POLITICAL CHANGES

If there had been an election last fall even Conservatives last night with results as follows: admit that the government would have been defeated and Right Hon. W. L. Mackenzie King would have taken the ray beat Miss Connie Morgan and place of Right Hon. R. B. Bennett as prime minister. The Charme Stevens, 15-1, 15-8. financial interests which Mr. Bennett represents were at their wits end. Something must be done. It was a situation that was difficult to face.

"The people want a bold policy and you must give it to and Miss Creddie Morgan, 15-7, hem," declared Findlayson. "Give them the Roosevelt 15-0. ouch," urged Herridge. "There's nothing like it. Steal the owder from King. If he opposes, as he probably will, go and Miss Beatrice Berner, 5-15. It was a old move, indeed, and it caught the fancy of the people. t was a most successful show.

The fly in the ointment was that a day or two after the twelve Tables in Play at Function famous speeches were read by the Prime Minister, the Liberal members gathered at Ottawa just prior to the opening of the session. Wise counsels prevailed and it was decided not to oppose any measure that was good but held last night by the local Toc H Calgary rather to rejoice that the reactionary leader had at last society. There were twelve tables seen the light.

Since the opening of the House the Liberal members; have been clamoring for more Bennett reforms but the reforms were not ready. Only one bill had been prepared, the unemployment and old age insurance and it is now law. Now the hours of work bill is before the House which is slowly getting through its routine work and the Prime Minister is hoping for an excuse to appeal to the country on the remainder of his new platform. If the legislation is passed at this session, there will be nothing left on which to appeal.

An interesting sidelight is the reaction of the Conservatives to the new policy. Most of the higher-ups were in the know and when they heard the first volley fired they curved is the line of beauty; follow winked the other eye and smiled and remarked: "We don't the straight line, thou shalt see need to worry. They are losing their enthusiasm for Bennett's new deal and, if the present Bennett slump continues for with a heart for any fate; still another month or two, the political situation will be very achieving, still pursuing, learn to similar again to what it was last fall.

SUNNY PACKAGE on your grocer's shelf?

It's a delicious ready-to-eat cereat. Millions of Canadians have found Kellogg's ALL-BRAN a safe, effective means of correcting common constipation—the kind caused by lack of "bulk" in the menu.

Laboratory measurements show that ALL-BRAN provides "bulk" to aid elimination. ALL-BRAN also supplies vitamin B and iron.

The "bulk" in this tempting cereal is more effective than that found in fruits and vegetables because it resists digestion better. Within the body, it absorbs mois-

ture, and forms a soft mass. Gently, this cleans out the intestinal waste. Isn't this natural food better than taking patent medicines? Two tablespoonfuls of ALL-BRAN daily are usually sufficient. Chronic cases with each meat. If this fails to give re-

Proclaiming Jesus As Lord and Master

Specific Aim of Campaign of Evangelism Starting Next Week

The Campaign of Evangelism 21c be launched by a special service of Witness next Wednesday evening 45c in the Capitol Theatre by the Protestant Churches of Prince Rupert 59c has as its specific alm the proclamation of Jesus Christ as Lord and Master of human life so as to produce his spirit and character in individuals and society.

Such a program, it is felt, has also a direct bearing on the home.
