### Resurrected From Death, Puppy Barks For Food

Literally in his "second life" after being asphyxiated with poison gas. This terrier puppy being used for a life and death experiment by Dr. Robert E. Cornish, University of California scientist, at his laboratory in Berkeley, is pictured actually sitting up to eat after barking for food. The photo was made 11 days after the terrier had been officially pronounced dead by asphyxiation. Dr. Cornish resurrected the puppy and has kept it alive with injections of adrenalin, powerful heart stimulant, and heparin, a solution mixed with the blood of another dog.

### Dr. Dafoe Speaker At Prayer Meeting

Good Attendance at Gathering Last Night in Citadel, Indicating Sustained Interest

Rev. Dr. F. W. Dafoe, pastor of First Baptist Church, gave an interesting address on "Obedience and Service" last night at the fourth of the series of meetings being held here this week in connection with the observance of the Universal Week of Prayer. The meeting took place at the Salvation Army Citadel with Adjutant Eva Laycock and Lieut. Hilda Bridge in charge. There was a good attendance, indicating well sustained interest.

Dr. Dafoe found his text in I Samuel 15 for a heart to heart talk in which he urged unconditional obedience to the known will of God. Service, he said, naturally followed in the wake of obedience.

During the devotional period a number of voluntary prayers were offered. Adjutant Laycock sang a solo "Pleasure in His Service." Mrs. L. J. North presided at the piano. Lieut. Bridge gave the benediction.

The final meeting of the series will take place tonight at St. Andrew's Cathedral with Dean Gibson in charge and the speaker Rev. C. D. Clarke whose subject will be "Declination."

### Ketchikan Rotary Members to Pay Visit Here Soon

If present plans are carried out there will be a large contingent from the Ketchikan Rotary Club visit Prince Rupert on January 26. A special meeting of the local club would have to be held on that occasion, possibly a luncheon, at which the visitors would be guests. This is being considered by the local directors who will meet soon to make a decision. The visitors, if they come, will cross with the male choir that is coming here and return with them the next day on the Princess Norah.

### BOSTON ON TOP AGAIN

Bruins Won Over St. Louis Last Night While Chicago Lost to Maroons

ST. LOUIS, Jan. 11: (CP) — Boston Bruins defeated the long-suffering St. Louis Eagles last night and moved back into the leadership of the American Division of the National Hockey League with a one-point margin over the Chicago Black Hawks who were blanked by the Maroons at Montreal. In the third scheduled game last night, the Maple Leafs and Americans played an overtime draw to a score of one-all at New York.

Last night's scores:  
Toronto 1, New York Americans 1  
Chicago 0, Montreal 4.  
Boston 2, St. Louis 1.

### HOLD-UP IS PREVENTED

Manager of Vancouver Bank Shows Grit and Two Armed Bandits Depart After Shooting

VANCOUVER, Jan. 11: — Two armed bandits attempted to hold up the Victoria Road branch of the Canadian Bank of Commerce here yesterday afternoon but were prevented from doing so by the grit of the manager, Harry W. Morden. When the two visitors made known their hold-up intentions, Morden reached for revolver and resisted them. The two men thereupon withdrew but not until shots had been fired at close range.

### TELLS OF AUSTRALIA

The people of Australia are much like the people of Canada but there are a number of very pronounced minor differences in their customs and habits and modes of life, according to Roy Van der Sluys, who told the Rotary Club yesterday about some of them. Col. J. W. Nichols, who presided, thanked the speaker for an exceedingly interesting address.

W. D. Vance, district deputy grand master of the Masonic Lodge, and party of sixteen local Masons returned to the city on last night's train from Terrace where they went to attend the installation of officers of Lakelse Lodge.

VANCOUVER, Jan. 11: (CP) — Roland W. He was a former owner, in association with A. B. Trites, of the famous Premier mine. He retained an interest in that property and was president of the company.

Sixty-five years of age, the late Mr. Wood is survived by a wife and son and three brothers in Toronto.

### UNITED IN MARRIAGE

Mis Clara Belle Kurulok Becomes Bride of Victor Kovich at Pretty Ceremony

A pretty wedding took place yesterday afternoon at the home of the groom, 909 First Avenue, when Miss Clara Belle Kurulok, fifth daughter of Mr. and Mrs. W. Kurulok, 1133 Sixth Avenue East, became the bride of Victor K Kovich, third son of Mr. and Mrs. Kosta Kovich of Herzegovina, Jugoslavia. Very Rev. James B. Gibson, dean of St. Andrew's Anglican Cathedral, officiated at the ceremony which was solemnized in the presence of a large gathering of relatives and friends of the contracting couple. The rooms were tastefully decorated for the occasion with pink and white streamers and white bells.

The bride wore a beautiful wedding dress of white satin with silk veil and coronet of orange blossoms and bouquet of white chrysanthemums and was given in marriage by her father. There were two bridesmaids, Misses Mary Kurulok and Frances Michaluk, both of whom wore pretty gowns of white silk and lace and carried bouquets of chrysanthemums. Mrs. John Gurvich, charmingly gowned in rose-colored satin, was matron of honor.

John Gurvich was groomsman.

The ceremony was performed under a beautiful wedding bell which was later burst open, showering the couple with confetti.

A reception followed the nuptial rites, about 100 guests being in attendance. The toast to the bride was proposed by the groomsman and was responded to by the groom. The bride cut a handsome three-tier wedding cake on a table which was centred with a beautiful bouquet of white chrysanthemums.

The mother and father of the bride assisted the bride and groom in receiving the guests. The bride's mother had a striking costume of brown crepe back satin.

Following the serving of refreshments, dancing was enjoyed.

Many beautiful wedding gifts testified to the esteem and popularity in which the happy couple are held. The groomsman made a gift to the bride of a diamond ring. The bride received over \$250 in cash gifts.

Mr. and Mrs. Kovich will remain in Prince Rupert for about a month before proceeding to Dawson where they will take up residence, the groom being interested in mining there.

Mr. and Mrs. D. C. Stuart are sailing tonight on the Cardena for a trip to Vancouver.

### MEETING ON STORY HOUR

Work to be Resumed This Saturday  
Moving to Elks' Home

At an enthusiastic meeting of the Children's Story Hour staff on Wednesday afternoon plans were outlined for the coming season of fourteen weeks. Credit and appreciation were unanimously expressed to all who had co-operated to make this constructive entertainment for the young of the city possible and successful. The Prince Rupert Parent-Teachers' Association, the press, city commissioner, library board, librarian and Daughters of the Empire were commended.

The attendance and broadened scope of the children's hour in Prince Rupert has already outgrown the much appreciated initial facility of the Public Library Hall and the next meeting tomorrow for children eight to twelve years of age will be the last held there. Unfortunately on account of the available hour, the offer of the I. O. D. E. Hall could not be taken advantage of. Through the splendid co-operation of the Elks, which has placed its hall at the disposal of the children's hour, subsequent meetings will be held there where many increased facilities will be available.

The focus for the New Year and the second series of programs is the incorporation of a broader scope of activity including dramatization, music appreciation, handicraft and the discovery and development of talent through the introduction of children's programs and constructive play. A faculty of 24 ardent and willing workers coupled with the experience of the fall and an average past attendance of 65 is a splendid background for the future.

### Banquet After Installation

Elks' Lodge Has Good Year And Is Optimistic For Future

Following the installation ceremonies of the Elks' Lodge Wednesday night, there was a banquet at which various officers and members spoke. Progress of the past year was detailed and optimism was expressed for the coming year, particularly in view of the splendid calibre of the officers who would have the affairs of the order in hand.

### DIFFICULT TO FOLLOW

Premier Bennett, in his radio addresses, promises so much that it is difficult for the ordinary individual to keep in mind all the things he has said he will do. The new policies come rolling out one after another. Almost every Liberal and Labor policy of the past twenty years has been adopted by the Prime Minister in toto. Evidently he is resolved to outdo anything that ever in the past has been done by any person or party. And he has not yet finished. There are more addresses to be given and more promises to be made.

One of the Vancouver papers has been criticizing Premier Pattullo for making so many promises during his election campaign. Yet anyone who turns back to the reports of his speeches will find that he promised hardly anything. He urged work and wages as a policy but admitted that it would be only through the co-operation of the federal government that he could hope to do anything. But he presaged that the federal government would be forced by circumstances over which it had no control to take action.

The Pattullo prediction has come true. Mr. Bennett has been forced to announce a radical policy or go down to defeat. Possibly he will be defeated as it is but, if he is, his opponents will have to carry out a radical policy along the line of the Pattullo predictions. Work and wages will have to be provided by someone and it matters little which side does it. Only a little over a year ago the prediction was made by Premier Pattullo that it would come, and now the policy is one that both sides at Ottawa will be supporting.

### VICTORIAN WINS OUT

When nearly thirty years ago Moses Cotsworth was hastily convicted by Mr. Justice Aulay Morrison in a spiteful suit, it seemed as if the whole world was against him. He was penniless and the judge would scarcely listen to his defence. Today Moses Cotsworth is known to millions of people as the originator of the fixed calendar which is likely to be adopted within a few years by the whole world. He is a world figure. Although 75 years of age he is still working on the job of trying to convince everybody that his calendar proposal is the right one. He is supported by the League of Nations and is directing the campaign on their behalf.

Mr. Cotsworth, after forty years of advocacy of his plan, is today more optimistic of success than ever. He expects that the report favoring the plan will be adopted by the League of Nations assembly next year and that on January 1, 1939 it will be generally adopted throughout the world.

Briefly the new calendar provides for thirteen months in each year of exactly four weeks in each month, the odd day to be Year Day between the new year and the old and to be a legal holiday. Christmas Day would always come on a Monday and Easter would always be on April 9. A new month would be created, probably between June and July, the name for this month proposed to be Sol.

During the last thirteen years Mr. Cotsworth has been at home only six weeks and on one of the infrequent visits he returned to bury his wife who had supported him throughout. It is to be hoped that this British Columbian will see his work in calendar reform completed before he dies. At any rate he is within measurable distance of success and he is still as keen as ever.

### Dunlop Putting

So this is the famous St. Andrews course, we've heard so much about. American golf fans would be more interested in the landscape than in this putting scene during the Walker Cup tournament. Notice the treacherous dunes in the background. It's bad business to hook or slice in that territory.

### SKIING IS EXCELLENT

Local Adepts Looking Forward to Cross-Country Race on Sunday

A party of skiers, consisting of Hans Pedersen, Oscar Sather and Gunnar Selvig visited Mount Oldfield ski grounds yesterday and found the skiing excellent, there being about three feet of snow on top. By using the new trail built last summer they were able to ski all the way up the mountain from Ninth Avenue. This was the first time anyone had walked on skis all the way.

Skiers are all hoping that the weather on Sunday will be as good as today as there is to be a cross-country race of ten miles from the Sons of Norway ski cabin. A party went up today to break trail for the race.

Up to today there were twelve entries. The entry list will remain open until Sunday.

The Port Simpson Y. P. E. A. senior cagers, represented by Sankey and Tait and a few intermediates lost to the Moose scoring machine 55 to 23 in last night's second half senior basketball opener. At no time was the game interesting. Half-time score was 23-9. Little Tommy Morae of Simpson proved the star of the evening. He garnered eighteen points for his night's work.

The Port Simpson Intermediates playing on a strange floor, lost to the local All-Intermediates 48-29.

After holding down the Rupert lads to a 21-21 score in the first half, the visitors lost their star player, Morae, a few minutes after the second half started and with him went the game. This proved to be the best game of the evening's program.

Pebbles Stone and her Annette's, assisted by Sue Boddie, went on a free scoring spree to win over the All Stars 34-10 in a one-sided ladies' game.

All-Stars (10)—Smith, Dickens, Beale, Ellison (4), Musalem (6), Blaine, Davis.

## PICTURES ARE GOOD

"Bachelor of Arts" and "Dude Ranger" on Double Bill at Capitol

"Bachelor of Arts," lively and human story of college minus the hokum and the football game, and "Dude Ranger," an ever popular Zane Grey western, packed with swift action, comprise an interesting double bill which comes this week-end to the screen of the Capitol Theatre here.

John Erskine, a professor at Columbia University, wrote the novel from which "Bachelor of Arts" was filmed. It is a fast-moving and witty story said to be the truest and most authentic picture of college life yet to be produced, showing college to be not all rah-rah-rah after all. Tom Brown and Anita Louise have the two chief roles in the gay production and Henry B. Walhall, Mae Marsh, Arline Judge, Stepin Fetchit, Frank Albertson, George Meeker and Berton Churchill are among those in supporting parts.

"Dude Ranger" is described as a thrilling saga of Arizona cattle lands, replete with excitement and romance and having an authentic background. George O'Brien plays a typical part, his supporting cast including Irene Hervey, fascinating young newcomer to the films, Henry Hall and Leroy Mason.

An Honest Story of College Life Told With a Sense of Humor!
