Cabinet Decides to Throw in All Force Available if Needed

Ban on Export of Arms to Continue and United States Considering Similar Line of Action—Emperor of Ethiopia Mobilizing Troops on Frontiers

LONDON, Aug. 22: (CP)—At an emergency meeting of the cabinet today it was disclosed that decision had been reached to strongly support general joint application of full sanctions—military, naval, air, financial and economic—against the aggressor in the Italo-Ethiopian dispute if such action is necessary as a last resort. The cabinet also decided to continue the ban of export of arms and munitions to both countries. Prime Minister Stanley Baldwin, following the meeting, returned to France today to continue a holiday.

FLOWER DISPLAY

One of Interesting Features of Jubilee Carnival—Judges Have Difficulty Deciding Best

Owing to the general excellence of all the exhibits, it was not without difficulty in some cases that judges for the Flower Show at the Exhibition Hall in connection with Prince Rupert's Silver Jubilee Carnival were able to arrive at their decisions yesterday. Dahlias, gladioli and other fall flowers were featured in the show and the display was a very attractive one. The carefully arranged settings of evergreen were very effective, settings of the flowers in a novel manner. Placed on an upper balcony, the display is so arranged that other activities of the carnival do not interfere with it and it will be possible to keep the flowers in place until midnight tonight or longer if they remain in shape.

Outstanding among the dahlias were several exhibits by W. T. Way and especially a huge decorative pink dahlia that excited general comment. Other outstanding dahlias were some very choice cactus variety shown by Frank Dibb. These were wrongly entered so could not win a prize. Another exhibit that was very noticeable was one of foliage plants not for competition entered by William Millar.

The Prize Winners
The judges were E. W. Neel of Duncan and Hugh Forrest. The list of prize-winners is as follows:

- House Plants**
 - Pot flowering plant—F. M. Davis, Mrs. A. O. Morse.
 - Pot foliage plant—Percy Cameron, Mrs. Thos. Andrew.
 - Pot tuberous begonia—H. F. Pullen, F. M. Davis.
 - Pot geranium—John Mitchell.
 - Hanging basket—Second, H. F. Pullen.
- Cut Flowers**
 - Calendula—Mrs. L. Lambly, W. T. Way.
 - Sweet peas—Mrs. F. Dibb, Mrs. D. G. Borland.
 - Cactus dahlias—John Mitchell, John Mitchell.
 - Pom pom dahlias—Sam Massey, W. T. Way.
 - Single dahlias—W. H. Tobey, C. P. Balagno.
 - Coltless dahlias variety—Miss Dorothy Stiles, C. P. Balagno.
 - Coltless dahlias, one color—S. Massey, C. P. Balagno.
 - Decorative dahlias—W. H. Tobey, Mrs. A. Wikdal.
 - Show dahlias—John Mitchell, Theo. Collart.
 - One dahlia bloom—W. T. Way, John Mitchell.

CARNIVAL UNDER WAY

Celebration Under Auspices of Junior Chamber of Commerce Gets Off to Good Start

Continues Today

Prince Rupert Defeats Ocean Falls in Baseball—Vaudeville and Dance Drew Big Crowd

With a providential clearing of weather conditions during the late afternoon and evening, Prince Rupert's Silver Jubilee Carnival, staged under auspices of the Junior Chamber of Commerce in place of the annual exhibition, got away to an auspicious start yesterday. Features of the proceedings were the Ocean Falls-Prince Rupert baseball game, which drew a large crowd of fans to the Acropolis Hill grounds to see the home team win 10 to 1, and the entertainment in the Exhibition Hall including flower show, talking picture display, official opening, musical revue, "Junior Jollies of 1935," and big carnival dance, several hundred persons being present to enter fully into the spirit of celebration and festivity.

Official Opening
The official opening was conducted by President T. N. LePage of the Junior Chamber. Mr. LePage pointed out that the Junior Chamber was putting on a carnival not only because it seemed fitting to have some such event at this time but also because it was only right that Prince Rupert's twenty-fifth anniversary should be properly celebrated. He thanked all those who had assisted the Junior Chamber in organizing the event, in particular the merchants for their financial and moral support, and City Commissioner Alder and City Engineer Good for having provided the Exhibition Building in good shape. He presented the guest of honor, P. W. Anderson, the president of the Pioneers' Association, who responded appropriately, expressing appreciation for the honor conferred upon him.

Under the direction of C. H. Lewis and with Sam Joy as master of ceremonies, "The Junior Jollies of 1935" was a scintillating and tuneful musical and dancing revue, entirely in popular vein, which went off with a swing and lilt from beginning to end. Divided into two scenes, one depicting a Spanish cabaret, the principal customers of which appeared to be a band of bold pirates, led by J. H. McClinton, and charming girl companions, and the other a nautical revue, the entertainment presented several popular local principals with a chorus of forty. Costuming was an attractive feature and the whole show proved highly popular, the hit of the evening being a tango exhibition near the close by Miss Gudrun Welle and Edward (Ham) Antonelli. There was also a line of skits and patter with Jack Cobb and Mike Budinich as darkie waiters.

The program was as follows:
Part I.
Prologue, Lillian Johnson and Margaret McLeod.
Chorus, "A Ladder of Roses" and "Landlord Fill the Glasses."
"In the Cabaret," Margaret Johnson and Johnny Comadina.
"Carmina," Betty Woods.
"An Arabian Serenade," Russell Cameron, piano accompaniment, and (Continued on Page 4)

LAKE ATHABASKA ORE IS RICH IN RADIUM

REGINA, Aug. 22: (CP)—The provincial Department of Natural Resources has received a report on analysis of pitchblende from Lake Athabaska showing fifty-four per cent uranium oxide from which radium is derived. A ton of the ore would contain approximately \$2000 worth of radium.

MARITIMES HAVE HEAT

Homes and Farm Buildings Destroyed by Fires—Entire Villages Threatened

HALIFAX, Aug. 22: (CP)—Fires destroyed at least forty-four homes and a score of farm buildings, besides thousands of acres of valuable timber throughout the Maritimes yesterday, as the tropical heat wave continued. More than five thousand men are battling to save villages in Nova Scotia, New Brunswick and Prince Edward Island.

NO TRACE OF PLANE

FAIRBANKS, Alaska, Aug. 22:—Pilots of five airplanes arriving today from Dawson reported that they had found no trace of a plane, missing since Monday, piloted by Arthur F. Hines and carrying John Lonz, Fairbanks merchant, his bride of one month and Alton Norda, clerk of the United States district court and representative of the Fourth Division at the last session of the Alaska Legislature.

FUNERALS ARE HELD

LOS ANGELES, Aug. 22: (CP)—The body of Will Rogers lay in state under the trees at Forest Lawn Memorial Park for five hours today before the funeral service commenced this afternoon, one hundred thousand persons filing past the bier to take the last view of the remains of the beloved actor and humorist. At Oklahoma City, Wiley Post was laid to rest in his native state.

At the Carnival

The industrial and commercial exhibits at the Exhibition Hall in connection with the Silver Jubilee celebration are, as usual, effective and interesting. Outstanding is the display arranged by the Prince Rupert Fisheries Experimental Station which shows in a comprehensive way some of the more important activities and results of the station's work. Commercial booths are those of McRae Bros., Sun Life Assurance Co., G. W. Nickerson Ltd., Pacific Milk and Home Oil Distributors Ltd. The concessions operated by the Junior Chamber of Commerce plied a good trade last night and Mrs. John Bremner drew quite a number to her fortune telling booth.

The native football game scheduled for yesterday afternoon between Massett and Alyansh failed to materialize, the uncertain weather conditions probably having been responsible for the failure of the teams to show up.

REPORT ON CONVENTION

Proposed That B. C. Command Of Canadian Legion Should Meet Here

The regular monthly meeting of the Prince Rupert Branch of the Canadian Legion of the British Empire Service League took place last evening in the clubrooms, W. M. Brown, first vice-president, in the chair in the absence from the city of President Jack Preece.

In addition to routine business the matter of installing a central heating system in the clubrooms was discussed and the executive will look further into the matter. An interesting talk was given by a visiting comrade, Rev. R. Gregg, a member of the Duncan branch. Mr. Gregg complimented the branch on its fine quarters which compared very favorably with any other in the province. He also appealed to the club members to maintain the high standard of the Legion in its activities for the welfare of the returned man and his dependents.

A comprehensive account of the provincial convention held recently at Kamloops was given by the delegate, J. S. Wilson, who is also zone representative and a member of the provincial executive. Mr. Wilson told of the splendid work of the Legion in B.C. and the high record of accomplishment the B.C. Command holds in comparison with the rest of the Dominion. Its 129 branches and 10,000 members indicate its strength. The activities of the Legion in regard to remedial legislation for returned disabled veterans and their dependents, and the Dominion-wide problem of unemployment and the work of the Legion in attempting to solve this national problem were recognized by the government as a national service.

The hospitality shown by the Kamloops branch and by the citizens of Kamloops was commendable. The whole-hearted way in which all the stores were decorated in honor of the convention reflected the greatest credit on the merchants there.

While the 1936 convention was awarded to Vancouver, which is celebrating its golden jubilee next year, the local delegate felt that, with the support of the various civic and industrial organizations backing the request of the local branch, it would be comparatively easy to have the 1937 or 1938 provincial convention held here. He spoke appreciatively of the support given by the Stewart branch and by the Smithers delegate, Ed. Kennedy, to the Prince Rupert request for the convention.

Addresses by General Sir Percy Lake, Bishop Wells, Colonel W. W. Foster and Colonel W. S. Buell were features of the convention. The parade to the local cenotaph was very impressive as was the public service held in Riverside Park and addressed by Bishop Wells.

Appreciation of Mr. Wilson's report was expressed with enthusiasm. It is hoped to have Dr. George Derby, head of the Department of Pensions and National Health in B.C., address the local branch on the occasion of his forthcoming visit to Prince Rupert.

TO SHIP HEMLOCK

Timber Taken out at Shawatlans Lake is Expected to Go to Orient

Following the visit here at the end of last week of a representative of a Shanghai log importing concern, arrangements are being made for the export to the Orient of 250,000 feet of hemlock logs which have been cut at Shawatlans Lake. The shipment will not involve the bringing of a boat here to load direct for the Orient but the parcel will probably go to Vancouver for trans-shipment. No progress has been made of late in the proposal to make large scale shipments of hemlock from here.

ELECTION CAMPAIGN

Nearly fifty candidates are already in the field for the sixteen seats in Parliament from this province. So far the Liberals and Co-operative Commonwealth Federation are the most numerous but the Conservatives are getting their men in the fight in a great many centres and it is said they expect to contest practically every seat.

The new Stevens party has only two men officially nominated so far but it has an organizer at work on Vancouver Island and presumably the lady will be here in due course with the hope of putting forward a candidate in Prince Rupert.

In this constituency the representatives of the two older parties have made a quiet canvass of practically the whole constituency and evidently the next move will be a speaking tour in which they will meet the people at public meetings. This is the hardest part of the campaign for candidates because speaking in public is hard work and the difficulties of travel in this large riding makes it hard to get around.

In modern elections there is less of a tendency to engage in personalities than formerly. Candidates turn their attention more to the issues of the campaign. While this does not make as lively entertainment as the old method, it is more in line with the thought of the day. For instance, in this constituency we have good men offering themselves and the only question before the electors is one of policy. Each person has his own ideas on this and is fully entitled to them. It is up to the candidates and their supporters to set their respective cases before the electors that they may hope to receive the support for which they ask.

Unfortunately the campaign is to be a rather long one. This means that the country will be disturbed for a long time and there can be little expectation of business improvement until the matters of administration are settled. The country must know who is to govern before it will make progress.

While we strongly urge every citizen to consider the issue thoughtfully, there is nothing to get excited about. No matter what party is in power we shall continue to make progress. Possibly the people most interested are those who have been out of work for so long or who have been forced to accept so low a wage that it has been difficult to subsist for the past several years. If these men are working it affects the businessmen. All will be prosperous once the mass of the people are working and receiving wages commensurate with the services rendered.

Local Ball Tossers Defeat Ocean Falls 10-1 Last Night Before Good Sized Crowd

In the opening game of the three-game baseball series between Ocean Falls and Prince Rupert last evening, the locals took the Paper Town crew into camp with a 10-1 score behind the three-hit pitching of Jack Lindsay, local rookie, whose first season it is in senior company. A strong wind was blowing which made it difficult to judge fly balls and, while the locals gathered in eight hits off "Lefty" Robertson, several of them were lucky clouts which should have been outs under ordinary circumstances.

Prince Rupert started right off in the first inning and drove in two runs on a hit, a sacrifice, an error and a passed ball. There was

no further scoring until the fourth when Ocean Falls pushed over, one run when Lindsay walked Marshall with the bases loaded.

Then came the blow-up for the Papermakers. In the last of the fourth Prince Rupert scored seven runs when 10 men faced the pitcher who was given poor support, three errors being chalked up to his team-mates in this inning. Prince Rupert added their last tally in the fifth on two hits and an error, while Lindsay held the visiting batters helpless in the fifth and sixth innings after which the game was called on account of darkness.

TIGERS IN TWO WINS

Took Double Victory Over Boston Red Sox And Improved Margin Of Leadership

DETROIT, August 22 (CP)—Detroit Tigers defeated Boston Red Sox in both games of a double-header here yesterday to increase their margin of leadership in the American League to seven full games over the New York Yankees who were dividing a double bill at St. Louis with the Browns. Cleveland Indians split with the Philadelphia Athletics at Cleveland and moved into a tie for third place with Chicago White Sox who lost to the Washington Senators at Chicago, the Red Sox slumping into second division.

New York Giants blanked the Cincinnati Reds at the Polo Grounds and St. Louis Cardinals slugged out an easy victory over the Braves at Boston and the National League situation remained unchanged with the Giants still leading by three games.

Elimination Dance Is Well Attended

Mrs. Margaret Webster and Johnny Pierce Winners of Contest

The Strollers' elimination dance last night in the Oddfellows' Hall was very well attended after the performance at the carnival.

The judging of the waltz competition was in the very capable hands of Miss Pebbles Stone, Mlle. "Leone" and Tom Barton whose unanimous decision chose Mrs. Margaret Webster and John Pierce winners.

The winning couples for each night will dance in the finals at the Capitol Theatre Monday next. The management of the Capitol Theatre is presenting six passes as consolation prizes.

James M. Clark, nephew of Mr. and Mrs. James M. Captain, left on last evening's train for Montreal where he will embark August 30 aboard the Antonia for a trip to Glasgow. He had recently been employed at Oceanic Cannery.

NO EXTRA COST

Write for two valuable free booklets — "100 Glorified Reclips" and "Contented Babies." Address Carnation Company Ltd., Vancouver.

THINK what it means to be able to add to the family diet the precious "sunshine" vitamin D through the milk you use. It's the vitamin that babies must have to make little bones grow straight and strong, and to help little teeth come in sound and fine. The famous Dionne quintuplets are being raised on Irradiated Carnation Milk. They have been fed Carnation Milk since November, 1934.

It's needed by every growing child, and by every prospective or nursing mother. In fact, every member of the family is better off for the daily fortifying with

vitamin D that's so easy and inexpensive when Improved Irradiated Carnation Milk is used. No increase in price.

Many specialists recommend Carnation as an ideal milk for bottle-fed infants, because they know it is safe, nourishing, easier to digest than cow's milk in any other form. Why not ask your doctor?

The Improved Carnation Milk is also splendid for cooking, drinking, and for creaming coffee and cereals. Ask your grocer for Improved Carnation Milk. Look for the word "Irradiated" on the label.

"You and I," duet by Betty Woods and Walter Smith.

"My Tango Queen," song by Walter Wright and tango dance by Gudrun Welle and Edward Antonelli.

Between acts, there was music by Charlie Balagno's Orchestra.

For the big carnival dance which followed the entertainment, music was provided by Charlie Balagno and his orchestra with G. P. Lyons as master of ceremonies.

Continuing Today

The carnival continues this afternoon with a baseball game between Ocean Falls and Prince Rupert followed this evening by a football game between Prince Rupert and Massett. The program for this evening in the Exhibition Hall will feature "The Pageant of the Nations Contest" with another big dance.

GREAT PLAY IN PICTURE

"Les Miserables." With Splendid Acting and Magnificent Settings. Offered at Capitol

All the powerful drama of Victor Hugo's great classic, the thrilling and dramatic story of a hunted man, is said to be amply retained in the picturization of "Les Miserables," which comes to the Capitol Theatre here for a three-day engagement commencing today.

Fredrick March is at his best as the hero, Jean Valjean, the fresh, honest country youth, who stole a loaf of bread because he was starving and for this crime was brutalized for five years in the galleys of a French prison ship and found his whole life relentlessly shadowed by the law.

As the fanatical detective, Javert, who hounds him from pillar to post, Charles Laughton offers an entirely new and great characterization. Sir Cedric Hardwicke, distinguished English stage and screen star, is brilliant as the beneficent Bishop Bienvenu.

Released from the prison ship, an unfeeling beast, Valjean is inspired to a noble and prosperous life by Bishop Bienvenu but, because he has broken his parole, he remains a hunted man always, thanks to the sinister Javert.

The love interest is provided by Rochelle Hudson and John Beal, others having important parts being Frances Drake, Florence Eldridge (Mrs. Fredrick March), Ferdinand Gottschalk, Jessie Ralph and Marilynne Knowlden.

Settings and costumes are magnificent and it is declared to be a really great picture.
