Mr. Kenney also urged sympathetic but not financial support to the proposed Alaska highway, advocating a right-of-way of eighty feet width through the province. LITTLE PITY FOR SPIES

We feel little pity for the women spies who sold German military secrets to Poland and suffered by losing their heads. It is a despicable thing for any person to live in a country and then betray it to some other. We have no use for the men who play into the hands of any other country while living in Canada. If Canada is not good enough for them they should leave the country and live in the land which they profess to admire so much.

While we do not like the picture drawn of the executioner dressed in a frock coat and silk hat wielding the broad axe to sever the heads from two women, we have in this case a great deal of sympathy with Hitler. If they were guilty, they deserved what they got.

It has been charged in the House of Commons that men in the employ of Russia tried to tie up the timber industry on Vancouver Island. We think this should be investigated thoroughly and, if the men are guilty, they should be given the most severe punishment the law allows and then be sent to Russia to live.

Germany is a wonderful country and the Germans are a wonderful people. We have not always liked what they have done but they have shown themselves to be outstanding in commerce, science and music. Also they were brave and accomplished fighters. Why should some neighboring country try to impose upon them by stealing their military secrets? It would be criminal for a Polander to be convicted of doing it but for a German it was despicable.

Canada, too, is a wonderful country but there are a number of people who do not appreciate it. We know that conditions are far from perfect just as they are in every other country but the people who live here should have the decency to conform to the customs of the country and not be continually trying to injure it. We often try to point out weaknesses and try to have them changed for the better. Even the Prime Minister admits that there are weaknesses in the constitution and customs that should be rectified. We should all try to improve conditions but we should do so as Canadians and not as representatives of another country trying to stir up strife or aiming to injure Canadian industry or commerce.

Pretty soon we shall be having an election and politicians will often make extreme statements for the sake of winning. We may tolerate that but we cannot tolerate men who are not citizens or who have only recently become citizens running down the country and lauding some other. We should be jealous of the honor of Canada, a country which has been an asylum to many who have been oppressed in their own lands and then have taken advantage of our good nature to spurn our laws and customs as have the Doukhobors of recent years. Let us cultivate national pride and try to build up a national spirit. We can do that while at the same time using our influence to make living conditions better than in any other country in the world.

DAHLIE IS CHAMPION

Smithers Man Now Entitled to Go East to Compete For Canadian Title

SMITHERS, Feb. 20.—Chris Dahlie of Smithers won the Western Canada ski championship at the meet under the auspices of the Smithers Ski Club here last week and is entitled to go east to compete for the Canadian championships. Dahlie won the championship by making the highest aggregate in the 18-kilometre race and the jumping contests. The aggregate scores were as follows:

Chris Dahlie, Smithers, 18.5 points.
Henry Sodvedt, Vancouver, 17.75 points.
Johnny Holst, Smithers, 16.5 points.
Alfred Johansen, Vancouver, 15.25 points.

In the jumping events, the winners were: first, Sodvedt, 19.35 points; second, Dahlie, 17.20 points; Johansen, 14.80 points; Holst, 14.075 points. The longest jump was actually made by Tom Mowbraten of Vancouver who, however, lost points as a result of falling. Kaare Engsted of Burns Lake also fell and twisted his ankle as a result of which he will be out of the game for the rest of the winter. Dahlie and Mowbraten, as an exhibition, made a tandem jump, coming over holding hands, but Mowbraten fell and was badly shaken up being all right now, however.

"WHEN

Mrs. W. H. Covert

PLANS A SUPPER PARTY AT GOVERNMENT HOUSE I OFTEN MAKE CHICKEN A LA KING*

says E. Coulstring, chef at Government House, Halifax, official residence of the Honourable W. H. Covert, K.C., Lieutenant-Governor of Nova Scotia, and Mrs. Covert.

*Chicken a la King

3 cups cold chicken cut in inch dice
3 tablespoons butter, 3 tbsp. flour
1/2 green pepper cut in shreds
1/2 red pepper cut in shreds
1 cup chicken broth
1 or 2 eggs (yolks only)
1 cup Nestlé's Evaporated Milk
3/4 pound mushrooms if desired
Salt and pepper to taste
Cook the shredded peppers (also mushrooms if they are used) in the butter for fifteen minutes, keeping them covered while cooking slowly. Add the flour and seasoning, also the Nestlé's Evaporated Milk and broth, stir to a smooth sauce. Put the chicken in the sauce to heat, and just before serving, stir in the beaten egg. Do not allow the mixture to boil or it will curdle. It is best to cook it over hot water. Serves six or seven persons.

I HAVE FOUND," states the Government House chef, "that only by using Nestlé's Evaporated Milk do I get that smooth, creamy consistency and rich flavour so important to the success of this dish. In fact, I find I get better results with all creamed recipes when I use Nestlé's Evaporated Milk."

We believe you will come to the same conclusion as Chef Coulstring. Nestlé's is ideal for creamed dishes... as it is for use in soups, sauces, cakes, pie-fillings, frozen desserts and an infinite variety of other delicacies. Remember, there are no added ingredients! Nestlé's Evaporated Milk is just purest cow's milk, with more than half the water removed. That is why it is so rich—twice as rich as ordinary fluid milk.

For better cooking results, decide now to give Nestlé's a thorough trial. Order a few tins from your grocer today. You will be surprised at the low cost.

Fighting the FLU

Common Sense Suggestions to Readers of the News

Influenza is going its deadly rounds. Take every possible precaution to avoid coming down with the flu. These simple rules are based on sound medical opinion:

- Get lots of sleep and eat wisely; it is usually the run-down man or woman who succumbs easiest to germs.
- Get plenty of fresh air; breathe through the nose. Avoid any close contact with others; remember, flu is highly contagious.
- If you should catch cold or feel grippy, take some "Aspirin"; if your throat feels at all sore, crush three "Aspirin" tablets in water and gargle. But if you detect any sign of flu, or even suspect it, get to bed at once and call your physician.
- Keep the system alkaline; an acid condition invites colds, grippe and other weakening disorders.
- Keep the bowels open so poisons will not accumulate and lower your resistance.
- To relieve constipation and keep system alkaline take a little Phillips' Milk of Magnesia which is not only a most effective antacid, but an excellent laxative as well.

"Aspirin" should be in every home.

KETCHIKAN IS BEATEN

Both in Senior and Intermediate Hoop Games at Simpson

PORT SIMPSON, Feb. 20:—The Ketchikan Owls senior basketball team was defeated by the Y. P. E. A. by a score of 37-21 here Monday. The teams played a fast individual game and, at times, Ketchikan showed good team work but had hard luck with their shots. The game was rough and at times was beyond the control of the officials.

The line-ups:
Y. P. E. A.—Johnson, Tait, Wesley, Brentzen and Moraes, Lawson and Clayton.

Ketchikan Owls—Paul Johnny, Wm. Allen, Atkinson, Inman, Ed. Peterson.

The intermediate game was flashy but the Ketchikan visitors were up against the strange hall and for a time were lost. The score is no indication of the play as it was fast all the way through, the locals winning 46-22.

The line-ups:
Ketchikan—S. Burton, I. Pawsey, G. Pawsey, F. Burton and C. Dundas.

Y. P. E. A. Intermediates—Lawson, Clayton, J. Brentzen, C. Brentzen, H. Gray, S. Gray, Cooper, Eli Tait and C. Watson.

Referee of the senior clash was Alf Wesley and Jimmy Lawson handled the whistle for the intermediate game.

Last Friday the Ketchikan hoop teams were stormbound enroute to Prince Rupert and, while here, were entertained by the Y. P. E. A.

Beautiful Story Replete With Heart-Tug and Delightful Adolescent Romance

L. M. Montgomery's famous novel "Anne of Green Gables" comes to the screen of the Capitol Theatre here this mid-week including a special family matinee on Thursday afternoon after school.

The story reveals the transformation wrought by the orphan heroine in the lives of the spinster and her bachelor brother, who adopt her. It also traces a delightful boy and girl romance which has its inception in a country school acquaintance.

Prince Edward Island is the locale of the story.

Among the pictures obtained were exteriors and interiors of the house supposed to be the original Green Gables.

Anne Shirley, chosen to create the leading character of the fiction classic, is only sixteen years old. Until she was chosen to play Anne of Green Gables, she was known as Dawn O'Day. With the winning of the coveted role, she changed her name to Anne Shirley.

The cast also includes Tom Brown, Helen Westley, O. P. Heggie, Sara Haden and Gertrude Messinger.
