MORE HOPE FOR PEACE

Air in London Diplomatic Circles Optimistic—Interest Shown In Settlement of Crisis

LONDON, Aug. 10:—Renewed optimism was expressed in diplomatic quarters here last night that, as a result of the forthcoming conference in Paris between representatives of Great Britain, France and Italy, definite conclusions might be reached which would obviate war in East Africa as a result of the Italo-Ethiopian crisis.

WASHINGTON, D.C., Aug. 10:—James W. Gerard, who was United States ambassador to Germany during the early part of the Great War, will go to Rome to discuss the possibility of a peaceful settlement of the Ethiopian question. It was learned here yesterday.

ADDIS ABABA, Aug. 10:—The Ethiopian government has turned down hundreds of offers of foreigners to enlist with the Ethiopian forces in the event of war with Italy owing to Ethiopia's lack of finances and the question of the status of such troops in actual warfare. It became known here yesterday.

OSLO, Norway, Aug. 10: (CP)—Leon Trotsky, who is spending six months in Norway, interviewed here, predicted that an Italo-Ethiopian conflict would kindle another world war.

OPPOSES NEW TAX

U. S. Senator Fears Ford Motor Co. May Be Driven Into Wall Street by Levy

WASHINGTON, Aug. 10:—Senator Vandenberg, Republican of Michigan, asserted in the Senate that proposed inheritance taxes would drive the Ford Motor Co. into the hands of Wall Street. Declaring he spoke for himself and not the Fords, Vandenberg called the inheritance levies confiscation and said bluntly: "The Ford Company will be driven into the Street or its equivalent and the money changers who have striven vainly in years past to achieve this end and whom this administration says it proposed to drive from the temple, will have been handed the dominion which in no other manner could be obtained." Assuming the Ford Company is worth half a billion dollars and that Henry Ford's total estate will be three hundred million dollars, he said the proposed inheritance levy, on top of the existing estate tax would take \$270,000,000 of that. Late yesterday the Senate finance committee voted 11 to 7 to modify the measure.

FRANCE IS NOW QUIET

Tense Silence Follows Widespread Disturbances of Week—Toulon Like Armed Camp

TOULON, France, Aug. 10:—A tense quiet closed down last night over French seaport cities and towns following the past few days of serious rioting and demonstrations. With its streets in shambles as a result of the fighting and violence, this city looked like an armed camp as steel-helmeted and fully armed troops continued to pour in as a measure of precaution against further trouble at the week-end.

Worst Storms In Years Seriously Affect Alberta

EDMONTON, Aug. 10:—Alberta has suffered from numerous storms in recent years but during the past three weeks 400,000 acres of wheat have been badly damaged. Many sections have been completely hauled out.

INDUSTRIAL SITUATION IN PROVINCE IMPROVED

VICTORIA, Aug. 10: (CP)—An increase of ten percent in the number of people employed in industry in British Columbia from January to December and of more than five percent in total industrial payroll were high spots of the industrial situation in the province last year, the annual report of the department of labor states.

Prominent Provincial Members Nominated in Two Vancouver Seats

Chosen at Conventions Held Last Night—Probability of British Columbia By-Elections Now Looms as Result

VANCOUVER, Aug. 10: (CP)—Mayor G. G. McGeer, M. L. A. for Vancouver-Point Grey, last night received the Liberal nomination for Vancouver-Burrard in the forthcoming federal election. A. M. Manson, M.L.A. for Omineca since 1916 and former attorney-general of the province, was nominated Liberal candidate for the federal seat of Vancouver South in which he now resides. The nomination of both Mr. McGeer and Mr. Manson was anticipated.

To Federal Field

As a result of these nominations, it is expected that the resignations of both Mr. McGeer and Mr. Manson as members of the legislature will be submitted shortly.

Provincial By-Elections VICTORIA, Aug. 10: (CP)—The provincial seats of Vancouver-Point Grey and Omineca, held respectively by Mayor G. G. McGeer and A. M. Manson K.C., who have accepted federal nominations in Vancouver, will be filled in time to give them representation at the next sitting of the Legislature, Premier T. D. Pattullo announced today.

Utilities Chief At Ketchikan To Be Named Shortly

KETCHIKAN, Aug. 10:—Considerable speculation and interest prevails in the question of who will receive the appointment of manager of Ketchikan's public utilities. The identity of the ten applicants for the post is being kept a secret by the board but it is understood that three of them are local men. One of the applicants asks a salary of \$10,000.

Kingfish Tells Of Assassination Plot To Empty House

WASHINGTON, D.C., Aug. 10:—Senator Huey Long started yesterday to tell the Upper House of another deep, dark plot to assassinate him but, before he got along very far with the narrative, he found himself talking to an almost deserted chamber.

GENERAL STRIKE TYING UP SHIPPING ON GREAT LAKES IS NOW LOOMING

FORT WILLIAM, Aug. 10:—In demand for increasing wages, twenty-five men went out on strike yesterday at the call of the National Seamen's Association. It was decided by a meeting on the dock to picket all Canadian ships. The possibility of a general strike tying up all shipping on the Great Lakes looms. From Montreal came reports of crews of two ships of the Tree Line loading there being called out.

Card of Thanks

Mr. and Mrs. G. Sather wish to thank their many friends for the kindness shown them and for the floral tributes received during their recent bereavement.

A. M. Manson, Liberal candidate for Vancouver South.

ASKING ENOUGH

We do not imagine that there is much chance of the mayors, Reeves, aldermen and councillors, who have been in special conference in Vancouver, having the provincial government meet any substantial measure of the large request that Victoria assume the cost of policing municipalities and administering justice, health, unemployment and other social services. That is not saying that the request, large as it may seem, may not have considerable virtue in it. However, if the municipalities ask for enough, they may get something. There is no question that they are sorely in need of some relief. Whether or not the provincial government is in a position to give it is, of course another question. It all resolves itself back to the very apparent need for an adjustment all around of the relations and rights of the governments—federal, provincial and municipal—in regard to taxation and revenue.

IMPORTANCE OF SUEZ CANAL

Those were amazing figures that were published Wednesday in regard to the movement during the past six months of troops and war material through the Suez Canal destined for the seat of potential war on the frontiers of Italian Somaliland and Ethiopia. They give some idea of the important effect it would have if the canal was closed to the combatants as far as transport of war materials—human or otherwise—is concerned. This is one of the ways in which Great Britain figures largely in the crisis. What the repercussions of closing the canal in this way would be can only be imagined.

A TASK FOR LIBERALISM

"Unemployment is the hardest cross which a working-man is called upon to bear," says Rt. Hon. W. L. Mackenzie King. "Mr. Bennett has tried to solve that problem, but he has tried too late, and he has tried to do it too much alone. I think, too, that his methods and policies have been at fault. The problems of labor cannot be solved by any one man; they require, more than any other problem, united effort.

Their solution, moreover, will not be found in endless experimentation, but only in the application of principles and policies which have stood the test of experience and time. Even in a period of great emergency, such as the present, it is too much to hope to secure the united effort of all, but the effort of a political party, united in its aims and policies from one end of the country to the other, can go a long way towards effecting even that result.

"Of this, at least, I am sure: The task which confronts Canada today is one to which Liberalism can give its whole heart. To loose the bands of wickedness, to undo the heavy burdens, and to let the oppressed go free, and that ye break every yoke," is, if anything, more the air of Liberalism in this Twentieth Century than it was even in ancient days.

"It is with this aim in view, and in this spirit, that as one of the old political parties of Canada, with traditions of which we are proud, and the desire to render our country at this hour of its great need a service which is truly national, we invite all who desire to share in larger measure some of the burdens of their fellow-men, to join our ranks, so that, if entrusted with power, the party may, with greater certainty, achieve the objects which it has in view."

No Chance of U. S. Lifting Davis Cup as Long as Perry and Austin Play, Says Allison

NEW YORK, Aug. 10.—Apparently convinced that future Davis Cup campaigns will be just as futile as this year's so long as Fred Perry and Bunny Austin play for England, America's international tennis team returned on the liner Manhattan. They offered no alibi for their 5 to 0 trimming. "Nobody is going to beat England as long as Perry and Austin represent her in the Davis Cup competition," the 31-year old Allison said. His teammates echoed the sentiment.

CARDINALS BEAT CUBS

Crucial Runner-Up Series Opens In Win to Hold Lead National League—Giants

CHICAGO, Aug. 10. (CP)—The world champion St. Louis Cardinals defeated the Chicago Cubs yesterday in the first game of a series which may have an important bearing on the ultimate National League pennant race, the Cards, as a result, displacing the Cubs for the time being at least from the position of runners-up to the New York Giants who won a close game from the Phillies at Philadelphia to hold a leadership of three and a half games. The Brooklyn Dodgers won a tight contest from the Boston Braves at Ebbetts Field to move into the leadership of the second division ahead of the Phillies.

There was no change in the American League situation as a result of the day's play, both Detroit Tigers and New York Yankees winning their games.

Scores for the day: National League Boston 5, Brooklyn 6. New York 3, Philadelphia 2. Cincinnati 0, Pittsburgh 1. St. Louis 3, Chicago 1. American League Cleveland 5, St. Louis 3. Chicago 3, Detroit 4. Philadelphia 2, New York 3.

Sons of Canada and Elks to Battle It Out For City Championship: Three-Game Series

Sons of Canada and Elks will commence the play-offs for the City League baseball championship and possession of the Orme Cup when they meet next Tuesday in the first of a two out of three game series. Sons of Canada had an easy time taking the first half of the season with Elks in last place. The second half of the schedule, interrupted with the Smithers series, has been cut in half leaving Elks out in front. With the Ocean Falls team coming here for Fair Week and Smithers on Labor Day, it was decided by the executive of the league to commence the play-offs next week and if the series should go to three games the final will be played on August 27 after the games with Ocean Falls.

PLANS FOR LABOR DAY

Trades and Labor Council to Celebrate as Usual—Regular Meeting Held

There was a good attendance at the monthly sitting of the Prince Rupert Trades and Labor Council on Thursday night and considerable business of a routine nature was dealt with.

One of the chief items concerned the celebration of Labor Day, the first Monday of September. The observance gives every indication of being an outstanding success. The Council is in touch with the Baseball Association with a view to having Smithers ball players share in the day's sport card. This will be a stellar attraction.

The matter of reduced passenger fares for the holiday will be taken up with the Canadian National Railways.

A communication from Hon. G. S. Pearson, minister of labor in the provincial government, was read. This was a reply to a communication protesting against alleged brutality by the provincial police during the Corbin mining strike. Mr. Pearson wrote that these charges had been thoroughly investigated and he was in a position to assure the Trades and Labor Council that they were entirely unfounded. The minister suggested that, in future, the department would appreciate having careful inquiry made before registering of protests respecting the conduct of the police.

Mr. Pearson also added that the officials of the department had used every effort to have an amicable settlement of the trouble in the interests of all concerned.

A letter from the superintendent of education, concerning local education matters, was read. This was in reply to a communication from the council.

G. Oury-Jackson, who has been here for the past several weeks closing out the local United States Consulate, will sail this evening on the Prince Rupert for Vancouver enroute to Tela, Honduras, which will be his next post.

William Peters of Okanagan Landing and E. K. Peters of Vernon arrived in the city on the Cardena this morning from the south and will sail tomorrow evening on the Catala to make the round trip to Anxox and Stewart and thence south to Victoria where they will take up residence for the winter.

F. W. Wesch, manager of the Pioneer Laundry, appeared at last night's meeting of the hospital board to explain the laundry's position in regard to a dispute which had arisen over seven bedspreads which the hospital claimed had become missing in the laundry. Mr. Wesch maintaining that everything which had been sent to the laundry had been returned and that, if anything had gone astray, it was not in the laundry. It would be more satisfactory, Mr. Wesch suggested, if the hospital in future sent in its own list with laundry for checking purposes. The matter was left in the hands of the chairman of the house committee, Frank Dibb, who is at present out of the city and the laundry account was ordered paid, subject to possible adjustment.

Miss Rose Bell of the staff of William Goldboom's fur store sailed last night on the Princess Adelaide for Vancouver whence she will proceed east on a combined holiday and business trip.

Miss Darragh Perry, secretary to the British Consul at Los Angeles, is a visitor in the city. She arrived on the Prince Rupert yesterday morning and will be returning south on the Prince George Monday afternoon.

The Prince Rupert Medical Association had a letter before the hospital board last night, welcoming the suggestion of a conference between members of the association and the hospital board every three months. The first of these conferences will be held next month at a date to be decided upon later, an agenda of subjects of discussion to be drawn up meantime.

Among the tourists on the Prince Rupert yesterday were Dr. and Mrs. L. S. Mignault of Montreal, old friends of Mrs. Joseph Garon, whose guests they were while in the city. Also in the party were Dr. and Mrs. L. S. Leclere of Quebec and Mrs. Bannun of Verdun. They visited Winnipeg, Edmonton, Banff, Lake Louise and Victoria before coming north and proceeded from here by train to Chicago where they will visit before returning to Montreal and Quebec.

Dr. R. G. Large, at last night's meeting of the hospital board, referred to the annoyance to patients by the noise of children playing on the lawns and nearby streets. In some cases, the doctor said, the noise was the cause of real distress, particularly for very sick patients. Confidence was expressed by members of the board that the necessary parental control would be exercised without making it necessary to obtain the co-operation of the police in subduing the youthful ardor of the children of the hospital neighborhood in their play.

Coal Tenders At Hospital Board

Albert & McCaffery Get Order For Island Coal—Interior Bids Are Held Over

The hospital board, at its regular monthly meeting last night, accepted a tender of Albert & McCaffery of \$11.60 per ton for supplying Nanaimo-Wellington screened lump coal to the Prince Rupert General Hospital during the coming year. Other tenders were: C. C. Ketchum, \$12.75, and Philpott & Eviatt, \$11.75. Quotations were also received on Bulkley Valley coal but, as different coals were tendered upon, it was decided to get further information before placing an order.

The hospital board, at its meeting last night, adopted a recommendation from the house committee that a special type of vacuum cleaner be purchased for the Nurses' Home at a cost of \$55.

Three Big Flying Boats Are Being Built For Route

SAN FRANCISCO, Aug. 10.—The Pan American Airways is having three huge new flying boats built for the proposed trans-Pacific service. They are to be larger than the Pan American Clipper which has been carrying out experimental flights.

The Pan American Clipper hopped off at 3 o'clock yesterday for Honolulu on the first leg of a 5800-mile flight to Wake Island with stops scheduled at Honolulu and Midway Island. R. L. D. Sullivan, chief officer on previous flights, is in command on this occasion in place of E. L. Musick. The ship was reported to be making good progress late last night.

WATERFRONT WHIFFS

Halibut Landings Light This Week—International Fisheries Meeting Next Week—Model Yacht Racing Brings Publicity

Halibut landings at this port during the week ending yesterday were light at a total of but 383,500 pounds of which 220,000 pounds was from Canadian vessels and 163,500 pounds from American, bringing the total for the season to date up to 7,165,150 pounds of which Canadian boats have been responsible for 3,311,650 pounds and American, 3,853,500 pounds. Prices

conditions during the week were about the same as usual with the top price of the week for Canadian fish 6.3c and 5c which the Takla was paid for 28,000 pounds and the low 5c which the North Forland received for 2,000 pounds. For American fish the high price of the week was 8c and 5.5c received by the visitor for 9,000 pounds and the low 6c and 5.5c which the Eclipse was paid for 38,000 pounds.

As forecast in this section some time ago, plans have been completed for the conference of representatives of the American and Canadian halibut fleets on fishing curtailment problems in the interests of price control and conservation and next Wednesday has been set as the date for the conference. H. E. Lokken, manager of the American Halibut Vessel Owners' Association, will be here to represent the Puget Sound fleet while Gust Olsen of Ketchikan will represent the Alaska operators. Officials of the Canadian halibut marketing board will play an important part in the proceedings.

"Marine Models" published in England, gives valuable publicity to Prince Rupert in the form of an account of the Easter Sunday model yacht race held here when Jock Gibson copped off the honors with his miniature sailer, "Vagrant." The article tells of progress being made in connection with the organization of model yacht racing here and is accompanied with a street scene showing the model yachtsmen's decorated float in the King's Silver Jubilee street parade.

In tow of an oil company's service boat, a scow containing goods salvaged by the Armour Salvage Co. from the wreck of the American freighter Denali on Zayas Island will leave here on Monday for Vancouver. Loading of the scow is now being completed.

The peak of intensive salmon canning operations on the Skeena and Naas Rivers in Prince Rupert district will have been passed next Friday with the closing down of gill-netting for sockeye and purse seining. A few of the Skeena River canneries, it is expected, will continue packing fall varieties. During the past week gill-netters on the Skeena River have been taking a daily average of from 20 to 25 sockeye and 50 to 70 pinks. On the Naas River the boats have been averaging 15 sockeye and 40 pinks. Catches of seinaboys on the Naas River have been light.

C. P. R. steamer Princess Alice, Capt. Clifford Fenton, is due in port at 4 o'clock this afternoon from Skagway and other northern

points with a large list of tourist passengers on board and will sail at 5:30 for Vancouver.

Hospital Ass'n Convention Set For November

The local hospital board was notified last night in a letter from the British Columbia Hospitals Association that the annual convention of the organization will be held on November 13, 14 and 15 in Victoria when Dr. Harvey Agnew and Dr. M. T. McEachern, two eminent hospital administration authorities, will be in attendance. State health insurance will be one of the most important matters to be taken up by the convention.

President S. D. Macdonald felt that it was important the local hospital should be well represented at the convention, Managing Secretary H. W. Birch suggesting that a member of the board should attend.

The matter was laid on the table until the next meeting of the board.

Plenty of Labor In Prince Rupert

Job Seekers Advised by Trades and Labor Council That They Should Not Come Here

At the meeting of the Prince Rupert Trades and Labor Council Thursday night communications were received from outside workers inquiring as to the possibilities of securing employment here. Answer is being made that there is no good reason for men to come here in search of jobs and that, even if there should be an improvement through industrial development, there were ample men here now unemployed to take care of the demand for labor.

LONDON, Aug. 10.—England is suffering from a pronounced heat wave and Yorkshire farmers pronounced the worst in 67 years.

Miss Lillian Lowe will sail tonight on the Prince Rupert for a three week's holiday visit to Victoria and Seattle.

NEW WING DISCUSSED

Hospital Board Wonders if Tuberculosis Annex Would Meet Needs in Case of Industrial Development

There was further discussion of the proposed new tuberculosis annex to the Prince Rupert General Hospital at the meeting of the hospital board last night. The question was brought forward as to whether, in the event of anticipated industrial development on a large scale going ahead here, even with such an annex, hospital accommodation would be adequate, the opinion being expressed by some of the members of the board that it might be advisable to consider a much larger program of hospital extension. In any case, it was generally felt that any extension which might be made in the near future should be on the unit plan.

Plans for the proposed tuberculosis annex have been referred to Mitchell & Currie for an estimate of cost now placed tentatively at \$6800.

There is little likelihood of anything being undertaken during the present year at least in the way of hospital extension.

Frank Cole returned to the city on the Princess Adelaide yesterday from a trip of a couple of weeks to Vancouver.
