ITALY NOW OFFERING CONCESSIONS

Rome is Ready to Make Concessions in Order To End African War

Statement of Terms Handed to Premier Laval of France But Contents Are Not Yet Made Public—Economic Siege of Fascist Country Set For November 18

GENEVA, Nov. 2: (CP)—Following the formal designation by the general committee of the League of Nations, made up of fifty-two countries, of November 18 as the date for the beginning of the world-wide economic siege of Italy, an Italian spokesman today stated that Italy has made definite concessions for a possible settlement of the Italo-Ethiopian war. The concessions are said to be contained in a statement handed to Premier Pierre Laval of France. No intimation as to the contents of the statement are given out.

COW BAY QUESTION

Controversy Resurrected By Railway Company and New Proposals Made

The Prince Rupert Chamber of Commerce, at its meeting last night with C. V. Eviitt presiding, decided to oppose a proposal of the Canadian National Railway to change terms of settlement of the long-standing Cow Bay question. Under the original terms, the bay ceded to the city Block G, the waterfront between the old dock and the fishermen's wharves in exchange for the right to fill in Cow Bay. At the same time the provincial government was to cede to the railway a large tract of land including Cow Bay as Block F. Now the railway is willing to turn over the waterfront lot to the city but would insist on the obligation to fill in Cow Bay and would delay taking the property of which the bay is a part from the provincial government.

The committee of the chamber, consisting of John Dybhavn, S. E. Baker and Thomas McClymont, was appointed by President C. V. Eviitt as soon as he received the information. At the meeting last night Dybhavn, on behalf of the committee, recommended that the proposal be rejected. He said the proposal has been made to the provincial government and Premier Pattullo had sent it to the city commissioner and the Chamber of Commerce for an opinion. Eviitt wished to fill the right of way to complete the fill of the bay. This it was estimated would cost \$150,000.

At the present time the city gets \$4000 a year from Waterfront Block G, in taxes and, if it were turned over, it would get practically nothing. If Block F, now held by the provincial government, remained as at present, no taxes could be collected from it, so the city would be the loser by the deal in addition to being expected to fill in the bay. The proposed agreement, the committee thought, was all against the city and they recommended that it be rejected, a motion to adopt the report of the committee being passed.

The former agreement with the Canadian National Railways which had been accepted by all the parties concerned had never been carried out although it was made in 1918.

CROWDS EXCEED BELGIANS
BRUSSELS, Nov. 2: (CP)—The Brussels world fair, nearing its end, announced that more than 15,000,000 persons, of all nationalities, or almost twice the total population of Belgium, passed through the turnstiles.

Difference in Australia
MELBOURNE, Nov. 2: (CP)—Premier J. A. Lyons today announced that he had asked William Morris, vice-president of the Commonwealth executive council, to resign from the cabinet owing to differences of opinion on the question of Italian sanctions.

TO BREAK MONOPOLY

Premier Hepburn Closes Nineteen Ontario Beer Parlors Connected With Brewing Corporation of Canada

TORONTO, Nov. 2: (CP)—Beverage rooms in nineteen Ontario hotels, charged with being directly connected with Brewing Corporation of Canada affiliates, were closed last night on order of Premier Mitchell F. Hepburn. "This is a clear-cut case of hotels being operated for the express purpose of selling particular brands of beer, in other words, establishing a monopoly of sale," Premier Hepburn said.

Weather This Year Better Than Last

Sunshine Much More Abundant And Rainfall is Much Less Than Last Year

Sunshine has still been a good deal more abundant in Prince Rupert this year than last while precipitation has been a good deal less.

Sunshine in October, totalling 57.4 hours as compared with 46.4 hours in the same month last year, brought the total for the year to date up to 979.7 hours as against 669.3 hours in the first ten months of 1934.

Precipitation for the month just ended, amounting to 12.6 inches as compared with 13.8 inches in October 1934, brought the total precipitation for this year up to 46.62 inches in comparison with 69.55 inches in the corresponding period last year.

Today's Weather

Triple Island—Part cloudy, light northerly wind; barometer, 30.38; sea smooth.
Langara Island—Cloudy, moderate westerly wind; sea choppy.
Terrace—Clear, calm, 20.
Anyox—Clear, calm, 18.
Hazelton—Clear, calm, 4A.
Smithers—Clear, calm, cold.
Burns Lake—Fog, calm, 10A.

TORIES SHOW NEW POLITICAL STRENGTH

DR. LARGE IS HEARD

Discusses Health Insurance Scheme As Laid Out In Draft Bill To Come Before Legislature

Profession Opposed

Charge Made That It Is To Be Carried Out at Expense of Doctors of Province

At the regular meeting of the Prince Rupert Chamber of Commerce last evening, with C. V. Eviitt presiding, Dr. R. G. Large responding to an invitation of the Chamber, gave a very interesting address on the subject of health insurance with particular reference to the proposed legislation now being considered by the provincial government with a view to passage at the coming session. This draft bill was strongly opposed by the doctor although he said that he favored the principle of health insurance.

In opening, the speaker mentioned that 75 per cent of the profession were against the proposal as set out in the draft bill. While the movement for health insurance was worldwide, it was a national problem. The Canadian constitution did not provide for this but made it a provincial problem. He thought there should be a uniform law for all the provinces or the British North America Act should be amended to make it a national problem.

The financial soundness of the proposals was criticized by Dr. Large. He even suggested it was put forward as a political salve to the electors and the statement was made that it would not cost the province anything but in this they would be mistaken. Considering the financial condition of the province he did not think the time for bringing in a law of that kind opportune. The number of patients to be treated would be increased tremendously and more hospital buildings would be needed.

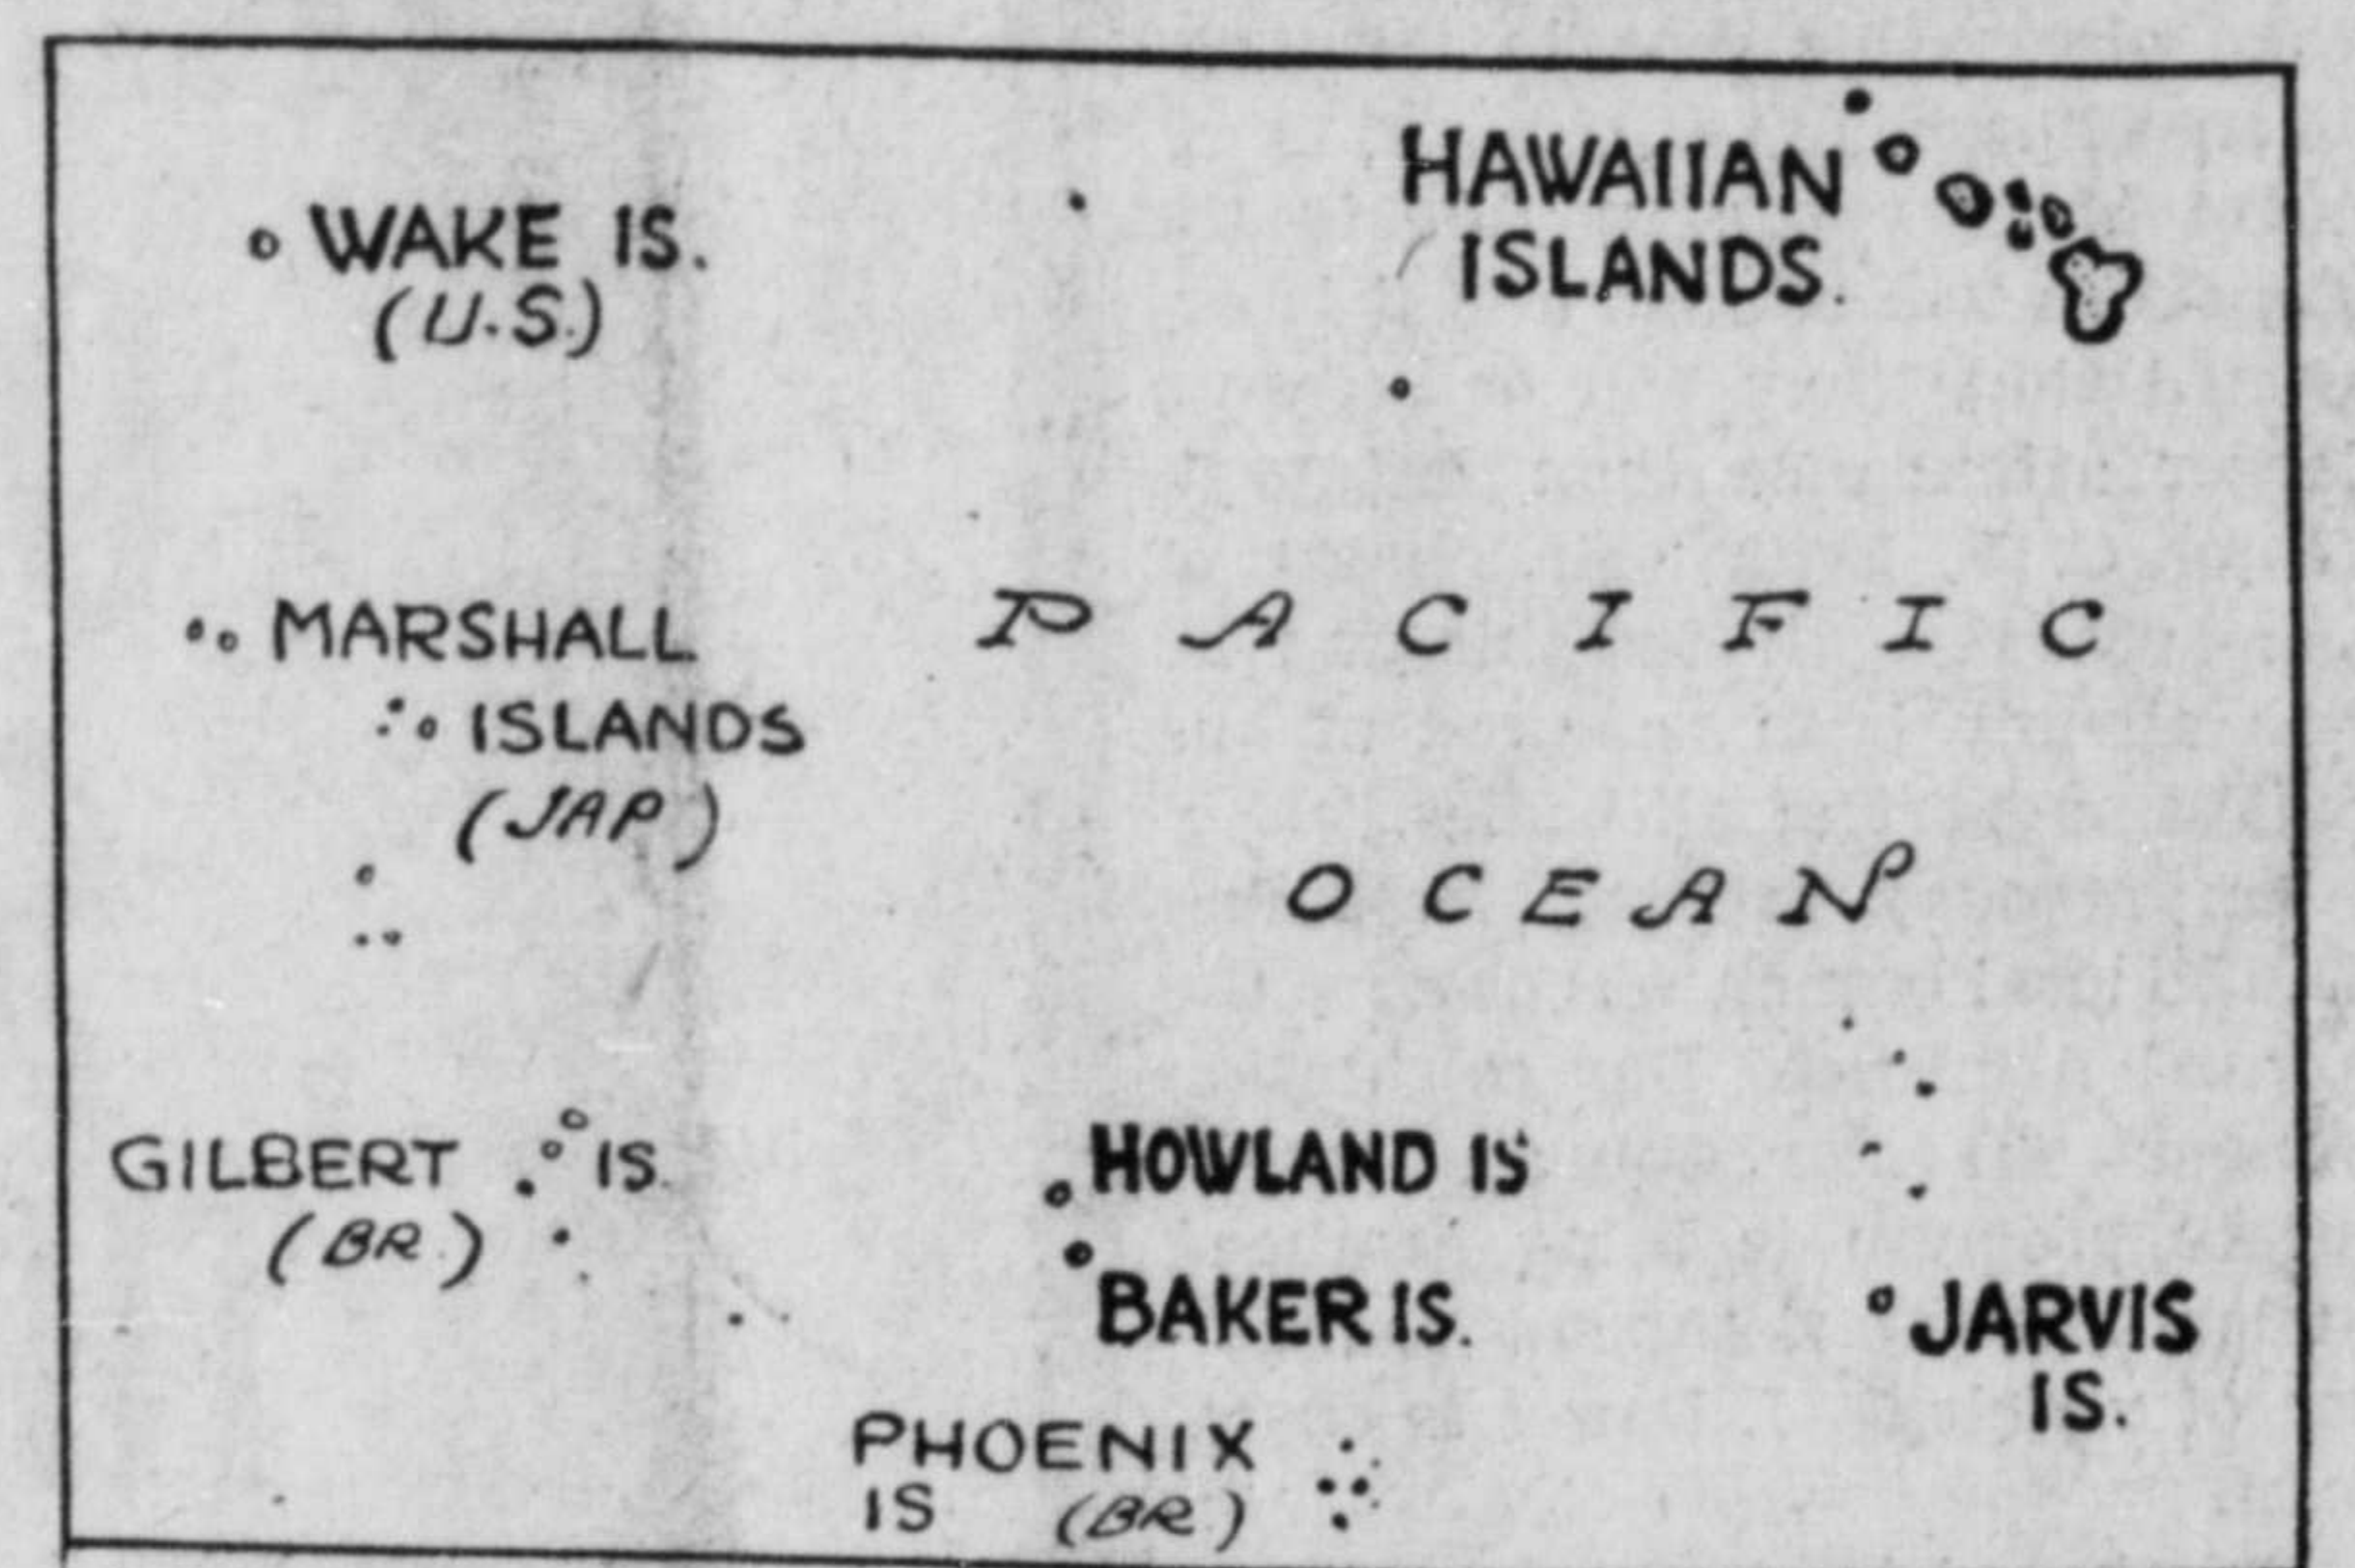

Effect On Doctors

From the medical point of view, objection was taken to people of moderate means such as those earning \$200 a month being included in the scheme. These could afford to pay their own health protection and were the best paying section of the community to the doctors. He read from the report of the B. C. Medical Association to show that in the proposed bill the Government had safeguarded itself and the doctors had to take what was left and that after all other costs had been paid. He thought the government should advance monies to establish the plan and should not put forward a scheme for the doctors to carry. The doctors should be paid their regular rates instead of being asked to take half rates as proposed.

This Medical Association report indicated that under the proposed plan the work of the medical profession would be increased fifty per cent and under the financial plan as worked out by them they might be called upon to do their work for about \$1.15 per call without allowing anything for maternity.

Dr. Large said he did not want to be mistaken. He was soundly behind a scheme to look after those who were needing it but he was opposed to the draft bill which was to come before the legislature.

U. S.—BRITAIN AT ODDS ON THESE

Britain is contesting claim of United States to three tiny South Pacific islands—Jarvis, Howland and Baker—which Pan American Airways has picked as bases for China Clipper (below) and other planes in trans-Pacific service.

TERRACE CARRYING ON IN BEST OF SPIRITS DESPITE TIE-UP OF RAILWAY LINE

Cold Weather Following Floods Damaged Crops And Orchards—Hatchery May Have to be Abandoned—Social Life of Community Uninterrupted

TERRACE, Nov. 2:—Isolated both from east and west on account of wash-outs on the railway line following the heaviest rains the district has ever experienced, over nine inches having fallen in four days, Terrace still remains cheerful and self-contained although supplies of certain commodities are commencing to run low. It is hoped that the railway line will be restored into here from the east by Monday after having been out of commission for two weeks.

BIG ISSUE OF BONDS

Dominion Government to Float \$75,000,000 Issue Next Monday For General Purposes

OTTAWA, Nov. 2: (CP)—A \$75,000,000 Dominion government bond issue will be offered Canadian investors next Monday, Hon. Charles A. Dunning, minister of finance, announced last night. The bonds will be in two maturities—one four years and the other nineteen and a half years at two and three percent respectively. The money will be used for general purposes and not for refunding, it was announced.

BONES IN RAIL TRUCK

PORTSMOUTH, Eng., Nov. 2: (CP)—Human bones and a skull thought to be more than 200 hundred years old were found in a truck of earth dumped near a Southern Railway freight station. It is believed they were from an old cemetery.

M. P. McCaffery sailed last night on the Princess Adelaide for a business trip to Vancouver.

Conservatives Score Significant Wins In Municipal Elections

Swing Away From Labor on Eve of General Election In Britain Considered Significant—Industrial Districts Reveal Change of Feeling

LONDON, Nov. 2: (CP)—A decided trend towards the Conservatives developed today with one-third of the results available from the municipal elections in some three hundred and fifty cities and boroughs of England and Wales. The result was in strong contrast to that of a year ago when Labor scored a smashing victory, winning 257 seats and obtaining a majority on 40 councils. The results of yesterday's elections are regarded as particularly significant in view of the impending general election.

Latest returns show that Conservatives have gained 50 seats and lost 18. Liberals have gained 10 and lost 12. Labor won 36 and lost 60 while Independents gained 20 and lost 26.

The Conservatives scored notable victories in industrial districts, gaining six seats in Birmingham, all at Labor's expense, and wresting control of the council at Leeds from Labor. All 10 Labor candidates in Hornsey, a London suburb, were defeated.

No Decision On Beer and Wines

Reports of Local Option Proposal Are Premature, Premier T. D. Pattullo States

VICTORIA, Nov. 2: (CP)—Premier T. D. Pattullo said yesterday that reports that the government proposed to submit a local option plan on beer and light wines in eating places to the Legislature at its next session were premature.

The government, the Premier said, had not come to a final decision on the issue and he could not say what course would be pursued.

CHARGE IS DISMISSED

Judge W. E. Fisher, in County Court yesterday, dismissed a charge against Jonah Haldane, Kincolith Indian, of having in his possession an anchor which had been allegedly stolen at Tombstone Bay, Alaska. Haldane had been brought here from Stewart for trial.

DAILY EDITION Saturday, Nov. 2, 1935

HON. VINCENT MASSEY

Hon. Vincent Massey, formerly Canadian minister at Washington, goes to London as Canadian High Commissioner, and as such he should do honor to his native land. He was born in Toronto in 1887, his mother being an American from Salem, Massachusetts. He is a grandson of the founder of the famous Massey Harris organization. A graduate of St. Andrew's College and Toronto University, he took second class honors in modern history at Oxford University prior to taking a lectureship at the University of Toronto.

During the war Mr. Massey, who had had military training with the Queen's Own Rifles, was put in charge of musketry training in the Toronto Military District and became Lieut. Colonel of the officer's training corps of the university. Later he became associate secretary of the war cabinet at Ottawa and director of the repatriation committee.

Some years ago Mr. Massey sold out his interest in the Massey Harris Company and that of the Massey Foundation of which he was trustee for a figure said to be about seven million dollars. He was brought up a Methodist and still adheres to the United Church.

The experience of Mr. Massey at Oxford University should be a great help to him in connection with his new duties in London and it will be seen from his record that he is well fitted to represent this country at the centre of Empire.

PEACE PROPOSALS

War is something like a labor strike. Once started it is hard to stop until something happens that causes those concerned to think seriously and until each side is more or less tired of the fight. So in Africa today. There seems little hope of any attempt to stop the war succeeding until some decisive engagement has been fought and even that may not end the war. The danger is that other countries, particularly Great Britain, may, through some overt action on either side, become involved. Evidently Il Duce is preparing his people for hostilities against Britain if such should seem necessary.

WONDERFUL WEATHER

A recent arrival in Prince Rupert remarked the other day: "Isn't this wonderful weather! All fall we have had remarkably fine weather. I had no idea Prince Rupert's climate could be so good."

Naturally we take the privilege of grumbling at our weather from time to time and yet at the same time the telegraphic reports tell us it is much worse almost everywhere. As someone recently remarked: "It is our weather, isn't it, and we have the right to grumble at it if we want to."

It's interesting to know when reading the Daily News that the people of the whole district are doing the same.

Remembrance Day Will Be Observed Here

Canadian Legion Has All Plans Made For Sunday and Monday of Next Week

Preparations for the proper observance of Remembrance Day are complete now and the local branch of the Canadian Legion of the British Empire Service League is looking forward to the whole-hearted co-operation of all organizations and the citizens generally in this sacred obligation.

Permission had been granted to hold Poppy Tag day on Saturday next and the Women's Auxiliary is taking charge of this part.

On Sunday, November 10, the annual Remembrance Day service will take place, this year to the Anglican Church.

On Monday the parade to the Cenotaph will be held and it is expected that there will be an even larger attendance than last year. Major C. V. Eviitt is in charge of the arrangements for this and he has already been assured of the fullest support of all bodies.

On Monday evening, November 11, the local branch will observe the annual Armistice Day celebration banquet. An interesting and appropriate program is being arranged under the entertainment committee of which G. J. Dawes is chairman.

It is hoped to arrange a suitable broadcast from the local broadcasting station that evening. President Jack Preece is in charge of all arrangements.

Elderly Seattle Judge Takes His Dip Every Morn

SEATTLE, Nov. 2.—Despite the intensely cold weather for this time of year, 63-year old Judge James C. Lawler of Superior Court here still takes his daily dip in Lake Washington. Every morning he swims out to about 300 feet off shore, floats around a while and then comes back in again. "It makes me feel peppy all day," he says.

WHAT TO DO ABOUT "Acid Indigestion"

A WAY THAT RELIEVES THE CAUSE IN A FEW MINUTES

Many people who think they have "weak stomachs" or "indigestion," doctors say, suffer in reality from nothing more serious than acid stomach. And this common ailment can usually be relieved now, in minutes.

All you do is take familiar Phillips' Milk of Magnesia after meals. This acts to almost immediately neutralize the stomach acidity that brings on your trouble. You feel like a new person!

Try this just once. Take either the familiar liquid "PHILLIPS", or the new Phillips' Milk of Magnesia Tablets. But watch out that you get the Genuine PHILLIPS' Milk of Magnesia. Made in Canada.

ALSO IN TABLET FORM: Phillips' Milk of Magnesia Tablets are now on sale at all drug stores everywhere. Each tiny tablet is the equivalent of a teaspoonful of Genuine Phillips' Milk of Magnesia.

Origin of Ring Is Big Problem

Strange Ring Found in Garden Is Mystery—Students Attempt To Account For Origin

VANCOUVER, Nov. 2. (CP)—Origin of a strange ring unearthed in a Vancouver garden is proving a subject of unusual interest to students of British Columbia's early history.

The band is of heavy silver a quarter of an inch in width. It is not joined at the back, after the style of early rings. At the front, the design is lost because of a piece of lead appearing to have been stuck in place by the application of heat.

A Speir uncovered the relic six feet below ground while attempting to move a half buried log at the back of his garden. Pieces of shell and colored glass were adhering to the end of the log and, as he pushed them aside, the ring came into view. Forty years ago this part of Vancouver was covered with forest.

Two theories prevail as to the ring's origin. One is that it was dropped years ago by an Indian or early miner. Another is that it may have been worn by early Chinese centuries before the arrival of the white man. Students point to other evidences of Chinese occupation in prehistoric days. Even in present times Chinese fishing boats blown off their course have been carried here by the Japan current.

But the mystery surrounding the ring still awaits a definite solution.

Bryant Washburn Jr. Is Acquitted

Los Angeles Manslaughter Trial Brought Together Famous Actor And His Estranged Wife

LOS ANGELES, Nov. 2.—Bryant Washburn Jr. was acquitted by a jury here Thursday on a charge of manslaughter arising out of a fatal automobile accident in September. The trial took the form of a family reunion when Bryant Washburn Sr., famous actor, and his estranged wife, parents of the young man, got together.

What price
SPACE
 MR. ADVERTISER?

Space in a daily newspaper possesses a power that is lacking in the lineage of other advertising media.

It is not only more economical... which is a matter of easy computation... it is not only more flexible, it is not only more timely and rapid, but also it is the advertiser's unfailing point of contact with the mass market and every spot market of the Dominion of Canada.

The Daily Newspaper possesses a power by means of which an advertiser, who knows how to use it, can reach and move to action all or any part of the Canadian consuming public.

In this North American continent there was spent during 1934 in the columns of the daily newspapers more than \$500,000,000. The strongest of all supplementary media was used to the extent of \$114,000,000. Why?

Because for prompt action on sales plans... for quick consumer influence at minimum cost... for willing co-operation from the retail trade, the daily newspaper is today, as it always has been, the outstanding and most economical basic advertising medium.

Helping Mothers to Cut Down On Family's Colds

Unique Formula for Nose and Throat Helps to Prevent Colds—And to Throw Off Head Colds at the Start.

SOON CLEARS "STUFFY HEAD"

Mothers are so often worried about their families' colds that they find special comfort in this unique aid for preventing colds—Vicks Va-tro-nol.

Especially designed for nose and upper throat, where most colds start, Va-tro-nol stimulates the functions provided by Nature—in the nose—to prevent colds, and to throw off head colds in the early stages.

Used in time—at the first sniffle, sneeze or nasal irritation—just a few drops up each nostril—Va-tro-nol helps to avoid many colds.

Where irritation has led to a clogged-up nose (a stuffy head cold or nasal catarrh) Va-tro-nol spreads through the nasal passages—reduces swollen membranes—clears clogging mucus—brings comforting relief.

A Practical Guide for Mothers—Each year, more and more families are being helped to fewer colds, shorter colds and milder colds by following Vicks Plan for Better Control of Colds. Vicks Plan has been clinically tested by practicing physicians, and further proved in everyday home use throughout the country. Full details of the Plan come in each package of Vicks Va-tro-nol.

Don't Guess But Know

Whether the "Pain" Remedy You Use is SAFE

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations.

THE person to ask whether the preparation you or your family are taking for the relief of headaches and pains of rheumatism, neuritis and neuralgia is SAFE to use regularly is your family doctor. Ask him particularly in regard to "ASPIRIN."
He will tell you that before the discovery of "Aspirin" most "pain" remedies were advised against by physicians as upsetting to the stomach and, often, bad for the heart. Which is food for thought if you seek quick, safe relief.

Scientists rate "Aspirin" among the fastest methods yet discovered for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it safe for the average person to use regularly. In your own interest remember this. "Aspirin" Tablets are made in Canada. "Aspirin" is the registered trade-mark of the Bayer Company, Limited of Canada. Be sure to look for the name Bayer in the form of a cross on every tablet.

Demand and Get "ASPIRIN"

BRITISH COLUMBIA THE MINERAL PROVINCE OF WESTERN CANADA

has produced minerals of an aggregate value of \$1,376,437,403.00.

The value of mineral production for the year 1934 was \$42,305,297.00; being an increase of 29.8% over the production for the year 1933.

Gold production established an all-time high in both volume and value.

Following are some recent publications, copies of which may be obtained upon application to the DEPARTMENT OF MINES, VICTORIA, B.C.:-

- Annual Report of the Honourable the Minister of Mines for the calendar year 1934.
- Bulletin, "British Columbia the Mineral Industry" (Included in this Bulletin is a synopsis of the various Mining Laws of the Province).
- Non-Metallic Mineral Investigations: Barite, Asbestos, Clay, Glass-ware, Magnesite, and Hydro-Magnesite.
- Sketch map of B.C. showing Mining Divisions, Etc.

Skating Season Starting Early

Morse Creek Dam Popular Venue For Younger Folk Friday—Excursions to Salt Lake Planned

As a result of the past week of cold weather, the skating season has opened unusually early in Prince Rupert this winter. The Morse Creek dam was a popular venue yesterday for the younger adepts of the silver blade. If the weather holds fine, which appears doubtful this afternoon with a feel of snow in the air, excursions to the Salt Lake are planned for tomorrow.

Local Radio Station is Now Officially Open

City Commissioner Alder Officiated And Good Local Program Given Last Evening

The official opening of the local radio station CFPR took place last night with Commissioner W. J. Alder officiating. His voice came on the air very clearly, probably the best speaking voice heard on the local station. M. P. McCaffery also made a speech in which he complimented the young men on their work and spoke optimistically of the future of the city. S. P. Woodside was the announcer. A musical program of local talent was given, the soloists being Dr. R. G. Large, Len Cripps, Mrs. Jarvis McLeod, Mrs. A. J. Webber, Miss Betty Woods, John E. Davey, and J. A. Teng. There was a trio by John E. Davey, J. A. Teng and S. J. Hunter and a duet by John E. Davey and Mrs. P. H. Lindsay, a piano solo by Miss Marie Balagno, a violin solo by Bert Cameron and selections by Julius Welle's orchestra. Charles Balagno and Miss Ruth Nickerson were accompanists.

Twenty-Five Years Ago

November 2, 1910

Some of those who have been there profess to see in the recent announcement of the projected opening of large coal mine workings on Graham Island as the first decisive step towards the opening up of a section of country which will do much to make the future of the last great west really great. A new million-dollar syndicate which has become interested in the Graham Island coal fields includes a number of very prominent Vancouver and Seattle men. It is known as the Queen Charlotte Islands Collieries Limited.

A delegation from Stewart consisting of T. J. Vaughn-Rhys, D. J. Rainey and P. F. Godenrath today waited upon Premier Richard McBride who is a visitor here. Incorporation of Stewart will be one of the matters to be taken up with the Premier as well as public works requirements.

Fully three hundred persons were present at an enjoyable masquerade dance held in the Auditorium by the Prince Rupert Young People's Dancing Club.

What Life Insurance Means To the Women and Children of Canada

TO thousands of Canadian families, Life Insurance means Financial Security against the uncertainties of the future.

To each family deprived of its breadwinner, Life Insurance means Food, Clothing, Shelter and other necessities of life.

It means ready Cash to meet pressing obligations during the difficult re-adjustment period.

It means money to pay the rent or meet mortgage payments.

It means funds for the education of children until they are old enough to support themselves.

It means rearing your family in self-respect, freed from the humiliation of private charity or public relief.

It means contented retirement for the business woman when she is no longer able to work.

Every day, Life Insurance disburses \$500,000 to Canadian homes. Every day, it helps to keep homes together and families united.

No wonder that Canadian women appreciate the value of Life Insurance, and are grateful to their loved ones whose far-sighted thrift has made possible such vital financial security for themselves and their children.

PRIMO CARNERA SCORES TECHNICAL KNOCKOUT OVER WALTER NEUSEL

NEW YORK, Nov. 2: (CP)—Primo Carnera scored a technical knockout in the fourth of a scheduled ten-round bout here last night against Walter Neusel, German heavyweight. Neusel was forced to quit when he collided with Carnera's elbow and opened a cut over the eye after having taken plenty of punishment.

MOOSE IN HOOP LEAD

High School, Grottoes And Junior Moose Also Win Basketball

Senior League—Moose, 37; Lambie & Stone, 27.

Intermediate League—High School, 33; Canadian Legion, 24.

Ladies' League—Grottoes, 19; Annette's, 5.

Junior League—Junior Moose, 17; Scythians, 10.

The Senior League basketball game started Thursday night with a flash of color as the Lambie and Stone team were showing their new outfits. At half time the score stood at 15 to 14 in favor of Lambie and Stone.

In the second half Stiles, for the Moose, couldn't miss those shots under the basket, getting himself 14 points. Freddy Calderone of Lambie and Stone had an off night, not being able to play up to his usual form. In the second half the Moose made 23 points to Lambie and Stone's 12, making a total of 37 to 27 in favor of the Moose.

Stiles of the Moose was high man for his team, getting 19 points while W. Johnson of Lambie and Stone made 12 points.

Intermediate League

During the first half of the Intermediate League game it was exciting, with High School edging out the Legion by 16 to 13. In the second half the Legion could not find the basket while their opponents garnered 17 points to their 11. Final score was 33 to 24 for the High School.

Twenty-one fouls were called on High School while 11 were called on the Legion.

Ladies' League

The Grottoes put on the steam with their shooting star, Evelyn Smith, leading them. The game was never in doubt and at half time the score was 1 to 10 in favor of the Grotto girls. In the

BRITAIN RUSHES DEFENCES TO EGYPT AS LIBYA ARMS

British aeroplanes over the pyramids of Egypt; camel corps on the march. Great are the military preparations in Egypt and Libya as Britain rushes defenses against possible attack from Italy's colony of Libya. The above striking pictures show British aeroplanes flying over the famous pyramid, while a "dawn patrol" of the Egyptian camel corps is photographed at sunrise as they cast their shadows on the sand dunes.

WATERFRONT WHIFFS

Landings of American Halibut Virtually Cease Owing to Railway Tie-up—Few Boats in This Week—Individual Records For Season

The tie-up on the local railway line on account of high water damage in the lower Skeena Valley has resulted in a complete cessation of deliveries of American halibut to this port. Without the railway service, it is impossible to make eastern fresh fish shipments and regulations governing the use of this port for bonded fish shipments bar shipments south by steamers as bonded carriers.

Only two American fishing vessels sold catches at Prince Rupert during the past week. Landings for the week were exceptionally light at a total of only 140,000 pounds of which 49,000 pounds was from the two American boats and 91,000 pounds from Canadian vessels. This brought the landings for the season up to a grand total of 10,850,000 pounds as compared with 14,131,765 pounds at a corresponding date in 1934. This year's Canadian landings up to yesterday had reached a total of 5,074,350 pounds in comparison with 5,855,785 pounds last year while the American total to date is 5,776,300 pounds as against 8,276,000 pounds. Considering that all fish landed at the port during the week went into cold storage, prices remained at a fairly satisfactory level. Boats landing catches and prices paid during the week were as follows:

Canadian—Capella, 24,000 pounds, 7c and 6c; Clipper II, 12,000, 7c and 6c; Johanna, 12,000, 7.4c and 6c; Melville, 28,000, 7.1c and 6c; Pair of Jacks, 7.6c and 6c; Prosperity A., 2,600, 7.6c and 6c; Teeny Milly, 5,000, 7.7c and 6c; Viking, 3,500, 8.1c and 6c.

American—Atlas, 37,000, 8c and 6c; Sherman, 12,000, 8.1c and 6c.

Certain spawning grounds in Area No. 3 have been closed to fishing for the season as from yesterday by order of the International Fisheries Commission but there is plenty of ground in which the larger boats of both the American and Canadian fleets may still operate. There is a good deal of the 1935 season quota in this area still left and it is expected that it will probably be well on towards the end of the year before it is closed, thus bringing the 1935 season to an end. Before fishing for the year is closed, it is to be expected that 1935 will have made a better showing than at present in comparison with last year as far as landings are concerned. The 1934 season had closed at this time, the quota having been reached.

The Takla, Capt. Chris Parkvold, is now leading the Canadian fleet for the season to date in volume of fish landings at Prince Rupert, having brought in 224,000 pounds in eight trips. The Relief is second with 172,500 pounds in eleven trips and the Cape Beale third with 156,000 pounds in four trips. The greatest number of trips have been made by the Gony—twelve for a total catch of 148,500 pounds. Boats having completed eleven trips are: Mother II, 112,500 pounds; Relief, 172,500 pounds; Unome, 108,000 pounds; Vera Beatrice, 108,000 pounds. For the American fleet, the Tahoma has landed the most fish

at Prince Rupert, bringing in 174,000 pounds in eight trips. The Estep is second with 172,000 pounds in seven trips and the Sherman third with 147,500 pounds in ten trips. The Visitor has landed the greatest number of trips for the American fleet, having returned to the port 11 times with a total of 82,000 pounds. The Sherman is second with ten catches and a total of 147,500 pounds while the Betty is third with nine trips and a total of 125,500 pounds.

Capt. S. K. Gray has returned to command of the steamer Princess Adelaide on the Vancouver-Ocean Falls-Prince Rupert local run this week after having been skipper during the past season of the Princess Louise, flagship of the company's Alaska fleet. Next month Capt. Gray expects to take his annual vacation with Capt. H. Anderson again coming out as master of the Adelaide. Purser Arthur Graves returned to his duties aboard the Adelaide this trip after having been ashore in Vancouver on annual vacation.

Union steamer Cardena, Capt. J. E. Boden, arrived in port on good time at 5:30 last evening from the south and sailed at 12 midnight on her return to Vancouver and waypoints.

Lighthouse tender Newington, which has been at the local dry dock since October 8 for annual overhaul, is expected to be out and ready to resume service on Thursday of next week.

IRISH TOWNS GO GAELIC
DUBLIN, Nov. 2: (CP)—Towns in Ireland are showing an increasing tendency to revert to Gaelic designations. Kells has become Ceannanus Mor, Newtonbarry has become Bunclody and Kings County is now Oifaly.

BUY IN PRINCE RUPERT

Because:

1. Local stores give good value for the money expended.
2. You can inspect the goods before buying.
3. Many stores allow returns if not satisfactory.
4. Local stores have a reputation to maintain.
5. Pictures are deceiving and mail order goods are seldom what they are expected to be.
6. By buying at home you are helping Prince Rupert.
7. By buying at home you are providing bread for local people.
8. By buying at home every dollar circulates and will return to you.
9. Discourage the sweatshop labor that supplies the mail order houses.
10. By buying at home your purchases circulate. Think what this means to your own little family.
