COLLECTIVE REPLY TO ITALY URGED

Nations as Whole Should Defend Sanction Action, British Gov't Believes

Ethiopians Reported to be Moving Into Strategic Positions to Resist Further Advances by Invaders—Addis Ababa Rejoices Over Capture

LONDON, Nov. 14: (CP)—The British government has a joint answer of the nations concerned under League of Nations auspices to Italy's protest at imposition of economic and financial sanctions instead of individual penalties by the various nations, it became known here last night in authoritative quarters. Before such a reply is made, however, it is the opinion here that views should be exchanged between the various nations.

From the war zones in Ethiopia last night came word that, while the Italian forces were consolidating their recent gains, the Ethiopians were moving into strategic positions with a view to resisting the advances of the invaders. Even the Italians anticipate that there will be a major battle before the strategic city of Harar, as affects the Jibuti-Addis Ababa Railway, falls. Aerial bombing by large Italian airplanes of Ethiopian ammunition lorries is reported.

Addis Ababa was reported to be celebrating following receipt of news that six Italian tanks had been captured in Agudan Province in the south and 1000 Italian-Somali native troops made prisoner.

COUPLE MISSING ON TRIP DOWN STIKINE WRANGELL, Alaska, Nov. 14: (CP)—Search started yesterday for Mr. and Mrs. Walter Simpson who have been missing since October 27 on a trip down the Stikine River from Telegraph Creek enroute to Juneau via Wrangell in an outboard motorboat. The river froze over the day the Simpsons departed and they have not been reported since.

STATUS IS QUESTIONED

Quo Warranto Proceedings Interrupt Vancouver Recount With Mayor McGeer in Lead

VANCOUVER, Nov. 14: (CP)—The status of Judge J. N. Ellis as senior judge of the County Court was questioned in quo warranto proceedings launched in Supreme Court yesterday by Alexander Wool, longshoreman, represented by J. B. Williams, former city solicitor, to determine by what authority he is holding the recount of ballots for Vancouver-Burrard riding in the federal election. On being served with notice of the proceedings, Judge Ellis adjourned the recount to today, leaving Mayor G. G. McGeer, the Liberal candidate, with a net gain of ten votes in 124 out of 137 polls which have been checked to date.

The quo warranto case will be heard on November 18. The application states that Judge Ellis was appointed "junior county judge." He was recognized as senior judge by the government early this year. Such a recount as this is required by statute to be conducted by the senior judge.

GOING AHEAD WITH RECIPROCITY TREATY

BRITISH ELECTION

If Result is Close, Final Outcome May Not Be Known Until Tomorrow—Violence Marks Campaign

LONDON, Nov. 14: (CP)—Millions of British voters went to the polls today in the general election. Unless the result is very decisive, and there was no advance indication that it would be, the outcome may not be definitely known until tomorrow. The general expectation is that the national government under Premier Stanley Baldwin, himself re-elected by acclamation, will be returned to office with a reduced majority.

The closing day of the campaign yesterday was marked with considerable violent demonstration. Rt. Hon. Winston Churchill and his son, Randolph, were showered with stones in Liverpool. Meeting of former Premier J. Ramsay MacDonald and Sir John Simon were broken up.

The campaign was one of the briefest but most strenuous in many years. As early as 8 o'clock today some booths were congested, women largely outnumbering men among the early voters: More than half the voting strength of the country is represented by females.

Forty candidates have already been elected by acclamation and declaration will be made tonight in 225 divisions and 323 Friday with ten to be announced later.

Six cabinet ministers will know their fate tonight. It is expected that British election returns will commence to reach Prince Rupert about 3:30 this afternoon.

NEW NORTHERLY ROUTE FOR FLIGHTS ACROSS CANADA RECOMMENDED

VANCOUVER, Nov. 14: (CP)—A one hundred-mile gap in the mountains close to the borders of the Yukon and Northwest Territories was described as near perfect for a trans-Canada air route by D. It offered far less hazardous flying conditions than any other gateway to the coast, he added.

DISORDERS IN EGYPT

Two Dead And Many Injured—Resentment Expressed At British "Domination"

CAIRO, Nov. 14: (CP)—Violent demonstrations against British "domination" of Egypt despite the so-called "independence" of the nation marked the anniversary of Independence Day yesterday. Inflammatory speeches resented the use to which Egypt is being put by Great Britain in connection with the Italo-British crisis. Complete and real independence was demanded.

Two students were killed and 175 students and soldiers wounded in rioting here. Demonstrators shattered windows of the British consulate. Troops stood ready to take a hand if police were unable to cope with the situation. During the course of the disorders, shots were fired into the crowds.

There were lesser disturbances elsewhere including Port Said where nationalist sympathizers staged a demonstration in the cemetery on the anniversary of the death of Zaglouli Pasha.

FINE WORK ON RAILWAY

N. R. Staff Did Wonders According to General Superintendent Chappell Who is in City

"I have just come over the line from the interior and I must say the local railway staff did wonderful work in clearing up and getting the trains through as early as they did," said B. T. Chappell, general superintendent of the Canadian National Railways, Vancouver who, with G. A. McNicholl, general freight and passenger agent, is in the city today. C. J. Quantie, superintendent of motive power from Vancouver, is also in the party. Mr. Chappell went on to say that at one time there was a stretch of seven miles of track under water. A railway car in which a section man lived was floated and turned at right angles to the track. It was a terrible mess. While there was much yet to be done and the cost of restoration of the track would still be great, it was now passable for trains. It would probably be about six weeks before permanent repairs could be completed. There was now snow all along the line from Haysport to Jasper. Great credit was due the staff from Superintendent W. H. Tobey and Divisional Engineer M. A. Burbank down for the excellent work they had done. And it was all done without any loss of life or any accident of any kind.

Mr. Chappell and Mr. McNicholl were guests today at the Rotary Club luncheon and are leaving tonight for Vancouver aboard the Prince George. Superintendent W. H. Tobey came in with Mr. Chappell's party.

SUNNY LIVING starts at the table

How you feel and how you look depend largely on the foods you eat. The balanced menu provides the "bulk" to prevent common constipation—caused by lack of this essential fiber.

Common constipation frequently causes headaches, loss of appetite and energy. Yet, in most cases, it can be overcome pleasantly and safely by eating a delicious cereal.

Kellogg's ALL-BRAN is a natural food for normal individuals. It furnishes "bulk" in convenient and concentrated form. ALL-BRAN also provides vitamin B and iron.

Isn't this sunny way better than taking patent medicines? Two table-spoonfuls of ALL-BRAN daily are usually sufficient. Chronic cases, with each meal. If relief is not obtained, see your doctor.

Serve ALL-BRAN as a cereal, or use in cooking. Get the red-and-green package at your grocer's. Made by Kellogg in London, Ontario.

Whole World Observes Seventeenth Anniversary of End of Great War

King Stays In

England Had Bad Weather—Roosevelt Promises Peace—Addis Ababa Too

LONDON, Nov. 14.—Armistice Day was celebrated throughout the world Monday, a note of solemnity and anxiety in view of present international conditions pervading the air. Owing to unsettled weather, the King was prevailed upon to remain indoors. There was a huge gathering at a service at the cenotaph at Whitehall. The British Legion held a great Remembrance celebration.

The Prince of Wales went to Edinburgh for a Remembrance Day service there.

A regrettable incident was reported from Dublin where youths seized a Union Jack and burned it.

Roosevelt Promises Peace

WASHINGTON, D.C., Nov. 14.—In an Armistice Day message, President Franklin D. Roosevelt promised to keep the United States out of war and any foreign entanglements.

German Wreath

PARIS, Nov. 14.—During the Armistice Day observance here, one wreath was placed on the tomb of the Unknown Warrior at Arc de Triomphe bearing the simple inscription: "From Germany's Unknown Soldier."

Communists Interfered with a Parade of Fascists during the day.

Smuts Hails League

CAPETOWN, South Africa, Nov. 14.—In an Armistice Day address, General Smuts, who fought against the British in the Boer war and was a member of Britain's wartime cabinet, hailed the "League of Nations as the best and only means of assuring world peace."

At Addis Ababa

ADDIS ABABA, Nov. 14.—A Remembrance Day service was held in the Anglican Church near the British legation here.

Vancouver's Service

VANCOUVER, Nov. 14.—There was a larger parade of veterans than last year and a larger gathering at the cenotaph for Vancouver's Remembrance Day service.

IT'S NOT IN MANY CEREALS

Nothing anyone eats is more important than Vitamin B—the vitamin for keeping fit. Yet it isn't in many cereals, when cereals are supposed to be our best source of this food element.

Many are nervous, poor in appetite, diet lacks enough of the precious Vitamin B for keeping fit.

Few things keep them back like a lack of this protective food element.

So give everyone Quaker Oats every morning. Because in addition to its generous supply of Vitamin B for keeping fit, it furnishes food-energy, muscle and body-building ingredients. For about 1/2¢ per dish.

Start serving it tomorrow for a 2-weeks test. Quaker Oats has a wholesome, nutlike, luscious appeal to the appetite. Flavors, surpassingly good. All grocers supply it.

Even before their first Birthday Quaker Oats was selected as the cereal for the Dionne Quintuplets

MUSIC CLUB IN RECITAL

Seventy of the Faithful Music Lovers Brave Storm to Hear Members and Others

Some seventy of the more ardent and conscientious supporters of the Ladies' Music Club braved the elements last night to attend a guest day recital in St. Andrew's Cathedral. The program was provided by members of the club assisted by ever-willing local talent and was punctuated by acceptable items of instrumental music notable among which were Peter Lien's rendition of "Salut d'Amour" on the pipe organ at the opening and the pipe organ and piano duet by Mrs. E. J. Smith and Miss Margaret McCaffery of Beethoven's "Sonata Pathetique" towards the close of the recital. Prince Rupert is fortunate to have an artist and master of the pipe organ such as Mr. Lien. The splendid capabilities of Mrs. Smith and Miss McCaffery are, of course, well known. The instrumentalists also gave assistance during the program as accompanists.

The program was as follows:

- "O Canada."
- Organ solo, "Salut d'Amour" (Sir Edward Elgar), P. Lien.
- Ladies' chorus, "God is a Spirit" (W. Sterndale Bennett), Mesdames Anderson, Blance, Cullin, Darton, Hinton, P. C. Miller, Rochester.
- Vocal solo, "Angels Ever Bright and Fair" (Handel), Mrs. Wm. Millar.
- Quartet, "All on an April Evening" (Robertson), J. E. Davey, J. A. Teng, S. J. Hunter, Dr. Large.
- Violin solo, "Ave Maria" (Bach-Gounod), Miss Nellie Lawrence.
- Vocal duet, "O Valiant Hearts" (Armistice Hymn), Mrs. E. Anderson and Miss L. Halliwell.
- Organ solo, "Mood Pensive" (Eva Applefield) and "My World" (Henry Geeh), Mrs. E. J. Smith.
- Vocal solo, "Hold Thou My Hand"

Only Physically Fit May Wed In Connecticut Now

HARTFORD, Conn., Nov. 14.—After January 1 all persons who desire to marry in the state of Connecticut will have to be physically fit. WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Karin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk. Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 25c.
