temperature, 51 Mar 34

## Germany is Rebuked By League For Plunge into Militarism in Defiance of Versailles Treaty

### RAIN AND DUST ARE ANNOYING

Prince Rupert Man Finds Conditions Not Altogether Enjoyable On His Travels

What with tremendous rainstorms in California and duststorms in Utah, the holiday and business trip of Colonel J. W. Nicholls from which he returned today was not wholly enjoyable. He went as far south as California and as far east as New York and Montreal, visiting also Toronto, Boston, Chicago and Winnipeg since he left home six or seven weeks ago.

Colonel Nicholls says it was at Del Monte the very heavy rain was experienced. So heavy was the precipitation that two and a half inches fell in one day. The duststorm occurred while travelling across Utah. The sun was wholly obscured and the fine earth from the usually fertile plains penetrated the train, covered the rails and generally made travelling unpleasant.

Asked as to business conditions, the Colonel said they were somewhat mixed. In the east he found people nervous over the present unsettled situation but in the west things were rather better. While he was in Boston fish was very cheap. Three million pounds of cod and haddock had just arrived, the cod selling at one cent a pound and the haddock at two cents. Fresh cod was retailing at 65c a pound. The fish trade he found was interested in cheap fish fillets of cod and haddock having to a large extent replaced the more expensive varieties.

### Halibut Arrivals

**Canadian**  
Vera Beatrice, 8,000, Cold Storage, 6c and 5c.  
Alken, 15,000, Cold Storage, 6.6c and 5c.  
Relief, 17,000, Atlin, 6c and 5c.  
R. W., 9,000, Atlin, 6.6c and 5c.  
D. S. T., 8,500, and Mother II, 12,500, Pacific, 6.6c and 5c.

## ST. ANDREW'S CATHEDRAL

Good Friday  
April 19, 1935, 8:15 p.m.

**PROGRAM**  
**Part 1**

4. (a) "Into the Woods My Master Went" (Nevin).  
(b) "Comes, at Times, a Stillness" (Woodward).  
**Part 2**  
"THE CRUCIFIXION" (Stainer) Soloists, Dr. R. G. Large, Mr. J. E. Davey, Mr. G. L. Cripps.

### Denmark Alone Abstains From Voting For Franco-British-Italian Resolution at Geneva—Sanctions Against Future Pact Violators to be Provided For

GENEVA, April 17: (CP)—With Denmark alone abstaining from voting, the council of the League of Nations today adopted a joint Franco-British-Italian resolution condemning Germany for her plunge into militarism in defiance of Versailles Treaty obligations. The resolution also asks for the establishment of financial and economic sanctions against any future unilateral repudiator of treaties. The League covenant at present provides for sanctions only against actual aggressors.

Before crowded galleries, France formally handed in the resolution at the opening session of the League council yesterday. Regret was expressed at Germany's announcement of intention to violate the military clauses of the Treaty of Versailles and opinion expressed that such action should be condemned. Sir John Simon, British foreign secretary, announced that Great Britain and Italy endorsed the rebuke.

### While Doug Jr. Enjoys Dance

Apparently caring little for the wagging tongues of gossips who assert they are engaged, Douglas Fairbanks, Jr., American movie star, and Gertrude Lawrence, famous English star of the stage, are snapped while dancing at a club in London where Fairbanks is vacationing. Reports are that young Douglas and Miss Lawrence may consider matrimony when his divorce from Joan Crawford, film star, becomes final. Meanwhile Doug sr. is in another part of London.

### PLANE ON LONG HOP

Pan American Clipper Arrives at Honolulu Enroute to Manila

HONOLULU, April 17: (CP)—The giant flying boat Pan American Clipper, on a trail blazing flight to the Orient to establish a commercial air highway, arrived here at 10:30 this morning, completing the 2400-mile hop from Alameda, California, in eighteen hours and thirty-six minutes, considerably less time than had been expected. The plane carried a crew of six. It left California at 3:50 yesterday afternoon.

### LEAVING ALAMEDA

SAN FRANCISCO, April 17:—Despite none too reassuring weather reports of a low pressure area moving down from the Gulf of Alaska, the great flying boat Pan American Clipper hopped off late yesterday afternoon on the 2400-mile hop from Alameda to Honolulu, longest stage of a projected trans-Pacific flight and last night was reported to be making good progress. It was expected the flight might take about twenty-four hours. According to conditions, the flying elevation will be from sea level to 20,000 feet.

From Honolulu, the route will be via Midway Islands, 1400 miles, and Wake Islands, 1200 miles, enroute to Manila.

The plane took a quantity of mail.

### CAMERON IS CHAMP

Runs Out on Balagno to Win City Billiard Championship Handily

The last block of the city billiard championship last night proved a fine climax to a thrilling series with Neil Cameron drawing ahead in the last lap to win over Charlie Balagno 1500 points to 1365.

Unlike the other blocks neither player gained an early lead. Both played a very close game and safety misses were resorted to frequently. Although starting off the last block with a lead of 16 Cameron found himself behind at the recess by the slim margin of four points. Balagno was playing well and the ultimate winner was a very doubtful matter.

Scores were tied and the lead changed frequently until Cameron began to draw slowly ahead. The turning point came with Cameron taking advantage of a miss by Balagno and running up a 55 break to bring his total to 1451. After that there was no looking back and he won easily.

Cameron had an average of 5.1 and a high break for the game of 55. Balagno had an average of 4.7 and a high break of 55, made in the first block. Cameron's best breaks last evening were 23 (twice) and 21 (Continued on Page Four)

### Coming Season to See Revival Of Diamond Sport; Stan Morin Elected President Last Night

There will be Senior League baseball competition in Prince Rupert again this season with special attention being paid to the development of younger diamond talent. This was made certain as a result of interest and enthusiasm displayed last night at the annual meeting of the Prince Rupert Baseball Association in the Elks' Home.

There was a turn-out of about twenty-five enthusiasts of the popular pastime. Officers for the year were elected, Stan Morin being chosen president. Preliminary plans for the season's activities were laid. The election of officers resulted as follows:

Honorary President, Ex-Mayor C. H. Orme.  
President, Stan Morin.  
Vice-President, W. F. Stone.  
Secretary - Treasurer, Walter Johnson.

It is expected to have a Senior League loop of three teams. One will be managed by Jack Campbell, another by H. G. Kennedy and the leader of the third will be named later. Playing talent will be divided as equitably as possible between the three teams.

William Lambie was named chairman of a committee to collect baseball uniforms. A series of classes of instruction in baseball will be opened next Tuesday by Stan Morin.

A raffle will be held for the purpose of raising funds to finance the sport. The President will interview City Commissioner W. J. Alder with a view to having the necessary reconditioning work carried out on the grounds.

### Special Summer Railway Fares

Annual Reductions on Both Transcontinental Lines Again This Year

WINNIPEG, April 17:—The annual reduction in the cost of summer railway travel to meet vacation needs will be made effective by both Canadian transcontinental railways on May 15, according to an announcement made by J. B. Parker, secretary of the Canadian Passenger Association, western lines. These new reduced fares will have extensive limits and stopovers. Low summer tourist and coach fares from British Columbia to Atlantic ports in connection with overseas travel go into effect May 1.

### Six Killed in Wreck Of Canadian National Train Near Halifax

Engineer, Fireman and Four Unemployed Men Lose Their Lives When Sydney-Halifax Express Leaves Rails Today

ANTIGONISH, Nova Scotia, May 17: (CP)—At least six persons were killed today and a seventh possibly fatally injured when the Halifax-bound Canadian National express train from Sydney left the rails at Heatherton near here. The dead include: Lawrence McIntosh, engineer, Halifax; John D. McDonald, fireman, Mulgrave, N.S., and four unemployed men riding behind the locomotive.

The engineer was found dead in his cab fifty feet from the track.

### MEN AND MAMMOTHS

Ancient Bones and Man Made Weapons Tell Story of "First Americans"

WASHINGTON, D.C., April 17: (AP)—How long has man inhabited North America?

Texas announces the discovery of chipped stone implements in deeply buried clay beds, and of man-made flint darts in association with bones of the mammoth, the giant hairy elephant. In Colorado, Kansas, Nebraska and New Mexico well-flaked blades of stone have been found with bones of an extinct species of bison, of the mammoth, of the musk ox.

A Nevada cave yielded man-made objects and remains of the giant sloth. Also in Nevada are sites where fire-pits and tools occur in conjunction with bones of the extinct horse and camel. From Minnesota comes word of skeletal remains of man in reputedly ancient deposits.

These finds all indicate humans and animals now extinct lived together in North America. Reports detailing such discoveries attribute an antiquity to the remains of from 10,000 to 50,000 years. Actually no one knows how old they are. The time period is an estimate based on certain tentatively accepted theories concerning the age of different geological deposits. These include postulations of the time involved in the retreat of the great ice sheet which once covered portions of North America, and of the duration of processes of building up and wearing away of the land by natural forces.

The animal bones represent creatures considered typical of the Pleistocene period, the ice-age, and it is believed that the stone tools found with them are evidence that man has inhabited the continent since the glacial period.

Whether the finds place man in the New World during the era when the ice sheet covered its northern regions, whether they indicate his arrival at the beginning of the post-glacial or recent era, or whether they demonstrate a later survival of ice-age animals than hitherto supposed is the problem confronting specialists today.

The established facts are that man and certain Pleistocene animals were contemporaneous. The animal bones represent creatures considered typical of the Pleistocene period, the ice-age, and it is believed that the stone tools found with them are evidence that man has inhabited the continent since the glacial period.

### Local Member And Wife Coming Home

Mr. and Mrs. Olof Hanson Will Be Here For Easter Recess Of Parliament

Mr. and Mrs. Olof Hanson will be home shortly from Ottawa to spend the Easter recess period from Parliament. The House is scheduled to rise today, adjourning until May 20. Mr. and Mrs. Hanson will travel via United States.

### START OF BASEBALL

NEW YORK, April 17: (CP)—Large crowds attended the opening major league baseball games yesterday despite cold weather which caused two postponements in the American League—Philadelphia at Washington, when President Roosevelt was to have pitched the first ball and Chicago at Detroit.

Babe Ruth made his National League debut at Boston with a home run, with one on base, and a single, personally accounting for all the runs of the Braves who defeated the great Carl Hubbell and the New York Giants.

The Brooklyn Dodgers had a field day at Philadelphia, defeating the Phillies 12 to 3.

The Cincinnati Reds lost at home to the Pittsburgh Pirates 12 to 6 in a heavy hitting battle.

The old rivals, St. Louis Cardinals and Chicago Cubs, staged a close game at Wrigley Field, the world champions finishing up on the hort end of a 4 to 3 score. "Dizzy" Dean started on the mound for the Cards but suffered a leg injury in the second inning which will keep him out of the game for a week.

In one American League game, a pitchers' battle, the Boston Red Sox needed but one run to defeat New York at the Yankee Stadium.

It was a fourteen inning sizzler when Wes Ferrell pitched the Cleveland Indians to a two to one victory over the Browns at St. Louis.

**National League**  
Brooklyn 12, Philadelphia 3.  
New York 2, Boston 4.  
Pittsburgh 12, Cincinnati 6.  
St. Louis 3, Chicago 4.

**American League**  
Boston 1, New York 0.  
Cleveland 2, St. Louis 1.

### Direct Telegraph Service Provided

TORONTO, April 17:—Announcement is made by D. E. Galloway, assistant vice-president of Canadian National Telegraphs, that, effective April 19, a direct telegraph connection to all points on the Temiskaming and Northern Ontario Railway will be established. The arrangement between the T. & N. O. and the Canadian National Telegraphs eliminates relaying at North Bay traffic exchanged between both systems, thus giving materially faster service.

Under the arrangement with T. & N. O., the Canadian National Telegraphs is now in a position to serve directly this most important industrial and mining section of Northern Ontario. In addition to this the Canadian National Telegraphs furnishes the business men and residents on the T. & N. O. direct communication through its connecting companies with approximately 19,700 points in Canada, the United States and Mexico. Cable and wireless connections to important cities throughout the world are also available with the same facilities as if filed at any Canadian National office.

### RADIO IS TAKEN UP

Olof Hanson Complains of Reception—Lack of Money Delays Plans For More Power

OTTAWA, April 17: (CP)—Olof Hanson, M. P. for Skeena, said in the House of Commons yesterday that thousands of British Columbians paid radio licences under protest because they could not hear Canadian Radio Commission programs.

Hon. Alfred Duranleau, minister of marine, said there was a plan to build high power stations at Vancouver and elsewhere but it was delayed by lack of money. After the Easter recess, the question would be considered.

The House passed a bill extending the life of the commission for two months.

### Thank Offering Meeting is Held

The Auxiliary to the Women's Missionary Society of the United Church held its Easter thank-offering meeting last night. Familiar Easter hymns were sung and, during the worship period, the young girls helped to build an Easter cross with flowers.

A short set of slides on the life of an outcast boy in India was shown. Miss Edna Vickers sang "Who is This Stranger?" which was much appreciated.

The C. G. I. T. girls gave a short playlet regarding the value of the Easter story in clearing away some of the superstitions of the women in India.

Mrs. C. W. Dawson of Hazelton arrived in the city on the Prince Rupert this morning from Vancouver on her way back to the interior after a trip south.

## WHIFFLETS From the Waterfront

With a good sized list of passengers, C. N. R. steamer Prince Rupert, Capt. H. E. Nedden, arrived in port on time at 10 o'clock this morning from Vancouver, Powell River and Ocea Falls and will sail at 4 o'clock this afternoon for Anxox and Stewart whence she will return here tomorrow evening southbound.

There was no change this morning in the situation over the dispute between halibut boat owners and union fishermen in regard to the sharing of proceeds of halibut livers. Apparently, both sides appeared to be waiting for each other to make the next move.

Northland Transportation Co.'s motorship Northland, Capt. Len Williams, arrived in port at 10:30 last night from Ketchikan and, after discharging one carload of frozen fish for transshipment east over Canadian National Railways, sailed at midnight in continuation of her voyage to Seattle.

### St. Peter's Win Return Match

On Monday evening the St. Peter's basketball team won the return game from the Junior Moose with a 37-30 score.

Both teams put up a good scrap but, in spite of some tough luck in the first half, the Saints won.

Crompt, the Antlered flash, was going through everything but did not seem to know where the basket was.

Viereck was again star player for the St. Peter's crowd.

At half time the score stood 21-20 in favor of the Junior Moose.

Individual scoring:  
Junior Moose—Greer (2), Crompt (16), Letourneau (6), Lear (2), Ericksen (4), Dominato, Hale, Eby; total, 30.

St. Peter's—Viereck (16), Hirono (15), Deane (6), Geary, Cavanaille, Kelsey; total, 37.

### Individual Title Play Commencing

The individual city bowling championship tourney opens tonight with the first block of three games in ten pins. The following players are drawn:

- Jack Moran vs. Geo. White.
- E. Smith vs. J. Ciecone.
- Bill Way vs. R. Bury.
- P. McIntosh vs. G. Coverdale.
- Dido Gurvich vs. G. Anderson.
- F. Morrison vs. T. Borvik.
- H. Staines vs. M. E. Young.
- Jack Lindsay vs. S. Velch.

The remainder of the singles ties will be played at the same time on Friday.

The other championships will be played in the following rotation: 5-pin singles, 10-pin pairs, 5-pin pairs, 170-pin teams, 5-pin teams. The nights of play are Sunday, Tuesday, Wednesday and Friday.

Over 50 of the leading bowlers will take part in these games.

# THIS YEAR SERVE SWIFT'S PREMIUM HAM!

## THE HAM THAT NEEDS NO PARBOILING

You're planning to serve Ham for Easter, of course. But for maximum flavour and the smallest trouble be sure to get Swift's Premium, the only Ham that's Ovenized. This new, exclusive method of smoking makes Premium so delicately tender and fine-flavoured that parboiling is unnecessary. Whether it's a whole or half ham, or a center slice! Insist on the genuine Swift's Premium... with the name Swift in brown dots down the length of the ham. Swift Canadian Co., Limited.

### BECAUSE IT'S OVENIZED

A genuine Swift's Premium Ham can be prepared this easy way; without parboiling:

Place a whole or half Premium Ham in a roaster. Add 2 cups of water, and cover the roaster... Bake in a slow oven (325°), allowing 21 minutes a lb. for a large whole ham; 25 minutes a lb. for smaller (up to 12 lb.) hams or half hams... When ham is done, remove from oven. Lift off rind. Score surface and dot with cloves; rub with mixture of 1/2 cup brown sugar and 1 tbsp. flour. Brown uncovered, for 20 minutes in a moderate oven (400°).

Swift's Premium Bacon is Ovenized, too... marvellous flavour for your Easter breakfast table!

## "GOVERNMENT LIQUOR ACT"

Notice of Application for Beer Licence  
NOTICE is hereby given that on the 16th day of May next, the undersigned intends to apply to the Liquor Control Board for a licence in respect of premises being part of a building known as NEW MASSETT HOTEL, situate at Main Street, New Massett, B.C., upon the lands described as Lots No. 26 and 27, Block 4, Map No. 946, Massett Township, in the Prince Rupert Land Registration District in the Province of British Columbia, for the sale of beer by the glass or by the bottle for the consumption on the premises or elsewhere.  
Dated this 16th day of April 1935 A.D.  
GEORGE SIMMONS BARKER, Applicant.

## "TOOK ALL KINDS OF PILLS, THEN CEREAL BROUGHT RELIEF"

Constipation, Due to Insufficient "Bulk," Relieved by Kellogg's ALL-BRAN

A fine letter from Mrs. Snyder: "I have had trouble" with my bowels for years, taking all kinds of pills and drugs, with no relief. "One year ago, I saw Kellogg's ALL-BRAN and bought a package. I have good movements every day. I am 73 years old. I am telling my friends what bran has done for me." —Mrs. Sallie Snyder. Address upon request.

"Constipation due to insufficient bulk" in meals.  
Research shows that Kellogg's ALL-BRAN furnishes "bulk" to exercise the intestines. ALL-BRAN also supplies vitamin B, as well as iron, an element of the blood.

Two tablespoonfuls daily are usually sufficient to correct common constipation. With each meal, in serious cases. If not relieved this way, see your doctor.

The "bulk" in ALL-BRAN resists digestion better than the "bulk" in leafy vegetables. How much better to use this food in place of patent medicines.

At all grocers in the red-and-green package. Made by Kellogg in London, Ontario.

Keep on the Sunny Side of Life

ANNOUNCING

# The Improved Carnation Milk

**IRRADIATED** for "sunshine" vitamin D

FIRST TO PROVIDE IRRADIATED EVAPORATED MILK IN CANADA — AND THE ONLY IRRADIATED EVAPORATED MILK AVAILABLE THROUGHOUT BRITISH COLUMBIA

- ✓ Creamy-Light in Colour
- ✓ Fine in Flavour
- ✓ Smooth in Consistency

For eighteen years, the Carnation Company Ltd. has been giving Canadian housewives evaporated milk of the finest quality. Today we announce the improved Carnation Milk — an evaporated milk of truly exceptional quality — creamy-light in colour, fine in flavour, smooth in consistency, irradiated for "sunshine" vitamin D.

*No higher price—but added nutritional value*

Carnation Milk now benefits from one of the most important scientific discoveries of recent times, a discovery which makes it possible to add the "sunshine" vitamin — by irradiation with ultra-violet rays.

The "sunshine" vitamin is the great protector against rickets in infants and children — essential in the balanced diet for the development and maintenance of sound bones and teeth. Yet this added nutritional value is brought to you without any increase in cost.

So now, in the improved Carnation Milk, you have a milk that is better than ever for babies—pure, nourishing, super-digestible—with the "sunshine" vitamin added. Also, this improved milk satisfies to perfection every milk and cream need of kitchen or table. It does better cooking. It is double-rich and creamy-smooth for coffee and cereals. A fine milk for boys and girls to drink.

Ask your grocer for Improved Carnation Milk. Look for the word "Irradiated" on the label. Write for two valuable free booklets—"100 Glorified Recipes" and "Contented Babies." Address Carnation Company Ltd., 134 Abbott St., Vancouver.

A Canadian Product  
"from Contented Cows"

WORLD'S LARGEST-SELLING BRAND OF EVAPORATED MILK

### SPORT CHAT

The local basketball fans, and their name is legion, are looking forward with keen anticipation to the final series for the Northern British Columbia hoop championship which opens here on Friday night between Anyox cagers and the Grotto of Prince Rupert. The second game will be played Saturday night and the scene will shift to Anyox for the final two games of the series on Wednesday and Thursday of next week. The local service boat F. H. Phippen, Capt. Jim Morrison, has been chartered to provide the transportation for the travelling teams and will go north to bring the Anyox crowd here Friday morning. An intermediate team is also coming down from Anyox to play the local High School quintet on Friday night and the Canadian Legion on Saturday.

The Smelter cagers were a smooth working crew last year and will be largely the same outfit this time although Swanson is out of the squad but Don McLeod, the coach, has no doubt another good man to take his place.

The locals are not worrying about the outcome and are quite confident of their ability to lift the district title. They are at full strength and practising assiduously in anticipation of the series. That play will be close seems to be the general opinion and the series, it is anticipated, will be a fitting climax to a local hoop season which has been most successful.

### CAMERON IS CHAMP

(twice) apart from his 55, Charlie's best were 37, 24 (twice) and 23.

**Tournament Chairman Speaks**

Prior to the playing of the last block last evening, George Cripps, manager of the tournament, on behalf of the Canadian Legion and the committee, expressed the satisfaction of the branch at the interest displayed in the competition. The attendance had shown that the interest in the "king of indoor games" was keen and shared by many. Both players were to be congratulated on their game in the final and the other entrants also

### ODD STORY ON SCREEN

#### Conflict of Races and Social Ideals Figure in "Behold My Wife"

A dramatic picture of the conflict of races and social ideals, "Behold My Wife," mid-week feature offering on the screen of the Capitol Theatre here, is the story of a white man who married an Indian girl with the idea of bringing disgrace upon his own family but who learned to love his wife when he had almost lost her.

Sylvia Sidney plays the role of a beautiful full-blooded Indian while Gene Raymond is a young man of social prominence.

It is said to be one of the most difficult character roles that Miss Sidney has essayed in films but she wins distinct honors in carrying off the interpretation.

The supporting cast includes such well known screen personages as H. B. Warner, Laura Hope Crews, Juliette Compton and Monroe Owsley.

The picture opens in a social register home in the east, the scene shifting to the New Mexico Indian country and then moving back to New York. There is a murder complication in which the Apache girl is accused. In a touching and dramatic climax, the leading pair confess their mutual love, she is cleared of the charge of murder and they are happy for the first time.

had congratulations coming to them for their support and play.

The handsome cup will be presented at a banquet the date of which will be announced later. A miniature of the cup will be awarded the winner who holds the championship until the next championship series.

Good service was given by Jack Allen, official umpire and C. L. Youngman, scorer. The audience also were to be congratulated on their considerate attention, a fact that contributed largely to the success and enjoyment of the tournament. The press was also thanked for printing of the full reports of the matches.

As maker of the highest break of the series Neil Cameron also becomes the winner of a prize cue. This will be an exact replica of the one used by Walter Lindrum, the world's champion.

#### WATER NOTICE

Diversion and Use

TAKE NOTICE that Pilgrim Gold Mines Limited (N.P.L.) whose address is 309 Royal Bank Building, Vancouver, B. C. will apply for a licence to take and use 30 cubic feet per second and 90 cubic feet per second, respectively, of water out of Wannan River which flows North-westerly and drain into Taku Arm of Tagish Lake at a point on the Easterly shore of the said lake about three miles from the West Arm of the said lake.

The water will be diverted at points about 1 mile and 1 1/4 miles respectively from the mouth of the said river and will be used for power purposes upon the land described as Lot 4663, Cassiar District.

This notice was posted on the ground on the 5th day of April, 1935.

A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Astin, B.C.

Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C., within thirty days after the first appearance of this notice in a local newspaper.

PILGRIM GOLD MINES LIMITED (N.P.L.)  
Applicant.  
By "William O. Scott," Agent.  
The date of the first publication of this notice is 16th day of April, 1935.
