ITALIANS ADVANCING INTO ETHIOPIA

Commander of Aduwa Says He Is Unable to Hold Out Much Longer Under Heavy Italian Bombarding

Invading Forces Surrounding Two Strategic Towns—British Labor Party Demands Immediate Action By Parliament—League of Nations Making Final Peace Efforts

LONDON, Oct. 4: (CP)—A report to Addis Ababa from Harar, according to Reuters News Agency, told of heavy fighting under way in Aguden Province with two thousand Ethiopians already killed or wounded. Another Addis Ababa dispatch reported the Ethiopian commander at Aduwa as stating: "We cannot hold Aduwa much longer under the heavy artillery bombardment."

From Gibraltar came a report that two British destroyers had stopped a French ship in the Mediterranean demanding information as to its cargo and where it was destined.

Keen interest still centres on what definitely will be France's stand in regard to sanctions in the Italo-Ethiopian crisis.

The National Council of the British Labor Party today asked for immediate convocation of Parliament to deal with the Italo-Ethiopian crisis.

George Lansbury, veteran Labor leader, resigned today as president of the Parliamentary Labor group in protest against the party's approval of the imposition of penalties against Italy.

A large section of the British press today called for international action against Italy, saying that the possibility of the League of Nations taking action inside of two weeks might be too late.

Lloyd's quoted rates of seventy-five percent for insuring against war between any two European countries before the end of the year.

Italians Advancing

ITALIAN HEADQUARTERS, AS-MARA, Eritrea, Oct. 4: (CP)—Under a heavy barrage that began at noon, Italian columns moved out to encircle the strategic Ethiopian towns of Aduwa and Adigrat which have been bombed from the air three times within the last twenty-four hours. One Italian plane was shot down.

Aduwa Reported Entered ROME, Oct. 4: (CP)—Reports were circulated here tonight that Aduwa had been entered by an attacking Italian army estimated at 100,000.

Laval Given Free Hand PARIS, Oct. 4: (CP)—The French cabinet today accorded Premier Laval a vote of confidence, giving him a free hand in League of Nations consideration of sanctions against Italy. The cabinet also approved the dispatch of a note to Great Britain stating the attitude of France in event that an isolated attack should be made upon her territory. There was no immediate announcement as to the nature of this response.

Trying For Peace GENEVA, Oct. 4:—Desperately striving to yet restore peace in the Italo-Ethiopian crisis in which hostilities have broken out although there is as yet no official declaration of war, the League of Nations is expected to appoint another special committee of investigation and possible settlement, and a special session of the League council is called for tomorrow. With Premier Benito Mussolini

CLEARING CITY DEBT

City Commissioner's Policy Would Be to Apply Funds From Sale Of Property to Purchasing Outstanding Bonds

In the event of activity in the way of purchasing of property which has been reverted to the city for taxes, City Commissioner W. J. Alder states that it will be his policy to apply all money so derived to the reduction of bonded indebtedness by purchasing city bonds on the open market and thus eliminating interest charges.

Hope is expressed at the City Hall that the establishment of a pulp mill here might cause quite a flurry in real estate and that a good deal of reverted land might be bought up.

It is quite conceivable that enough money might be realized in this way to retire the entire bonded indebtedness of the city standing today at \$1,600,000.

No Prosecution In Assize Case

Indictment Not Drawn Up In Charge Against Michael J. Brown, Burns Lake Mining Man

Yesterday at the Supreme Court Assizes, R. L. McLennan, acting as counsel for Michael J. Brown of Burns Lake, charged with failing to account for funds used in connection with mining development north of Burns Lake, asked for dismissal of the charge for which no indictment had been drawn. Mr. Justice H. B. Robertson replied that he could not dismiss a case which had not been actually brought before him. However, if by the end of the Assize, there was still no indictment, accused would probably be automatically released.

LOCAL CAR SUGGESTED ON RAILWAY

Dr. Alfred Thompson Urges Using Railway as Means of Solving Highway Problem For Now

While lunching with Dr. Alfred Thompson at the Rotary Club yesterday, the managing editor of this paper remarked that Prince Rupert's great problem today was one of transportation and that the highway was badly needed.

The Doctor came back quickly with the suggestion that already there was a steel highway and that the remedy was right to hand. All that was necessary to get a good service was for the railway company to put on a local deisel-electric car between Prince Rupert and the Bulkley Valley alternatimg with the present through service. On this they could carry motor cars at five or ten dollars each way and also carry local passengers and freight to the profit of the railway company, the city of Prince Rupert and the settlers of the interior.

Dr. Thompson said he had just travelled through the interior and he found this was a live question with the farmers and dairymen. People there at present were unable to get their milk to Prince Rupert regularly with consequent heavy losses. If there was a daily service they could do this. By setting low rates on farm and garden produce a large business could be worked up. He urged strongly that this was a way of temporary settlement of the highway problem and also of improving the condition of the farmers as well as providing Prince Rupert with a better supply of milk and other farm produce.

Two young boys, already under suspended sentence, pleaded guilty in city police court yesterday to charges of breaking into a box car in the local railway yards and stealing two crates of plums therefrom and were each sentenced to two years at the boys' industrial school.

Much of Prince Rupert Fish Now Marketed in Great Britain; Experimental Work Has Helped

A considerable proportion of the halibut and salmon marketed in Prince Rupert is now being shipped fresh to the British market and, by the co-operation of the Canadian National Railway, every shipment so far had arrived in good condition, according to R. M. Winslow, assistant manager of the Canadian Fish & Cold Storage Company, who addressed the Rotary Club yesterday at its annual Fish Week luncheon. British distribution interests have taken the matter up and the British preference of three half-pence a pound was a factor in the new trend. The result is that a large proportion of the halibut catch is now being sent to England.

Quality of the catch has been improved through the good work being done by the local fisheries experimental station which discovered both the cause and remedy for discoloration of the fish. The fishermen are also co-operating well in maintaining the quality of the fish. By utilizing the British market the local prices have been better maintained than in the past.

Mr. Winslow also spoke of the gradual depletion of the sockeye salmon in the Skeena and recommended that steps be taken to keep up the supply as the sockeye was the key of the salmon situation in this province.

The speaker mentioned that the value of the annual Fish Week. The week was instituted twenty-one years ago and had been kept continuously ever since. The primary object was to increase the consumption of fish but he assumed that members of the Rotary Club already did their duty in that respect and ate all the fish they could.

In regard to the one and a half pence British preference on halibut, Mr. Winslow explained that it was placed on the list at the Ottawa conference for the purpose of helping Newfoundland but all other parts of the Empire participated. It had been most helpful.

DECREES GRANTED

Decrees absolute were granted yesterday afternoon at the Supreme Court Assizes in the divorce petitions of Clara Pauline Marr vs. Lyle Norman Marr and Mary E. R. Pierce vs. Lawrence Pierce. In the former case, E. F. Jones acted for the petitioner and in the latter, L. W. Patmore. Hearing of the divorce petitions brought the Assize session to a close.

MANY AT WEDDING

First Presbyterian Church Not Large Enough, So Great Was Interest in Mitchell-Grieve Nuptials

First Presbyterian Church was crowded to the doors, many being unable to gain admission, when the marriage took place at 7:30 last evening of Miss Margaret Jean Grieve, only daughter of Mrs. M. J. Dougherty and the late R. W. Grieve, to George Cowie Mitchell, second son of Mr. and Mrs. John R. Mitchell. Both bride and groom have resided in Prince Rupert since early childhood and the size of the congregation which gathered to witness the nuptials was but one indication of the esteem and popularity which both enjoy amid a wide circle of friends.

The church had been beautifully decorated for the occasion with marigolds, salal and other fall flowers and foliage. The memorial window for the bride's aunt, the late Mrs. F. G. Dawson, had been adorned with white flowers and ribbon in contrast to the rest of the decorative scheme, lending a further touch of solemnity and impressiveness. The marriage ceremony was performed under an arch of flowers and foliage which was in harmony with the general decorations. Rev. W. D. Grant Hollingworth officiated.

The bride entered the church upon the arm of her step-father, M. J. Dougherty, as Mrs. E. J. Smith, the church organist, played the Bridal March from "Lohengrin." The bride, who was given in marriage by her mother, was a beautiful picture in white morie dress and white morie halo hat, carrying a bouquet of white roses and lily-of-the-valley. The bridesmaid, Miss Caroline Mitchell, sister of the groom, was charming in rose morie with eggshell pink hat and bouquet of pink roses and pale blue delphinium. W. D. Smith of Stewart was groomsmen. During the signing of the register, Mrs. J. H. McLeod sang "All Joy Be Thine." The organist played Mendelssohn's Wedding March as the bridal party retired after the ceremony. Ushers were Alex Mitchell, William Lambie and Harry Ward.

Following the ceremony, a reception was held at the home of the bride's mother where the happy couple were assisted in receiving by the bride's mother, wearing a black lace dress, and the groom's mother, gowned in black cut velvet. There were about fifty present to tender their felicitations to the couple. Rev. W. D. Grant Hollingworth proposed the toast to the bride which was responded to by the groom. The bride's table, in white, was centred with a handsome five-tier cake which the bride cut. There were white tapers in silver sconces. During the reception Mrs. J. H. McLeod sang "Jock o' Hazeldean," accompanied by Mrs. E. J. Smith.

Scenes of jollity and enthusiasm accompanied the departure aboard the steamer Prince George of the couple for a honeymoon trip to

DETROIT GOES UP

Tigers Move Ahead in World Series As Result of Eleven-Inning Victory Today

CHICAGO, Oct. 4: (CP)—Lynwood (Schoolboy) Rowe, after losing the lead once, pitched brilliant relief ball to lead the Detroit Tigers to an eleven-inning victory—6 to 5—over Chicago Cubs in the third game of the World Series today. It was a tempestuous, thrilling battle in which the lead changed three times and Lonnie Warneke, hero of the opening game, failed the Cubs in relief role, Lindstrom's fumble in the eleventh inning proving the turning factor against the Cubs.

Tigers, playing without the services of their slugging first baseman, Hank Greenberg, who injured his left arm yesterday, came up from behind to win and take the lead in the series two games to one. The Tigers knocked Bill Lee out of the box with a four-run rally in the eighth and won out in the eleventh after Rowe had been pounded for two runs in the ninth to tie the score.

Navy Retains Trophy as H. M. C. S. Skeena Defeats Local Eleven Three to One

Successfully defending the Hanson Cup on behalf of H. M. S. Danae, which won it last year, a football eleven from H. M. C. S. Skeena yesterday defeated a local all-star team by a score of 3 to 1. It was a well contested game but the sailors had the edge and were good value for their win. Their combination was particularly good. Prince Rupert made its one and only goal in the first half through Vance twenty-five minutes after the opening.

In the second half Marr scored the three goals for Skeena in rapid succession within seven minutes.

R. B. Skinner was referee. A fair sized crowd of fans was Continued on Page 2

THE LIBERAL LEADER

The editor of the Ottawa Citizen, who travelled with the Mackenzie King party on the recent western tour, reported Mr. King for the Vancouver Province when in Vancouver and here is one of the paragraphs of the report:

"Mr. King struck a popular note when he declared that, if elected, he will abolish relief camps. He said he would put men in these camps at work on social service employment at pay, remembering there would be a difference in wages for men on emergency work and those engaged in industry. He added that the forces that had been marshalled to meet war contingencies could also be applied in dealing with unemployment."

THE MINING SITUATION

Dealing then with the mining situation the Liberal leader said:

"What mining requires is a national policy known to all the world. Millions of dollars are going to investment in other parts of the world, because there is no sense of security in investing in Canada."

Disregarding the interrupter who said "blame Gerry for that," Mr. King explained that with eight of the nine provinces now under Liberal rule, he proposed calling a conference of all the premiers, if elected, to assure uniformity of taxation. Such a step will have a far-reaching effect throughout the mining world, he felt, and will result in capital flowing into the country and providing more employment. And what applied to mining will apply to agriculture, lumbering and the other basic industries, he added.

The Letter Box

ALL GOOD CITIZENS

Editor, Daily News:—

Your editorial under date of October 2, casts a serious reflection upon some good citizens of our city. You ask: "Who are the C. C. F. leaders here? Have they ever done anything for themselves or for any one else?"

We wish to state that the membership of our club is open to the scrutiny of any one as are also our funds. Our members and supporters are people from all walks of life—honest laboring people, conscientious business men and women and professional people of honor. True none of us are rich in this world's goods but surely wealth is no indication of character or good citizenship.

So far as good citizenship and integrity of character are concerned our officials in Prince Rupert are well above the average—editors included, and as regards decency intelligence and outlook they are much above the writers of the Political Corner.

As regards the Asiatic issue, one of our members, Rev. C. D. Clarke, issued a challenge to debate the question but we have just been informed no one has accepted the challenge. Would it not be more "liberal" to debate the subject in public rather than to snipe from behind paid advertisements? And by the way, where do the Liberal campaign funds come from?

C. C. F. CAMPAIGN COMMITTEE, Prince Rupert.

Members of the ship's company of H. M. C. S. Skeena were prominent among the 150 or so who were present at the Canadian Legion clubrooms last night for the annual smoker of the Prince Rupert Football Association when the presentation of the Hanson Cup to the destroyer was made as well as trophies won by local teams during the past season's play. Hugh Killin, president of the Association, was in the chair and made the presentations. The Stuart Benefit Shield was received by Phil Edgcombe for the Regiment and the Dominion Day Cup, Mobley Cup (league championship) and Gilhuly Cup by Sam Currie for the Canadian Legion.

Bert Morgan, past president of the Prince Rupert Football Association, and G. J. Dawes, secretary treasurer, were among the speakers.

Various members of the ship's company of H. M. C. S. Skeena took part in the musical program which included vocal solos by Andy Horne.

Principal scoring plays in yesterday's World Series baseball game which Detroit Tigers won from Chicago Cubs by a score of 3 to 3 to even up the count to date at one win each were as follows:

First Inning, Detroit—White singled, Cochrane doubled, scoring White. Gehringer singled, scoring Cochrane. Greenberg smashed a home run into left field stand, scoring Gehringer ahead of him. Root was taken out and replaced by Roy Henshaw who retired the side.

Four Inning, Detroit—With two down, Owen was hit by a pitched ball. Bridges was safe on a scratch hit. White walked and Owen scored on a wild pitch. Cochrane walked and Gehringer smashed a single to centre, scoring Bridges and Cochrane. Fabian Kowalik relieved Henshaw, retiring Greenberg on a grounder.

Fifth Inning, Chicago—Cavaretta, safe on Greenberg's error, scored on Jurgas' single to right field to open the count for the Cubs.

Seventh Inning, Chicago—Hack filed out. Jurgas walked. Kowalik singled. Galan grounded out. Herman singled, scoring Jurgas and Kowalik. Lindstrom popped out.

Seventh Inning, Detroit—Cochrane walked. Gehringer grounded, forcing Cochrane at second. Goslin filed out. Fox singled, scoring Gehringer, but Greenberg was out at the plate.

Something over 46,000 shivering fans witnessed the game in Navin Field. The thermometer was around 40, skies were cloudy and a stiff westerly gale added to discomfort of players and fans alike.

Lady MacBrien

Lovely Ottawa hostess and well-known Canadian housewife, wife of one of Canada's most distinguished soldiers.

"One of the Favourite Supper Dishes in the home of Lady MacBrien is Macaroni with Cheese and White Sauce"

...AND HERE'S HOW I MAKE IT"

says Mrs. Shuker, cook at the residence of Lady MacBrien, wife of Major General Sir James H. MacBrien, K.C.B., C.M.G., D.S.O., Commissioner of the Royal Canadian Mounted Police and former Chief of General Staff, Canadian Militia.

*MACARONI WITH CHEESE AND WHITE SAUCE

- 1/2 lb. macaroni
- 2 tablespoons flour
- 1/2 lb. cheese or less, according to personal preference
- 1 cup Nestlé's Evaporated Milk. Serves seven or eight persons.

Break the macaroni into small pieces, and cook until tender in rapidly boiling salted water. Make a white sauce by melting the butter, adding to it the flour, and when well blended add the Nestlé's Evaporated Milk and water. Cook until thick, stirring meanwhile. (Pepper may also be used if one prefers a more highly seasoned dish.)

Grate cheese or shave it thin, add it to the sauce. When the cheese is melted, pour the sauce over the macaroni, mix well and put in a baking dish. Sprinkle with grated cheese and brown in the oven.

MRS. SHUKER, like other cooks in Canada's finest homes, has found that Nestlé's Evaporated Milk adds that extra bit of flavour—that extra smoothness to her recipes. Here's what she says: "All the members of the MacBrien family like macaroni with cheese and white sauce, but I've found it's best when made with Nestlé's Evaporated Milk. In fact only when I use Nestlé's do I get the delicious, creamy flavour that makes this dish so popular."

Discriminating housewives throughout Canada use Nestlé's Evaporated Milk—it simplifies their cooking and adds to its goodness. Nestlé's is simply pure cow's milk with more than half the water removed. Nothing is added. It's twice as rich as ordinary fluid milk. And it's irradiated for Sunshine Vitamin D.

You'll be surprised at the low cost of Nestlé's. Order a few tins from your grocer today.

STORY IS THRILLING

James Cagney Here in "G Men" On Capitol Screen at End of Week

An exciting, thrilling and gripping drama, telling a story of United States Department of Justice agents' war on organized crime, is presented at the Capitol Theatre this week-end in "G Men," starring James Cagney. The story is based on many incidents which have flashed across newspaper headlines during the past few years and which will be quite recognizable although neither the correct names or localities are used.

Most of the action revolves around Cagney who appears as a Department of Justice agent. It is he who traps the "Mad Dog of the Gangs," whom no jail could hold, and exterminates him in a rendezvous with death. Margaret Lindsay, playing the role of the sister of Cagney's boss, Robert Armstrong, provides the romantic interest with Cagney. Ann Dvorak, as the wife of Public Enemy No. 1, is given another opportunity to sing and dance. She leads a chorus of beauties in a night club scene and her song, especially written for the picture, is already one of the season's hits. Other prominent members of the cast include Barton MacLane, William Harrigan and Russell Hopton.
