ANOTHER COLLISION AT VANCOUVER

MRS. BURRITT, FORMERLY OF PRINCE RUPERT, IS DROWNED

Immigration Proposed As Means of Solving Problems of Canada

Brigadier General Hornby Claims That Placing People On Land Would Cure Most of Ills From Which Country Suffers

Suggesting that an increase in the population of Canada would solve many of the problems of the country, Brigadier General Hornby, proponent of the Hornby scheme of land settlement, urged at a special meeting of the Chamber of Commerce last night, that Canada should have as her objective bringing the population of the country up to 20,000,000. It was with this objective in view that the railways had been built and the provincial legislatures formed. The provincial government structures had no justification based on the present population. The country was now confronted with three major problems:

BANQUET IS HELD

Large Gathering as First Presbyterian Church Celebrates Anniversaries

Many Messages

Other Churches and Former Pastor And Officers Heard From

First Presbyterian Church, concluding its celebrations of the twenty-fifth anniversary of the calling of its first minister and the tenth anniversary of the opening and dedication of the present church building, held a silver anniversary banquet last evening in the church hall. There was a very large attendance which included representatives from the city and the other churches in the city.

The blessing was asked by Rev. Dr. F. W. Dafoe, pastor of First Baptist Church, after which dinner was served. A program followed with Rev. W. D. Grant Hollingworth acting as chairman.

Rev. G. A. Rix, Bishop of Caledonia, congratulated the church on this important anniversary and, after briefly reviewing the progress of the Presbyterian church in Prince Rupert, paid glowing tribute to the type of leadership which the church had enjoyed under its various ministers. He also emphasized the fact that the inter-relation between the churches was such that progress in one was reflected in progress in the others in the community.

City Commissioner W. J. Alder brought greetings from the city, stressing the role of the church in family and civic life. He stated that it was his belief that the Christian church was the foundation of the Anglo-Saxon race and that its influence always had been and always would be a paramount factor in family, civic and national life.

The principal speaker of the evening was T. W. Hall, inspector of schools. In an interesting and forceful manner Mr. Hall traced the contribution of the Christian church towards the making possible of that great revolution in human thought and conscience which during the past century had directed mankind toward an upward curve of progress which had for its ideal the brotherhood of man.

Greetings and congratulations were also extended by Rev. Canon W. P. Rushbrook, of St. Peter's Anglican Church; Rev. C. D. Clarke.

Steamer Princess Charlotte And Chelohsin Crash Near Pt. Atkinson, Both Being Damaged

Accident Occurred Short Distance From Where Two Other Ships Had Come Together Earlier in Day With Tragic Result

VANCOUVER, Feb. 5: (CP)—The Canadian Pacific Railway steamer Princess Charlotte, inbound from Seattle and Victoria, and the Union Steamships liner Chelohsin, outward bound for north coast points, were in collision off Point Atkinson at about 7:30 last night not far from the point where less than twelve hours previous the steamer Princess Alice had collided with the West Vancouver ferry.

PASTOR IS WELCOMED

Rev. Lawrence Larsen Assumes Duties in Connection With St. Paul's Lutheran Church

Reorganization of the congregation of St. Paul's Lutheran Church here culminated on Sunday in the induction of the new pastor, Rev. Lawrence Larsen from Clifton, Texas, with services both morning and evening. The installation of the pastor was conducted by Rev. A. O. Aasen of Vancouver, who, during the past few months, had been active in connection with the reorganization of the church, with Mr. Larsen preaching on both occasions. Miss Alma Dybhavn presided at the organ in the morning and Mrs. Ingvold Fenness in the evening. Large congregations were in attendance.

CO-OP MEET LAST NIGHT

Satisfactory Report Presented By Northern Fishermen's Cold Storage Ltd.

With a large number of interested boat owners and fishermen in attendance, the annual meeting of the Northern Fishermen's Cold Storage Ltd. was held in the Deep Sea Fishermen's Union Hall at Prince Rupert last night. A satisfactory financial statement was read and discussed. During the past year the concern established an ice-making and cold storage plant at Prince Rupert.

The report was presented by Karl Dybhavn and the meeting was addressed by M. P. McCaffery, managing director of the company. Einar Larsen presided and George Anderson was secretary.

Card of Thanks

Mr. and Mrs. George Fritz and Margaret wish to express their sincere thanks to all their friends for sympathies and floral offerings received during their recent sad bereavement in the loss of a loving son and brother.

GEN. HORNBY TELLS ABOUT HIS SCHEME

Would Provide Steady Flow of British Settlers Into Canada Trained For Farming

Endorsed By Chamber

Plans Being Laid For Settlements Near Vanderhoof and Prince George Under Plan

The Prince Rupert Chamber of Commerce, in special session last evening with Vice-President W. M. Blackstock in the chair, endorsed the scheme of land settlement as outlined by Brigadier General M. L. Hornby of Lethbridge. This was done on motion of F. E. Robertson, seconded by G. P. Tinker.

The scheme provides for a steady flow of British families to Canada to be trained for farming in groups of one hundred, the settlements to be assisted by the British government and by local committees in various parts of Great Britain. In cases of inadaptability, the settlers would be returned home at the expense of the British committees and would thus avoid any possibility of their becoming public charges or drifting into the cities to swell the already overcrowded labor market.

The British Parliament some years ago voted a large sum of money to be expended on emigration, the cost to be shared with the Dominions on a fifty-fifty basis. Out of a total of thirty million pounds only five to six millions had been used so far. Members of the British government and the House of Commons were favorable to an immigration scheme and only last fall had sent a letter to Premier Bennett in regard to it. This presumably would be produced in Parliament soon.

Malcolm MacDonald, son of the British Prime Minister, recently took up with the New Zealand government the matter of immigration, showing that the question of overseas settlement was in mind.

Details of Plan

Under the scheme as outlined by General Hornby last night, an Old Country committee would purchase one hundred farms, say, in the Vanderhoof district. Houses and (Continued on Page Four)

Pioneer Resident is Victim of Collision Of Vancouver Vessels

Went to Her Death Bravely Yesterday Morning Imprisoned in Timbers of Sinking Ferry Boat as Captain Vainly Tried to Chop Her Out

VANCOUVER, Feb. 5: (CP)—Mrs. Martha C. Burritt, aged 57, for many years a resident of Prince Rupert, was the victim of the drowning accident outside of the First Narrows yesterday morning when the West Vancouver ferry No. 5 was rammed and sunk in a dense fog by the coast liner Princess Alice inbound from Victoria. Mrs. Burritt was the wife of W. E. Burritt, formerly court registrar at Prince Rupert and for the past few years practising law in Vancouver.

JAPS SEEKING CITIZENSHIP

Naturalization Applications Occupy Considerable Time at Session Of County Court

A long list of twenty-four naturalization applications, sixteen of which were from Japanese, was dealt with by Judge W. E. Fisher at the regular monthly session of County Court yesterday morning. Three civil actions were stood over for hearing at a later date. Two of the cases are old and one new.

The appeal in which the crown was seeking to have reversed a dismissal by Magistrate McClymont in city police court of Thomas Harvey on a charge of obtaining relief by false pretences was withdrawn.

The new civil action is one in which W. L. Paddon, Quick merchant, is suing Robert McGregor, a rancher at the same place, for \$391.05, the claim being for a debt of \$278 plus interest and damages. The plaintiff claims that defendant gave him a mortgage for the debt but refused to allow him (plaintiff) to take oats, as had been agreed upon, in satisfaction of the mortgage. Patmore & Fulton are acting for the plaintiff and Williams, Manson, Brown & Harvey for the defendant.

The old cases held over from the previous month's list are: Usk Mining Co. Ltd. vs. Andrew Pete, Patmore & Fulton for plaintiff, Williams, Manson Brown & Harvey for defendants.

J. A. Swanson vs. Al Wole, \$25. E. F. Jones for plaintiff, Williams, Manson, Brown & Harvey for defendant.

Dates have yet to be set for hearing of the civil cases.

Mild Weather Was General

Central Interior Had Warm Spell Last Week With Snow Melting Rapidly Everywhere

From all points in the interior are received reports of exceptionally mild weather during the past week. At Prince George four feet of snow a week ago has now melted to less than six inches. During the past day or so there has been another tightening up with frosts at night.

The only preoccupation of Terrace and district during the past week has been the changeable weather. Two weeks ago a low temperature was recorded at twelve below. This was accompanied by a strong wind. Later the cold moderated and snow came in quantities sufficient to keep the snow ploughs busy keeping the roads and streets open for traffic. For the last week it has been very mild at Terrace.

Pentecostal Mission Revival is Started

About One Hundred Persons Present At Opening Meeting Sunday In Oddfellows' Hall

The revival mission which is to be conducted in connection with the local Pentecostal Assembly opened Sunday night in the Oddfellows' hall and will continue during the next week or so at the Pentecostal Mission Hall. Rev. J. E. Barnes of Chilliwack superintendent of Pentecostal Assemblies for British Columbia, was in charge Sunday night, followed by Rev. E. J. North, the local pastor. The Assembly Orchestra was also in attendance and rendered selections. There were about one hundred persons present.

FUNCTION OF THE STATE

Hon. Dr. G. M. Weir, minister of education for British Columbia, in a recent address expressed the opinion that the old political maxim, "That government is best which governs least," was outworn and could not be accepted today. It was clear that the state today must play a much greater part than that of umpire. He quoted Laski to show that the state was an organization for enabling "the mass of men to realize social good on the largest possible scale." It exists to enable men at least potentially to realize the best that is in themselves.

The minister said that, if democracy meant anything, it meant at least equality of opportunity, something which does not exist today. By extending its educational, health and welfare services it does something at least to bring closer the day when equality of opportunity will be a fact as well as an ideal.

Dr. Weir showed that social and educational services were a paying investment. It paid the state from the standpoint of government finances to prevent distress, to prevent ill-health, to prevent mental breakdown, to prevent crime, to prevent neglect of children. The government services along these lines represent a good investment for the community, just as does education, a far better investment than our expenditures on liquor and many non-essentials and luxuries.

PREMIER BENNETT AND THIS PORT

Speaking in the House of Commons recently Premier Bennett referred to Prince Rupert in anything but a complimentary manner. He was speaking of the port of Vancouver in connection with the First Narrows bridge proposal and is quoted in Hansard as saying:

"It is a national port, the only port of consequence upon the Pacific Coast able to take care of large traffic. The port of Prince Rupert has not been available for traffic to the extent that was originally thought and Vancouver cares for most of the traffic available on the Pacific slope."

As a matter of fact the port of Prince Rupert is available and has fine port facilities but has not received that encouragement from the public men of Canada which it should have had. The result is that those facilities have not been used as it was expected they would have been.

SPORT CHAT

Calgary and Portland played a one-all Northwest Hockey League draw in Portland Sunday night, the Buckaroos, as a result, assuming exclusive possession of second place.

Seattle Millionaires blanked the Buckaroos by a score of two to nil at Seattle last Friday night. On Thursday night Portland had defeated Seattle on Portland ice three to one.

Last night the Lions beat Edmonton at Vancouver 5 to 2 and, as a result, stepped back into second place over the Bucks who were idle.

In the second game last night Seattle swamped Calgary 9 to 2.

By defeating New York Americans in a hard-fought game at Chicago Sunday night, the Chicago Black Hawks resumed leadership of the American Division of the National Hockey League, the Boston Bruins who were beaten by the Maroons at Montreal Saturday night, dropping back into second place. The Americans, however, improved their standing as a result of week-end play, their victory over the Maple Leafs at Toronto Saturday night giving them a tie for third place with the Canadians in the International Division.

The Family Shoe Store

You Save Good Money When You Buy Good Shoes

Quality in footwear is the first consideration.

You know better than to expect something for nothing. Your common sense tells you that material made to last costs less in the long run than material thrown together to sell cheap.

WE DO NOT HANDLE BANKRUPT STOCK OR SECONDS

because both these classes are "leftovers" which sell for practically nothing because they are worth practically nothing.

Good Shoes and Good Rubbers

outwear poor shoes and poor rubbers many times over and they keep their shape and appearance.

THE FAMILY SHOE STORE

WIN STREAK CONTINUED

C. N. R. A. Victims of Grotto Last Night—Intermediate Race Is Close

The Grotto continued its Senior Basketball League winning streak last night at the expense of the Canadian National Recreation Association with a score of 51-36. The tobaccoists were decidedly in form while the train crew were enjoying a night off. Half time score was 29-15. Gurvich helped himself to 21 points for his night's work.

The ladies' game was the best of the evening, Grotettes losing out to Annettes' 10-7. Annettes' squad had things their own way in the first half when they walked off at the interval with a six-point lead, score being 7-1. In the second half the Grotettes turned on the heat to outscore their opponents but lost out by three points.

The Junior High School five lost to the Scythians 9-16.

The High School and the Warriors tangled in the Intermediate League with the students coming out on the long end of a 27-22 count. The game was minus the thrills usually put up by these intermediates. Half time score was 17-10 in favor of the High School.

ALIBI IS SUPPORTED
Further Witnesses Heard in Defence Of Hauptmann—Lindbergh's Birthday
FLEMINGTON, N.J., Feb. 5.—Further defence witnesses in the trial of Bruno Richard Hauptmann, charged with the kidnap-murder of baby Charles Augustus Lindbergh jr., took the stand in support of Hauptmann's alibi yesterday, claiming that accused was no where near the scene of the crime on the night in question.
The state, on the other hand, contended that the weight of evidence pointed conclusively to Hauptmann and none other.
One woman witness for the defence said she saw Violet Sharp, dead housemaid of the Morrow household, riding that night in a car carrying a blanket which apparently contained something.
It was the twenty-fourth day of the trial. Col. Charles A. Lindbergh was in attendance throughout the day. It was his thirty-third birthday.

and trusted that it would be possible for him to carry on the work successfully.

Mr. Aasen informed the gathering that it was Mr. Larsen's twenty-sixth birthday. He was a young man of training and ability and he was confident that he would serve with success and credit. Mr. Aasen paid tribute to the cordiality of the Scandinavian people of Prince Rupert and their importance in the community. He discussed the important part of the church in spiritual and all other phases of life's activities and extended God's blessing to the young pastor and his promising congregation.

Musical Program

The evening's program included piano duets by Miss Bjorg Luth and Peter Lien; vocal solos by Mrs. Anton Dybhavn, accompanied by Mr. Lien; reading by Mrs. Hans Underdahl; selections by the Varden Singers under direction of Mr. Lien; vocal solos by Mrs. John Murvold, accompanied by Mr. Lien; guitar and vocal trio, Ray Fossum, Edwin Lindseth and Henry Lindseth; piano solos by Miss Helen Doctor, and vocal solos by Mrs. Karl Dybhavn, accompanied by Mrs. H. O. Johnsen.

The evening was closed with an informal social hour during which delicious refreshments were served by the ladies.

VITRIOLIC COMMUNIST

A. H. Evans, "Strike Leader And Political Prisoner," Airs Views Before Large Audience

General Attack

Flays Bennett and C. C. F. as Well As Liberals and Capitalists

In a vitriolic and exhaustive discourse of almost three hours, before a large audience in the Moose Hall Sunday night, A. H. Evans of Vancouver, billed as "strike leader and political prisoner," struck out at Liberals, Conservatives, C. C. F., police, courts, churches and press alike as being instruments of the bourgeoisie and capitalism. Mr. Evans, whose principal claim to fame appears to be that he served a year's term of imprisonment under the much-discussed Section 98 of the Criminal Code of Canada for his activities in connection with the coal miners' strike at Penticton two years ago, was speaking under the auspices of the local Canadian Labor Defence League. The meeting, presided over by J. M. Dunn, passed a resolution demanding the unconditional release from prison of eighteen foreigners who were sentenced in connection with the miners' strike at Noranda, Que. A collection was taken up for the fund which is being raised to finance the appeal of these miners.

Mr. Evans gave a detailed account of events leading up to his arrest and trial. He charged that the jury had been "framed" by the "Fascist gang," referring to the employers and police. He admitted that he was a member of the Communist Party of Canada but claimed that, in connection with his activities at Penticton, he had been actuated merely by the desire to assist the working class in its fight against oppression. He declared that there were thousands in jails today who would not be there if the "workers had an opportunity to make a decent living instead of being victims of the rotten, vicious capitalist system."

Premier Bennett's reform program, Mr. Evans dubbed as merely a "new form of deception." The Prime Minister's promises would seem humorous if they were not so tragic. However, the people would not be deluded as they had been four years ago. What was the difference between the Fascism of Europe and the "Iron Heel" of Mr. Bennett, one of the biggest capitalists in the country?

The C. C. F. Mr. Evans described as an "anti-working class party" which was just as solicitous of the interests of capitalism as the Liberals or Conservatives. It (the C. C. F.) was lined up as solidly with the big business interests as the other parties and its leaders were just as anxious to get their noses into the "swill barrel." C. C. F. socialism was nothing more or less than state capitalism under which the masses would still be plundered. The C. C. F., he charged, was the third capitalist party in Canada "formed by the bourgeoisie to delude those who had become disoriented with the two other parties."

Non-contributory unemployment insurance was advocated by the speaker.

Last Night's Meeting

Mr. Evans addressed another audience in the Rupert East United Church last night on the subject of the Noranda strike in Quebec and the two-year sentences with deportation meted out to eighteen foreign-born miners and the necessity of appealing their cases. The deportation sentence was tantamount to a death sentence as these strikers come from Fascist coun-

First United Church; Very Rev. J. B. Gibson, dean of St. Andrew's Cathedral, and Rev. Dr. Dafoe.

An historical sketch compiled from existing records, documents, letters and interviews was read by W. W. C. O'Neill, the clerk of session.

Messages Read

Between the various addresses the chairman read letters of congratulation from Premier T. D. Pattullo, Rev. J. R. Frizell, Moderator of Synod and a former minister of the church, Rev. R. Currie Creelman, Moderator of Presbytery, Rev. W. J. Kidd, now of Clover Bar, Alta., and missionary in charge here in 1907-1909; Rev. F. W. Kerr, the first inducted minister of the church; Rev. Dr. H. R. Grant, minister from 1914 to 1925; Rev. Dr. G. A. Wilson, superintendent of Missions of British Columbia of the United Church of Canada, and A. M. Manson K.C. of Vancouver, who was congregational secretary for 14 years.

An interesting feature was the presentation by Miss Florence Smith, on behalf of the Canadian Girls in Training Group, of three suitably framed pictures of the first church building.

During the evening an enjoyable musical program was rendered as follows:

- Piano solo, Mrs. E. J. Smith.
Vocal solo, Miss Marcelle Jabour.
Vocal solo, Mrs. Wm. Millar.
Vocal solo, Wm. Brown.
Vocal solo, Mrs. H. N. Brocklesby.
Vocal solo, John E. Davey.

A hearty vote of thanks was accorded Mrs. Robert Cameron and Mrs. W. L. Sandison, joint conveners of the banquet committee; Mrs. Wm. Millar, convener of musical program, the serviteurs and all those whose co-operation made the evening's entertainment such a success.

tries, Mr. Evans declared.

Mr. Evans also spoke of war and Fascism, and attacked the leaders of the C. C. F. for their policy of passivity, stating that this policy would inevitably lead to Fascism in this country. He characterized the C. C. F. as the third party of capitalism. The only way to avoid Fascism with its accompanying slave camps and cruelty to the working classes was to link up on a United Front basis regardless of political opinion.

Mr. Evans declared that the present competitive system of society leads to war and class conscious workers must fight against imperialistic war even if it meant civil war. The speaker pointed out the inconsistency of the C. C. F. who not only claimed that their policy was one of peace but also asserted that Canada would respond to any appeal for help from England in the event of imperialistic war.

Spirited questioning was elicited by Evans' criticism of the C. C. F. which was defended by A. J. Larson.

Tonight's train, due from the east at 10:15, was reported this morning to be one hour and fifteen minutes late.

GARBO IN NEW FILM

"The Painted Veil" Showing at First Of This Week at Capitol Theatre

"The Painted Veil," latest of Greta Garbo's pictures, which is the first of the week feature offering on the screen of the Capitol Theatre here, is one of the highest dramatic efforts in the spectacular career of the celebrated Swedish star. The gripping story begins in the dreary home of an Austrian scientist and, following the star's marriage to a young British doctor, ascends to dramatic episodes of love, hatred and sacrifice in a cholera-infested district of interior China. The picture is fraught with mystery and intrigue of the Orient.

The picture introduces a new leading man for Garbo in the person of Herbert Marshall, popular British actor, who portrays the part of a young medical scientist who marries the Austrian girl and takes her to China where he quickly neglects her for his work. George Brent appears as the "other man," Warner Baxter as a Chinese officer, Jean Hersholt as Garbo's father, and Cecilia Parker as her sister. The cast also includes two noted Chinese actors, Soo Young and Keye Lake. Settings of "The Painted Veil" are both beautiful and artistic.

GEN. HORNSBY TELLS ABOUT HIS SCHEME

(Continued from page one)

barns would be erected and the houses would be furnished and the fares of the new settlers to Canada paid. The farms would be stocked and the new settlers would be properly supervised and instructed. They would be required to pay a portion of what they produced to the committee and at the end of five years would be at liberty to take up places of their own and would be assisted in doing so by a loan of possibly \$1,000 in addition to what they had been able to save from the five years' operations. New settlers would then take their places on the original farms.

Up to the present sixteen settlements had been lined up in the various provinces of Canada. Two settlements were planned for British Columbia so far, one at Vanderhoof and the other near Prince George. Others would follow.

Each Canadian settlement would be tied up to some county in the Old Country so that the people there would take a live interest in the success of the scheme. Just now Lord and Lady Rodney of Fort Saskatchewan are on a visit to England and are spending much time interesting people there in the scheme.

General Hornby answered a number of questions and, at the conclusion, was heartily thanked by vote of the chamber. Before adjournment, the scheme was formally and unanimously endorsed.

WHIFFLETS From the Waterfront

Union steamer Catala, Capt James Findlay, returned to port at 9:15 this morning from Anyox Stewart and other northern point and sailed at 1:30 this afternoon for Vancouver and waypoints. The vessel spent a couple of hours during the morning at the plant of the Canadian Fish & Cold Storage Co loading fish for Vancouver.

Business at a regular meeting of the Canadian Halibut Vessel Owners' Association in the City Hall Sunday was largely of a routine nature. President George Fritz was in the chair and there was a good attendance of members. Last night the annual meeting of the co-operative trust fund was held.

The steamer Venture has been temporarily withdrawn from the Prince Rupert run in order to take the place of the Chelovnik which was damaged at Vancouver last night. The next Union boat to arrive here will be the Catala on Sunday.
