CENTRE OF DISTURBANCE

Vancouver's mayor continues to be more or less a centre of disturbance although, on this occasion, it is not a disturbance of his own making. When it was found by his opponents that in the judicial recount he was likely to be elected, they at once took steps to try to disqualify the judge on the ground that he was not the senior county court judge and, therefore, could not carry out the duties under the Elections Act.

TRADE CHANGES

The Mackenzie King government is planning a series of trade agreements with Great Britain, Japan and other countries all with a view to increasing the exchange of goods between those countries to their mutual advantage. These will differ from the old agreements which were repealed by the Bennett Government in that they will deal with conditions as they are today and not as they were ten years ago. These, following the reciprocal agreement with United States, will tend to make things move in this country as they have not moved for many a year.

One of the first things to be done, it is hoped, will be to so change the customs regulations that importers will be able to calculate in advance how much they must pay for goods. Today it is impossible to do that.

CANADA'S WHEAT IN DEMAND

United States is short of high grade wheat this year and has already made some purchases in Canada. She will need a good deal more Number One and Number Two Northern to produce marketable high grade flour. This amount is variably estimated at from fifty to seventy-five million bushels. By the time they have finished their purchases and the United Kingdom and other countries have dug into our bins and taken their quota, there should not be a very heavy carry-over left. This is what foreign trade means to Canada.

CLUB HEARS FINE TALK

Colonel Nicholls Tells of Visit to Eastern Canada and United States Points

Likes Social Credit

Gives a Few Side Glances at Ethiopian Troubles and Their Reflex in U. S.

In a travel talk of more than ordinary interest at the Rotary Club luncheon yesterday, Colonel J. W. Nicholls touched lightly on three subjects—business conditions, social credit and Abyssinia and, in touching, the speaker illuminated each.

Taking first the condition of business, the speaker said that in Calgary he found the people exceptionally optimistic, largely as a result of the good crops of the past season and the good prices obtained for the crops. In Saskatchewan there was also a good deal of optimism but with little justification. In that province three seasons of poor crops had been followed by a season in which rust had played havoc with the crops. Manitoba business conditions were not bad.

Passing on to the east, he found the people busier than ever before, particularly in Hamilton due, doubtless, to the iron and steel demand. There was a feeling of intense optimism in Ontario.

In the United States people were somewhat worried as to how they were going to repay the huge expenditures which were being made. Evidently excessive taxation or re-education would be the only way out. In spite of this there was great improvement evidenced everywhere. Much work was required to be done, especially on the railroads in restoring them to normal conditions. The price of everything was high, higher than in Canada.

On the whole, throughout six Canadian provinces, fourteen states and twenty-two cities he visited, Col. Nicholls formed the impression that the whole country was in for at least one good year. What would come after that he could not say.

Social Credit

Turning to the subject of social credit, Colonel Nicholls said he discussed it a good deal with Calgary people but there was a diversity of opinion in regard to it. No one seemed to worry but they expected they would come through all right in any event. He also had read considerable but the most interesting opinion he got was from a man in the east who said the movement in Alberta had to be considered in connection with the early background of the province and its political history. The first settlers went into the country around Edmonton and they had a hard time of it and this caused them to become radical. The southern part of the province was populated largely by people from the state of Minnesota, mostly members of the old Populist party. Then was added to them socialist groups from Russia.

Some people thought Premier Aberhart would pay his first dividend from the ten million dollars of back taxes he was now trying to collect. Others thought he would make a real attempt to put his scheme into practice and a third group fancied times would improve to such an extent that the people would forget about the dividend.

The Colonel said, if people forgot the word "national credit" and considered it simply as a sales tax of the old type, there was considerable merit in the scheme of raising money in that way. The more he thought about the plan the more he liked it. He intended to study it further.

Abyssinia

The final subject that interested Colonel Nicholls while away was the question of the present trouble in Ethiopia. He said he went to the huge New York Radio City Music Hall seating 87,000 people and while there a news reel was shown on the screen. Pictures of the Ethiopian Emperor reviewing his troops brought considerable applause. Italian troops shown in similar manner brought cheers from one or two Italians but there was considerable booing and hissing throughout the hall. Then came the British fleet in the Mediterranean and this was received with long continued applause.

The speaker said that he was at one time assistant secretary to the International Ethiopian Railway in England and at that time members

of the railway staff were engaged for three years, one of which was off duty. Of those who went there, only about one in four returned. The reason Italy was so keen on conquering this country was that, in doing so, they were carrying out Mussolini's expressed determination to control the Mediterranean. Ethiopia was a wedge between the Italian African possessions.

The reason Britain took such a keen interest there was first a desire to prevent war and to protect the weaker nations and second because control of Ethiopia meant control of the watershed of Egypt and the Sudan. In those countries the flooding of the rivers brought silt which spread over a part of the desert and from which three crops could be taken each year. If the waters of the Nile should be diverted, this land would again become a desert. What aggravated the floods was the tremendous growth of a weed called papyrus, formerly the source of the paper which the ancients used. This weed was a big factor in backing up the water and when it gave way the water spread over large stretches of the desert and fertilized it.

Colonel Nicholls apologized for making his address so scrappy but the opinion of club members seemed to indicate that it was unusually interesting.

Visitors at the luncheon were W. O. Fulton of Prince Rupert, William Gibb of Anxox and B. T. Chappell and George McNicholl of Vancouver.

BALDWIN ADMINISTRATION AGAIN GOVERNS BRITAIN WITH SUBSTANTIAL LEAD

(Continued from page one)

gaps in Great Britain's defences and to continue the National government's program of gradual reconstruction at home.

In an ordinary election, the result would have been known as a sweeping victory but so great was the landslide in 1931 that the government's majority has actually been reduced from 409 to about 200.

"It is a splendid result," Premier Baldwin said as he left for Chequers to spend a quiet week-end. Oliver Baldwin, Socialist son of Prime Minister Stanley Baldwin, was defeated as were Margaret Bondfield and Susan Lawrence, women Laborites.

MacDonald and Son Lose

Former Premier J. Ramsay MacDonald and his son, Rt. Hon. Malcolm MacDonald, Colonial Secretary, both lost their seats. There is some question as to whether the former Premier will again be in the government. His defeat in Seaham by Emmanuel Shinwell with a 20,500 majority was the most sensational Labor gain.

Arriving this morning from Seaham, Mr. MacDonald said: "I have no wish to bicker but I do feel that I am justified in describing the contest as a tremendously keen one—and a filthy one as well. The tactics used were absolutely reprehensible." He described himself frankly as "a done-in old man."

Former Premier David Lloyd-George and daughter, Megan, were both elected but the Liberal forces were shattered.

Two Social Credit candidates were defeated. Only about one-third of the results were available up to early this morning but, as later returns poured in, the National government continued to increase its commanding lead over all opposition. Early Labor gains from Conservatives, National Liberals and other government supporters were being somewhat offset.

Canadian Club On Visit to Orient

Miss E. M. Earle Tells In Interesting Manner Of Trip Across Pacific

Yesterday afternoon members of the Women's Canadian Club felt themselves transported temporarily to the Orient as they listened with keen attention and evident enjoyment to Miss E. M. Earle as she gave verbal pictures of some of the high lights of her recent visit to China, Japan and the Philippine Islands.

Miss Earle took her hearers with her on auto rides in which they sat with bated breath, hoping almost against hope that they might reach the end of their journey successfully. They also ambled in a leisurely manner in lazy rickshaws as the coolies hauled them hour after hour uphill and down, showing them the beauties of ancient temples and sacred mountains. They saw the old home and garden of Madame Butterfly, the original carving of three wise monkeys and the wonderful memorial to Sun Yat Sen, first president of the Chinese Republic. They went without cost on a shopping expedition to purchase silks and linens and other beautiful products of China and Japan. They attended a fifty-two course Chinese luncheon without the attendant after effects. They spent a day with Lady Marler at the Canadian Legation in Tokio just after they had received word of her husband being knighted and they returned home by way of Honolulu.

It was an interesting story told well by Miss Earle, who deserved the hearty vote of thanks moved by Mrs. D. McD. Hunter and seconded by Mrs. J. D. Fraser. The president, Miss Lillian Halliwell, presided.

Mrs. George McAfee, who has been visiting here for the past few weeks, sailed by the Prince George last night on her return to Vancouver, accompanied by her daughter, Miss Jean McAfee, who will pay a visit in the south.

Eric Thurber, well known local halibut fisherman, left on the Prince George last night for Vancouver whence he will proceed to St. John, New Brunswick. He will spend the winter in the Maritimes.

MOOSE IN LEAD NOW

Lodge Men Assume First Place In Senior Basketball League—Exciting Ladies' Game

The Moose and the Grotto played another of their exciting Senior League basketball games last night with the Moose edging out on top by two points, 35 to 33.

The first half saw the Grotto leading the Moose by one point. In the second half the Grotto increased their lead to ten points but the Moose soon put on the steam. With three minutes to go the score was tied. Then the Grotto took the lead but the Moose once more tied the count. With one minute to go J. Morrison made a personal shot, putting the Moose one point in the lead. Stiles, soon after, made a personal shot, putting the Moose two points ahead to win the game. When the final whistle sounded the score stood 35-33 in favor of the Moose.

Intermediate League

The experience of the Canadian Legion won them the game against the Scythians in the Intermediate League 35 to 21. Many times the Scythians had the ball but, due to their inability to handle it, lost chances. The first half was fairly close with the Legion having 16 points to the Scythians' 11.

In the second half the Legion, with Armstrong and McPhee shooting, making 18 points out of 19, ran away from their opponents. The Scythians made vain attempts but could not place the ball in the basket. The final score of the game was 35-21 in favor of the Legion.

Ladies' League

The Grotettes, in the Ladies' League game, defeated the High School Girls 12 to 10. With ten seconds to go Dickens, for the Grotettes, scored, winning the game for her team. The students played good basketball and were leading in the first half, 7 to 3.

In the second half the students' shooting went wrong while the Grotettes improved. Dickens was best for her team while the High School was served best by McLeod, Ellison and Llewellyn.

Junior League

The Moose took High School into camp in the Junior game with a score of 19-7. The students fought a hard battle but could not overcome the early lead of the Moose. Crump, for the Moose, was high scorer, making nine points.

Frankie Comadina refereed the Junior game, Sonny Stiles, the Ladies' game, Carl Smith the Intermediate game and Johnny Comadina handled the Senior game.

Oxford Starts Training to Revenge Defeat in 1936 Boat Race

Oxford rowers, smarting under the sting of successive defeats at the hands of Cambridge in the classic boat races, are determined that lack of practice will not be responsible for another loss next year. Also that the very best selection of oarsmen available will be found to man the racing shell. They are already training hard with a large squad of prospective rowing material from which will be chosen the crew to wear the Oxford Blue next year. Here is an eight going through a practice row on the Thames under the eye of a coach. They are only one of several eights working out.

BUCKS WIN PUCK GAME

First Game At Portland Is Played With 3 to 1 Victory Over Vancouver Lions

PORTLAND, Nov. 15: (CP)—The Portland Buckaroos played their first game of the season in the Northwestern Hockey League here last night by defeating Vancouver Lions 3 to 1. In the previous two games, the Lions had scored victories over Seattle's Sea Hawks.

BILL BRASS WINS AGAIN

Local Marksman Made Great Showing in Capturing Shooting Trophy

Word has just been received from Montreal that W. Brass has again won the Canadian National Recreation Association System championship for small bore rifle shooting. This is for combined high total in the indoor and outdoor series on home ranges for season of 1935. For this he wins the gold medal and the Sir Henry Thornton Shield. This is the third successive year that he has won the trophy but, as this is a perpetual challenge shield, it cannot be won outright.

Commenting on the matches, The Canadian National Recreation Association News Bulletin, of Montreal, has this to say:

"Our congratulations to Bill Brass of Prince Rupert, for again winning the Railroad Individual championship with a wonderful score of 2390 out of a possible 2400 points. In other words, this means that, of twenty-four targets shot at twenty-five yards indoors and fifty and one hundred yards outdoors, he made fourteen perfect scores and on the other ten made ninety-nines, only dropping one point on each card. This, of course, is an all-time record which will probably stand for some time to come unless he beats it himself next year."

Bridge Party Of Unemployed Was Enjoyable Event

Grand Master Officiated At Funeral Rites

G. J. Scott of Oyama, Grand Master of the Oddfellows' Lodge for the Province of British Columbia, conducted the ritualistic service at the graveside yesterday afternoon at Fairview Cemetery when interment of the late William Smith took place. Previously there had been a funeral service in the chapel of the B. C. Undertakers with Rev. C. D. Clarke, pastor of First United Church, officiating. W. Stephen Davies presiding at the graveside to accompany the hymns which were "Lead, Kindly Light" and "Nearer My God to Thee." There was a large attendance at the funeral service and pallbearers were John Morrison, John Dahl, D. MacPhee, George Howe, William S. Hammond and W. S. Hammond. The late Mr. Smith had been a resident of Prince Rupert since March 1, 1911, when he came to the city from the Klondyke where he had been engaged in mining for years, having gone north in the old rush of 1898. He was born 68 years ago at New Glasgow, Quebec. Besides Harold Smith here, there is another brother, Robert Smith, and sister, Miss Mary Smith, both at New Glasgow. Deceased passed away on Tuesday morning in the Prince Rupert General Hospital where he had been a patient for many years.

ARMISTICE OBSERVED

Church Service, Remembrance Day Ceremonies and Tag Day At Smithers

SMITHERS, Nov. 15.—On Sunday evening returned soldiers throughout the Valley gathered at the Legion Hall and paraded to the United Church where Armistice divine service was held by Rev. L. J. Hales of the Anglican Church and Rev. David Donaldson of the United Church.

The combined choirs of both churches rendered excellent music and the church was filled to the doors for the occasion.

Monday's Parade
On Monday morning, the returned men again met at the Legion Hall under command of Lt. Col. Gale and, headed by pipes and drums and also by the Smithers Brass Band they marched to the cemetery where services were again held at 11 o'clock in the soldiers' plot.

The weather was very fine and, as the snow plow had been over the road ahead of the parade, the road was in good condition for the marching which was much appreciated by the veterans as they swung along singing their old marching songs of the Great War.

The parade was dismissed at the Legion Hall upon its return from the service at the cemetery and the men entertained at the hall throughout the day.

The Armistice dance, which took place in the evening in the Smithers Hall, was a very successful occasion. The dancing floor was crowded and the music, supplied by Gazeley's eight piece orchestra, left nothing to be desired.

The hall had been suitably decorated for the event by the dance committee of the Legion.

The Armistice dance at Smithers always brings out a large attendance and this year's dance was no exception.

Sale Of Poppies
The sale of Poppies carried out by a committee of young ladies on Saturday proved to be one of the most successful sales of these emblems that the local branch has experienced and proceeds were a great deal in excess of last year.

RECITAL ENJOYED

Acceptable Entertainment Last Night by Mrs. Evelyn Bagshaw Hewson

In a recital last evening at First United Church, under the auspices of the choir, Mrs. Evelyn Bagshaw Hewson A.T.C.M. displayed talent of the highest order in rendering an ambitious and varied program. Possibly the dramatic numbers were the best, "A Minuet" and "The Going of the White Swan" gripping the audience in no uncertain manner. The lighter numbers and those in dialect were splendidly given.

Dr. R. G. Large was in good voice in "Spanish Gold" and, as an encore, "The Old Plaid Shawl." Bert Cameron, in his violin solos, "The Waltz" (Faust) and "The Love Song" (F. Kreisler), delighted the audience. Miss Swanna Olafson, A.T.C.M. accompanied Mr. Cameron and C. P. Balagno played for Dr. Large.

The program was as follows: Child Impersonations—"On the Shelf" and "Slang Phrases." "Little Man in Green."

Irish Dialect—"Mrs. McGlaggerly on Roller Skates."

Solo—"Spanish Gold," Dr. R. G. Large.

Dramatic—"A Minuet." Scene takes place in a prison cell during the time of the French Revolution.

Characters, Marquis and Marchioness of Beauclere and the gaoler.

"Bestigia" (Bliss Carmen) and "The Kingdom of God" (Francis Thompson).

Humorous—"Foxes Tails," or "A Scotch Sermon."

Violin solos—"The Waltz" from Faust (Gounod), Bert Cameron.

Dramatic—"The Going of the White Swan" (Gilbert Parker).

"L'Envoi" (Rudyard Kipling). "God Save the King."

Miss Frizzell Is Being Much Feted

Miss Lorna McLaren Hostess at Miscellaneous Shower in Honor of Bride-Elect

Miss Laura Frizzell, whose marriage to Alex Mitchell takes place next week, continues to be a much-feted local bride-elect.

Last night Miss Lorna McLaren was hostess at a miscellaneous shower in honor of Miss Frizzell about twenty young ladies being present. After playing of bridge, at which the prize-winners were Miss Joyce Edgcombe and Miss Margaret McCaffery, many lovely gifts were brought in on a tea wagon, prettily decorated in pink, and presented to the guest of honor. Delicious refreshments were served.

Others entertaining in honor of Mr. Mitchell and Miss Frizzell recently have been Mr. and Mrs. N. L. Freeman, with a bridge party, and Mr. and Mrs. C. W. Dawson with a dinner party. Mrs. J. A. Barry was hostess at a kitchen shower for Miss Frizzell.

OPERA STAR ON SCREEN

Nino Martini Makes Screen Debut In Film at Capitol Theatre This Week-End

Nino Martini, idol of radio and opera, whose voice has thrilled millions, makes his screen debut in "Here's to Romance," week-end feature offering on the screen of the Capitol Theatre here. Martini heads a cast composed of Madame Ernestine Schumann-Heink, Genevieve Tobin, Anita Louise, Reginald Denny, Maria Gambarelli, the world's greatest ballerina, and Vicente Escudero, Spanish dancer.

"Here's to Romance" deals with the private life and loves of a world-famous tenor in love with whom two women have fallen. As the action develops, Martini sings the arias from "Tosca," "Cavalleria Rusticana," "Pagliacci," "Manon," "Mattiinata" and "Serenade." Melodies of today are also offered by Martini as well as by other members of the cast.

Musically, the action of the picture shifts from the Opera Comique in Paris to the Metropolitan Opera Co. in New York. With a romantic love story, it brings the drama and comedy attendant upon the heart-consuming trials of a singer.
