REBUILDING OF HELENA

Workmen Start Cleaning Up Debris—Worst 'Quake Menace' Now Believed Over

HELENA, Montana, Nov. 4:—Workmen have started clearing streets of this city of debris following the disastrous earthquakes of the past couple of weeks. Many buildings, so badly damaged that they cannot be repaired, must also be taken down. Every building and residence in the city sustained at least some damage. School classes of the city have been closed indefinitely pending repair or inspection of school buildings. Many offices and business places have suspended temporarily owing to damage done to buildings. Further tremors were experienced over the week-end but scientists are inclined to believe that the worst is now over.

Official Count Of Election Adjourned

Arrival of Ballot Boxes From Smith's Inlet and Margaret Bay Awaited

The official federal election count for Skeena riding, which was to have been held today by Returning Officer R. L. McLennan, has been adjourned until Wednesday afternoon. Ballot boxes from Smith's Inlet and Margaret Bay are being awaited.

DYNAMITERS ARE KILLED

Men Suspected of Committing Outrages in Milwaukee Believed To Have Lost Lives

MILWAUKEE, Wis., Nov. 4:—Three men were killed in a dynamite explosion here yesterday. They are believed to have been the same men who have been responsible for recent dynamiting outrages in buildings here.

FOUR ARE KILLED WHEN TRAIN RUNS INTO AUTO

PORT ARTHUR, Nov. 4: (CP)—Mr. and Mrs. Louis Mackowski and Mr. and Mrs. Paul Soltyz, all of Murillo, Ont., were instantly killed this morning when their automobile was struck by a freight train at a level crossing fourteen miles west of here. Five others were injured, two critically.

B. C. LUMBER FOR KING'S YACHT

Splendid samples of British Columbia's finest timber in the form of masts and booms for his majesty's new yacht (which will replace the famed old Britannia) were loaded from the Canadian National Railways' docks in Victoria on ss. New Westminster City, bound for England. One of the two big masts is shown being swung from the railway flat cars. It is 160 feet long, 30 inches at the butt and 22 inches at the top. The second measured 96 feet with a 22-inch butt. The two booms were almost as long. Weighing about seven tons each, the timbers were cut from Grouse Mountain, above Cowichan Lake, on Vancouver Island. Two months were spent selecting the carefully specified timbers.

Snow and Cold Throughout All Western States

RENO, Nevada, Nov. 4:—Snow and cold weather continued throughout the Western States yesterday. It was snowing so heavily in Nevada that all commercial air services were grounded. Zero temperatures were reported from some parts of the Middle West, with heavy rains in other parts. Portland and San Francisco reported the lowest November thermometer readings in history. From Florida came reports of a 70-mile gale.

Cold On Prairies

VANCOUVER, Nov. 4:—Cold weather continues on the lower mainland. Lowest temperature in the West yesterday was ten below reported from Saskatchewan. Northern British Columbia was milder with no sub-zero weather either there or in the Yukon.

BODY OF WOMAN GOING NORTH TO KINCOLITH

The remains of Mrs. H. Best, who died recently at Bremerton, Wash., were aboard the steamer Catala last evening going north to Kincolith where the funeral will take place. Accompanying the body were E. C. Best and Miss D. Dempsey.

SENTENCE ON JOE CELONA IS HALVED

VANCOUVER, Nov. 4: (CP)—The British Columbia Court of Appeal today reduced to eleven years the twenty-one year sentence which had been imposed upon Joe Celona who appealed from a conviction at the spring session of the Supreme Court Assizes on a charge of living in part on the avails of prostitution.

FAVOR OF MONARCHY

Greece Votes In No Uncertain Voice For Return Of King To Throne

ATHENS, Nov. 4:—A landslide verdict in favor of the return of the monarchy to Greece was given in the national plebiscite held yesterday, early returns last night indicated. An example of the voting was a village near here which voted 1980 in favor of the return of the monarchy and five against. Early return to the throne of former King George is expected. He has been living for twelve years in exile in England. During that time he was divorced by former Queen Elizabeth, who is a sister of King Carol of Rumania.

LATER FIGURES TODAY

Official announcement of later nationwide returns today confirmed the overwhelming will of the people for the recall of the King. It was revealed that 1,492,000 had voted for the return of the monarchy and but 32,000 for the maintenance of the Republic. Athens and Salonika went almost solidly for monarchy while the Island of Crete, considered the hotbed of the revolutionary movement, voted sixty-six percent for the return of the King.

New Governor Of Canada in Ottawa

Lord Tweedmuir Arrives at Quebec, Is Met By Premier And Proceeds To Capital

QUEBEC, Nov. 4:—Arriving here Saturday from England to assume his post as Governor General of Canada, Lord Tweedmuir was met and formally welcomed by Premier W. L. Mackenzie King who declared he would be better known to Canadians as "John Buchan," author and poet. The first duty of the Governor General was to inspect a guard of honor, after which he was sworn in at the provincial government buildings. He later proceeded to Ottawa to take up official residence at Rideau Hall where he will live for the next five years, being again greeted by the government. The inauguration Saturday night in the Legislative Council chamber here was attended with all the brilliance and solemnity that is usual on such occasions. Other officials, in addition to Premier King, included members of the cabinet, judges of the Supreme Court of Canada, ecclesiastical notables and citizens from many walks of life. His Excellency took three oaths—the oath of allegiance, the oath of office and his oath as keeper of the Great Seal of Canada.

ADDIS ABABA, Nov. 4:—Despite reports of last week, it was stated here last night that the Italian invaders had not yet captured Makale although they were said to have advanced toward that centre yesterday without resistance from the Ethiopians. The Italians were believed to be fearing the possible surprise activities of 15,000 Ethiopian sharpshooters who they were advised are lying in wait. Another report said that the guerrilla warfare being employed by the Ethiopians was holding up the advance. Air raids are also becoming less effective on account of the camouflage tactics of the Ethiopians.

Ask League Assistance

GENEVA, Nov. 4:—Ethiopian envoys to the League of Nations told representatives of other League member nations yesterday that Ethiopia would seek financial aid from the League to assist in carrying on the defensive campaign against Italy's invasion of their country. The Ethiopians claim that, as a member nation of the League defending itself against aggression, it is entitled to such assistance under the League covenant.

Fighting Sanctions

ROME, Nov. 4:—As an emergency measure on account of the war situation abroad, Italian state railways have reduced the train service fifty percent. This is part of Italy's program to resist the impending financial and economic sanctions. Demonstrations against Great Britain resumed today when bands of students paraded the streets shouting "Down with England," and stripped English signs from buildings.

American Observers

WASHINGTON, D.C., Nov. 4:—The United States is sending two military observers to the Italo-Ethiopian war front, it was announced yesterday. One will be an artillery officer and the other a cavalry officer.

LABORITES CRITICIZED

Churchill Condemns Suggestion That Great Britain Should Relinquish Colonies

LONDON, Nov. 4:—Rt. Hon. Winston Churchill, former Chancellor of the Exchequer, last night roundly condemned the suggestion of Labor leaders that Great Britain should hand back some of its colonies to Germany or to the League of Nations. These colonies, Mr. Churchill said, were something more than mere articles which could be swapped about and Great Britain had a duty to perform by them and their peoples.

From the Waterfront

Southbound from Skagway to Vancouver, C. P. R. steamer Princess Norah, Capt. William Palmer, arrived in port at 3:30 yesterday afternoon from Alaska and sailed at 5 p.m. for Vancouver. She had on board 156 passengers of whom nine disembarked here while three went on board at this port for Vancouver. The Princess Norah will now operate on a fortnightly schedule to Alaska for the winter, being next due here northbound a week from next Sunday morning. The southbound passenger list on the Norah yesterday included Capt. Joseph Gardner of the Tagish Lake steamer Tutschi and Capt. Albert T. Jones of the Atlin Lake steamer Turone as well as crews of the two ships. Capt. J. McDonald, veteran regular master of the Tutschi, who sustained a fractured hip in a fall three months ago, is still in hospital at Whitehorse.

With a fair sized list of passengers on board, Union steamer Catala, Capt. James Findlay, arrived in port at 7:15 last evening from the south and sailed a couple of hours later for Stewart, Anyox and other northern points whence she will return here tomorrow morning and sail at 1:30 p.m. for Vancouver and waypoints. The vessel was at Port Simpson at 12:40 a.m. today, at Stewart at 9:15 and at Mill Bay at 4:30 this afternoon.

The current cold snap is not very much appreciated by the halibut fishermen. Fishing is a rather difficult task with temperatures so low that gear becomes iced up.

Capt. J. R. Elfert, harbor master, reports a gratifying enrolment at the winter school of navigation classes which were opened at the end of the week. Still more are expected to enrol as the larger halibut boats commence to tie up for the winter.

Sudden Passing Of William Clark Of Forestdale Removes Popular Pioneer Figure

SMITHERS, Nov. 4.—Word was received in Smithers this morning of the sudden death of William Clark of Forestdale. Mr. Clark was in hospital at Smithers a month ago with a heart condition but returned to his home after a week's rest and treatment. He died at three o'clock this morning and it is presumed that death was caused by his heart trouble although no details have been received. Deceased was one of the best known and most popular men in the Bulkley Valley. He came into the valley on the construction work of the Yukon Telegraph line many years ago and has lived here ever since that time. He had extensive farm interests at Forestdale with his brother, Robert Clark, and was also Government Telegraph agent at that place. His name had been widely mentioned as a prospective candidate for the Liberal nomination for the by-election in Omineca if his health would permit and it was generally conceded that he could have won the seat quite easily. He leaves a widow and family and his brother, Robert, all of Forestdale. He was known to nearly every person throughout the Bulkley Valley and his sudden passing will be mourned by everyone.

Second Woman Member of Canadian House of Commons And Opponent in Election In Town Yesterday

Mrs. George Black, who was elected in the recent federal election as Conservative Member of Parliament for Yukon in succession to her husband, Hon. George Black, former Speaker of the Canadian House of Commons, was a passenger aboard the Princess Norah yesterday afternoon going through from Dawson to Vancouver. Also on board the same steamer was J. P. Smith, Vancouver barrister, who was the unsuccessful Liberal candidate against Mrs. Black in the election.

Mrs. Black will be the second woman Member of Parliament, the first being Miss Agnes McPhail, United Farmer of Ontario-Labor member for Grey-Bruce, Ont., who has been a member for several years and who was re-elected last month.

Rotary Hallowe'en Dinner Dance Was Enjoyable Affair

The Commodore Cafe was thronged Saturday night with a jolly crowd of about one hundred persons when the Prince Rupert Rotary Club held a delightful Hallowe'en dinner dance. The banquet room had been especially decorated for the occasion with a ceiling of orange and black streamers with various Hallowe'en adornments further lending to the general attractiveness of the setting. There was an excellent chicken dinner during which and afterwards dancing lasting until midnight. During the evening noisemakers were distributed to lend further to the merriment.

At the opening President Walter M. Blackstock gave a brief speech of welcome. Music for the dancing was furnished by Charles P. Balagno and G. L. Rorie. The committee in charge consisted of G. H. Munro, chairman, Lee Gordon and S. C. Thomson.

Special Services In First Baptist Church Yesterday—Congregational Supper To Be Held Tonight

Special services were held yesterday in First Baptist Church to mark the twenty-fifth anniversary of the founding of the church in Prince Rupert. In the evening both First Presbyterian and First United Churches suspended their regular services so that the pastors and congregation might join the Baptists and the result was that the church was filled. The pastor, Rev. Dr. F. W. Dafeo, was in charge of the service and the special speaker was Rev. W. D. Grant Hollingworth, pastor of First Presbyterian Church, who preached appropriately, Rev. C. D. Clarke, pastor of First United Church, led in prayer. Messages were read from Rev. Dr. Willard Litch, founder of the church, who is now in Manitoba, and from the Board of Baptist Missions in Vancouver. Special music included vocal solos by Mrs.

BRITISH ELECTIONS

Municipal elections in Great Britain are a pretty sure indication of the way the country is going to vote at the general election on November 14. They are also an indication to Italy and the rest of the world that the people are behind the present National government in its attitude toward Ethiopia. As we mentioned before unless something unforeseen occurs the Baldwin Government in Britain is likely to be returned with a large majority.

THE ESPERANZA MINE

On Thursday of last week the News published a small item stating that the Esperanza mine had closed and the crew gone to Vancouver. Objection was taken to this by a local director of the company and at his request we stated that it was only the construction crew that had gone south and the operating crew was expected on the Catala Sunday and it was planned to start shipping concentrates about November 14. No crew arrived on the Catala and our information is that no machinery has yet arrived in connection with the mill installation. As we stated in the first item the mine is closed but not necessarily for the winter. Also the windows of the new mill building are boarded up. The foundations, however, are all ready for the mill machinery when it arrives.

HIGH WINS IN SOCCER

Moves Back Into Tie With Booth For Junior League Lead

King Edward High School defeated Borden Street School in the regular Junior League football fixture on Saturday afternoon five to nil.

Borden pressed and a high dropping shot of Currie's almost went through. High then attacked and Knutson skimmed the crossbar with a hard drive. Roma was difficult to pass but, in a scrimmage, the ball was deflected by one of the Borden backs and went into the net. High's second goal came in a similar manner after Nelson had saved from Bolton and Ralph Smith. Wikdal added a third before half-time.

Borden then had more of the play and Currie made several fine runs but was checked by the fine defence of Parsons, Brown and Fitch. Kihara was playing nice football and Scherk was good at back. Although Nelson repeatedly made fine saves, Ralph Smith and Holkestad added two more goals, making High School winners by five goals to nil.

High School—Blain; Parsons, Brown; Barton, Fitch, Bolton; P. Knutson, Houston, R. Smith, Wikdal, Holkestad.

Borden Street—Nelson; Scherk, McLeod; H. Smith, Roma, Parlow; Judge, Kihara, Carrie, Bill, Schubert.

Referee, A. Horne; linesmen, T. Christian, G. Baker.

The Prince Rupert Badminton Club held its annual meeting on Sunday afternoon, the most important business of the meeting being the election of officers for the coming season.

Those elected to office were as follows:

President—George Mitchell.
Vice-president—William Lambie.
Secretary—Miss Bessie Thompson.

Treasurer—Miss Francis Cross.
Executive—Miss Caroline Mitchell, Mrs. George Mitchell, Harry Ward and Walter Cross.

The badminton season will open on Wednesday evening in the Club rooms in the Meeker Block with an American tournament.

Skating Popular Diversion Here

Ice Was of Questionable Thickness Hereabouts

Many local folk enjoyed skating on various sheets of ice of safe thickness about the city over the week-end, the Morse Creek pool being a popular venue, particularly for the younger element. At Oliver Lake there was a thin sheet and several fell in and got wet including Father Maurice Smith, popular parish priest of the Roman Catholic Church.

FORGOTTEN CITY

● If newspapers were to stop, this city would practically be forgotten. You would quickly realize how much we all depend upon our daily publication. If daily newspapers throughout Canada were stopped, communities would be upset and disorganized—ordinary — the populace panicky and easily misled.

The universal communication maintained by the Daily Newspapers nourishes and stimulates our social, business and economic structures in countless ways—and is necessary to their healthy functioning. Daily Newspapers have established and have sustained spot markets everywhere—that all may contact the public and cultivate its goodwill.

Anniversary Dance Held

Social Affair At Oona River For Mr. and Mrs. Ivarson and Mrs. Norberg

On Wednesday of last week the whole settlement of Oona River gathered in the school house at that place to take part in celebrating the seventeenth wedding anniversary of Mr. and Mrs. Christ Ivarson and the 25th anniversary of the marriage of Mrs. Norberg, whose husband died some years ago.

The evening was spent in dancing and at midnight refreshments were served by the ladies. Bert Hanson, on behalf of the whole community, felicitated Mr. and Mrs. Ivarson on celebrating fifty years of married life and spoke of Mr. and Mrs. Norberg as being among their first settlers. Mr. Ivarson thanked his friends for their efforts to make the anniversary enjoyable and extolled married life as he had found it.

Halibut Landings Lower Because Of Tie-up on Railway

Halibut landings at the port of Prince Rupert for the month of October this year, according to figures compiled on the local waterfront, totalled 893,000 pounds as compared with 1,282,900 pounds in October last year. The Canadian total this October was 347,500 pounds as against 126,000 pounds a year ago while this October's American total was 545,500 pounds in comparison with 1,156,900 pounds in the same month last year. The tie-up of the last couple of weeks on the railway line has been responsible to a large extent, it is felt, for the reduced American landings.

5,000 OF ITS WORKERS ARE SHAREHOLDERS IN IMPERIAL OIL LIMITED

A FEW DAYS AGO, 208,528 shares of Imperial Oil stock were distributed to Imperial Oil employees throughout Canada. The market value of the stock at the time of distribution was about \$4,000,000. The stock was not given to the workers. They subscribed for it over a three-year period and under advantageous terms. For many years the Company's employees have been acquiring stock in this way. Consequently, of Imperial Oil's 55,000 shareholders in Canada more than 5,000 are employees of the Company.

Imperial Oil has encouraged and assisted its workers to acquire ownership in the Company for two reasons:

- (1) Because Imperial Oil believes that labour is entitled to fair and just treatment, and the stock acquisition plan is only one phase of the Company's labour policy which includes pensions, sickness and death benefits, group insurance, etc.; and
- (2) Because Imperial Oil, Limited wants its employees to have a real interest in serving you — and all the Company's customers — to the very best of their ability.

So when you deal with an employee of Imperial Oil, Limited you are, in many cases, dealing with one of the owners of the Company. He is anxious to serve you well, to win your goodwill and continued patronage, because it is his Company. The men who drill for oil, the sailors who man great tankers on the Atlantic and Pacific, the workers in the refineries, the chemists in the laboratories, the agents at country bulk stations, the drivers on the trucks, the salesmen at the service stations — most of these are not only employees; they are shareholders too. They are responsible people with an interest in the business and so we have faith in their ability and desire to serve you well.

She has put on two pounds and eight ounces in three months, and she seems overcome with happiness at her own success in life—a weighty matter with her. You might notice that Boo-Boo puts her own heavy hand of the scale and the recording was made when she lifted it.

Another Totem To Be Erected Soon

Renovated Pole To Be Placed In Police Gardens On Bluff Alongside Fulton Street

In the course of the next week or so, another of the totem poles which were presented to the city some time ago by native chiefs of the Queen Charlotte Islands will be erected in the police gardens on the side of Fulton Street bluff, it is stated by City Commissioner Alder. This will be the second of the poles to be renovated and erected, the first having been put up near the City Hall some time ago.

The placing of the remainder of the ten poles has not yet been definitely decided upon. One of the ten poles was damaged and is being replaced by another which is due to arrive from the Islands on the Prince John this week.

The Canadian Fish & Cold Storage Co. is understood to be negotiating for a pole to be erected near the company's plant at Seal Cove which is always a centre of attraction for tourists.

DRAMA AND THRILLER

"Break Of Hearts," With Katharine Hepburn, and "Arizona," With Richard Dix At Capitol

A saga of the settling of the American West comes to the screen of the Capitol Theatre here at the first of this week in "The Arizona," starring that virile favorite, Richard Dix, in the title role. Dix is seen as the hard-fighting quick-thinking marshal which job he assumed so that he might protect his brother and sweetheart. There is gunplay and action, typical of the period, but thrills depend less upon the shooting than they do upon suspense and twists of plot. History has been interwoven with a story of resourcefulness and conflict. Margot Graham, popular English actress, is leading lady and displays a vocal talent in singing "Roll Along, Covered Wagon, Roll Along." Preston Foster and Louis Calhern have important roles while Willie Best and Etta Daniels, noted colored comedians, are teamed up.

The other end of a double bill is a modern romance, "Break of Hearts," starring Katharine Hepburn and Charles Boyer. The story is that of the great love of a promising young composer, played by Miss Hepburn, for an idolized orchestra conductor, the part of which is taken by Boyer, the handsome French actor. Tragedies of the romance between the temperamental musicians are developed into a very dramatic play. A great symphony orchestra appears as a contributing factor. John Beal, Jean Hersholt and Sam Hardy are also in the cast.

Protecting the Jobber

In distributing tobacco to the retail trade, every manufacturer finds it necessary to use the jobber. Even with 127 full-time salesmen in its employ, the Imperial Tobacco Company is unable to call upon the average retailer oftener than once in five weeks. Yet thousands of retailers, because they prefer to buy in small quantities and often, have to be seen and given delivery two or three times a week.

That is where the jobber comes in. Carrying the lines of all tobacco manufacturers, confining himself to a limited territory, covering it thoroughly and frequently, and assuming full responsibility for delivery and collections, the jobber renders a service that for efficiency and economy cannot be equalled.

Because the jobber is a proven necessity, the Imperial Tobacco Company feels itself under an obligation to give him its full support in the maintenance of conditions and practices that ensure him a reasonable profit.

That support is given in two ways. First, the Company protects the jobber against excessive competition in his own particular territory. A certain amount of competition is always desirable, to stimulate sales effort and to ensure thorough coverage. But once competition in any given territory has reached a point where it serves such ends, the Company endeavors to maintain it in this healthful condition.

In addition, the Company makes it known to all its jobbers that it expects each and everyone of them not only to refrain from price-cutting himself, but to discourage price-cutting by his retail customers. The Company is just as anxious to protect its jobbers against unfair competition as it is to protect them against excessive competition.

Tobacco jobbers are organized into associations on a territorial basis. Each association has its own committee for determining codes of practice and for disciplining members who offend.

Jobbers play so important a part in the distribution of tobacco, and play it so well, that the Imperial Tobacco Company is always glad to do everything in its power to conserve and promote their best interests.

Twenty-Five Years Ago

November 2, 1910

At a conference with the city council yesterday, Premier Richard McBride broached the question of Grand Trunk Pacific assessment and urged that the council give the company as liberal treatment as possible. Various matters of mutual interest between the provincial government and city were discussed at the conference. The question of railway taxation is an absorbing topic of discussion in the city just now and many opposing opinions are heard. President Sir Charles M. Hays of the railway company has offered to pay the city \$5,000 annually for twenty years.

In France experiments have succeeded in sending a balloon ten miles above the earth.

A reception was held yesterday afternoon at the Prince Rupert Club in honor of Mrs. McBride, wife of the Premier. The social elite of the city was out in full force, led by Mrs. William Manson and Mrs. Fred Stork.
