. K. Gray, is due in port at 5 o'clock this afternoon from the south and will sail at 10 p.m. on her return to Vancouver and waypoints.

H. E. Ponsonby having reported the removal of a rowboat on Wednesday afternoon from the Cow Bay floats where he had left it when he came up town, the city police got busy and yesterday the raft was located at the fishermen's floats just east of the dry dock. Further investigation led to the summoning of several youths into police court this afternoon as a result of the incident.

There were thirty-seven passengers aboard the steamer Princess Norah which was in port yesterday afternoon southbound from Skagway to Vancouver. Four passengers disembarked from the vessel here while five went south aboard her.

Capt. Paul Armour returned to port at 4 o'clock this morning with the service boat Daly from a trip to Vancouver. In addition to Capt. Armour, the party included Mrs. Armour, Miss June Armour, Mrs. Max Asemissen, Mr. and Mrs. W. O. Fulton and Miss Tekla Fulton. The trip was favored by good weather and all aboard had a very enjoyable time.

Archie Watt, C. N. R. divisional master mechanic, arrived in the city on last night's train on one of his periodical trips to the coast and will be returning to Prince George on this afternoon's train.

Oiler Besner, who has been here on business, will sail by the Princess Adelaide tonight for Vancouver.

### Bachelors Should Be Taxed, Decided By Guild Debate

"Resolved That There Should be a Tax on Bachelors" was the subject of an entertaining impromptu debate Wednesday night at the monthly meeting of the Prince Rupert Players' Guild at Toc H Rooms. The affirmative side, taken by S. P. Woodside and Miss Dorothy Bruce, was declared the winner over the negative which was upheld by Nelson Allen and Miss Beatrice Berner.

Roth Gordon presided over the meeting and the debate was preceded by a brief business session. Refreshments were served to a good sized crowd of members.

### Would Write Down Capital

OTTAWA, April 5. (CP)—Writing down by \$1,046,331,686 of the Canadian National Railways' capital structure was urged yesterday before the railway committee of Parliament by O. A. Matthews of the auditing firm of George A. Touche & Co.

with long veil of Venetian lace and crown of orange blossoms, carrying an arm bouquet of cala lilies.

As the matron of honor was Mrs. Graham Cottam who had a delightful costume of white silk net with touches of pink wearing a large picture hat and carrying a bouquet of snapdragons.

Miss Lorna McLaren and Miss Leona Parker were pretty bridesmaids, the former in gold silk net and the latter in blue with large picture hats to match. Misses Janet Rochester and Glenna Moore were sweet little trainbearers in powder blue silk net frocks topped with little Dutch hats.

Tiny Joyce Morin was a picture indeed as she led the procession, strewing petals along the path from her basket of roses. She had a rose petal dress of pale pink net with a bandeau of brilliants.

Musical accompaniments for the style show were played by Miss Margaret McCaffery at the piano and Bert Cameron with the violin.

In charge of the presentation of the style show was Mrs. H. S. Parker who displayed taste and tact in her difficult task.

Mrs. C. V. Sutherland directed the beautification of the models.

Bouquets used in the show were made by Miller's Flower Shop, being later sent to the hospital.

J. T. Harvey was announciator. The Family Shoe Store assisted by loaning some of the shoes worn by models.

The afternoon's musical program included vocal solos by Mrs. J. H. McLeod, Mrs. H. N. Brocklesby and Mrs. A. J. Webber and violin solos by Miss Nellie Lawrence.

Ushers were Mrs. F. St. Amour and Miss Mary Comadina. Miss Lillian Lowe was cashier.

Serviteurs at the tea tables were girls of the Order of the Children of Mary, Mrs. Arthur Murray, Mrs. McArthur and Mrs. Turgeon were in charge in the kitchen.

### BABES IN TOYLAND

Laurel and Hardy Featured in Transfer of Colorful Operetta To Screen

Stan Laurel and Oliver Hardy, the popular comedy team, romp through one of the most delightful and humorous screen fantasies ever seen on the screen in "Babes in Toyland" which comes to the Capitol Theatre as the week-end feature offering.

Before attaining their status as heroes, Laurel and Hardy experience no little grief and high adventure which is unfolded with a background of music and song from the delightful Victor Herbert operetta. The musical story is that of the toymaker's apprentices and their friends, the villagers. Several dark clouds blot out the sunshine from toyland before Stannie Dum and Ollie Dee are able to come to the rescue of the pretty little shepherdess and frustrate the villain's plans. Charlotte Henry gives a fine performance, it is said, as the dainty shepherdess.

Those who have been crying for clean and wholesome feature productions will find in "Babes in Toyland" real romance, glorious music and a spectacle long to be remembered.
