THE PACT IS SIGNED

Tuesday, January 8, 1935

The pact between France and Italy, which was concluded about a week ago, was finally signed last night by Premier Mussolini of Italy and Monsieur Laval, minister of foreign affairs for France. It is a very important document, one of the most important that has been drawn up since the close of the war.

MOST GRATIFYING

Bruce Hutchison, in the Victoria Times, writes most interestingly about the New Year and its celebration, saying British-Israel in part:

"Throughout the land, I am informed, there is a better feeling. As the New Year starts, men are more hopeful. It is indeed most gratifying."

STILL BARBARIANS

"The human animal is curiously sensitive to suggestion," Jacobs. concludes Mr. Hutchison. "Tell him often enough that things are very bad and he will stop spending his money, ker, H. W. Birch and C. BOXING AT HAZELTON

Skeens River Kid Knocks Out Hagwilget Opponent in First of Six Scheduled Rounds

HAZELTON, Jan. 8:- Despite a 25-pound disadvantage in weight, Herbert Morrison (the Skeema River) Kid) knocked out Herbert Williams of Hagwiiget in one minute and thirty seconds of the first round of a scheduled six-round bout in Kitanmax Hall here. Williams was, apparently, over-confident owing to his advantage in size and weight but he found in Morrison a veritable little surprise package. Right after the opening bell, Morrison landed a hard jab on Williams' jaw and it was only a matter of seconds before the latter went through the ropes and landed on a bench where he took the full count. Williams weighed 185 pounds and Morrison, 160 pounds.

In the semi-windup, a five-round laffair, Charlie Patsy of Hazelton lost a decision to Alex Johnson of Babine, getting the call of two Fjudges while Referee Mason Rooke voted for a draw. The decision was not altogether popular with the crowd. In the first round Johnson took a seven count. Both were 145pounders.

George Brown of Hazelton, 170 pounds, and Simon Augus of Kispiox, 160 pounds, fought a clean four-round draw.
