Handling of Powell River Freight by Strikebreakers Cause of Latest Crisis—Shipping Federation Announces That Agreement is Now Ended

VANCOUVER, June 5: (CP)—The waterfront strike, which has been threatening for some weeks, may have started in earnest today when longshoremen refused to work fifteen deepsea ships pending a meeting this evening. On Tuesday sixty non-union men were employed to load Powell River paper from a scow to the steamship

Rattenbury Widow Dead

Christchurch, Eng. June 5: (CP)—The body of Mrs. Alma Rattenbury, acquitted in London five days ago of charges of complicity in the mallet murder of her husband, the late Francis M. Rattenbury, former British Columbia architect and land speculator, was found last night in the River Stour. The body was found in a lonely little backwater of the river. She had flung herself into the water with a gleaming knife in her hand and, while still struggling with the stream, had stabbed herself in the left breast six times. William Mitchell, a farmer, told the police he had seen the woman leap into the river and had tried to rescue her. He seized one foot but the body slipped away and, he being unable to swim, she disappeared. June 18 has been set as the date for execution of George Percy Stoner who was convicted of the murder of Rattenbury.

Hard Fights For Runner-up Spots

Chicago White Sox Displaced in American League—Pittsburg Pressing St. Louis Cards

ST. LOUIS, June 5: (CP)—The lowly St. Louis Browns pounded out a heavy slugging victory over the White Sox here yesterday as a result of which the Sox slumped into third place in the American League standing below the idle Cleveland Indians.

The battle for second place in the National League tightened up to a margin of but one-half a game when the third place Pirates defeated the second place world champion St. Louis Cardinals at Pittsburg.

Yesterday's Big League scores:
National League
St. Louis 5, Pittsburg 9.
Cincinnati 2, Chicago 10.
Two games postponed.

American League

Drowning Conceded In Case of Missing Stikine River Man

John Fowler, 80-year old trapper of Great Glacier on the Stikine River, whose capsized outboard motor equipped river boat was found recently, is now conceded to have perished by drowning, according to advices received at provincial police headquarters here from Constable J. V. Boys of Telegraph Creek. It is believed that Fowler's boat struck a snag and overturned and that he was thrown out and never made shore. As the banks of the river are filling with silt, it is considered doubtful if the body will ever be found.

Mining Men Have Narrow Escape in Plane

Three well-known British Columbia mining men had a narrow escape from death in an unusual aeroplane crash on Vancouver harbor. A party comprising Col. Victor Spencer, president of Pioneer Gold Mines, Ltd.; David Sloan, managing director, and Purvis, the director of Bralorne Gold Mines was returning from a charter flight to Victoria. The aeroplane, piloted by Maurice McGregor, was taxiing in to its slip when suddenly out of the water in front of it snapped a huge wire hawser just pulled tight by a tug starting to move a barge from the dock. The towline struck the aeroplane's engine, tipping the aircraft over on one wing, and the barge moved down on top of it. All three passengers managed to escape from the cabin and were rescued by the R.C.M.P. patrol boat Imperator. They suffered no serious injury.

PACT ON WHALING

International Convention Approved By House of Commons On Motion of Premier

OTTAWA, June 5: (CP)—The international convention for the regulation of whaling was approved yesterday by the House of Commons on motion of Premier R. B. Bennett.

The treaty was signed at Geneva in 1931 by Canada and twenty-five other nations.

BAHRAM WINS DERBY TODAY

EPSON DOWNS, June 5: (CP)—The Aga Khan's unbeaten colt Bahram, the favorite, won the Derby today with Robin Goodfellow second and Field Trial third. Sixteen horses ran. A record crowd attended the race including members of the Royal Family among whom were the King and Queen. There was a drizzle of rain which, however, did not dampen the ardor of the half million spectators. It was the second Derby triumph for the Indian potentate who won with Blenheim in 1930.

Theft, another of the Aga Khan's horses, finished fourth with Fairhaven fifth and Sea Bequest sixth in a field of sixteen.

Following the service, there were business sessions until 1 p.m. when luncheon was served by the ladies of the Cathedral. A devotional half hour, conducted by Mr. Wilkinson, followed prior to the resumption of afternoon business sessions.

Head of Granby Throws No New Light On Future Of Northern Mine Camp

Charles Bocking Here Today on His Way North On Periodical Inspection Visit to Smelter Town

"There is nothing new. We are carrying on for the time being." Such was the only comment that Charles Bocking, president of the Granby Consolidated Mining, Smelting & Power Co., had to make today when inquiry was made as to the future of the company's operation at Anyox. Mr. Bocking, accompanied by his secretary, Al

White, is going through from Vancouver aboard the steamer Prince George for one of his periodical visits of inspection to Anyox. There is considerable uncertainty as to when Anyox will close, if at all in the immediate future, and Mr. Bocking's statement does not throw any new light on the subject.

BREAKING UP WRECK

Seas Founding Remains of Denali To Pieces—Another Scowload Of Salvage Brought In

Bringing in a large scowload of salvaged goods from the wreck of the steamer Denali on Zayas Island Capt. W. P. Armour, head of the Armour Salvage Co., arrived in port at 4 o'clock this morning with the salvage tug Daly. Among other things, the scow contained four large motor road graders, a new boiler, a ten-ton fish trap anchor and general cargo. The bulk of these effects were consigned to the Alaska Road Commission officials of which are expected to arrive by airplane today from Juneau to make an inspection.

Capt. Armour, who reports that the two sections of the wreck of the Denali are now breaking up rapidly as a result of recent stormy weather, believes that this is about all the cargo it will be possible to salvage. Last week two scowloads of salvaged goods were brought in. The salvage outfit is, however, still standing with a view to dismantling the ship of gear if possible.

WHAT WILL MR. KING DO?

When Prime Minister Bennett retires and is succeeded by Rt. Hon. W. L. Mackenzie King, it would be a matter of ordinary courtesy for Mr. King to recommend to the King that Mr. Bennett be given a title. But Mr. King does not believe in the granting of titles and has expressed himself as opposed to the Bennett relapse into the old system. Evidently he will have to lay himself open to a charge of discourtesy to a worthy opponent or he will have to go back on his word to the Canadian people. The only hope of the present Prime Minister getting a title seems to lie in his retiring before the election takes place and allowing his Conservative successor to nominate him or to wait until after the election, then retire to England and possibly receive a title on the recommendation of the British prime minister. Should Hon. H. H. Stevens be his successor in Canada he could hardly expect a recommendation from him.

Evidently if Mr. Bennett wants a title it is up to Mr. Mackenzie King to make an exception in this case and to advise His Majesty that the last Canadian title should go to Richard Bedford Bennett but that, hereafter, the Canadian people are opposed to the granting of artificial distinctions of this kind.

MANY PARTY GOVERNMENT

An example of many-party government which has made the country a laughing-stock of the world is seen in France, where one government after another tumbles with remarkable rapidity. Under such a system there can be no continuity of policy or action. No sooner does an administration get under way than it is voted out of office by some combination of parties. This has been going on for years and there seems no ray of light for the future.

SONS WIN OVER ELKS

Heavy Hitting Ball Game Results In 11 to 5 Victory For Canucks

League Standing

Sons of Canada	3	1 .750
Legion	1	1 .500
Elks	0	2 .000

In last night's regular Senior League baseball game the Sons of Canada again took the Elks' scalp by a score of 11 to 5.

The game was a heavy hitting affair with frequent errors. The Elks opened the scoring with a pair of runs in the first inning with no response from the Sons of Canada until the third and fourth when they collected seven counters. In these two innings the Elks' outfield seemed to be stuck to the ground and could not reach the numerous flies in time to snag them. In the first of the fifth the Brother Bills hammered in three runs but to no avail for the Sons went on another spree in their half of the fifth and garnered four more counters, thereby sewing up the game.

Rookie Don Arney started on the slab for the Elks and hurled a fair game but, during that tragic fourth Comadina was forced to relieve him. Jack Lindsay did the mound duty for the Sons and pitched a good game.

Comadina was the heavy hitter of the game, piling out a three-bagger in the second frame. George Hill made the most spectacular catch of the game and is playing good ball in the centre garden for the Sons.

ANGLERS' MEETING

George Bryant Elected President Of Khtada Fishing Club Last Night

The annual meeting of the Khtada Fishing Club was held last night, the election of officers for the ensuing year resulting as follows:

President, George Bryant. Secretary, Joe Scott. Executive—Dr. L. W. Kergin, F. A. MacCallum and R. G. Van der Sluys.

The annual report of the secretary showed forty-two paid up members. The three boats on Khtada Lake are in good shape. In future, angling parties wishing to use the facilities of the club at the lake will be asked to get in touch with the officers so suitable arrangements may be made.

A suggestion book is to be placed in the president's store.

Dr. Neal M. Carter showed interesting moving pictures of the taking in of the club's boats a year ago.

Retiring President Dr. L. W. Kergin was in the chair and there was a good attendance of members.

SPORT CHAT

Annette's and Canadian National Recreation Association will meet Friday night in the second session of the Ladies' Bowling final with line-ups as follows:

Annette—Skattebol, Johnson, McCutcheon, Stone, Budinich and Basso-Bert.

Canadian National Recreation Association—Alexander, Strom-Jahl, Woodside, Hallberg and Ballinger.

Not many hockey teams were so thoroughly showered with gifts as Winnipeg Monarchs, junior Canadian champions this year. At a banquet two months after the season closed, the Memorial Cup champions received hats, suits, wrist watches, medals, signet rings and windbreakers.

Big Abe Eliowitz, Ottawa Roughriders football star and All-Eastern selection, probably would be an all-star amateur baseball player, too, if they had sectional ratings. Abe is rated the best first baseman in the Ottawa district. He is a come-run hitter.

Down in Hershey, Pa., where they operate amateur hockey teams with star Canadians, a string is put for two northern Ontario players, Bill Morris and Harry Prost. The Nickel Belt League boys are interested, but so far they have not decided to leave this country.

Lee Handley, brilliant young third baseman of Toronto's International League team, is playing his first season in professional ball. Cincinnati Reds took the 20-year old youth from Bradley College and turned him over to the Leafs for seasoning. Already he has become a star in class A.A. ball.

Convocation at University of Alberta this spring dealt a heavy blow at the school's major sports. Twenty-three members of major teams alone receive degrees. Eight of them were members of the football squad, 1934 Alberta champions. Six members of the track team graduated.

When Halifax Wolverines go to Germany next winter to represent Canada in the Olympic Games, they will be the only Canadian amateur team in Europe. President E. A. Gilroy of the Canadian Amateur Hockey Association has decided that the junior champions, Winnipeg Monarchs, or any other team, will not be permitted to tour next season.

The Ottawa Intercountry Snooker League is "elevating" the game. Teams from Perth, Smith's Falls and Carleton Place play in the league. No admission is charged,

CHANGE OF PLAY DATES

Announcement Made by Prince Rupert Softball Association

At a meeting last night of the Prince Rupert Softball Association, it was decided to change the nights of play to Monday and Wednesday instead of Monday and Thursday, and in this way it would not conflict so much with the football league.

The remainder of the first half will be composed of three teams, and tonight's game will be between the Junior Elks and the Grotto instead of the Canadian Legion and C. N. R. A.

Plans were also discussed regarding sending teams to Anyox to play an inter-city series on July 1.

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul. Skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. © 1931 C. M. Co.

From the Waterfront

C.N.R. steamer Prince John, Capt. Dan McKinnon, left Skidgate Inlet at 9:30 yesterday morning for Massett Inlet and should arrive here some time this evening from Vancouver via the Queen Charlotte Islands.

Returning to service following annual overhaul, C.N.R. steamer Prince George, Capt. Edward Mabbs, arrived in port at 11:45 this morning from Vancouver, Powell River and Ocean Falls and will sail at 4 o'clock this afternoon for Anyox and Stewart whence she will return here tomorrow evening southbound. The vessel brought north a good-sized list of passengers and substantial cargo of freight.

Boys of the local Sea Cadets Corps will go into a two weeks' camp at Tugwell Island on July 1 under the auspices of the local branch of the Navy League of Canada and with Chief Petty Officer Instructor Ross of the Royal Canadian Naval Volunteer Reserve in charge. The usual camp routine will be observed with regular instruction and practice in seamanship, etc. There was a meeting of the Navy League's camp committee consisting of Alex. McRae, R. M. Winslow and Sergeant G. H. Greenwood last evening to complete arrangements for the camp.

EXCITING ROMANCE

Myrna Loy and Cary Grant Star In "Wings in the Dark," Fast-Moving Aviation Film

A stirring dramatic treat and an hour of thrills, chills and grand comedy is said to be contained in "Wings in the Dark," mid-week feature offering on the screen of the Capitol Theatre here with Myrna Loy and Cary Grant in the starring roles. The plot is based on an aviator's unwavering work for safety in the air through perfection of blind flying.

Cary Grant, the hero, distrusts lovely Myrna Loy because he believes that her spectacular, publicity hunting flights bring disrepute on his beloved profession. When, as a result of an accident, he is blinded, Miss Loy comes to his aid. Between her love and the devotion of a grand dog, a miracle is worked and Grant resolves to return to his work. There are many thrilling episodes, culminating in a stirring final scene in which Grant rescues Miss Loy who encounters difficulties on a desperate long-distance flight. Among the high spots are touching love scenes between the young man groping in the dark and the girl whose heart is filled with love and pity.

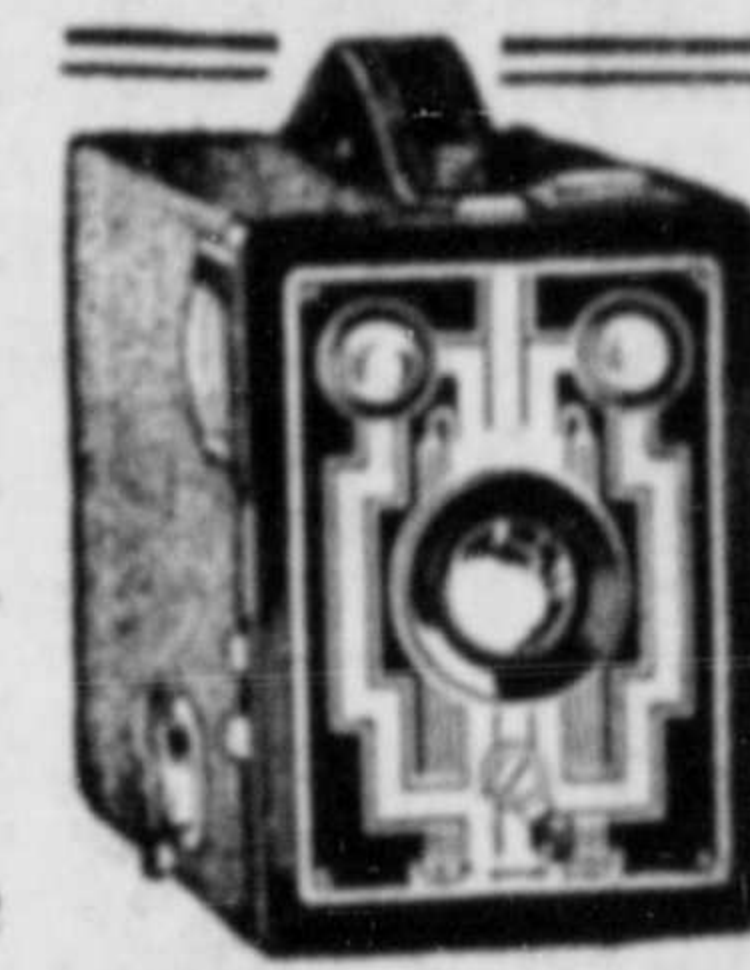

Roscoe Karns, Hobart Cavanaugh and Dean Jagger are seen in the principal supporting roles.
