More Than Half of Weyerhaeuser Ransom Money Accounted For—Mahan Still Free
WASHINGTON, D.C., June 11: (CP)—The Department of Justice today announced that \$90,000 of the Weyerhaeuser ransom money had been found buried near Salt Lake City as a result of the confession of Harmon Waley and his wife of complicity in the Tacoma kidnaping. This makes a total recovered to date of \$116,000 out of the \$200,000.
It is believed that William Mahan, for whom the police are searching after his having been seen near Butte, Mon., has the balance of the money.

Four Prince Rupert Men and Two From Vancouver Are Given Charge—Will Endeavor to Control Price Through Medium of Demand and Competition

Federal legislation to regulate the marketing of Pacific Coast halibut has been granted and is now in effect, according to telegraphic advice received in Prince Rupert today from Ottawa by the Canadian Halibut Fishing Vessel Owners' Association. A board consisting of F. D. Beale, representing the fishermen of Vancouver; Charles

Prince, representing the boat owners of Vancouver; George Fritz and David Ritchie, representing the boat owners of Prince Rupert, and George Anderson and Earl Dybavn, representing the fishermen of Prince Rupert, has been appointed. This board will meet at Prince Rupert, which will be the board's headquarters, as soon as its members can be got together, to choose a chairman and organize its activities.
Under the new legislation, every halibut boat is required to be licensed before it can sell its fish. A penalty of from \$25 to \$500 is provided for any boat selling halibut without a licence.
It is not the intention of the board to interfere at this time with the selling of fish but it plans to achieve its purpose of market and price regulation by the regulation of production, allowing demand and competition to take care of prices.
The legislation, however, enables the board to licence wholesalers, if it deems it necessary to do so. The board could also require all boats to turn over their fish to it for marketing.

NEITHER SIDE IN JUNEAU MINE STRIKE SHOWS ANY SIGN OF CAPITULATING

JUNEAU, June 11:—With neither the company management or the miners showing any disposition to capitulate in any way, the strike which has tied up the Alaska-Juneau mine here for the past few weeks continues. Bitterness is developing although, so far, the strike has been orderly. With nearly 1000 men in idleness owing to the tie-up, the community is losing a payroll of between \$4000 and \$5000 per day.

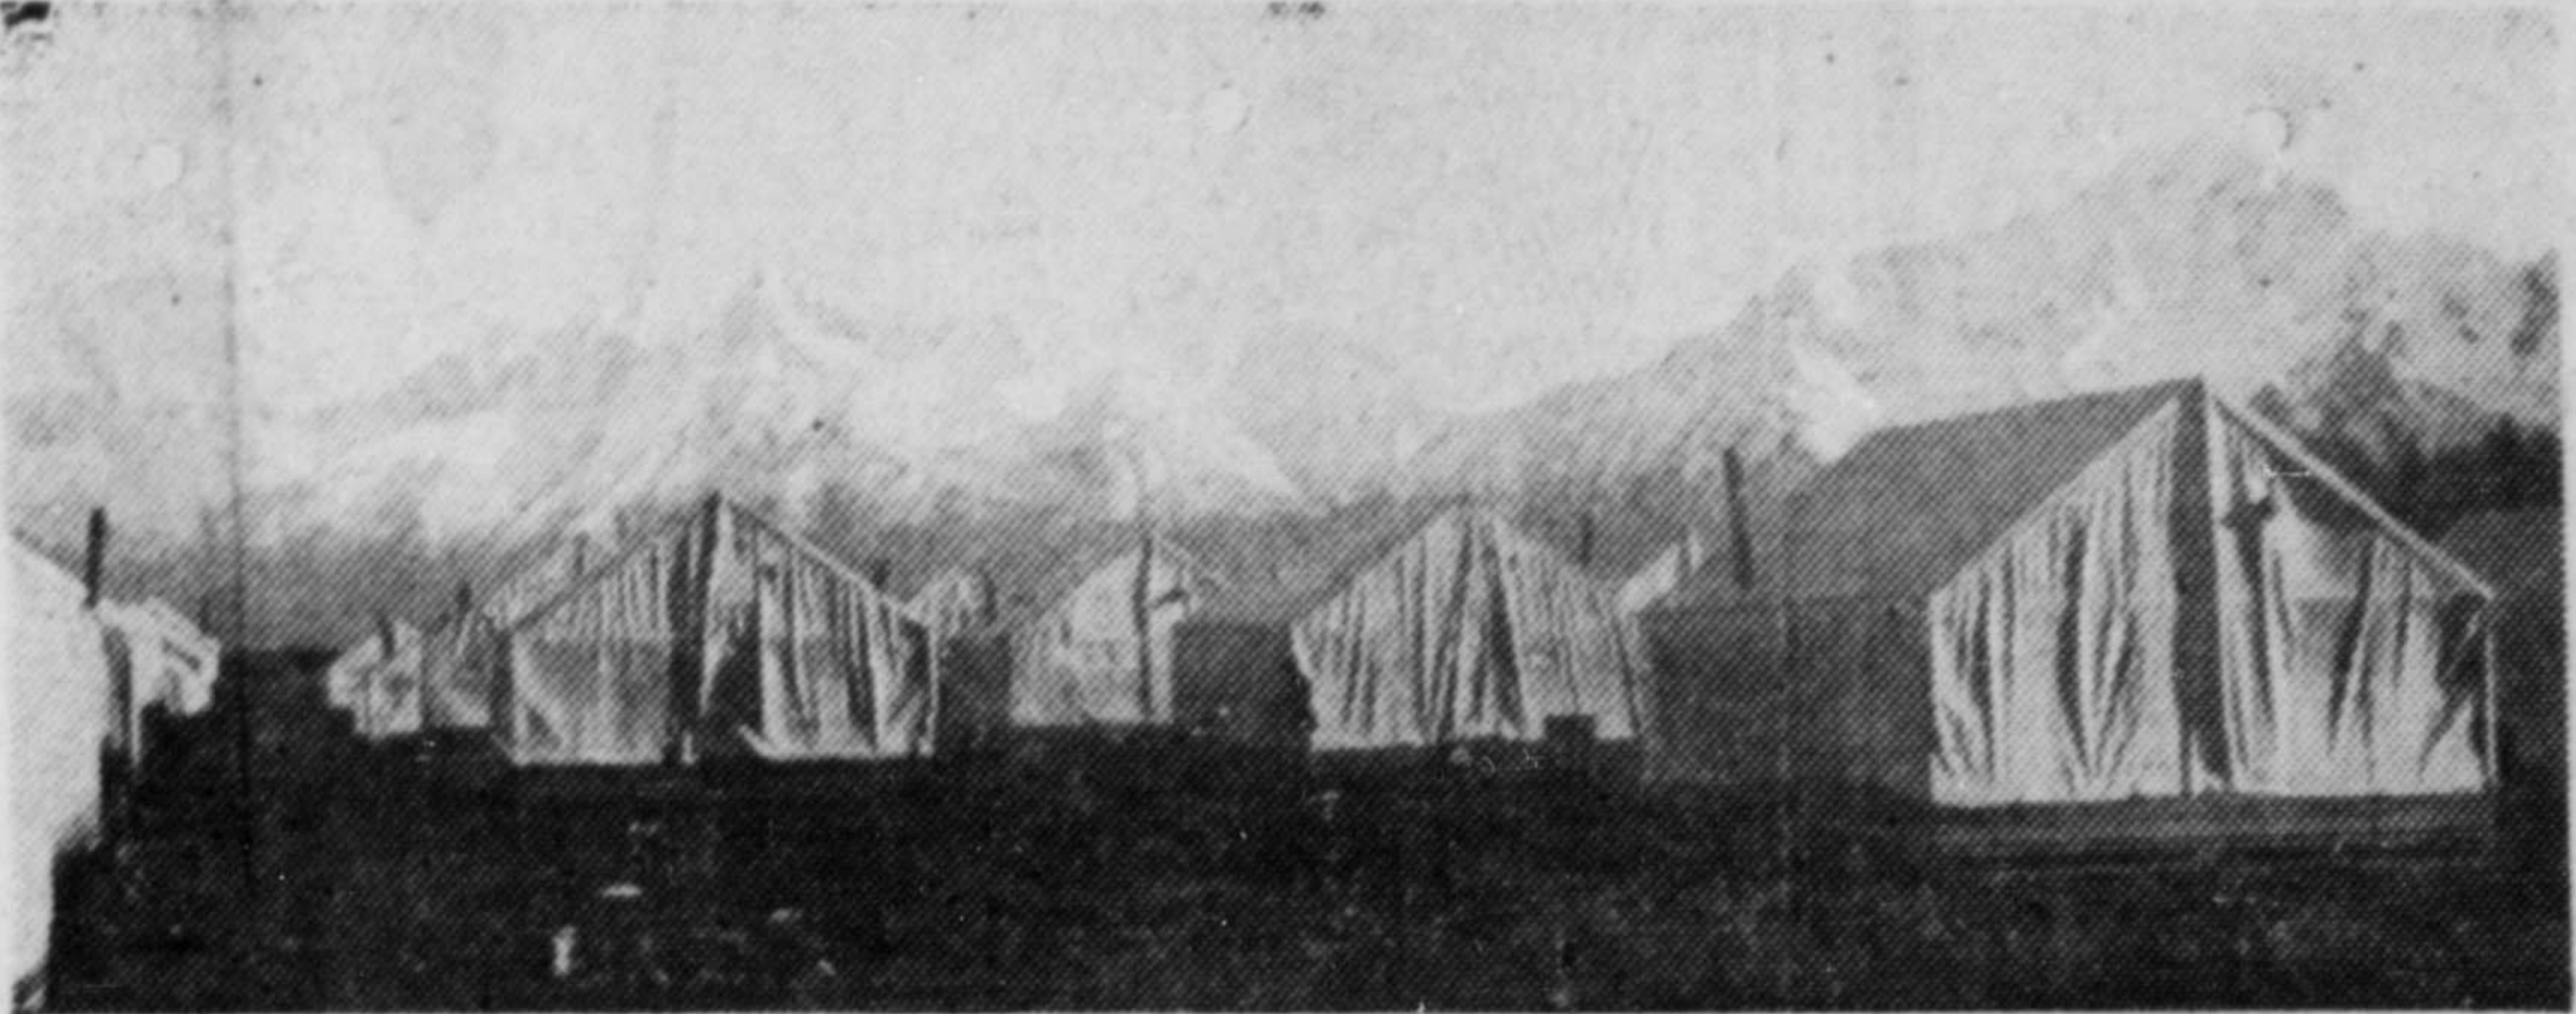

New Canadian Grain Board To Be Given Exclusive Control Over All Western Elevators

OTTAWA, June 11: (CP)—What constitutes practically a monopoly of interprovincial and export grain trading in Canada is given to the proposed Canadian Grain Board in a bill introduced in the House of Commons by Premier R. B. Bennett yesterday. The measure would place all grain elevators in the four western provinces under exclusive control of the board and would, it is expected, end operations in future now dealt in on the Winnipeg Grain Exchange. Under the bill grain would be taken from the producers in the usual manner with cash advances and participation certificates which would secure them a pro rata share in distribution of proceeds of sales when completed and expense deductions made.

Ketchikan Salmon Landings Heavy

KETCHIKAN, June 11:—Salmon landings here were heavy over the week-end, some 50,000 pounds being delivered to port. Only one halibut boat was in yesterday.

Pioneers Find Their Way to New Alaska Home

Tent cities spring up in the Matanuska valley of Alaska as pioneers arrive from the United States to settle on government lands. Top, the new city of Palmer, with snowy mountains in the background. Below, settlers arrive—and find plenty of automobiles to meet them.

Late Season At Francois Lake

Some Farmers in Lakes District Are Still Seeding

FRANCOIS LAKE, B.C., June 11:—The spring here has been very late and some people are still seeding although the majority of farmers have finished. The settlers have had a pretty fair year in regard to getting out ties.

LIQUOR STORE AT TERRACE ROBBED

District headquarters of the provincial police were advised late yesterday that the government liquor store at Terrace had been broken into over the week-end and some \$100 worth of liquor stolen. Information of the robbery came in a wire from D. A. McKinnon, the liquor vendor at Terrace. Provincial Constable H. L. McKenney was in the city at the time in connection with an appeal case in County Court. He returned to Terrace on last evening's train and will start an immediate investigation.

Authority is Sought By Finance Minister To Raise \$750,000,000

Would Pay or Redeem Whole or Any Portion of Obligations of Country and Withdraw Unmatured Securities From Circulation—To Establish Exchange Fund

OTTAWA, June 11: (CP)—Hon. E. N. Rhodes, minister of finance, today gave notice of a resolution asking authority for the government to raise by loan up to \$750,000,000 "for paying or redeeming the whole or any portion of the loans or obligations of Canada and for the purchasing and withdrawing from circulation of un-

matured securities of Canada."
Mr. Rhodes also gave notice today of a resolution to introduce a bill respecting "the establishment of an exchange fund" of \$50,000,000 for the purchase of foreign exchange, gold or other credits, abroad.

Party of Seattle Business Men On Tour of Alaska

KETCHIKAN, June 11:—A party of 135 business men, on a tour of Alaska under auspices of the Seattle Chamber of Commerce, was here yesterday aboard the steamer Aleutian enroute north.
C. H. Orme sailed this afternoon on the Catala for Victoria. While in the south he will attend a meeting of the executive of the British Columbia Conservative Association and also has private business to attend to. He will be away a week or ten days.

DEATH OF P. DOIRON

Head of Well Known Local Family Passes Away at Age of Seventy-Six

Head of a well known local family and a resident of twenty-three years standing in Prince Rupert, Peter Doiron passed away at 7 o'clock this morning at his home, Seventh Avenue East, after a lengthy illness. Many friends will regret to learn of his death and surviving relatives will have general sympathy in their bereavement.

Born seventy-six years ago in Prince Edward Island, Mr. Doiron was a boatbuilder by trade. Members of his family are all well known in the local marine community.

Besides his widow, Mrs. Mary Doiron, deceased is survived by five sons—Stanley, Vancouver; Henry, Prince Rupert; Frank, Trail; Ernest, Nanaimo, and Leo, Prince Rupert, and one daughter, Mrs. Kate Bedard, Saltcoats, Man. There are also twenty-seven grandchildren and two great grandchildren.

The late Mr. Doiron was a member of the Roman Catholic Church. Funeral arrangements, in the hands of the B. C. Undertakers, will be announced later.

Would Change School Name

"Terrace" Would be Better Than "Kitsumkalum," Board of Trade Believes

TERRACE, June 11:—The Terrace Board of Trade, at its regular monthly meeting, decided to ask the school trustees to consider the feasibility of making a change in the name of the school. It has in the past proved to be a disadvantage for the school to bear the name "Kitsumkalum" instead of "Terrace." It is said that on one occasion one of the school inspectors travelled eastwards as far as Prince George, looking for a station named "Kitsumkalum" and, of course, could not find it. Also, when, as frequently happens, the Terrace boys and girls distinguish themselves by passing a stiff examination, Terrace gets no credit and, as there is neither station nor post office at Kitsumkalum, few know where the place is.

STEAMER PRINCE GEORGE LEAVING VANCOUVER FOR PRINCE RUPERT TONIGHT

Work on Waterfront of Southern Port Proceeds Today Under Heavy Police Guard—Strike Question Not Being Considered at Prince Rupert

Word was received at local offices of Canadian National Steamships today that the steamer Prince George, having been delayed on account of the strike situation in Vancouver, will leave the southern port at 9 o'clock this evening for Prince Rupert and is due to arrive here on Thursday morning, running about a day late on her regular weekly northern voyage. She will make the usual voyage north of here to Anyox and Stewart although it is expected she will be speeded up all around.
According to telegraphic dispatches, the vessel moved yesterday from the Canadian National dock in Vancouver to Ballantyne Pier where her cargo was loaded. Coastwise longshoremen and freight handlers voted yesterday in Vancouver in favor of joining the strike of stevedores of ocean cargo. Work on the Vancouver waterfront Continued on Page 2

VERY SATISFACTORY

The knowledge that some of the Weyerhaeuser kidnapers have been caught is very satisfactory. It is to be hoped that all will be apprehended and punished as they deserve.

UNUSUAL AND ABSURD

The Independent-Conservative newspaper, the Evening Times Globe of Saint John, N.B., is opposed to some of the legislation being brought forward at Ottawa. It says: "A somewhat unusual and absurd situation has arisen at Ottawa in connection with the control of business in Canada. A number of bills have been introduced by the minister of justice amending the criminal code, with the object of placing in the hands of federal departments authority to enforce the contemplated laws, concerning the constitutionality of which the minister of justice himself expresses doubt. In his opinion he is backed by eminent Canadian counsel. It would seem that the government does not propose to press the legislation to final adoption, but is inclined to let parliament act as it sees fit. The NRA debacle in the United States followed unconstitutional legislation.

"Before any such legislation is adopted in Canada why not pursue the sane course of having the supreme court of Canada and the privy council pronounce on the right of the Dominion Parliament to interfere in matters which are solely within the jurisdiction of the provinces of Canada. Even if the proposed legislation is passed, it will doubtless be contested by one or more of the provincial governments. If further laws are desirable to remove unfair practices in Canada, then let us pass them in an orderly way. In Canada the government should not desire to place itself in the ridiculous position in which the United States government now finds itself."

Three Kitselas Indians Fail in Their Appeal to County Court Here

Yesterday afternoon in County Court, after a hearing which occupied the better part of three days' time, Judge W. E. Fisher upheld convictions and fines of \$50 each which were imposed some time ago in provincial police court at Terrace upon Mark McKay, Simon Lockerby and Robert Bryant, Kitselas Indians, for being in possession of furs taken during the close season. The appeal was based on the grounds of fact—that the furs in question were not taken during close season. T. W. Brown was counsel for the appellants while L. W. Patmore acted for the crown.

Northland Transportation Co.'s motorship Northland, Capt. Len Williams, arrived in port at 1 o'clock this morning from Ketchikan and, after discharging three carloads of fresh fish and one car of mild cured for transshipment east over Canadian National Railways, sailed for Seattle.

GREAT DAY AT VILLAGE

Victoria Day Sports at Port Simpson Under Ideal Weather Conditions

Lady Joins Tribe

Mrs. George P. McColl Honored—Medal Presented to Mrs. Dudoward

A very interesting event took place in the forenoon of the recent Victoria Day celebration at Port Simpson when Mrs. George P. McColl, who arrived in the city on the Catala this afternoon for a brief visit here, was called to the grandstand and there was taken into the tribe of "The Grizzly Bear." The ceremony was performed by Chiefs E. F. Dudoward and Ambrose Reid. The Indian name "Ksemanhaym" was given to Mrs. McColl. This is the first occasion in which a white woman has been admitted to the Port Simpson tribes.

Port Simpson's big outdoor day was held under ideal weather conditions.

This day is looked forward to by all Port Simpson people. They come in from all outside points for this occasion, from fishing, trapping and from their various camps.

In the morning the children's procession, headed by the Women's Willing Helpers and the Port Simpson Silver Band, paraded around the village to the Hudson's Bay store where everyone received a free gift. From there the parade

proceeded to the flagpole in the centre of the village where the flag was hoisted and saluted while the band played "O Canada."

Children's sport events were then staged and for the next hour and a half excitement ran high as the varied track events followed in quick succession. Each child received free pop and ice cream and the winners of the various events were made happy with their handsome and useful gifts.

The afternoon was given over to men's races, softball and baseball games. The tit-bit of the day was the canoe race, three four-paddle canoes participating in a keenly contested event.

In the evening the Port Simpson Athletic Club Hall was the scene of another very interesting event. Indian Agent W. E. Collison presented Mrs. M. E. Dudoward with the King's Silver Jubilee Medal in recognition of her services among her own people.

George P. McColl, on behalf of Commander Oland and officers of H. M. C. S. Skeena, presented the ship's badge to Capt. William Lawson, the skipper of the crew which won the boat race on the occasion of the warship's visit to Port Simpson last year.

A well attended dance with Brentzen's Orchestra in attendance finished off the day.

The sports committee, responsible for the very efficient manner in which the day's proceedings were handled, consisted of E. F. Dudoward, chairman; Paul Price, secretary; A. Reid, manager, and Joshua McKay, starter.

Anglers Had Success at Khtada—More Salvage From Denali—Granby in From Tiell.

With each member of the party bringing in a capacity string of trout, Dr. L. W. Kergin's angling expedition to Khtada Lake returned home yesterday afternoon. Despite rainy weather, the outing was greatly enjoyed by all. Those making the trip, in addition to the doctor, were Alex McRae, Sergeant G. H. Greenwood, G. H. Munro, John Walker, R. G. Van der Sluys and L. J. Blain. An outboard motor was taken in for use on the Khtada Fishing Club's boats on the lake.

Bringing a scowload of anchors, chains and other ship's equipment of which the wrecked American steamer Denali had been dismantled at Zayas Island, Capt. W. P. Armour arrived in port at the end of last week with the Armour Salvage Co.'s power tug Daly. The salvage outfit is still standing by at Goose Bay, Dundas Island, awaiting a favorable opportunity to start salvage operations from the after portion of the wreck which has not yet been touched. All cargo and equipment so far recovered has been from the bow portion. Stormy weather of the past few days caused a temporary suspension of salvage operations.

With Capt. Charlie Larkin in command, the Daly left early Sunday morning for Stewart to tow a scowload of Dunwell ore to the Anyox smelter. The vessel is due back here about the middle of this week.

Having made extra calls at Big Bay to load box shooks for Butedale and at Inverness to load salmon, it was 12:45 today before Union steamer Catala, Capt. A. E. Dickson, returned from Anyox, Stewart and other northern points. The vessel sailed at 1:30 p.m. for Vancouver and waypoints.

The following is from the Shelburne (N.S.) Coastguard newspaper of recent date: "Boston, May 20:—Twenty vessels arrived, fish prices here today: wholesale quotations, large cod 5c to 6c; market cod, 4c to 5c; haddock, 4 $\frac{1}{2}$ c to 5 $\frac{1}{2}$ c; pollock, 4c to 5c; mackerel, 7c to 8c; halibut 12c to 18 $\frac{1}{2}$ c.

The Granby Co.'s service boat Granby returned to port this morning from Port Clements, having taken Charles Bocking, president of the company; Al White, his secretary, and R. L. Healy, assistant superintendent at Anyox, on a fishing expedition to Tiell River. Mr. Bocking and Mr. White left on the Catala this afternoon for Vancouver while Mr. Healy is returning to Anyox with the Granby.

Mrs. Lawrence Lambly sailed this afternoon on the Catala for Vancouver. She will attend sessions of the provincial Grand Chapter of the Order of the Eastern Star.

EVOLUTION OF ISRAEL

History of Britain's Rise in Story Of Western Civilization, Declares B. I. Speaker

The regular meeting of the British Israel Federation, Prince Rupert branch, was addressed last evening by George Wilson on the subject "Israel's Social Evolution." Faking the evolutionary law in biology that "the interests of existing individuals have no place in the scheme of things except insofar as they are included in and subordinate to the larger end in the future," the speaker applied this law to "society" as a living organism. He showed the operation of the laws which are governing social progress and how every phase of social life, political, economic and ethical, occupied strictly controlled and subordinate relationship to these laws.

The subject really should have been "The Causes of the Growth of the British Commonwealth of Nations." The tremendous expansion of the population of the British Isles from being the least significant of European peoples until nearly half the world was under the direct influence of British laws, government and institutions in a most brief period in the world's history was practically the history of western civilization. The causes for this progress were first military potency for the preservation of institutions, then religious tolerance bringing in its train, intellectual and political tolerance.

The law of natural selection, the survival of the fittest, was shown in operation among the nations until military supremacy was attained. How the rule of absolute force was broken; how the rule of religious absolutism imposed by the church until reformation times, was broken; how the stress, rivalry and competition inherent in the law of natural selection emancipated the human intellect; how the conception of "The People" broke the Divine Right of Kings; the ideas which caused these occurrences were in the last resort held as religious convictions, arising from the doctrine of the insufficiency of the individual by his own natural powers to fulfil the law and do every act necessary to his salvation.

The implication arising out of the Darwinian hypothesis that the future was more important than the present was one of the chief tenets of Christians and applied to species and races as well as to individuals and social systems.

There was, as usual, considerable discussion among the members. P. H. Linzey, president was in the chair.

GROTTO WINS IN SOFTBALL

Defeated C. N. R. A. by Odd Run In Free-Scoring Contest

On a wet and slippery field, Grotto ballplayers lambasted the railroaders to the tune of 9 to 8 in the City Softball League last night. The Canadian National Recreation Association gathered in six runs in the fifth inning, which should have won any ball game, but the Grotto bunch came right back in the same inning, garnering five runs. The game was featured by wild throwing due to wet ball and slippery ground.

Bury, for the Grotto, had a perfect day at bat, getting five hits in five times up while, for the C. N. R. A., Lambie with three hits out of four times up, including a single double and three-bagger, was the leader.

MANY PAPER TOWN TEAMS

Baseball, Football and Softball Being Played Regularly at Paper Town

OCEAN FALLS, June 11:—At a meeting on Monday night of last week of the Ocean Falls Athletic Association, it was decided that, during the summer season, there would be each week two games of softball, two games of baseball and two games of football.

There are three baseball teams—Papermakers, Japanese and Liberals—and the first game was played last week between the Papermakers and the Liberals. The latter have a strong team captained by William (Red) Appleby and also including R. Robertson, West Carnes, G. Arcand, E. D. Gillanders, Jens Manson, W. White, Ken Gillanders, Vic Whittaker, D. Hills, G. Baillie, W. Mitchell, Jack Hodson and Phil Campbell.

LAWN BOWLING POSTPONED

On account of wet weather, the opening City League lawn bowling fixture of the season scheduled for last evening between rinks of Dave Borland vs. J. J. Little and G. A. Woodland vs. Louis Arroll were postponed.

Big Celebration At Ketchikan On July 4 Planned

KETCHIKAN, June 11:—At a meeting last night plans were put in motion for a celebration on July 4 which it is expected will be one of the most ambitious ever staged here.
