WELL KNOWN COUPLE WED

Miss Irene Boulter Becomes Bride Of Dan Parent Saturday Night

A wedding of much local interest took place at the home of T. J. Boulter on Saturday evening when Miss Irene Maud, youngest daughter of Mrs. Charlotte Boulter and the late James Boulter of this city, was united in marriage to Dan Parent, Very Rev. J. B. Gibson, dean of St. Andrew's Cathedral, officiated.

The rooms were tastefully decorated in pink and white and the bride entered the room, on the arm of her brother, T. J. Boulter, who gave her in marriage. The ceremony was performed under an arch of evergreens, silver bells and multi-colored lights topped by a large white bell. The bride looked charming in a gown of pale green suede afefta modelled on princess lines with long flaring skirt and dropped shoulders forming large puff sleeves with white lace hat and accessories to match. She carried a sheaf of amber chrysanthemums and crimson rosebuds with pale green and gold streamers.

Miss Doris Webster, as bridesmaid, wore a floor length gown of orchid point de-esprit with a diamond bandeau and white shoes. Her bouquet was of yellow chrysanthemums and pink carnations.

The groom was attended by Arthur Delorme. Immediately following the ceremony a reception was held at the Knox Hotel where Mrs. Boulter, wearing a corsage of Ophelia roses, assisted the young couple in receiving the guests. The bride's table was centered with a three-tier cake, pink tapers and a miniature bride and groom.

After a delicious supper, during which toasts to the bride and groom were proposed and suitably responded to, dancing was enjoyed. The many beautiful gifts received showed the esteem in which the young couple are held. Mr. and Mrs. Parent will take up residence on Ninth Avenue East.

CENTRE OF THE STAGE

G. G. McGeer continues to hold the centre of the stage at Vancouver just as much since election as before. Indications are that he will continue to do this for some time. He will, undoubtedly, have proposals to make to the Legislature to aid him in carrying out his policy and he is planning to carry the gospel of low interest rates to the prairie cities. It is expected too, that the mayor of Vancouver will be a candidate for one of the Vancouver constituencies in the federal parliament so that, if elected, he may have an opportunity of carrying his financial and other plans right into the heart of the Dominion at Ottawa. The outlook is very interesting, to say the least.

HERRING IN BRITAIN

There have been lean years in the British herring industry. For some reason or other the British people had given up eating the luscious bloater or the "red herring." Then last year came a glut of the fish. Millions of pounds that were caught could not be consumed. People did not want them. What happened?

The British government at once took steps to meet the situation. It appointed a board to reorganize the whole industry including catching, curing and marketing of the fish. It set aside a fund to purchase and scrap some of the older vessels engaged in fishing and decided to have a national brand for kippers put up in any part of England as a protection against substitutes. Evidently, the British government is interested in its fishing industry.

IRISH RAPPROACHMENT

The Irish and English people are beginning to see the futility of fighting each other and are making arrangements for closer trade relations. Ireland is to buy British coal and Britain is to buy Irish cattle. Why not?

In this country it is different. We also have a neighbor just over the fence to the south but we must not buy from him and he cannot buy from us. We are wonderfully good friends, visiting each other as often as convenient, but our rulers say we must not buy from each other without paying a price and a half or thereabouts for the goods. The fault is on both sides. Political pressure has raised the barriers and nobody likes to pull them down. It is not hostility but an attempt to be selfish which has failed of its purpose.

TERRACE

The Christmas and New Year season passed off somewhat quietly at Terrace. The cold weather kept people more at home than is generally the case at such a time.

The Loyal Orange Lodge put on a public dance on the last night of the old year. This went over strong and Dr. and Mrs. Mills won the turkey which went with the lucky ticket.

On Wednesday night last the Oddfellows staged a social evening with cards and dancing. The proceeds went to alleviate the lot of those in dire need.

The Native Sons of Canada gave a Christmas dinner at the Philbert Hotel for all single men born in Canada.

There have been many vagaries of weather here during the past couple of weeks. Warm sunshine and soft breezes were followed by rain and sleet and around Christmas it was exceptionally cold with a minimum thermometer reading of five below zero and occasional blizzards. During the past week it has been somewhat milder.

PORT ESSINGTON

The Port Essington Indian School held a most enjoyable Christmas entertainment. Great credit was due Mrs. C. D. Pogson, the teacher, every number being equal to any heard in a city school. Mrs. Pogson was presented at the close of the program with a beautiful Totem Pole by Chief Louis L. Starr and David Spalding.

The new and beautiful Pierce Memorial United Church was suitably decorated for the Yuletide services. The large congregations were led in song by a most excellent choir under Mrs. F. Bushfield. The congregation appreciated very much the effort put forth by the two local contractors, H. J. Brown and A. E. Thomas, so that the church could be used at this time.

Through the efforts of Rev. A. Roddan of First United Church of Vancouver the Pierce Memorial United Church is to receive an organ, a new communion set, two new offering plates and a bell.

The young Natives of the village entertained the citizens on Christmas Eve to the old fashioned Christmas carols. Although the night was cold they pulled a large organ on a sleigh and re-echoed the angel's songs all through the village.

Mrs. H. B. Rochester of Prince Rupert and daughter, Janet, have been spending a few days with Mrs. Rochester's mother, Mrs. J. A. Brown.

Mr. and Mrs. H. McCavour, and son Donald, of Sunnyside, were Christmas holiday visitors with Mr. and Mrs. J. C. Hunt here.

Jolly New Year's Eve Party Held At Oona River

OONA RIVER, Jan. 7.—A very enjoyable whist drive and dance was held here last Monday night in connection with the ushering in of the New Year, the affair being one of much pleasure to all present. The room was prettily decorated for the occasion.

Winners at cards were ladies' first, Mrs. C. Iverson; second, Mrs. O. Olsen; consolation, Mrs. S. Norberg; men's first, Victor Norberg; second, T. Axelson; consolation, P. Bergman.

At midnight, delicious refreshments were served followed by dancing until the small hours of the morning. Music was by J. Hadland Jr. and Christ Fossum.

The committee in charge consisted of Mrs. O. Wick, Mrs. O. Olsen and J. Hadland Jr.

WHIFFLETS
From the Waterfront

Having on board a good sized list of passengers including school teachers returning after spending the Christmas and New Year holiday season in the south, Union steamer Catala, Capt. James Findlay, arrived in port at 9:15 last night from the south and sailed about an hour later for Anyox, Stewart and other northern ports, whence she will return here tomorrow morning and sail at 1:30 p.m. for Vancouver and waypoints. The vessel was late in arriving from the south on account of having made a special call at Ocean Falls on the way from Vancouver.

The B. C. Packers cannery freighter P. W., which was recently rammed and sunk at Namu cannery dock by the steamer Cardena, had been raised by an outfit of the Pacific Salvage Co. from Vancouver and was lying alongside the Namu dock on Saturday awaiting the arrival of the Armour Salvage Co.'s power tug Salvage Princess from Prince Rupert to tow her to Vancouver.

Freighter Saviour, Capt. A. Georgeson, is due in port today from the south with cargo of coal and other commodities for delivery here.

Dr. R. G. Large returned to port last night with his power cruiser Neiris from a week-end trip to Port Simpson, having left Saturday morning. Accompanying the doctor were Arthur Sutton, J. C. Hunt of Port Essington and J. O. Williamson. Calls were made at Big Bay going and coming and a few ducks were picked up by the party.

Word reached the city over the week-end of the total destruction by fire at midnight last Friday of the float home of a well known Hays-

port fishermen known as the "Flying Cloud." The unfortunate man lost all his belongings, escaping narrowly with his life.

First fresh spring salmon of the season was being offered at Frizzell's market this morning, 160 pounds having been caught in the harbor.

J. Black is now visiting in the city with her daughter, Mrs. F. N. Feero, Fifth Avenue West.

COLD PUTS PRICES UP

Shortage of Some Lines of Green-stuffs—Imported Tomatoes Due Here This Week

Snow and cold weather in the south has resulted in an upward trend in greenstuff prices on the retail market with shortages in certain lines.

First hothouse rhubarb of the season is now being offered here at 15c per pound.

Navel oranges are arriving in fine condition with prices at more reasonable levels. Jamaica oranges and grapefruit are being displayed in some stores but not in any quantities.

Victoria hothouse tomatoes are finished for the season but California and West Indies supplies are expected this week.

The egg market continues steady and butter is unchanged.

NO WONDER HE FELT AND LOOKED SO MUCH BETTER

Half in fun and half because he occasionally "felt punk," a college chap joined 39 other students to form a test class of clinic. It was desired to test on this class the recuperative power of a certain tonic preparation, the formula of which was known to have blood-building qualities.

Like the other 39, this young man's blood was tested and the "count" of red corpuscles and red coloring matter was found well below normal. No wonder he "felt punk" at times. He was given the tonic and returned in thirty days to have his blood tested again. There was no doubt about improved health. He looked it and felt it. His blood test showed that red corpuscles and red coloring matter had strikingly increased. No wonder he felt and looked so much better.

Would you like to feel better, too? Would you like to be kept again about study or work or play? Then take this "tested tonic" which proved such a benefit to the forty college students. It restores well-being by increasing the red corpuscles and red coloring matter of the blood—those carriers in the blood stream which must be kept up to normal numbers if the person is to possess health and vitality. This tested tonic is Dr. Williams' Pink Pills. Easy to take whether at home, at college or at business. Recommended for all who feel run-down, over-tired, nervous or "low", or are under-weight. Your druggist has this tested tonic—Dr. Williams' Pink Pills, price 50c, 82c.

FIGHT A COLD where the cold fights you

... with medication proved by 2 generations of mothers ...

THE INSTANT you rub Vicks VapoRub on throat and chest, it goes to work to fight that cold—direct to the spots where the cold fights you—and with two-fold power—

- 1 Through the skin, VapoRub's warming action is much like that of an old-fashioned poultice or plaster.
- 2 Its soothing medicated vapors, released by body heat, are inhaled with every breath—penetrating direct to the inflamed membranes of head, throat and bronchial tubes.

This double direct action continues for hours—loosening phlegm, soothing irritation, easing difficult breathing and helping to break congestion.

No wonder Vicks VapoRub has become the family standby for treating colds in 26 million homes—and in 68 countries of the world.

Mothers of two generations have preferred it for children's colds. Not only because of its proved effectiveness, but because it is external—and safe. Its' use avoids the constant internal dosing so often upsetting to delicate little stomachs. VapoRub can be used freely, and as often as needed, even on the youngest child.

TO MOTHERS: You can also help your family avoid many colds. Use Vicks Va-tro-nol, the unique aid in preventing colds. Va-tro-nol is especially designed for the nose and throat—where most colds start. Va-tro-nol marks the second great development in the clinic-tested Vicks Plan for better Control of Colds, designed to help you to greater freedom from colds—fewer, shorter and milder colds. Full details of this remarkable Plan in each package of Vicks Va-tro-nol and Vicks VapoRub.

... BEST FOR CHILDREN'S COLDS **VICKS VAPORUB** ... JUST AS GOOD FOR ADULTS, TOO

LEAFS BEAT CANADIENS

Toronto Wins 3 to 1 Victory With All Scoring in Last Period—Eagles Down Maroons

TORONTO, Jan. 7.—Snatching the victory in characteristic style during the latter stages of the play, Toronto Maple Leafs defeated Montreal Canadiens by a score of 3 to 1 at the Maple Leaf Gardens here Saturday. Both first and second periods were scoreless but, in the early part of the third, Art Jackson netted the first counter for Toronto. The rest of the scoring came within the closing five minutes of play. With four minutes to go, the Canadiens put every man on the attack but the Maple Leafs broke away and Charlie Conacher took the pass from Primeau who had carried the puck to the goal mouth, giving Cude, deserted by his teammates, no chance. The Canadiens went right back into the attack and, with two and a half minutes to go, Mondou lifted the puck into the net, Goldworthy being credited with the assist. About a minute from time, Bill Thoms banged in the third goal for Toronto from a wild scramble in front of the net on a double pass from Kilrea and Bowell. The game was featured by sensational goalkeeping, both

Hainsworth and Cude making save after save.

The long suffering St. Louis Eagles terminated the Maroons' winning streak with their victory at Montreal, and, as a result, went into a tie with the Canadiens for fourth place in the International Section.

Chicago Black Hawks bounded back into first place in the American section ahead of the Boston Bruins by blanking the Bruins at Boston Saturday night and defeating the Americans in New York last night.

Week-end scores were as follows:

Saturday Night
 Canadiens 1, Toronto 3.
 St. Louis 2, Maroons 1.
 Chicago 6, Boston 0.

Sunday Night
 Canadiens 2, Detroit 6.
 Chicago 2, Americans 1.

TWO FILMS ARE NOVEL

"Lily of Killarney" and "Student Tour" at Capitol Theatre First of Week

A novel musical romance entitled "Lily of Killarney" and a tunesome harmonic comedy "Student Tour" comprise a double bill being presented on the screen of the Capitol Theatre here the first of this week. "Lily of Killarney" is a British picture set amid the picturesque beauties of the Emerald Island and replete with splendid Irish music including many of the popular old airs such as "Killarney," "Hunting Song," "Father O'Flynn," "The Moon Has Raised Her Lamp Above," "Believe Me If All Those Endearing Young Charms," "The Dear Little Shamrock," "My Sheep Dog and I," "My Little Irish Gig" and "Ireland in Spring." This music is interpolated in a typically Irish romantic story. The cast, chosen to large extent for its musical talent, is headed by Gina Malo, John Garrick and Stanley Holloway.

In addition to comedy supplied by Jimmy Durante and Charles Butterworth and half a dozen new musical hits including the sensational "Carlo" dance number, "Student Tour" abounds in youthful personality. The musical cruise filled with comic complications and romance takes one to various parts of the world including New York, Japan, China, Java, India, Monte Carlo and Paris.

W. G. Crisp, manager of the Hudson's Bay Co.'s store at Kitwanga, arrived in the city on yesterday morning's train from the interior for a brief business visit to town and will be returning to Kitwanga this evening.
