Closing Exercises at Booth School; Honor Rolls and Pass Lists

Closing exercises were held at the Booth Memorial School prior to the summer vacation and honor rolls were presented by the principal, Miss E. A. Mercer, to the children who assembled in the auditorium for the occasion.

Miss E. A. Mercer congratulated the children on their success, particularly the winners of the honor rolls. The high standard of the school had been maintained and the records compared very favorably with the best in the province.

On behalf of the graduating class, Alfred Wikdal expressed the appreciation of the pupils for all that the teachers had done for them. They were sorry to leave their old school and would certainly try to do it credit in the future. Hans Petersen, for the pupils who would still be at Booth next year, assured the graduating class that they would do their utmost to maintain the high standard set by them and previous classes.

Failure of President Roosevelt to Take Action Following Collapse of Wage Negotiations With Appalachian Producers Given as Reason for Lewis' Action

WASHINGTON, D.C., June 29: (CP)—John L. Lewis, president of the United Mine Workers of America, ordered all his members to stop work at Sunday midnight in the absence of any White House action after the collapse of wage negotiations with the Appalachian Producers. Lewis sent out telegrams to six thousand locals directing them to "suspend mining on Monday." He estimated that 450,000 miners would be affected in what may prove to be the biggest soft coal strike in the history of the United States.

AIR TENSE AT REGINA

Premier Gardiner Restless at Continued Presence of Camp Strikers in Saskatchewan

REGINA, Sask., June 29: (CP)—Bitter telegrams continue to be exchanged between Premier R. B. Bennett at Ottawa and Premier J. G. Gardiner of Saskatchewan in regard to the march of British Columbia relief camp strikers to Ottawa. Premier Gardiner urges Premier Bennett to withdraw the order to the Royal Canadian Mounted Police to prevent the marchers from proceeding east of Regina.

Police continue to stop the strikers from leaving in trucks. It is illegal for passengers to ride in trucks, it is intimated. Five men were arrested under charges dealing with Statute 98 on peace and order when a truckload of strikers attempted to leave Regina last night enroute east.

Denials of breaks in their ranks came today from headquarters of the two thousand marchers as the Royal Canadian Mounted Police maintained vigilance to prevent any person giving aid to the strikers. The police blockade of highways to prevent the marchers proceeding east by truck continued. The police have given orders that all persons aiding or abetting the strikers are liable to prosecution.

OTTAWA, June 29: (CP)—End of the long and wearisome session of Parliament is now in sight and, within a week, members are expected to be on their way home to various parts of Canada to make ready for the general election campaign. The government will drop the alternative vote proposal for Saskatchewan, Premier R. B. Bennett announced in the House of Commons yesterday. This should pave the way for prorogation by Wednesday or Thursday of the last session of this Parliament.

READY TO CELEBRATE

Great Plans to Observe Dominion Day on Monday

With all final arrangements completed, the Dominion Day celebration committee now awaits only a break in the weather to make July 1 here a gala day. For over two weeks preparations have been going forward lining up a program which should appeal to patrons of sports of all kinds. League baseball, cup final football and softball, track sports, junior football and sports and a feature relay race are all carded for Monday on what is probably the most comprehensive one-day program attempted here.

A grand parade headed by the Boys' Band will march off from the old Armory on Fourth Street in the morning to open proceedings and, from then on, except for an hour for lunch, the Acropolis Hill Grounds will be in constant use until the evening. Then all roads will lead to the C. N. R. A. softball grounds for the final sporting event of the day, the Dominion Day Softball Cup championship. The Junior Football game in the morning, a baseball set-to between Sons of Canada and the Elks and the Dominion Day Football Cup final between the Canadian Legion and the Young Liberals should all be well worth watching. The Boys' Band will be in attendance all day. At the grand dance in the Moose Hall an added attraction will be the drawing for a free trip to Vancouver or the cash equivalent.

The following are in charge of the various committees:

Finance, F. Derry.
Sports, G. W. Johnston.
Dance, G. P. Lyons.
Others on the celebration committee who have all been working hard are Bert Morgan, H. Killin, H. A. Breen, J. S. Wilson and P. Edgcumbe.

DECORATION DAY

"They shall grow not old as we who are left grow old,
"Age shall not weary them, nor the years condemn,
"At the going down of the sun, and in the morning
"We shall remember them."

Even in the hurry and bustle of life, each day with its problem and anxieties, our thoughts ever turn to those who have made Flanders Fields, and other parts of the Empire, "a little bit of Canada" by their sacrifice. We shared our joys, our cigarettes, our rations. We sang "Tipperary" with them, and "Mademoiselle From Armentières." We shared the same dugout or shell hole. Yes, we shall remember them. We do it in secret, without display. For they did their work in such a manner.

And it is this thought that is behind Decoration Day, which we commemorate tomorrow. The Soldiers' Plot is a common meeting place, and our thoughts, as we listen to the service, reach back to France, Belgium and the serried crosses on many a front. And to our comrades who came back and rest here—we remember them, in gratitude, and in pride that we were privileged to be with them.

"They are not dead, the soldier and the sailor,
"Fallen for freedom's sake,
"They merely sleep, with faces that are paler,
"Till they awake."

We shall remember and honor.

LOCAL BASEBALL AIM

Editor, Daily News:

In reply to letters that have appeared from time to time in the press regarding baseball, on behalf of the Baseball Association, I'd like to explain to the public what object the association has in view. The reason that baseball was in such a deplorable state was due to the fact that for years local boys never were given a chance to learn the game.

We depended on outsiders and when players came to town for the summer, the local boys were left on the bench. This year the association decided to foster local talent and make their own ball players. When the players were divided up, Lambie and Chenoski were the only pitchers who had experience and, as Chenoski decided to go fishing, Lambie was the only pitcher available. In view of the fact that the teams were mostly composed of youngsters who had never faced a fast ball, it was decided to give the youngsters with pretensions to learn to pitch a chance to show their wares and learn with experience.

It was generally conceded among the old timers that it would take two years to teach the juniors to play ball but the brand that they are putting up at present made them change their opinion and, towards the end of the season, we will have a good league if they continue to improve as they have to date.

That is what the association has in mind—coach local talent and give every boy a chance who works for it and make our own ball players.

Thinking you for your valuable space. Yours in sport,

STAN MORAN.
President, Prince Rupert Baseball Association.

"HEAVY GREASY MUD... EXTREMELY ROUGH!"

Edmonton, Alta.
December, 12/34

General Motors Products,
CALGARY, ALTA.

Dear Sirs:

Four years ago we purchased a Chevrolet utility chassis and began operating a bus line between Athabasca and the city of Edmonton.

The road in wet weather is a heavy greasy mud and in dry weather extremely rough, so that the operating conditions are not by any means ideal.

Our Chevrolet gave us little trouble apart from ordinary service work. Since then we have secured three other bus routes in Alberta and in each case Chevrolets were placed in operation.

Our experience with Chevrolet therefore has been more than satisfactory.

Yours very truly,
CANADIAN COACH WAYS
(Sgd.) A. P. COLLINS

Experience with Chevrolet:

"MORE THAN SATISFACTORY"

WE HAVE FOUND that when it comes to deciding on new bus or truck equipment, buyers are most influenced by the experience of other operators like themselves. That is why we urge you to read the letter from Mr. A. P. Collins of Canadian Coach Ways, Edmonton — then go out and talk to some of the Chevrolet operators in your own community. You can safely take "the owner's word" for it — when it's a question of the right truck to buy for performance, appearance, freedom from repairs, long life and economy.

Chevrolet and Maple Leaf Trucks offer a complete line of models, $\frac{1}{2}$ to 2 tons. General Motors Trailer equipment boosts Maple Leaf hauling ability to the 8-ton range. A full line of Chevrolet-built truck bodies. Low delivered prices, easy GMAC terms and new Owner Service Policy.

Sockeye Packing Season Commencing — Halibut Landings Picking Up—Slight Improvement In Trolling

The 1935 salmon cannery season starts in Prince Rupert district early next week with the opening at midnight tomorrow of fishing with sockeye nets. Twenty-six canneries, nine on the Skeena River, will be in operation in the district. The opening price for sockeye is 45¢ per fish which seems to be satisfactory to all concerned. Just before the opening date, there has been a rush of boats to take out licences, the most of fishermen having deferred the securing of licences until the last moment pending the settlement of the season's price. B. A. Cannery at Port Essington was the first plant on the Skeena to actually start canning this year, having already put up some springs prior to the opening of sockeye fishing. A test boat took two hundred sockeye during the past week. This would indicate that the fish are none too plentiful but there are hopes that there will be an early improvement. At least, the fish are in sight.

Halibut landings at the port of Prince Rupert for the 1935 season up to and including yesterday had reached a total of 4,588,150 pounds as compared with 7,392,565 pounds up to the corresponding date last year. This year's landings from Canadian boats now totals 2,119,150 pounds in comparison with 3,448,565 pounds last year while American landings this year aggregate 2,469,000 pounds as against 3,944,000 pounds last year. For the week ending yesterday landings amounted to 440,500 pounds of which 164,500 pounds was from Canadian boats and 276,000 pounds from American vessels. Prices showed a somewhat lower tendency during the week, the top bid for Canadian fish being 62¢ nd 5¢ which the Gony received for 15,500 pounds and the low 5¢ and 4¢ which several boats were paid. For American fish the high price of the week was 7¢c and 5.5¢ which the Lumen and Ionic were paid for catches of 11,500 and 16,000 pounds respectively and the low 6¢ and 5.5¢ which was paid in many cases.

No boats being in with catches there was no sale of halibut on the local Fish Exchange this morning.

Returning south after a regular voyage to Skagway and other Alaska points with a full list of tourist passengers, C. P. R. steamer Princess Louise, Capt. S. K. Gray, is due in port at 4 o'clock this afternoon from the north and will sail at 5:30 p.m. for Vancouver.
