LOCAL PEOPLE PLEASED

Local people were pleased to learn yesterday that Prince Rupert's plea for a lowering of the duty on halibut had at last been granted. Throughout the last Parliament Annette's Retain the member for Skeena had been urging this change and directly the opportunity came the change was made.

We should all have liked to see the duty wiped out altogether but the limit of the United States President's Defeated Maccabees Last Night (2), Lindseth (2), Erikson, Dybpower was to cut the duty in half. The result should be that Canadian halibut boats will get one cent more for their catches next year.

Lumber producers are also given an opportunity to in the Laides' Bowling League last Blaine (4), McLeod, Llewellyn, Elagain enter the United States market with a cut of two night by defeating Macachees 1452 lison; total, 9. dollars a thousand feet. To ask that man to pay \$50 for a licence and then to allow total strangers representing big firms to come to the city and sell their goods in competition with people who pay licences is not a a fair thing to do. All should contribute to the city funds and the bigger the firm the more determined should the authorities be to see that it does not operate without paying.

MUNICIPALITIES IN DIFFICULTIES

More municipalities are getting into financial difficulties. Salmon Arm last year collected only seventy percent of its taxes, so it is asking its bondholders to take seventy percent of their interest. Other municipalities are said to Meat Packers, Elevator, Legion 2 be in similar plight.

Evidently Prince Rupert did the right thing in compounding with its creditors early in the depression, for now the city is able to pay its way on the new basis as long as the finances are being carefully managed.

Anniversary Of Legion Will Be Observed Soon Plant Operating Men of Consoli-

While the executive meeting of he Canadian Legion last evening was mainly in preparation for the egular monthly meeting to be held on Wednesday, plans were also laid for the observance of the tenth

grew up different factions. The late Field Marshal Haig saw that the only hope for obtaining a proper ecognition of the veteran's probion was to sink sectional differ- trict. ences and concentrate on the maor problems. This he felt the greatest contribution he could pay to the men who had fought under nim and to the dependents of those who were killed. With the Kimberley. same breadth of vision as he had shown in command of the British forces and the same adherence to ! he principles of co-operation he had observed with the Allied Commanders, he labored to the end that an Empire-wide organization should be established. He succeeded and the tenth aninversary of this, as far as Canada is concerned, will be properly observed next Monday vening at the clubrooms.

The Legion has a membership of work in serving the country in peace as the members did in war. It has the confidence of the government, no matter what party is in power, for its disinterested assistance is of the greatest value and its knowledge and research into problems of unemployment have been readily recognized by government officials.

Kingdom of God On Earth is Near

Robert Bartlett is Speaker Before British-Israel Society Last

At a well-attended meeting last evening of the British-Israel Society in the Toc H Rooms, R. H. W. Bartlett gave an absorbing address on "Israel" and the purpose for there was no sale of halibut on the in thy seed shall all nations of the earth be blessed?" The speaker went on to show that God's plan for mankind was a new race of glorious creatures—Children God. Adam was endowed with perfect physical form, perfect mentality and spirituality. He could commune with his Maker. Man was also given freewill but, in choosing to rebel against God, he forfeited his right to eternal life. Adam kept not his first estate. Then God saw if his cause was to be maintained man must be redeemed. A medium Offer You Real Values. Leave Your for the Saviour to enter this life must be prepared. Thus the great-ROLOCREAM HEALTH est wonder of the ages took place-"For God so loved the world that He gave His only begotton Son." The Pyramid very clearly substantiated this. Mr. Bartlett graphically explained the ascending and descending passages, the scored lines, the step, the well, the chambers, the openings through which the stars in their courses look down, all in that great witness of stone in Egypt which showed the history of mankind and God's plan for his salvation.

Israel today was the leading nation in the world-foremost in mercy, justice and freedom. The time of restitution of all things was near when the blessings promised would come and the way to Life eternal open up to all people. An interesting discussion followed, many taking part.
